We Serve

DG Sue Fleury

Hi Everyone

Happy New Year to you all, I hope you have had a chance to have a rest and catch to your breath before another Lions year starts. I know a lot of clubs have a very busy start to the year with a lot of projects to do over the next few months. I hope all goes well and you have time to have some fun as well and appreciate what you have achieved.

Allan and I have just arrived back from Te Anau where we have had a Convention Meeting. The plans for the District convention are going well we just need your registration forms in so we know how many we are planning for. Don't forget if you register before the 22nd January you will save \$10. Saturday business session will be held at the Te Anau Club. Saturday night Dine and Dance will be held at Highlights Restaurant at the Luxmore Distinction Hotel and Sunday's remembrance service will be held at Te Anau Scout Den.

If you wish to stay at the Luxmore Distinction Hotel please tell them you are attending the Lions convention for a discounted rate.

Just a reminder if you have a member who is being remembered don't forget to invite the family, invite them to stay for lunch and the club should pay for this and notify the committee of the numbers for lunch.

International Dues Statements are now available on your MyLCI page don't forget to get these paid this month so that you have voting rights at the convention.

Regards and stay safe
Sue Fleury

Media/ publicity

I always endeavour to support and promote District 202F Lions clubs' service. Please let me know if your club needs help or are involved in any projects where I can help with publicity. Make sure to take photos and let your local community and media know what is happening in your club. If you are undertaking something special let me know. I can advise you on what you need to do if the club was thinking of entering the District Awards next Lions year. Part of my portfolio is to promote the Clubs service by sending articles and photos to the NZ Lion magazine. This is the one which turns up at your club every few months. I am more than happy to help write the article and send it off to the editor. Lions clubs get a real boost in reading about their service in this magazine. There is always lots of North Island Lions Club information to read, lets change this and make sure there is plenty of District 202F articles too.

Wanaka & Districts

This year's 4WD Safari to Forest Range Station in the Lindis Pass was an outstanding success. We travelled from Forest Range Homestead across to Lake Hawea via Mt. Grand Station. Originally set down for Saturday the 9th of January, the trip had to be postponed to Sunday because of heavy rain a few days before.

This year's trip attracted more than 80 vehicles. Because of numbers we ran a two trip format an hour apart.

The Pandemic of the Century

Lion Mahesh Shah September 18, 2020

The coronavirus (COVID-19) is the worst pandemic to hit the world in almost a hundred years. It is the worst economic crisis in the past 40 years for South Asian countries like India. To make matters worse, India has one of the highest population densities in the world, and a significant portion of the population lives in poverty. The combination of these factors, high population density and poor sanitation due to poverty are high risk factors for the spread of COVID-19. The government, therefore, took the drastic measure of a complete lockdown to curb the spread of this deadly disease.

The drive to help people also helped Lions put aside their fear to reach the needy.

The most vulnerable were caught in the crisis

Caught in the sudden but necessary lockdown were the migrant workers in India. They lost their jobs and livelihood due to the shutdown. They were far away from their homes. With no way to reach home, and no jobs, there was a real crisis brewing. It was as close to a "perfect storm" as you can get. Millions of poor households faced the real danger of starvation.

The government relief efforts, though herculean, weren't large enough or fast enough to reach everyone in need.

Delivering relief efforts in the middle of the lockdown

Normally, the Lions would mobilize themselves and immediately start the relief efforts on their own. However, with COVID-19, we had a unique problem due to the complete lockdown to prevent the spread of the virus. No one was allowed leave their houses or move around on their own. In addition, there was a lot of confusion and fear about safe practices to avoid the spread of the virus.

With the help of the local police and service volunteers, the Lions distributed a vast quantity of food grains, food packets, medicines, etc. Many of our Lady Lions cooked and distributed food in the initial period. They overcame their fear of getting infected with COVID-19 by wearing masks and maintaining social distancing as far as possible. Washing hands frequently was also advised and followed by all. The drive to help people also helped Lions put aside their fear to reach the needy. After proper precautions were in place, the Lions were no longer scared. Instead, they were inspired to work more and more for the cause.

Lions spring into action

The Lions clubs of District 3232-F1 sprang to action to help in this unprecedented crisis. Here are some of the service activities they undertook:

- Donations to the Prime Minister's and Chief minister's relief fund
- Donations to Lions Clubs International Foundation
- Serving cooked food to the hungry
- Distribution of dry ration kits
- Distribution of masks and PPEs

Distribution of sanitizing kits and medicine

In the months of April and May 2020, a total of 25 clubs served 5.84 million people amounting to a total financial value of 68.5 million Indian rupees or approximately US\$915,000. More than six million people benefited from the services provided by nearly 1,000 Lions of the district. We also created an excellent brand image of Lions and added 74 members in the very first month of the year for my incoming district governor.

Some noteworthy contributions

Although all the clubs contributed to the best of their abilities, some noteworthy contributions were made by the following clubs: Lions Club of Vishwamitri, Lions Club of Baroda Main, Lions Club of Ajwa and Lions Club of Cambay.

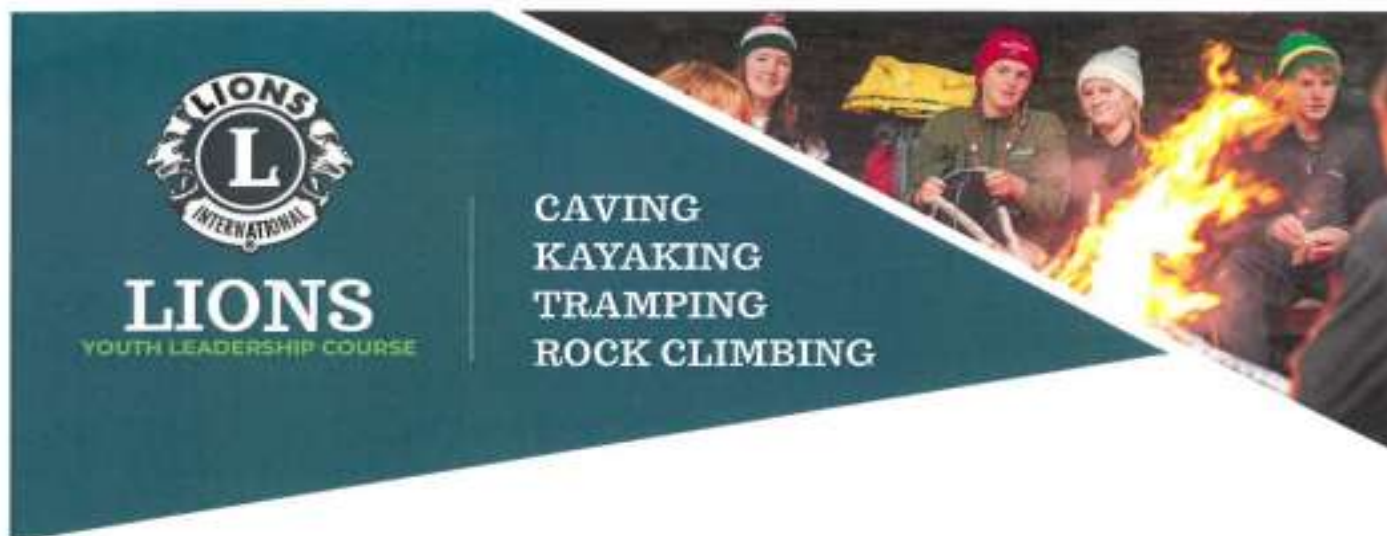

A cautiously optimistic future

As we all know, the pandemic is far from over and will likely be prolonged for the foreseeable future. Until the time that a cure is found or a vaccine developed, the pandemic will continue to affect the world. And the most vulnerable and poor sections of society will be hit the hardest and will need all the help they can get. Lions clubs of District 3232F1 are continuously mobilizing to serve those who are severely affected by this unprecedented crisis.

Lion Mahesh Shah has been a Lion for 54 years, serving as the District Governor of District 3232F1 in fiscal year 2019-2020.

"We Serve Because Kindness Matters"

TO THE LIONS CLUB DISTRICT 202F

Dear Presidents,

Thank you for your continued support of the Lions Youth Leadership course. We are sure you, like our young people, were disappointed that our course could not proceed in 2020, but we are optimistic for 2021.

Next year's course will be held on 19-24 April at Borland Lodge. The course gives young people from your community an opportunity to push out of their comfort zone, try new activities and build relationships. The course cost is \$750 per participant.

To ensure the smooth organisation of our 2021 course, we are looking to alter the funding allocation process. We are suggesting Clubs consider sponsoring 75% of the course per participant. What we're hoping to achieve is for schools and families to work in partnership to raise the remaining 25%, making it a joint sponsorship. Any contribution is greatly appreciated, and if you are in a position to sponsor the full course cost then this is fully supported.

Please advise Andrew on the number of participants you would like to sponsor, and the contribution per participant before Friday 11th December 2020. When we receive expressions of interest from young people, we will work with Andrew to ensure available funding is allocated to those from your local area.

For further information please get in touch on the contact details below. We appreciate your help in making this a great experience for young people in your area.

Kind regards,

RELAY FOR LIFE RETURNS TO WANAKA IN 2021

For more information, please contact:

Name: Jane Sharman

Phone: 021 1515 805

2020 has been a year like no other; we look forward to 2021 when Relay For Life returns to Wanaka. Relay For Life is an inspirational and fun event for the whole community, where we **Celebrate** with cancer survivors, **Remember** loved ones lost to cancer and come together as a community to **Fight Back** against cancer.

Following positive feedback from those involved in 2019, Relay For Life will return to Pembroke Park on the 27 and 28 of March 2021.

Mitre 10 Mega Wanaka are again the major partner, to the delight of Cancer Society Otago-Southland Marketing and Fundraising Manager Jonet Warhurst.

"Relay for Life is a major event for bringing the community together and Mitre 10 MEGA is founded on their community - so they are an ideal partner."

Mitre 10 Mega Marketing Manager Matt Gallaher said "we are thrilled to be involved again - after a such a successful Relay in 2019, we are gearing up for another amazing event"

Relay For Life involves teams of 10 who walk or run around a track for 24 hours. In a relay style, each team needs to have at least one participant on the track throughout the event. Each team has a campsite around the track and a range of entertainment and activities keep energy levels high.

Event Coordinator Jane Sharman is excited about organising her second Relay For Life in Wanaka. The first being held in 2019 raised \$73,000 due to the wonderful support from the community.

The Cancer Society receives no direct government funding, so the event helps it to provide a range of services, including one-on-one support for people affected by cancer and its accommodation service for people travelling for treatment, as well as funding health promotion and research programmes.

Relay For Life Wanaka 2021 will be an event not to miss. Cancer is the country's single biggest cause of death. Most New Zealanders will have some experience of it – either personally or through a relative or friend.

The Relay For Life Committee is also looking for new volunteers to help out. There are many interesting and exciting ways to be involved in Relay For Life. Whatever your interests, you are sure to have fun, make a difference for a good cause, and meet some new friends.

Lawrence

Lawrence Lions managed to hold The Great Aussie Bush Fire Quiz night just before Covid hit the country and created havoc with many plans for 2020 as it did for many other clubs and organisations. But Covid also provided the opportunity for us to work alongside other service groups in our area. We were able to reach out to many of our aged and vulnerable residents offering support through 'good will' packages. We were teamed with the Lawrence Combined Churches food bank and Senior Constable Craig Bennett. This was a very rewarding time and with many of our members now working from home, they were able to lend a much needed hand

Why Do We Need New Members?

- New members are the lifeblood of our organization.
- Every year each club loses members that are graduating or that leave for other reasons.
- It is imperative to the survival and growth of our organization that we have new members each year.
- New members bring new ideas, new energy, and new enthusiasm.
- Our new members today will become the leaders of our organization in the year to come. By investing in our new members, we are investing in our organization.

Your Board has resolved to each month invite two club members to attend the Board meeting.

Names of invited members will appear in your Bulletin on the front page.

Borland Lodge Weekend
The recommendation is to hold the Borland Lodge Weekend during the Waitangi Day long weekend
Arrive Friday 5 February
Working Bee morning of Saturday 6 February
Fishing etc. afternoon of Saturday 6 February
Depart Sunday morning 7 February
For this to proceed we will need definitive numbers of members to attend. As per usual this weekend is for family and a great opportunity to bring along a friend (or two)

A member is on my case about the Bike Park, - early in the New Year we need to have a working bee there!! February-March we will have a fence to help out with at the Riversdale Cemetery also. The teardrop flag has now finally been ordered. It is black with white writing and the Riversdale 'R' at the top with the Lions Logo on it - (exactly the same as our Banner).

Alexandra

The Lions Club of Alexandra will hold its 'End of the Road' meeting at the end of McArthur Road on Thursday the 14th Jan., 2021, from 6.00pm. You and your family are invited. There will also be a range of guests. Volunteers are required to man the gates and carry out car parking duties at the Omakau Trotting Club meeting, being held at the Omakau Race Course on January 2nd, 2021.

10th Jan 4 wheel drive excursion – register if interested as places limited – contact Barry or Guy for details all funds raised from this will go to Rescue Helicopter Trust

Cromwell Tales

Our annual Senior Citizen's Christmas Lunch, was held at the Cromwell Sports Club on Sunday 13th December from 11am. We are very pleased to continue our support of the Cromwell College Dux award and it was a pleasure to present the 2020 award to Emma Paul. Well done to Emma and all the students now making their way towards the next adventure in their lives. There is so much happening again, in and around the township. All that time on your bike during lock down seems to have transpired into serious activity on the bike trails being built around Cromwell. Lions are busy upgrading the Old Cromwell Town Garden, which is alongside the bike trail and anyone thinking that putting in a retaining wall, was a walk in the park, is a huge understatement. Finding significant rock in the subsoil at every location we wanted to put in a post, caused a lot of head scratching and choice words to resolve the issue. Luckily, Lions are resourceful enough to have completed the task as per the attached photo. We now move on to upgrading the garden itself.

We could not have completed this task without the support of the following businesses

Heavy Trax Hire	Clarke Machine Hire
Weka Landscaping	McNulty's Transport
Bannockburn Contracting	

Just along from the garden is the Old Cromwell Town barbeque area we installed early last year. There was an issue with the gas certification, which has now been addressed and the barbeque is now fully operational for all Cromwell locals and visitors to use. We recently installed another table and seating.

Lions have been working on the installation of a drinking fountain at the Bike Park for 3-4 years, but the paperwork required had become an issue. The project team were elated to report the fountain was installed in September and was immediately in use by the children using the park at the time. Another way we are looking to reduce plastic in the environment.

Recent activities include,

- Food caravans were on site at the
 - Light up Cromwell
 - College colour run
 - Cromwell half marathon
 - Speedway – 2 meetings
 - Fireworks display in old Cromwell Town
 - Highlanders Sprint Series

Marshalling and gate duties at Christmas at the races

This will allow us to support the upgrading of the Cromwell Community Van. Lions have been advised that the van is now due to be upgraded and with recent changes to the Cromwell Lakes Trust funding requirements, Lions are now required to provide significantly more towards the cost of the upgrade. We have made our contribution towards the Cromwell College Dux award along with assisting two college students to go to Outward Bound next year and with the annual Santaland event.

We also

- Took a group of senior citizens to the Alexandra Blossom Festival
- Manned the collection points for the Pink Ribbon Appeal

It was with great pleasure we awarded our Lion of the Month to an honorary Lion, Mark Leyser and his team at the BP Workshop. The support from Mark and his team in caring for all our vehicles is a huge benefit to the club and community especially when Thomas the Tank engine got a bit of a cold a year or so ago. Mark was quick to put his hand up to help us with a recent issue and for that we are very grateful. The photo shows Mark receiving the Lion of the Month from president Russ Fowler.

Upcoming events include

- Driving Thomas the Tank Engine at Santaland
- Senior Citizens Christmas Party
- Speedway Christmas Champs and New Years Day racing
- Marshalling and gate duties at Wyndham races
- Classic Car Day catering

In our efforts to reduce our waste that goes into landfill, we are looking to introduce dedicated recycling bins at our catering events. Lions will have recycling bins for the cans and plastic bottles we sell. The finer detail is being worked out and we hope to have these bins ready for the New Year. We have already moved to more environmentally friendly food containers.

Finally, please do not forget the existing Lions recycling schemes in place.

- Cromwell Pharmacy collect used eye glasses on our behalf, to assist those in the Pacific Islands with poor sight.
- Old engine/solar batteries can be dropped off at the Transfer Station and at Great Southern on Hughes Crescent.
- Can tabs and the aluminium tops/necks from wine bottles, can also be dropped off at Cromwell Pharmacy. This collection is able to support the families of children that need to visit Starship hospital for kidney disease treatment and are unable to access government assistance.

As you can see there is a great deal happening within Lions and we would really enjoy having a chat over a coffee, should you be interested in joining Cromwell Lions as "We Serve" our community. Please contact Russ Fowler (President) on 0274 510 737 or Trevor Shaw (Membership Chairperson) on 0274 354 061

Dear Lion,

I believe one continues to learn throughout their entire life. Through Lions Clubs International and LCIF, there are continuous sources of education. We learn from volunteer experiences, other cultures, and strategizing together on how to improve communities. I hope this newsletter is also a source of learning for you. Enrich your role as a Lion by reading through the stories and considering the opportunities presented. Maybe you will even discover a new interest.

In friendship,

Funds raised from our cake stall were ear marked to help the Lawrence Rest Home purchase new duvets and inners for the residents. We ask the Rest home for a wish list and choose something we can work towards. Joining with our local community board we raised \$7000 needed for a Raizer Lift Chair. This an amazing piece of

equipment that allows anyone to help someone, who has fallen but remains unhurt, back to a sitting position. Although based at the rest home, the local St John have ready access to it

Lion Paul Eason is happy to be off the floor during a demonstration of the Raizer chair by rep Stewart Evans at a recent meeting.

PDG and President Ronald Alderton was patient for the day when the Raizer Chair was presented to the Rest Home along with from left, Rest home manager Mark Chapman, Lions Alison Joyce and Wendy Haywood.

HOW TO COLLECT BREAD TAGS

1. Decide where you are going to collect. Consider your school, workplace, sports club or church. Think of places where lots of bread and rolls are used such as your local café or school canteen.
 2. Get a container such as a 1kg yoghurt container, a jar, or a box
 3. You can make a moneybox type slot in the top, or leave it open. Put a few bread tags inside to give people the idea.
 4. Attach a sign to your container (see signs/posters below) and put it in a place where lots of people will see it.
 5. Publicise our organisation by website, facebook or word of mouth.
 6. Regularly empty your container – you'll be surprised how quickly it fills up!
 7. When it suits you, drop your accumulated bread tags off at one of our collection points. Check the map on our facebook page
- Contact us on nzbreadtags@gmail.com or on FB @Bread tags for wheelchairs NZ if you have any questions or to find your closest drop off point, or visit our website www.breadtagsforwheelchairs.co.za

Stage 1 of the helipad is now complete with the laying of the remaining drain pipes and filling of the ditch running alongside of the rugby grounds. Stage 2 is due to start any day with the arrival of the timber for the retaining wall needed to create enough area for the exclusion zone for the Helipad

Tim Dickey, Lions Jude Gamble and Min Bain place pipes in preparation for laying.

Digger operator Bill Fitzgerald works his magic.

Having a strategy meeting sitting among some of the timber for the retaining wall are Lions Alison Joyce, Andrew Gray, Jude Gamble, St John rep for the project Mark Chapman, Lion Min Bain and Project Leader Tim Dickey. Lion Wendy Haywood on camera.

Cleaning around the grill element

To clean the top of the oven and around the grill element, secure a cloth to a wooden spoon with an elastic band and squeeze on a little bit of oven cleaner to clean the area (no caustic sprays). This is great for reaching those small and hard to reach areas.

"We Serve Because Kindness Matters"

202F Convention Cake Competition

Calling all Cake Decorators

Lions Clubs of District 202F are invited to enter a decorated cake challenge to be held at the District 202F Convention, 27 February 2021 in Te Anau

Theme:

"Those were the days ..."

(Base size no larger than 9" (23cm)
& no more than 2 tiers)

Cakes will be on display at the Te Anau Club during the day on Saturday (27th February) and will be judged by popular vote. The cakes will be auctioned at the Saturday evening function and funds raised will be donated to The Child Cancer Foundation.

Please make an effort to raise funds for your team to bid at auction to support this most worthy cause!

202f Face book Page

<https://www.facebook.com/Lions202F/>

Cabinet have recently set up a 202F Facebook page for use by all members of the Lions family to promote projects and activities within your Clubs. The link to the page is <https://www.facebook.com/Lions202F/>, so please feel free to 'like' the page, and to post pictures and stories from the goings on in your Clubs. Special thanks to Donald Lamont who provided the disk of photos from Convention in Maniototo for inclusion on the page.
