[A word from the editor](#)

Dear Readers,

It’s almost the end of 2020 and time for us all to take a break and recharge our batteries.

Summer is here but somebody forgot to tell the weather. Lions around the district have still managed to achieve a lot this year despite the COVID glitch. Don’t forget, if you have a project you’d like promoted, or have recognised a club member with an award for achievement – please let me know. I’d be more than happy to put it in the CONTACT.

Thanks to those of you for your positive feedback. Catch you in the new year!

Kind regards,

Llew Eynon

DG's Message

Hello fellow Lions,

My, how the year has flown by, to think that it's December already.

I was recently at a Council of Governors meeting in Wellington and felt so proud of our district and all the hardworking Cabinet members. "D" was mentioned again and again as our innovative ideas were discussed and requests were made for the work to be shared so that other districts could implement them as well. The list included service projects like the Diabetes initiatives, the Internal Youth Exchange program, the Environmental Video competition, and the Refresh Day. How good is that?

At our recent cabinet meeting two more new and fresh ideas were discussed. Watch this space.

Our membership is holding steady at only minus 2 for the year so far and the budget is looking good.

I'm looking forward to seeing many of you at the 49th District 202D Convention and AGM on the 6th and 7th of March in Eltham.

Have a great Christmas everyone, and enjoy the time with your families.

*Regards,
Louise Knapman*

BRA ARTZ

It was a very busy and successful weekend displaying all the Bra Artz. It all started on the Friday with setting up our site by Lynette, Adrienne and Barry. A fantastic show of 67 decorated Bras, Winners prizes, Raffles, and even a board of beautiful RSA poppies to sell

The interest was great and the look on people's faces when they saw the designs of our Bra Artz was very rewarding for all the hard work we as a club put into this.

The Pure Breast overall winner chosen by Liz Brett owner of our sponsor Pure Breast Care Ltd went to Boorance Roskruge with Bra Title "Flaxy Bra". Prize presented by Liz - a Pure Beauty Care voucher and a free fitting and new bra.

Emerging Lions Leadership Institute (ELLI)

Congratulations to the 7 Lions from our district who attended the ELLI in November.

- Paul Folster (Palmerston North Middle District)
- Bryan Kirk (Normanby & Districts)
- Hugh Cameron (Normanby & Districts)
- Wendy Otene (Inglewood)
- Edgard Caballero (Rongotea & District)
- Mike Powell (Bell Block & Districts)
- Scott Harvey (Palmerston North Fitzherbert)

This institute is an opportunity for Lions to prepare themselves for leadership positions at club level. The three days is pretty intensive with facilitated workshops designed for all participants to meet the following objectives:

- Understand the significance of assessing community needs
- Recognize the reasons people resist change
- Identify strategies for supporting a team as a team leader
- Understand the strengths and limitation of own communication style
- Identify the components of effective meeting facilitation
- Recognize the dimensions of diversity
- Understand and support the mission of Lions Clubs International Foundation
- Utilize Club Quality Initiative to achieve club

If you want to know more about the opportunities available to you as a Lion to develop your leadership, for personal growth, to assist with leading your club or to take your Lions leadership further, please give me a call or email and I will do what I can to help you on your Leadership Journey.

Lions Club of Waverley Environmental Project

Lions Club of Waverley Environmental Project Lupton's Lake

This project is now underway which is great news. A big Thank You to Grant Sanson for painting the Kiwi Park sign at Lupton's Lake.

Railing was erected around the Kiwi Park sign. The old table was removed and some ground work was done to level the area, and a new retaining wall was built and an area boxed ready for the concrete pad to be poured.

Shortly after arriving in prison, an inmate had to have three teeth extracted. Later he had a finger cut off in a kitchen brawl. When his appendix was removed, one of the wardens confided to a colleague: "Better keep an eye on that chap, I think he's trying to escape bit by bit"

Paddy took 2 stuffed dogs to the Antiques Roadshow. "Oooh!" Said the presenter, "This is a very rare breed, do you have any idea what they would fetch if they were in good condition?" "Sticks." replied Paddy.
