We Serve

DG Sue Fleury

Hi Everyone.

Well we have certainly had a mixed bag weather wise but it is a lot warmer than it was.

I have done another 3 club visits since last flyer and inducted another 4 members which is great, but the problem we have at the moment is we are not retaining our membership and I would like us all to focus on this. We need to keep our members engaged and make sure we do club orientation so they know what Lions is all about.

If we don't keep our members active then they will tire of just coming to a tea meeting, even if you have too many volunteers for a project don't turn them down it is nice to have breaks etc you will find this will help with retention. Please don't stop finding new members though as we need to build our clubs. The challenge for the year is to increase your membership by one from the figure you started the year with. If we could all do this we would be in much better shape.

I travelled to Northland last weekend for District K's convention. They have theirs early in the year it was a very good convention and DG Brian did a great job of running this. It is interesting to visit other districts and see that they are having the same issues as we are, but are doing some amazing projects just like us.

I am pleased to see a slight increase in the number of clubs reporting their service but this is still only at 38%. We need to increase as we need to tell our story of the service we do.

Keep up all the hard work from what I see and hear a lot of clubs are going to busy in the run up to Christmas. Good luck with projects and don't forget to tell your story on My Lion on Facebook and in the print media.

Regards and stay safe
Sue Fleury

Awards

The District Awards close off date of 30th October has past and I would like to thank all Lions and the clubs who sent in entries for the District 202F Awards to be presented at the District Convention at Te Anau in February. If your Lions club did enter the awards it would be nice if a representative could be at the Convention on the Saturday when these awards will be presented.

One Award still active is the **Quiet Achiever award**. Lions clubs have until the end of January to nominate that Lion who works quietly in your club, with out seeking the limelight. All Clubs have that one or more person who just gets on with the job and quietly supports the club and service projects.

This is a great time to thank them for their dedication to their Lions club and community.

Send an email to me at 202f.media@lionsclubs.org.nz titled Quiet Achiever and write about why the club thinks the nominee deserves to be selected as the winner of the award.

Media/ publicity

I always endeavour to support and promote District 202F Lions clubs' service. Please let me know if your club needs help or are involved in any projects where I can help with publicity. Make sure to take photos and let your local community and media know what is happening in your club. If you are undertaking something special let me know. I can advise you on what you need to do if the club was thinking of entering the District Awards next Lions year. Part of my portfolio is to promote the Clubs service by sending articles and photos to the NZ Lion magazine. This is the one which turns up at your club every few months. I am more than happy to help write the article and send it off to the editor. Lions clubs get a real boost in reading about their service in this magazine. There is always lots of North Island Lions Club information to read, lets change this and make sure there is plenty of District 202F articles too.

We Serve Because Kindness Matters

"We Serve Because Kindness Matters"

2nd VDG Jerry Schuurmans

Hello Everyone

- We are not far from taking our x mass and summer break. And it's well deserved.

But just before we do this, here is a reminder to look out for people that may want to join our fellowship and or can contribute to our club. So, it is important that we find new ways to reach our goals. DG sue Fleury and the GAT team, wants us to be one member extra per club.

This can be done in various ways;

- To get the right club information out to club members, which means including every one of your club. Make sure everyone is informed what is happening.
- Tell what your committee(s) are
- We can also grow our club by asking our family (brother, sisters, sons and daughters) or neighbour to join. They may have been waiting for the moment to be asked, but never have because they are close (to your) family.
- You can ask you friend fellow lions to do the asking for you. If it is to awkward for to ask yourself.
- Great projects and great publicity mean new members,
-

We all have to remember why we joined the lions, one of these reasons will apply to you;

- Fellowship of the lions (like-minded people)
- Give back to your community (we serve)
- Be connected with the wider community lions' network, worldwide LCI
-
- So you cant tell me that we are the only ones thinking this way.

For any comments or suggestion for this particular subject, please write to me 202F@2vdg@lionsclubs.org, let's put our thinking cap on and put it to action.

- As DG Sue Fluery slogan for the year we serve "Kindness matters", in the meantime have a wonderful summer.

I hope to hear stories, especially success stories.

See you until then,

- 202F 2nd Vice District Governor Jerry Schuurmans

Dear Lion Leader: Let's Celebrate!

On January 13, our founder – Melvin Jones – will be honored for the 142nd anniversary of his birthday and we could not be more excited to celebrate with Lions around world.

This year, we want to celebrate what it means to be a Lion during Campaign 100, with a LCIF Week Melvin Jones photo contest. I am excited to share a first look at the contest with you, as a Lion leader. We will launch the contest with all Lions in the next two days.

- Contest is open between October 22 – December 31, 2020
- Voting and deadline for submission is December 31, 2020 at 11:59 pm (Central Time Zone)
- Winners announced on January 17, 2021

[Enter Contest](#)

Limit one entry per person. Your photo submission can only qualify for one of three categories listed below (no purchase or donation is required to enter). Three winners will receive complimentary individual registration and Melvin Jones' luncheon tickets* at the 103rd Lions Clubs International Convention in Montreal, Quebec. Family, friends, and fellow Lions can vote for their favorite photo submission by going online at <https://gleam.io/g/WrR9g>.

To quote Melvin Jones, "You can't get very far until you start doing something for somebody else." Thank you for your support my fellow Lions. Here's to a great start of this year's LCIF Week!

26 August 2020

Dear District Governors,

I am pleased to announce that Bunnings has donated \$20,000 to the Lions New Zealand Charitable Trust (LCNZCT). The Trustees have decided that this will be offered as a contestable fund to our Leo Clubs for an environmental project around their school.

The maximum grant per Leo Club will be one thousand dollars.

The aim of this project is to create a long lasting partnership between the Leo Club, the school, parents, community and the Lions Club. Applications must be submitted by 30 November 2020 for consideration at the LCNZCT meeting on 16 December 2020.

The application should include:

- A well detailed project outline including photos and a plan of how the money will be utilised.
- Identification of who will benefit from this project and what positive impacts this will have on the environment.
- Information on how teachers and parents will be included in this project, the involvement of the sponsoring Lions Club and how many Lions Clubs members will be helping out.
- An outline of how this project will be maintained over the coming years.

Please send your application and contact details to the Lions New Zealand Charitable Trust Chairman, PCC Arvind Raman lcnzct@lionsclubs.org.nz by 30 November 2020.

Kind regards

The Gore and Districts St James Theatre lift and strengthening project is progressing as planned and we plan to have building consent approval by end of December, 2020.

We have been awaiting the result of an application for the remaining amount of funding needed for this project, \$120,000.00 but unfortunately have just heard that we were unsuccessful.

However we have discovered another possible funding option, which we hope will be successful. This application process for this opens in January, 2021.

We are continuing to look at other options to fundraise also. At this stage, we still plan to order the lift and do the off-site work through the last six months of 2021.

With everything going to plan, the installation of lift and onsite structural work will be done starting at the end of January, 2022, a year later than planned due to circumstances.

Gore and Districts St James Theatre Trust is very grateful for the generous donation of \$103,000.00 given by local Lions Clubs and Lloyd Morgan Trust towards this worthy project for the Gore public.

To Lions and friends who were involved, in any way, with the Jingo / Bingo night held on 12 October. It was a great night, full of fun and laughs. Best part is that we raised more than \$800 for our Youth-related projects.

At our October Meal Meeting we had Jocelyn Sinclair as our Guest Speaker. Jocelyn spoke about her activities as a Lion, in particular her roles while on Cabinet and as the District GLT Coordinator.

Jocelyn also presented us with the Millar Leadership Award, which we won for our leadership activities during the previous Lion year. We were one of the four Clubs who won it, the others being Gore River Valley Lions, Ohai Nightcaps Lions and Gore Hokonui Lions.

Congratulations to the other Clubs.

2VDG Jerry Schumann and wife Henriette visited the club for the October meeting. Look at next firewood delivery Sunday 18th 1.30pm start. Helipad work will be ongoing for the next 6 months. Need all members on board for working bees. Keily also spoke with Mark Chapman about holding a First Aid refresher and level 1 course. LA School and medical centre have staff needing to refresh. Keily asked if Lions would fund spots for 2 youth at a cost of \$179 pp to help up skill and to give training opportunity with the qualification as a bonus on their resume. The club could then invite them to any of our events as first aiders. This was widely received by members. Thank you letter from Tuapeka Health Inc regarding \$2920.00 towards ride on mower. 18th October we delivered wood to the remaining 20 or so people that didn't get wood the first time round. Thursday 3rd December is our Community Christmas luncheon. Hoping to have a good turn out from Lions and invitees. Invitations going out early November

\$730 approximately was made at the Quiz. It was made up to \$1000 and a donation was made to the M!NT trust at the October meeting. Members of the M!NT Trust gave an interesting talk at the meeting. Prime timers afternoon tea. Is on 12 November at 2pm in the Presbyterian Hall. The welfare of our lions is in good hands with Betty organising such great outings. Once again she had all the details in hand. Even the sunshine at the Castle. 19 lions, 2 friends of Lions and I very obliging bus driver went on Betty's tour. Everyone enjoyed the outing. Another item from the directors meeting is that we are long overdue for a working bee at Borland Lodge. As most of you know, most Lions clubs across the wider Southland support Borland Lodge, including ours. We discussed the idea of spending a weekend up at the Lodge, one day as a working bee and the other as a social event. More to come on this.

Special thanks to all the members who have helped with the 3 firewood working bees held this month, your time, effort and enthusiasm is very much appreciated.

Southland Girls High

This year has once again been a busy one for the Leo Club. We have had many returning members as well as some new members who have all been a huge part of keeping our club running. The commitment these girls have made has allowed us to make several donations to different charities across the Southland community. Our fundraising committee, which was led by Ashleigh Putt-Fallows has been involved in events this year which include our bake sale and Daffodil Day. Thanks to all the hard work from these girls we have been able to make large donations to both Number 10 and Koha Kai. The Leo Club was involved in a tree planting project with Environment Southland where we planted around 80 trees on the Waihopai walkway. This was a great opportunity for us as a club to get out and physically help in the community. Ashleigh and I were lucky enough to attend the annual Lions Club Presidential Lunch where we got to meet other Leo's from clubs around Southland as well as members of the Lion's Club. This was a great way for us to meet other Leo's and bounce ideas between us. Due to COVID-19 some of our bigger Leo events had to be postponed such a planned quiz night but I am still extremely proud and grateful for all of the work that has been done by the Leo Club this year.

Mossburn Northern Southland

First a very big thank you to everyone. The contributions to our Rabbit Trap evening were amazing, with food pouring in, and an enthusiastic team working hard on the night to take part in the competition, organise the game and add up the points for the night, get supper ready and serve it. And of course, clean up. So a very enjoyable night, and it was great to see the Rabbit Trap go home with Riversdale.

Next on our activity list for the month is the Meeting next Wednesday at the MCC with the Vice District-Governor, Pam Five-ash. Time is 6.30 - 6.45, for socialising, with the meal at 7.15. We are hosting together with the men, who will run the bar. The hostesses are Wilma and Jo, - Steve and I will introduce and thank Pam, Esta is on Grace, Janice is on raffle and Mel has the Closing thought. Janet is the emergency. Her phone number is 027 244 5512, so please phone her if you are unable to make it and ask her to stand in for you.. Esta is also doing Tail Twister, so if you have any funny stories, please phone her. Also please let her know by the end of Friday 6th if you will not be coming next Wednesday, 11th. Sorry for such short notice. I meant to ask you all on Tuesday. We will not have a board meeting for November. We will in December, and combine it with an afternoon, perhaps locally for afternoon tea on our usual day, December 14th. Although we may change the day to get everyone present if possible. Or we may go further afield. More on that in the next Bulletin. Also more on joining with the Mossburn and Districts Club for some golf and a meal on December 9th.

Looking through the Ensign, there is a feature on the Lions Clubs. I spent some time getting photos and wrote up a story, and liaised with the reporter, but I see it has not been included. I also had to send a list of businesses who would support it with advertising, but at the end, most people said no, so I guess that is why it isn't included. We included information about the Giving Plate and the Rabbit Trap, which made good reading. Just so you know.

Our social meeting this month will really be in next month. It has taken a few phone calls, but the Te Anau movie theatre has only been opening Thursday to Saturday. I think that is about to change. Anyway, the upshot is, they have offered us a special screening – the "Hope Gap" movie finishes this weekend, but they are doing a special "Encore screening" on Sunday November 1st at 2pm. It will also be open to the public, but they have booked us in for 15 people, so please bring lots of friends. And if it still suits Janet, we may go to her Te Anau home for afternoon tea.

Chris M. reported that the Blossom Festival was attended by 11 very happy senior citizens as Chris and Derek W. entertained them at Dunstan House, Clyde for a high tea after the street parade. Chris was also co-ordinating the three marshals for the StreetSmart driver education at Highlands, where the weather was much better than last time and they did not need the electric blanket undergarments. Thanks, Chris for co-ordinating both these events. There is a lot happening leading up to Christmas and beyond. Please get your diaries out and lock in the following as they are pretty much club wide events and need as many resources as we can. 1. 25 October Half Marathon 2. 29 November Christmas at the Races 3. 13 December Senior Citizens Dinner 4. 6 January Wyndham Races (Trots) 5. 16 January Classic Cars. I am very proud of the response to the idea to assist those in need in Tonga and Luke W., Garry M., Graham S. and Andy A. are working through the logistics and will get back to us once there is an implementation plan finalised.

Lumsden

The Frost Pots were a success, all sold and a list of people hoping we can access more. We are now selling Beef Dog Rolls at \$7.50 each or 3 for \$20. are great value. Thank you to Lynda Hodge for her efforts on both these projects.

We are running a BBQ at the next Market Day on Sunday 1st November. We have also agreed to cater for an afternoon tea for St John on Sunday 8th November in the Emergency Services Rooms with numbers to be confirmed. Planning is in hand for two more projects, The Senior Citizens Christmas Dinner where we are planning to take our guests to the Gore RSA for dinner on Sunday 6th December.

Riversdale

Thanks to Graeme and Syd for their efforts in organizing the working bees at the bike park and Chaff cutting, although we were light in numbers at the chaff, we still managed to cut 190 bags - a great effort for those who were able to attend. We have been invited to visit the Tois -Tois Lions Club at the Gorge Road Country Club on Monday, 16 November, if anyone is interested in going, - contact me. Leigh is organizing our team to go to the Rabbit Trap games evening on 3 November, and another couple of members are needed, - so if available, please let her know. A good turn-out Park. This project is well the September meeting. project.

DIPTON SCHOOL SLIPPERS FROM CENTRAL SOUTHLAND LIONS CLUB

One of our Lions members asked us if we could to knit some slippers for the students of her grand-daughters class. We asked the reason why she thought her grand-daughters students needed slippers, she told us that when the children entered class after being outside they would remove their dirty and wet footwear to keep their classroom clean, however some of the children appeared not to have slippers or socks to wear so their feet were getting cold, so she was hoping we could knit slippers for them. Without hesitation the knitting needles came out and by the next meeting there were 18prs of multi coloured slippers for the class. Our member took the slippers home for her grand-daughter to collect. She took the slippers to school and put them in a bag and the children had to guess what was in there by feeling them. They had a lot of answers ranging from a kitten to something very fluffy, they had a lot of fun. Their teacher let them open the bag to see inside the children were excited.

Three of our members went out to the school to see the children with their slippers. When they arrived they were very pleased to see the slippers all lined up in a row under a shelf not to be worn outside. Our members were presented with thank you letters from the children. Some of the children thought they looked like Toothpaste with the colours. Here are some of the words they used to describe them; they were fluffy, comfy, glamorous, looked cool, awesome, amazing, supper warm, and one said they made them look handsome. They all liked the colours and the buttons. We invited the classroom teacher to our next meeting and she told the reason of our members what happened the day the children got their lovely slippers. She was so thankful for the effort we put in to supplying this lovely gift to her class.

International Peace Poster Contest

For over three decades, Lions clubs around the globe have been sponsoring a very special art contest in schools and youth groups. Creating peace posters gives children everywhere the chance to express their visions of peace and inspire the world through art and creativity.

Peace Poster Contest Deadlines

Students ages 11, 12 or 13 as of November 15 are eligible to participate in the International Peace Poster Contest. Entries not meeting the following deadlines will be disqualified.

January 15: Kits go on sale from the Club Supplies Sales Department at International Headquarters.

October 1: Deadline to purchase kits from the Club Supplies Sales Department at International Headquarters.

November 15: Postmark deadline for a club to send one winning poster (per contest sponsored) to the District Governor.

December 1: Postmark deadline for a District Governor to send one winning district poster to Multiple District Council chairperson.

December 1: Postmark deadline for a district governor not belonging to a multiple district to send one winning poster to the Public Relations Department at International Headquarters.

December 1: Postmark deadline for a club not belonging to a district to send one winning entry to the Public Relations Department at International Headquarters.

December 15: Postmark deadline for the multiple district council chairperson to send one winning poster to the Public Relations Department at International Headquarters.

February 1: International winners notified on or before this date.

This is just a reminder that there seems to be a number of scams circulating the internet at the moment. For example, one is for a SPARK telephone account requesting payment (I have had numerous in my Lions email). Also be aware that emails with a zipped attachment coming from a member of Balfour, haven't been sent by her. Delete these.

Thank you and stay safe online.
