

## Message from the DG...

Greetings from my bubble!  
I think the announcement that we were heading in to Alert Level 4 caught us all off guard but I am sure we all see the reasoning behind it. Being on a 10 week sabbatical, I admit to being a bit put out about everyone else 'working from home' too! It's hard to stay motivated!

Unfortunately many activities, meetings and projects planned for August have had to be put on hold while those a little further out, including our planned Youth exchange with 202M in October are in jeopardy. ANZI Pacific Forum has also been cancelled for this year.

Remember, it is about keeping ourselves and our loved ones safe.

Our District Governor team were extremely lucky to have managed a weekend together on Aug 14 -15 for our first Council of Governors meeting in Wellington. This was a full on couple of days and a great opportunity to get to know each other better. I will share some of the outcomes from these two days as I visit clubs.

(Club visits have been a casualty of COVID, but those I have missed will be rescheduled as soon as possible.)

Congratulations to Ignatius Soffeni-Williams (Sponsored by NP Pakeke) for his 3rd placing in the Young Speech Maker competition held in Wellington. Germaine Grewal, (sponsored by NP Pakeke) also presented his speech. Both young men attend Francis Douglas Memorial College in New Plymouth.

Thank you to those who have put their names forward to attend ELLI this year. Demand was over whelming and some of you may have missed out. We are exploring other options before the end of the Lions year.

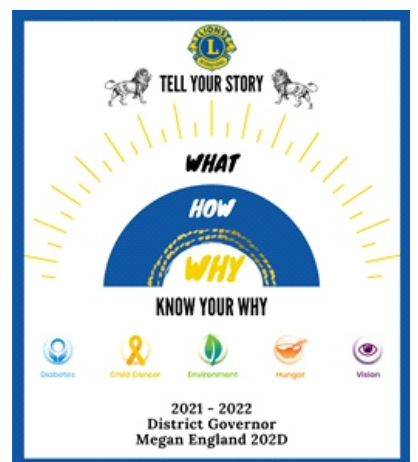

As we wait in quiet anticipation, to emerge from Level 3 to Level 2 and hopefully back to 'normal' by Christmas take the time to check in with yourself and with others, honestly, about how you and they, are feeling. There is no right or wrong way to approach this new normal. Kindness does matter. Find compassion for yourselves and for others, and practice gratitude when you find it. Spare a thought for others less fortunate, where COVID -19 is widespread, in Auckland, Fiji, Sydney or further afield.

I wish you all well in the coming weeks and look forward to being able to catch up with you soon, at your meetings.

Be kind, stay safe and may we all work together in the spirit of Lionism, in harmony, being ever mindful of the needs of those we serve.

"Tell your story – Know your why"

Hi all,

I hope that this bulletin finds you well. We are again going through some trying and difficult times. It does help to find the little life nuggets and hold on to them. Let's stay positive and recognise the small blessing that come our way.

Thank you for all the positive feedback for the Contact up to now, I do enjoy compiling it. Please keep sending items if you want something in the Contact. If I have forgotten something, please remind me for the next edition.

On the next page you will find info for an exciting opportunity for us Lions. Please read it.

We need more members and awareness out in public could help us grow our membership numbers.

In this edition we continue introducing 2 more 202D Cabinet Members, keep the blurbs and possibly a photo coming.

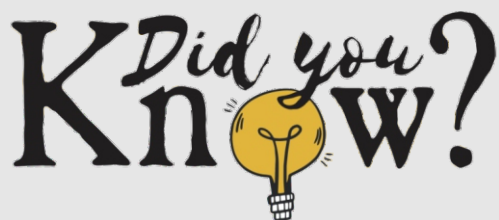

All that's left to say is: stay safe, be kind, keep up the good work and enjoy this edition.

# DIGITAL MARKETING

## Marketing and Promoting Lions

I have been working on and testing several options for displaying information on remote monitors. I have found a product combination that allows me to centrally manage content on multiple monitors in different locations and have been trialing the concept at one of our local café's, a hair studio in Opunake and one in Stratford.

Creating a network of monitors/displays and using this to promote Lions is a great and modern opportunity available for us to boost public awareness and possibly build on membership.

The network of monitors/displays is relatively small at the moment and could use a boost. This is where we rely on everyone to help identify locations and talk to the owners about hosting a monitor/display and help promote a good cause. The monitor, controller and bracket are supplied by myself at no cost.

We would also rely on a handy person to be able to mount the unit. Units will be shipped to the participating Lions Club.

### What happens when these units are installed?

The way to finance this network of displays, is through advertising. This advertising will be displayed between the promotional information from our Lions Clubs.

### Advertising Fundraiser

Not all monies raised will go towards the covering of costs. We have decided that if a Lions Club sells advertising on this network, 40% of the advertising amount will go back to the Club and 10% will be donated on the Clubs behalf to LCIF.

So, you can see this becomes a very valuable project as it promotes and creates awareness for Lions, is a bit of a fundraiser and helps finance the units.

### Content

We can display just about anything. Currently the playlists are made up of slides or presentations. Content must be a good mix of material to make people look and evoke interest. This could be:

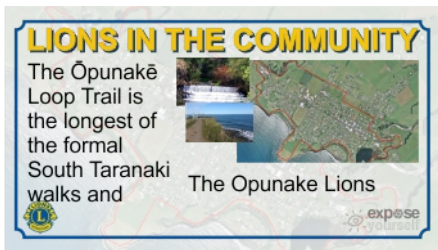

- Lions Club Activities local, zone, district, national and international
- Community notices and events, theatre, movie schedules, etc.
- Advertising

### Funding

VDG Stephen Barr has applied for some funding available to help create content which will certainly help. I was not planning to charge for the creating of Lions promotional content and see it as part of my voluntary community service but am very thankful for any funding available.

I will try to come along to zone and club visits when I can. If you in the meantime like to talk to me about how your club can get involved, email [tobi@hipconsulting.co.nz](mailto:tobi@hipconsulting.co.nz) or call 0276190269

## Who are our 2021/22 Cabinet Members?

*This month the spotlight is on:*

Llew Eynon

My Lions journey started in 2010 when I joined the Eltham Lions club. In 2011 I became 3rd VP to then club president Megan England. In 2014 I served as president. I was then club secretary for three years. In that time I found zone meetings a great way to learn more about Lions and how other clubs operated. In 2019 I became chairman of Zone 5 which gave me more opportunity to learn. Last year I was editor of District 202D CONTACT Bulletin where I got to know more about all the clubs in the district. In April this year I attended the Advance Lions Leadership Institute (ALLI) training which I recommend to anybody who gets the chance. I hope I can pass on some of what I have learned in my GLT role.

Lisa Weston

Hello fellow Lions  
They say if you want something done, ask a busy person. If this is the case, I could suggest I'm the woman for the job of Zone 6 Chair this year!  
I'm an owner/manager of a busy Cafe/Pizzeria, Pekaren, in Bell Block. I work part-time at Rampage Fitness gyms (both in New Plymouth and Bell Block), and am Nunu (grandmother) to Marley5 and Caius 1 (of all my roles I have to say this is currently my favourite one). I also volunteer at both the TSB Showplace and the 4th Wall Theatre, so I get to enjoy many fine theatre and music events, which are my passions. When I do find some free time I enjoy reading, walking barefoot on the beach and spending time with our 3 small dogs (2 Griffons and a Chihuahua). When Shane is home we like to dine out when we can, and enjoy the wonderful restaurants and cafes that New Plymouth has to offer.  
Wishing you all a wonderful and productive year in Lions.  
Lisa

## District Vacancies

### Nomination for 2nd Vice District Governor

A nomination has been received for the position of 202D 2nd Vice District Governor; Tobi Hipp has been nominated by the Lions Club of Normanby and Districts, and seconded by Lions Club of New Plymouth Central.

A special meeting of cabinet members and past District Governors has been called to hear from Tobi and vote accordingly.

Tobi currently serves as the district bulletin editor, has been a Zone Chair, Club President and is an active member of his club, Normanby and Districts.

Tobi and his wife, Susi are very involved in the community and businesses in Hawera. Both serve on various committees and boards.

When the weather and time allows, the two enjoy going on motorbike rides to explore the beautiful country.

We require a Lion to be our District coordinator for **KidsRUs / Cantabs / Child Mobility**. You will be part of the Global Services Team and provide relevant updates and information to clubs within our District.

Do you want to be our District 202D representative on the MD202 newly formed Lions **Cancer Bus Trust**? This Trust has been tasked with exploring the feasibility of the project and is made up of trustees from each district.

If you are interested or want to know more, please get in touch with DG Megan ([202d.dg@lionsclubs.org.nz](mailto:202d.dg@lionsclubs.org.nz)).

## MD202 NATIONAL YOUNG SPEECHMAKER CONTEST 2021:

What an impressive group of eight young adults (17-18yrs) that attended the finals of the National Speechmakers Contest in Wellington, held at the Wellington Hospital's Auditorium on Saturday 14<sup>th</sup> August.

This was my first time attending and hopefully will not be the last. We had students from Hawkes Bay, New Plymouth and all the way down to Invercargill.

All topics by the contestants were their own choices, ranging from Racism to the Power of Truth. All speakers without exception spoke extremely well and it quickly became obvious as to why they were chosen to represent their Districts. Some were able to speak by using cue cards while others managed to speak directly without any notes. The speeches were well researched and crafted and kept the audience of about 30 spellbound.

I was so glad that I decided to attend this event but was very surprised to see the poor turnout of Lions members supporting this event. One couple had been attending this contest every year since the very first one and said how there use to be 200 plus in attendance. We need to remember that these students aren't only their representing themselves and their School but also Lions with which this contest is for. This is a great event and one that I urge you to attend at some time in the future.

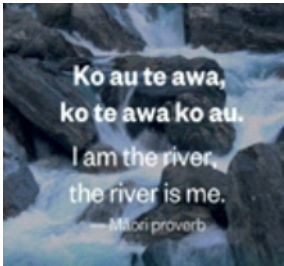

We were fortunate to have 2 young men there representing Francis Douglas School and District 202D. For their prepared speech **Germaine** was dressed in a colourful Indian Dupatta – used it to express his sense of identity and how each coloured thread worked in harmony with other coloured threads. We need to co-exist with our differences – how would we stand out if we are all the same? **Ignatius** delivered a very emotional speech on racism, we are all the some apart from skin colour – same hopes, same dreams, same food etc needs. Same blood colour. Racism is a grown-up's disease! Diversity is not a threat.

The impromptu speech topic was “As soon as I...” Both boys managed this topic in their own special way.

The results were **1<sup>st</sup> Place** - Mia Hollingsworth from Invercargill  
**2<sup>nd</sup> Place** – Rhea Ratgali from Dunedin  
**3<sup>rd</sup> Place** – Ignatius Sofeni-Williams from New Plymouth.

Asked my dad for a cordless drill and this is what I got.

In the morning Tom calls to his boss:  
 – Good morning, boss, unfortunately, I'm not coming to work today. I'm really sick. I got a headache, stomach ache, and my both hands and legs hurt, so I'm not coming into work."

The boss replies:  
 – You know Tom; I really need you today. When I feel like this I go to my wife and tell her to give me sex. That makes me feel better, and I can go to work. You should try that.

2 hours later Bob calls:  
 – Boss, I followed your advice, and I feel great! I'll be at work soon. By the way, you got a nice house.

He: "I told you to get that animal to the zoo!"

She: "That was yesterday. Today we are going to the beach."

## LCIF District Coordinator update

Greetings from a Palmerston North in lockdown – familiar to all of us. This situation is affecting our lives in everything we do, including our Lions Clubs activities and our ability to donate to our Foundation.

The only way LCIF can operate is with the support of Lions and Lions Clubs. The Disaster relief packages issued worldwide by the Foundation came to a close some months ago. However, as our Constitutional Area VII has not make many applications for Disaster Relief and Grants over recent years, the door has been

left open for us to donate to Disaster Relief within our own Area – primarily to help and support Indonesia. Any donation to the Disaster Relief Fund will be eligible for Campaign 100, Melvin Jones Fellowship and Lions Share recognition. Any Club or individual donating are asked to include a note with the donation, stating that they are responding to Covid-19 relief efforts in Indonesia. Also please let either Leo Danz or myself know so that we can pass the information on to our Regional Development Manager in Chicago to make sure donations are tagged correctly. Remember donations can be for any amount.

Thank you to those Clubs and individuals who have already donated this year.

It is hoped that during the second round of Zone meetings, we will be able to meet with Club LCIF Coordinators and update them of LCIF activities locally, regionally and internationally. For those Clubs who haven't as yet appointed a LCIF coordinator, please consider this as we want as many Clubs as possible represented at our gatherings. As soon as a Coordinator is appointed, let me know so I can get them on my mailing list (and remove the President – surely an incentive to many of our busy Presidents). Remember any donation (Club or Individual) to LCIF is to relieve suffering for someone, somewhere and it was YOU who made that happen.

Your friend in LCIF  
Phil Theobald

Kindness is spreading  
sunshine into people's  
lives regardless of the  
weather

The Kindness Matters Award deadline is now extended to the 30<sup>th</sup> of September for entries to be into me by and I get one entry from our District to Wendy Goodwin in November, so there will be seven entries to Multiple District. The categories have been extended to include Disaster, Humanitarian and Youth a-long with Diabetes, Vision, Child Cancer, Environment and Hunger, I look forward to seeing many entries from clubs to promote all the great things we do in serving our community. The entry forms were in the last Contact, but Tobi, Brenda or myself can send you this again if needed.

Multiple Districts GST is pushing the "We serve" not the We Fundraise awareness for Presidents, a lot of clubs are fundraising furiously and not doing the service which is what Lions is about, just resetting the club mindset about what we do and why.

It is Wig Wednesday on the 8<sup>th</sup> of September, encourage your clubs to wear wigs and raise funds for Child Cancer, have fun with it, do something different for your tea meeting, it is a great cause.

We are being encouraged to put articles in the Lion Magazine to promote our service and projects to raise awareness of Lions in our communities, remember to have your photos separate to the article so they can fit them into the pages of the magazine.

Requests are being made for the spectacles, these are going to the Pacific Islands, Northern Australia and now South Auckland, remember, not bifocals or scratched and they don't want the cases either. Repurpose the cases, I am sure you can think of things they can be used for.

Keep up with the aluminium, and old coins to Resene for Heads up for Kids. Thank you to the clubs that took the four huge posters to advertise Heads up for Kids, have some information near by about what Heads up does and be aware that grants are available to promote leadership development , camps and school activities through the Heads up for Kids program.

It is Christmas Cake time again, another great drive for Lions along with the Lions Mints.

There is an initiative starting in Invercargill with rowers in March, they intend to row 40 kms a day up the East Coast to the top of the North Island. They hope to raise a huge amount of money for Child Cancer, Life Saving, Starship and the Skin Clinic initiative which is been investigated for feasibility at present. Even though they wont be in our District, we can help by having row-a-thons, hosting Olympic rowers for talks, promoting the events being held on the East Coast etc.

The really great news is the Wellington Children's Hospital Playscape Rehabilitation fund is nearly there, only a few thousand left to raise, maybe none by now, this is a huge effort by 202M and 202D, thank you all for your contributions, \$500,000.00 is a lot of money but it is an awesome cause for our children, grandchildren and great grandchildren.

Please do the reporting of your club activities, your hours of work and the number of people involved, it is not hard once you are registered and can access your MyLion, remember if your activity you want to enter into awards is not recorded it is not eligible. We need this for the future of Lions as well, our service is noted over seas and the huge funding required by LCI is determined by what we show we do.

Sadly we are in lockdown at this time, so stay home stay safe, use zoom meetings and keep in contact with people, sharing is caring, having a conversation when you are alone and lonely cheers our hearts, we can still serve, but in different ways.

Keep up the good work every one, Daphne Sinclair-Holley, Global Service Team

### Lions Christmas cakes – A perfect festive tradition

Back in 1971, Ernest Adams, New Zealand's premier baker, created a special Christmas cake recipe exclusive to Lions – the cakes were moist, full of fruit, did not crumble, had a guaranteed shelf life of no less than two years and, most importantly, tasted delicious.

Now, more than 50 years on, the only change is the refreshed packaging. The Lions Christmas cakes are still baked by Ernest Adams using the original tried, tested, proved and unique Lions Christmas Cake recipe. Lions Christmas Cakes are available only from this website OR Lions Clubs and Lions Clubs' members all over New Zealand.
