We Serve

DG Sue Fleury

Hi Everyone

It is a beautiful day here today and I have just come in from planting some new plants in the garden with Allan's help. It is nice to take the time to do something that will give us pleasure for a long time.

Well another week and another club visit, this week I went to Queenstown club and inducted a new member while I was there. This is another great club and they are really focused on increasing their membership which is great to see.

Please remember that November 14th is world Diabetes Day and as this is one of Lions Clubs global causes it would be great if you could do something for this during November.

If you go to Lions clubs International and go to Global Causes and Diabetes you will find lots of activities you can do on line, they are hoping to get 100,000 minutes of people doing these activities, please give it a go. lionsclubs.org/en/start-our-global-causes/diabetes/world-diabetes-day

This is the link to follow.

Please think about attending the District Convention in Te Anau in February these are really worthwhile.

You get to meet lots of other Lions and make friends, learn lots of new stuff and attend the District AGM as well. Farewell members that have passed in the last year and Dance the night away at the dinner and dance on Saturday Night. The application forms are in this flyer or with your club secretaries now.

Regards and stay safe
Sue Fleury

Sue Fleury
 District Governor

VDG Pam Fiveash

Hello fellow Lions.

Well another election is over, and we have Jacinda Arden and the Labour Party continuing to lead us in Government for the next three years. And I hazard a guess that the other parties are already thinking about their electioneering campaigns for 2023. A lot of planning and preparation goes on in the background for these things to happen.

And in Lions it's no different. The next election that I'm focussing on will be held at our District Convention in Te Anau in February next year when all going well I'll be putting my name forward as your next District Governor.

And just as with political parties, a lot of planning and preparation is going on in the background. A big part of this is the training I'm undergoing, a lot of which is through the e-learning courses available in MyLion. Each time I go into the site, I'm amazed at just how many courses are available.

And they aren't just available for those Lions looking at advancing in our organisation. Each and every Lion, yes that includes you, is able to access the courses. And the variety of course topics available is quite staggering, especially when you consider that they aren't all Lions related. They can help you just as easily in your personal and/or professional life.

Let me give you some examples:

- Effective listening
- Goal Setting
- Decision Making
- Conflict Resolution
- Delegation
- Public Speaking

See what I mean? And if you're holding a club position such as President, Secretary or Treasurer, there are courses tailor-made to help you in these roles as well.

And the great thing about the courses is that they don't cost anything. That's right, you've read correctly. They're free. They come at no cost. Nix. Nada. Zilch.

So, if you haven't yet logged into MyLion to access the Learning Centre, why not give it a go now.

Or if you think you'd like to, but aren't quite sure how to go about it, contact our District Webmaster Ann Saunders. Ann will be only too happy to help.

Why not give it a try.

And until next time, I remain yours in Lions

PRESIDENT'S MESSAGE

United in Kindness and Diversity with International President, Dr. Jung-Yul Choi

Dear Lion,

Your safe service has preserved the health and safety of so many within your local community. The coronavirus pandemic has become the global health focus for the world, but many other health issues remain. And that's where Lions can make a difference.

Diabetes affects nearly 10% of the world's adult population—and so many more are undiagnosed. That is why diabetes has been one of our five global causes. This month, I ask that you unite with Lions around the world to raise awareness and educate people so we can be the difference in our communities.

Because every global cause has a solution that begins at home.

Regards,
Dr. Jung-Yul Choi
 International President

World Diabetes Day

World Diabetes Day is on November 14, and this year, we're asking Lions to continue serving safely by serving virtually. Beginning October 12, your club can participate in a variety of virtual activities to promote diabetes awareness, prevention and care.

Visit our World Diabetes Day page for activities and educational series that you and your club can participate in to make a difference in your community. And don't forget to use the hashtag #LionsFightDiabetes to celebrate your service with us and Lions around the world.

Serving Safely

Your service matters now more than ever. And our Serving Safely page has everything you need to keep serving and keep your community—and yourself—safe and healthy. We've updated the Serving Safely page with new tools to help you continue innovating the way you serve in your community. You'll also find blogs, social media resources and inspirational stories that can help you discover new ways your club can continue making a difference

District Awards 2020 updates

Recently the Council of Governors accepted the updates to the Multiple District awards by a committee set up to review and update the awards. Some of which were well out of date and not relevant anymore.

All District 202F Club secretaries were recently emailed the updated awards by District Secretary PDG Liz Murray.

The information has been uploaded to www.lionsclubs.org.nz/awards on the New Zealand Lions website, or available from me.

Community Service awards

The District 202F Project award winner is sent onto the Multiple District MD202 Ron Usmar Award for Community Service. The main change is that this award is now presented in electronic form with a few changes to the points system. This award is based on service projects from 2019-2020 Lions year.

Bulletin Awards

The Ian Mathieson Award for best club bulletin and the Grass Roots IT award now at Multiple District level become the MD Ron Rowe Award Public Relations and Communication. The changes here are that Social media, webpages and local media have been included in the criteria and points are allocated for these areas. These changes were reached after consultation from Ron Rowe. This award is based on bulletins from 2019-2020 Lions year.

Environmental Photos

PDG Barbara Sharpe Environmental Photo award is a District award and remains the same so please take those amazing photos. size 8"x10 "in the sections of Animal Life, Landscape (urban or Rural) Plant life, Weather phenomenon. The photos must be taken within the District 202F district area.

James Hargest Leo Club

Once again the James Hargest Leo Club has had a great year. We started strong with 100 new members joining us bringing our club about 200 members over all. The JHC Leo club is one of the biggest clubs in New Zealand and we are very proud to have been active for more than 20 years. Our first major fundraiser was the Tough Kids BBQ 2019 where we sold 600 sausages, raising \$900 for the Relay for Life. We also ran the popular Valentines Day balloon fundraiser and set up another BBQ at athletics day to raise more funds for the relay for life. Unfortunately, like so many events this year, the Relay for Life did not go ahead due to COIVD-19. However, this did not stop us from continuing raising money from barbeques for the Cancer Society, raising \$1000 in total which is great effort. We also participated in the Buy-a-Brick fundraiser for the Southland Charity Hospital, raising \$300 to buy three bricks. This money was raised from multiple barbeques run by various members of the club as we took turns running it each week. We are very proud to have contributed to such an important charity that will make a difference to our community. A Food Drive was also held right after lockdown to help out those in our community who need it in these strange and unprecedented times. This was very successful, thanks to our amazing LEO members and the Salvation Army were very happy to receive such a large donation of food. Our biggest event this year was the Hire-a-Helper. We moved locations into the Gym and it was a huge success with participation from teachers, House Captains, Head Students and of course, Mr Newell. We raised \$1700 for the Borland Lodge. Borland Lodge is a non-profit organization where all our year 10 camps are held so it was great that the whole school got behind the event and contributed. Helpers cooked meals, baked cakes, entertained at lunchtimes and even washed cars. On Daffodil Day, the LEO Club managed to raise about \$170 to the Cancer Society from selling daffodils. This is the 7th year we have participated in this fundraiser which really shows our commitment and dedication to contributing to our community. The LEO Club leaders would like to thank all of the club members who participated in the many events that were put on this year. Despite the many challenges and disappointments that came with this year, the LEO Club got stuck in and helped out the community in every way possible which is great to see. The participation and commitment from the whole club is what made this year so successful. We would also like to thank Mrs Elder and Ms Jenkinson who helped us along the way. They were so encouraging and helpful and we could not have done it without them. To the remaining and future LEO members, we can't wait to hear all about your successes and endeavours in the years to come. Samantha Faherty (thank you Samantha , it was great to hear from you.—Ed)

Gore River Valley

The club attended Balfours meeting in October. Thank you to everyone that sold Lilly bulbs. A fundraiser that people get great flowers. Very good quality. We have got our flag at last. We will use it when we are out in the community, it looks even better than I imagined. Quiz night 19th October Heartlands Hotel Gore 6:30pm run by Gore Hokonui Lions. Quiz night 19th October Heartlands Hotel Gore 6:30pm run by Gore Hokonui Lions. Then there is Toot for tucker to get organised for on the 3rd December Thursday. Also, Gore's Santa Parade is the following Sunday. We may possibly have a job there watch this space....

Winton

It was disappointing to have to cancel the I.H.C. Golf tournament after so many years, but hopefully we will be able to continue with this in 2021. Thank you to Alan and his team who put in their time to have everything in place for this year. Unfortunately lack of entries and a poor weather forecast caused the cancellation.

I hope you all got a chance to see Bailey Unahi on TV1 recently. It was good to see what she has been able to achieve so far on the chair ski which we contributed to. Bailey has shown she has plenty of ambition and the ability to go far after her horrific accident. She will be a great role model to others.

At our next Board Meeting we will discuss our involvement for the new format with our Book Sale and Barbeque, and hopefully we will have more information about the Fete so that can also be arranged.

John (Chub) McHugh awarded Life Membership of the Borland Lodge Charitable Trust for his services over 25 years. The Award presented by Gary Tong, Southland District Council Mayor

Wanaka Leo Club

After having a chat with the Council staff member who was in charge of Reserves and Parks in Wanaka, we come up with a Community serve challenge for the Wanaka Leos. What came out of the conversation was one of clearing one of the gravesites that had a tree growing over it, plus it was also overgrown with weeds in the Pembroke Cemetery. Now that it is cleared, the fence will be fixed and maybe the site will be covered with small stones.

There is another gravesite close by that also has a tree growing in the site, but that tree needs a chainsaw.

Next exercise for the Leos will be collecting up pine cones to give to the elderly in the community next winter. But still feels like winter tonight. I checked for pine cones a week ago and hardly any were on the ground. But high winds have provided plenty of cones for the Leos to pick up next month.

What we start with.

ST JAMES THEATRE (Wow what a project)

After a long history as an important local entertainment venue the St James Theatre was on the verge of being closed. This was regarded by many as a vital amenity to the area and rather than seeing it lost for all time, a trust was formed (including a representative from the Gore Lions Club) to purchase, refurbish and manage it in association with the Gore Operatic Society.

The Society undertook to lease the premises in 1987 and put up \$50,000 of its own money to help the trust purchase the building.

The trust board and members of the Gore Lions Club made the commitment of \$50,000 over a five year period to help support the trust, and the Operatic Society.

In 1988 Gore Lions Club members, along with the Gore Operatic Society, worked extremely hard to refurbish the backstage area and the entire proceeds of the 1989 Festival Week were given over to the Trust.

In 1991 a further \$10,000 of Gore Lions Club funding was given over to completing the landing into the back stage, completing the new boiler house and paying the architect.

The next mission for Lions members were to upgrade the frontage of the theatre, move the stage forward, install a proscenium arch and a backstage wall and assist in re-raking the auditorium seating.

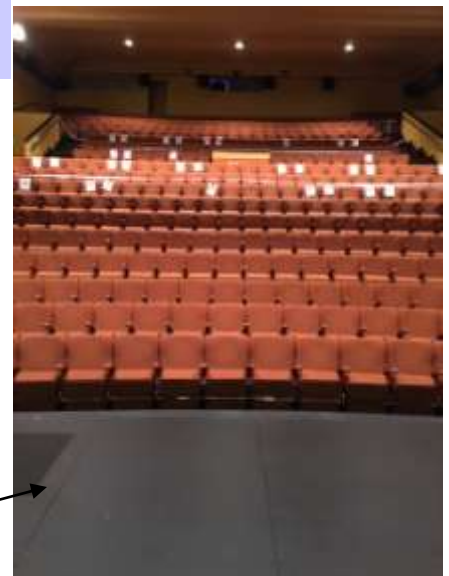

Chair of the St James Theatre Trust and a tireless worker for the theatre project was Lion Mervyn Hellier. He worked solidly though-out the five critical years of refurbishment and led the many weekend and evening working bees required to bring the project to fruition.

Our local lions club + the Lloyd Morgan Trust have donated \$103000 to the St James theatre Trust for the upgrade. Gore Host club has supported the St James Theatre Trust since 1988.

202F uses the Trust!

Theatre Trust member Melvin Gentle receives a donation of \$5000 from Gore Host Lions VP Mark Pope. Included is a large number of promised Lions tradesmen work hours to complete the project. St James Theatre Trust Chair Craig McIntyre, Gore Host Lions President Peter Cooper and Lloyd Morgan Lions Club Charitable Trust member Graeme Wilson hand over the donation for the new elevator.

First Vice President Pam Fiveash to visit the club next tea meeting – 10th November

West Otago

Last Saturday the Lawrence Lions Club held a "Stars in Your Eyes" night as a fundraiser for a new Helipad in Lawrence for the rescue helicopter. Amanda and I attended and it was a very successful event with plenty being raised and a lot of fun had. Well done Lawrence Lions. Over the next few weeks there is plenty happening on our local Lions calendar with tailing at Youngs, helping with a motocross at Riversdale, Cabinet Meeting in Tapanui, manning the gates at The West Otago show, and our V District Governor visit to our November tea meeting. Lindsay organized an outing for some of our older residents, a drive through beautiful West Otago, a visit to a local dairy farm, a new house build and some refreshments at Ribbonwood Country Home to finish. The Ribbonwood Van and assistance from Karen McHutcheon were invaluable on the day.

Spring gardening jobs. Heather Park, Barry Frew, Craig Tomsett, Lindsay Alderton, Clive Leitze, Todd Perkins and Nelson Hancox (behind the Camera) spread mulch on the gardens at the Presbyterian Church in Heriot. Many hands make light work, and leave time to socialize afterwards! Well done. 7/8 November (Saturday/Sunday) The Lions along with the West Otago Young Farmers will be providing people to act as marshalls for a Motorcross event at Riversdale. We will need approximately 10 people on the day.

Riverton

Shed demolition to be done. •Estuary bank working bee required. •Christmas Gourmet Raffle prizes to be bought to tea meeting please. •Orepuki beach steps project won't be going ahead. Moved that we donate \$500 to the Southland Charity Hospital. Some loads firewood have been delivered. •Kindling cut held 80+ bags done. •Firewood discussed, requires sorting into suitable sizes, suggested we donate some to needy families.

Owaka

Guest speaker at September meeting was Linda Wilson , chair of the Owaka Swimming Pool Committee , spoke on the proposed upgrades to the pool, with a quick history of the developments – built in 1979, covered in 1982, and heated in 1990.
 Maintenance is becoming an issue with the pool, the building and the plant.
 The upgrade is proposed in two stages, although if funding becomes available it would ideally be all done in one season. Total cost is quoted at \$328,000
 In the last season 2500 swims were recorded, with 80 keys issued.
 the BBQ has had its refurbishment completed and is looking great.
 - firewood cutting and splitting as our major fundraiser, due to no Canter or Slink Skin collection, is needing regular working bees. Agreed that the third Sunday of the month (before the Monday Tea meeting) starting at 8:30am would be the day on a regular basis.
 Golf Tournament still going ahead on January 9, please approach sponsors.
 Prostrate Cancer social night raised \$1080
 Convention 2022 - sets for 26 – 27 March
 Owaka Memorial Hall - AGM on October 8
 - hall needing significant R&M and earthquake strengthening
 - uncertainty over level of funding from Clutha District Council
 - front garden being removed and replanted

President Dick Dillon receiving District Governor Sue Fleury's banner

Old Farm owner John farmed an average farm in Balfour. The NZ Labour Department claimed he was not paying proper wages to his workers and sent an agent out to interview him.

“I need a list of your employees and how much you pay them,” demanded the agent. “Well,” replied old John, “There’s my Milker who’s been with me for 3 years.

I pay him \$600 a week plus free room and board. The Tractor driver has been here for 18 months, and I pay him \$500 a week plus free room and board.

Then there’s the half-wit who works about 18 hours every day and does about 90 percent of all the work around here. He makes about \$10 per week, pays his own room and board, and I buy him a bottle of bourbon every Saturday night.”

“That’s the guy I want to talk to, the half-wit,” says the agent. “That would be me,” replied old Farmer John.

(thanks Balfour)
