We Serve

DG Sue Fleury

Hi Everyone

Well, here we go again level 2 which makes it very difficult to hold a convention, but I am confident that we will be back at level 1 in time to hold the convention. Planning is still going ahead and everything is in place. So please all keep your fingers crossed that we continue to have no new cases and all will be well.

All secretaries have been sent a flyer about the Pathway to (club) Success Training day to be held in Gore on Saturday 20th March. This will be a great day for all Lions members to get some more understanding and motivation to allow clubs to progress into the future.

Multiple Districts Global Membership Team Coordinator PDG Alice McDonald is coming to take the training. We are lucky that Alice is coming as she is a great trainer and very motivational person. Please make up a car load and come and enjoy the day. Get your numbers into your Zone Chairperson before the 10th March to take advantage of this opportunity.

Please all look after yourselves at this time and truly hope to see you all at the Te Anau convention, which I feel sure will be a fun time.

Regards and stay safe
Sue Fleury

Media/ publicity

I always endeavour to support and promote District 202F Lions clubs' service. Please let me know if your club needs help or are involved in any projects where I can help with publicity. Make sure to take photos and let your local community and media know what is happening in your club. If you are undertaking something special let me know. I can advise you on what you need to do if the club was thinking of entering the District Awards next Lions year. Part of my portfolio is to promote the Clubs service by sending articles and photos to the NZ Lion magazine. This is the one which turns up at your club every few months. I am more than happy to help write the article and send it off to the editor. Lions clubs get a real boost in reading about their service in this magazine. There is always lots of North Island Lions Club information to read, lets change this and make sure there is plenty of District 202F articles too.

Bit of History from Makarewa

MR. THOMAS BUXTON has been prominently connected with Southland since his arrival at the Bluff, in 1863, by the ship "Sir George Pollock." He was born at Hanley, in Staffordshire, England, in 1832. Mr Buxton commenced brick-making in 1863, was the founder of the first brick works at Makarewa, and carried on a steadily-developing business till 1898, when he retired in favour of his sons. Mr Buxton is well known as a writer on local subjects, and has been a prominent fighter in the no-license campaign in Southland. Besides writing on temperance, Mr Buxton has dealt with many phases of social life, and has published criticisms on the Old Age Pension laws of New Zealand.

RELAY FOR LIFE RETURNS TO WANAKA IN 2021

For more information, please contact:

Name: Jane Sharman

Phone: 021 1515 805

2020 has been a year like no other; we look forward to 2021 when Relay For Life returns to Wanaka. Relay For Life is an inspirational and fun event for the whole community, where we **Celebrate** with cancer survivors, **Remember** loved ones lost to cancer and come together as a community to **Fight Back** against cancer.

Following positive feedback from those involved in 2019, Relay For Life will return to Pembroke Park on the 27 and 28 of March 2021.

Mitre 10 Mega Wanaka are again the major partner, to the delight of Cancer Society Otago-Southland Marketing and Fundraising Manager Jonet Warhurst.

"Relay for Life is a major event for bringing the community together and Mitre 10 MEGA is founded on their community - so they are an ideal partner."

Mitre 10 Mega Marketing Manager Matt Gallaher said "we are thrilled to be involved again - after a such a successful Relay in 2019, we are gearing up for another amazing event"

Relay For Life involves teams of 10 who walk or run around a track for 24 hours. In a relay style, each team needs to have at least one participant on the track throughout the event. Each team has a campsite around the track and a range of entertainment and activities keep energy levels high.

Event Coordinator Jane Sharman is excited about organising her second Relay For Life in Wanaka. The first being held in 2019 raised \$73,000 due to the wonderful support from the community.

The Cancer Society receives no direct government funding, so the event helps it to provide a range of services, including one-on-one support for people affected by cancer and its accommodation service for people travelling for treatment, as well as funding health promotion and research programmes.

Relay For Life Wanaka 2021 will be an event not to miss. Cancer is the country's single biggest cause of death. Most New Zealanders will have some experience of it – either personally or through a relative or friend.

The Relay For Life Committee is also looking for new volunteers to help out. There are many interesting and exciting ways to be involved in Relay For Life. Whatever your interests, you are sure to have fun, make a difference for a good cause, and meet some new friends.

Tuatapere

We have held our Annual Waitangi Day Hospice Golf Tournament which is quite a big commitment.

It was very successful with 62 players taking part. The weather was kind to us, fine but not too hot. A novelty hole proved a good money spinner and we were fortunate to have young people willing to help with this for a good cause. Photos show both a putting and chipping contest.

As you will see from the photos we had tremendous support from our sponsors, many of these have been long time donors and the prize and raffle tables were loaded. Photos one and two were the raffle and prize tables and the third was of the Tuatapere Golf Convenor Lynette Chambers in the background and on the left is Lion Bev Pratt now of Central Southland Lions but formerly Tuatapere Lions who has been a stalwart of the Hospice Tournament.

Our Lions members were kept busy cooking the barbecue and provided an excellent meal assisted by the Golf Ladies in the kitchen. I must mention too that all players received a prize and many went home with several raffles.

We have two members attending the Te Anau Convention.

Very interesting competition
In the chipping and putting.

Well done to everyone who entered.

The Lions year is about to start with helping the Tapanui Golf Club cone picking, with the money going to the

new St John's building.

We will be helping the BMC Tour Group with the Blue Mountain Motorcycle Club Trail Ride at Moa Flat on the 6th and 7th March. On Sunday , a group of West Otago Lions took up the opportunity to enjoy the Roxburgh Lions 4WD trip. In brilliant sunshine, we travelled through Earnsclough Station, viewing the new woolshed and the old historic homestead which is no longer lived in.

We also travelled up the Fraser Dam Road into the Kopuwai Conservation Area at a height of 1400 metres viewing the vast amount of country that lives behind in the Old Woman Range.

Then it was back down to Coal Creek and up the Bullock Track along the Old Man Range with fabulous views out over the Teviot Valley, before dropping back down the Mt Benger Road to Ettrick.

Gore Hokonui

We were very thankful to receive the Millar Leadership Award Trophy which we shared with three other clubs. It was presented at our Christmas meeting, and that made it extra special. The Senior Citizens Dinner in December went well. Great teamwork! Thank you girls! A big thank you for the baking sent to Camp Quality. It looked amazing. Our raffle supply is in need of replenishing could members please donate a small parcel to rectify this. Also we are taking up a collection of non perishable goods to donate to the RSA. This is our way of thanking them for the use of their rooms at no cost.

Toi Tois

We will need 2 working bee's at some stage 1 for Waipohatu and 1 for firewood.

Book- Tokanui Railway line to Invercargill – all books sold & accounted for

. Gorge Road Country Club \$2,500. For the Children's Community Playground. Stratford. Called upon Aynsley Dermody - who presented 2 nurses – Ann McKenzie and Isobell Jennings with gifts of gratitude on their long service to our local community.

President Colin presented Lions Awards: completing 10 years' Service: John Somerville. Diamond Centennial Membership Award: Rodney Buckingham, Les Lamb, Anne Johnstone, Murray Stratford.

Wanaka & Districts

We have sourced a huge source of firewood at Hawea which we are transporting back to Wanaka for processing. Great project both financially & club fellowship. 4WD Safari netted more than \$12000 this year & involved nearly all our members on the day.

A big thank to all involved with the 4x4 & Pembroke Dinner.

In this waffle Ian Sawers & Rob Cram have some important diary dates we all need to take note of.

With our main projects of the year being the Cavalcade, A&P Show & Wheels @ Wanaka – so please help with the Roster as there are a few key members this year that can't be at the A&P show & Wheels of Wanaka – so all hands-on Deck where we can, will help make these projects successful.

Movember Fundraiser I O U 's A number of members for various reasons could not contribute to the payment of \$10 with a mustache and \$20 for not participating, when the donations were collected at our December Xmas party. Funds raised, go to the Movember Foundation NZ, supporting Men's Health research, innovative treatments etc.

The 3 Spreading Elm trees which we donated and planted in June last year at Te Kura O Take Kārara the new primary school in Three Parks are doing well. The School now has good irrigation going to each of the trees. The pilgrimage to Borland Lodge has become one of my favourite Lions events. This year again was no exception and I felt sorry for those members of our Club unable to attend. Two things highlight our Winton Lions visit to Borland Lodge • We can do good things without having to raise money • We can socialise as families, age not being important Looking at all the pictures supplied by Leigh and Nancy (thank you both) as well as the ones I took, my favourite is the one of Lowe and Coops. Two blokes appreciating the essence of Borland Lodge, a wee piece of paradise to be enjoyed by all. This month's meeting will feature myself as your Zone Chair, preaching the Lions gospel. I did listen to you Jeff, it will be short. Also, a good opportunity for all convenors to gather their troops and look at the rest of this 2020-2021 year. I do know the people are long departed, but that cemetery is not getting any closer to being cleaned up

Riverton

On the 27-28th February we have 202f convention in Te Anau which we have 18 members and partners attending and we are all looking forward to a great weekend. The relay for life is also on Sunday the 28th February (shame about the clash of dates) so hopefully there should be some Lions members who aren't going to conference that can support this from midday to 6 pm at the Stadium Southland. Moved that funds (amount yet to be decided) from the Lamb Shearing, the Duck Race and the Prime Lamb Competition be donated to the Riverton Coast Guard to help fund their GPS / Radar.

On behalf of all the recipients who are "older" and living by themselves I would like to thank the Riverton Lions for visiting and leaving their very tasty Christmas Parcels. Although I never thought that I would be on the receiving end I now know how very much appreciated the gesture is. Especially when it included my two favourites - chocolate and ginger beer. Please keep up the good work and know that your visits are looked for.
