DG Christine's Comments

As I sit here on this beautiful sunny Super Saturday writing this report, I am thinking about all the things that need doing out in the garden – but they will just have to wait (Labour weekend is coming).

It was lovely to be able to join with the Waiareka Valley Lions Club on the occasion of their 40th Anniversary. Kevin and I enjoyed a lovely dinner at the Brydone Hotel Oamaru. One of the highlights was being able to present five of the six charter members with their charter member 40th chevrons. All clubs should appreciate their charter members. They are the ones who did all the groundwork in the early stages of the formation of their clubs to get the club up and running – so thank you.

Club visits are now well under way and by the time this report comes out there will only be a handful of clubs left. All clubs visited have been very welcoming, so thank you. Thank you to FVDG Jules and SVDG Garth for chipping in and visiting some of the clubs on my behalf. Those clubs that have hosted Jules and Garth are clubs that I will visit next year – **as an unofficial visitor** (I would just like to show my face and say hello to your club members).

On the downside, our District membership is still at a standstill. Clubs are doing their best and some clubs have joined members, but as quickly as

District Governor

DG Christine's Comments (cont'd)

we join someone, another member leaves. Our membership is still 1191. As I write this report we have joined three and lost three for the month of October. I have been told of several prospective members joining within the next month or two, so hopefully this happens and we can get above that elusive 1,200.

I would like to thank all clubs that have made a donation to LCIF this year and encourage all clubs to do so. I know that finances in some clubs are not as rosy as they would normally be because of Covid cancellations but can you please keep our Foundation in mind. I would like to take this opportunity to congratulate the Rakaia Club on their achievement to become eligible to be an LCIF "Model Club". **What does this mean you may ask?** It means that this club has donated to LCIF at a level nearing \$500 per member. Application has to be made, but I am sure they will. It is an honour to be in this group of clubs that have achieved this high standard. It will mean that they are the only club in our District to have qualified.- so **WELL DONE!!!!!!!!!!**

Can I please encourage members to read the "Lion Magazine". This publication is our publication. There are some very interesting articles in it, and it is all about keeping you as Lions members updated on what is happening in our neck of the country – you never know, you might even see yourself in there.

Lastly I would like to thank all those that have agreed to present at our Forum on Saturday 27th November. We have a great day planned, so I am asking all Presidents to organize at least two people from your club to attend. There will be items covered during the Forum that will need your club's involvement – so come along and learn all about them.

Quote of the Month:

"The best and most beautiful things in the world cannot be seen or even touched - they must be felt with the heart." *Helen Keller*

Used Spectacles - Urgently Needed

Cromwell Lions have run out of glasses to test and sort.

Would all clubs please get their used spectacles to Cromwell ASAP. If clubs know of anyone travelling down that way can they please take them to:

Cromwell Lions Club

c/- Lion Andy Andrews, 57 Horace St, Cromwell
ph: (03) 445 3112 / 021 842 346)

otherwise get them to either:

Thank You!

Recycle For Sight

Eyeglass Recycling – How You Can Help

If you have used eyeglasses you no longer need, you can donate them to Lions which accepts prescription and reading glasses, sunglasses and plastic and metal frames. Children's glasses are especially needed.

Unwanted spectacles are sent to Lions processing centres where they are sorted, checked for scratches, cracks and screws tightened before being washed in an ultrasonic washer and dried. They then have their prescription recorded and are packed for delivery to Volunteer Ophthalmologist Services Overseas (VOSO) for distribution to those with poor eyesight in the Pacific Islands.

Type 2 Diabetes is common in the Islands and is the main cause of blindness. Lions clubs in the

Islands receive the glasses and distribute them to visiting volunteer optometrists who test patients and fit them with the recycled glasses at no cost. VOSO consists of teams of eye surgeons, optometrists and eye care workers who visit the isolated communities and bring enhancement to the lives of hundreds of people annually.

Sunglasses are also a useable item for the Islands, particularly after cataract operations. Transporting the glasses to the Islands is always a problem so any way to help is appreciated. Some firms have spare room in their containers and are happy to help. Some travelers take a few boxes up as personal luggage.

Abridged from [Vision Services | Lions Clubs New Zealand](#)

FVDG

Our gift is our time

I recently had the privilege of attending a Lloyd Morgan Luncheon, which was to Honour Lion Lloyd and the recipients of awards given in his memory. Someone who met Lloyd said their memory of him was that he never forgot your name. Lloyd believed the whole Lions experience should be fun.

When you are with Lions what you give is your time: which is precious and finite. What we try and do is serve our local communities through service and the giving of our time to make our communities better. As an International organisation we make a difference on a global scale because of all the clubs around the world doing their bit.

However Lloyd's legacy reminds us that we also have a responsibility to contribute to the wider community. Lloyd did this in the many roles he had in Lions, culminating in him being the International President. COVID has cruelly shown just how linked we all are.

As you honour the legacy of Lloyd Morgan remember to contribute through your club to the fund, and use that contribution to honour members who have given their time in service and had fun in doing so.

Jules Ellis

1st Vice District Governor 202J

"FREE HANMOCKS, all over town. It's like a miracle!"

Focus on 2VDG / Global Leadership (GLT)

Over the past two months I have had the pleasure of visiting three clubs on behalf of District Governor Christine. The clubs are Palmerston, Mosgiel District and Dunedin South. These visits are valuable for me as I get to know more about our District. Every club is different in the way it operates, proving that we can meet Lion's objectives and the needs of our communities in various ways. I was impressed with the service activities being undertaken by the three clubs and it goes to prove that you do not need to have a large membership to enjoy fellowship and serving others which is what our Lions movement is all about.

As restrictions placed on us all from Covid Level 2 continue, many clubs have had to postpone or cancel some of the larger projects that they had planned. Many of these projects raise funds to support our communities. With less funds available we can look at other ways to serve our communities by serving differently.

Lions Institutes and workshops have also been affected by Covid 19 restrictions. The Emerging Lions Leadership Institute (ELLI) originally scheduled for October 1 – 3 in Christchurch has been postponed with a new tentative date set 14th – 16th January 2022. The District has three Lions scheduled to participate in this Institute.

The Advanced Lions Leadership Institute (ALLI) is still planned for Brisbane from 4th – 6th February 2022. Applications close on 6th November 2021. Go to <https://www.lionsclubs.org/en/resources-for-members/resource-center/advanced-lions-leadership-institute> for information. I can assist any prospective attendees with the application process. Some funding from our District may also be available.

The Lions Certified Instructor Programme (LCIP) is planned to go ahead from 11th – 14th February 2022 in Christchurch. Applications close on 13th November 2021. For details of the programmes and eligibility criteria go to www.lionsclubs.org/en/resources-for-members/resource-center/lions-certified-instructor-program

Our District Forum is now to be held on Saturday 27th November at the Fenwick School, Oamaru. See further details elsewhere in J-Times.

TEAM
achieves more

Focus on Zone 1 News

Covid is something we all must live with and lockdown is disruptive; there still exists a great deal of spirit among clubs.

I could dwell on the various activities that have been planned and subsequently abandoned due to the cancellation of associated events.

However, there is evidence of resilience among clubs and the ability to adapt and operate is a credit to all

There is evidence of a wealth of community spirit none more so than a tree planting exercise held at the Managed Aquifer Recharge intake at the beginning of the month. With 40 people turning out, just under half were from Hinds and Mayfield Lions

Ashburton ran their annual golf tournament – despite level 2 and there was a willing effort from

Methven and Ashburton in providing that all important burger for the recently vaccinated on Super Saturday – that one thing that entices the slightly reluctant.

Hinds made the most of a scrambled situation and put together a fish and chip night for Wig Wednesday. Amusing though was to see 40 members all standing round in outlandish wigs (looking as though it was entirely normal wear). It was a good effort and made a good contribution to the Child Cancer Foundation.

We all wait, with bated breath, for a new freedom and a fresh round of enthusiasm.

Malcolm Read
Zone 1 Chairman

MISSING!!!!!!

We believe there may be a projector belonging to District 202J Cabinet, somewhere in the South of the District. If you know of its whereabouts, can you please contact District Governor Christine Stewart: 027 782 7694

Also

We have lost a projector screen.
If anyone knows of its whereabouts, can you please contact the above.

Ōhau Village Update

The Ōhau Village project has been an important one for District 202J. The group of people in the village who are managing the project remain totally committed to making the on-going provision of trees suitable to the environment available to the property owners in this unique environment. The 202J fund stands at approximately \$20,000, which will be made available to the organisers of the project when there is an agreed need for the funds to be released.

Below is a brief update from Viv Smith-Campbell, the secretary of the Lake Ōhau Community Hub Charitable Trust.

Murray Linwood, Waiareka Valley Lions Club

Lake Ōhau Community Hub project

In late September, the Lake Ōhau Community Hub Charitable Trust was established with the signing by the five Trustees of the Trust Deed. The Trust has applied to be registered as a charitable trust and has applied to the Companies Office for incorporation of the Trust as a board.

The Deed sets out the charitable purposes of the Trust and this includes:

the establishment, maintenance and operation of a community hub complex (Community Hub) which will include (but not necessarily be limited to):

- (i) a plant nursery to provide native and exotic plants to the Lake Ōhau Region community to assist with regeneration of the environment including reserves, public areas and Lake Ōhau Region community members' private gardens following the October 2020 wildfire; and*
- (ii) community spaces for use by the Lake Ōhau Region community.*

The Trust applied in September to the Meridian Power Up Community Fund for funding for stage one of the project. Stage one is to get the site established, fenced, water tank installed, and the shade house constructed. The proposal is to then grow up plants to distribute to the community in autumn 2022.

We have established with the Waitaki District Council that the community hub doesn't need building consent or resource consent. We are in discussion with the landowner of the preferred site and expect to have a decision about this before the end of this year.

When all these components are confirmed, we will provide further information to the Lake Ōhau community, Lions and others who we will seek assistance from to make this project a reality.

202J Administrator

If anyone has trouble logging in to MyLCl or MyLion please let Jan Stonyer know, and she can hopefully sort it out. 202j.admin@lionsclubs.org.nz

Strides Program - Promoting Diabetes Awareness

With November being International Diabetes Awareness Month with World Diabetes Day being the 14th of November, it is a good time for clubs to consider organising and completing a project aimed at raising awareness of Diabetes/Type 2 Diabetes under the Strides umbrella.

What is Strides? A Strides event is a highly visible, fun community event for Lions and Leos to promote diabetes/Type 2 Diabetes awareness & the benefits of regular exercise for all ages & abilities. It is an effective way to:

- ◆ Engage and empower Lions/Leos & their communities to fight against pre-diabetes & diabetes
- ◆ Raise awareness about pre-diabetes & diabetes, & the importance of regular healthy exercise
- ◆ Demonstrate Lions/Leos support for those at risk of or living with pre-diabetes & diabetes
- ◆ Raise funds (optional) for LCIF or other Service projects in Lions/Leos communities.

Strides events can include walking, dancing, exercise class, jogging/running, bicycling, or other exercise activity. For more information visit the Lions Clubs International Strides webpage: <https://www.lionsclubs.org>

This is Covid level allowable –abide by the Covid requirements.
Keep safe - don't put yourself & others at risk.

Celebrate Your Service!

Remember to report your Strides event. Reporting service helps transfer knowledge and best practices to your club's or District's future leaders. Reporting shines a light on how and where local clubs and Districts are making a difference. This elevates the profile of Lions Clubs International as a global Service Club Organisation. For more information logon to: <https://www.lionsclubs.org/en/service-reporting>.

*PDG Kevin Bryson
District 202J Strides Chairman*

Keep Your Eye Out!

Recycle old spectacles (without their cases - cases are not needed for the Pacific Islands) by dropping them off to any Specsavers shop. Then select the cases in good condition from the discarded cases for a new fundraising life.

Get them to Genny Hanning at:
Green Island Gallery
194A Main South Road
Green Island Dunedin 9018.

Genny will get a team together to paint or decorate them for sale as trinket or earring boxes with the funds going to worthy Lions' projects.

Always Here to Get Your Group There Safely

Need to move your group of special people, schools, sports groups, or just friends. Ritchies are locals taking care of locals, in the Dunedin area.

Call Malcolm today on 027 534 1527
Email: dunedin.charters@ritchies.co.nz

RITCHIES

Youth Activities: Doake Cup

For the calendar year 1 January 2021 - 31 December 2021

Entries to be sent to Youth Activities Chairman **Jenni Mattingly** before 28 February 2022: mattinglys@outlook.co.nz, 1 Pretoria Avenue, Dunedin 9012

Used Hearing Aids & Batteries Collection

- ◆ Hearing Aid batteries are now going through to Lion Andy Andrews in Cromwell (see Used Spectacles for details); Andy has someone in his area who is coordinating this. He has arranged for a transport company to collect them in Dunedin so again, if they come to IPDG Ella she can arrange for them to get to Cromwell.
- ◆ The money raised goes towards funding cochlear ear implants (government funding has been reduced).

Mobile Phone Recycling

- ◆ Drop off at 2 degrees, Spark & Vodafone shops for the RE:MOBILE scheme which is accredited by the Ministry for the Environment. Sustainable Coastlines benefits.
- ◆ Autism NZ is teamed up with Swapkit NZ where old mobile phones are swapped for new technology.
See: <https://viberstore.co.nz/autism-nz/autism-nz-recycling>.

- ◆ Heads Up For Kids/Kantabs contact/drop off:
 - Malcolm Lill: zones 1, 2, 3. (03) 693 7667 or 021 361 380
 - David Christie: zones 4 & 5. (03) 489 4113 or 027 956 7297

**Incoming emails to any club member are incoming correspondence
- to be taken to your club meetings**

Kan Tabs for Kidney Kids

◆ Sell your collected aluminium to a recycler:

Wine bottle tops - remove any wire, tear tabs

Clean crushed aluminium cans, aluminium trays, aluminium cat food containers, tea light candle holders

- other metals: e.g. **steel** - use a magnet to identify & remove these
- some medication packaging is not pure aluminium &/or contains plastic - do not include

◆ Bank the proceeds in the **District 202J Charitable Trust: 03 – 0835 – 0031841 – 00** (tag it as **Kan Tabs for Kidney Kids**).

About Us:

Our mission is to support kidney kids and their families/whānau throughout New Zealand on their journey with kidney disease.

- ◆ Kidney Kids aims to help alleviate the stress by offering emotional and practical support to families while their child receives specialised medical treatment.
- ◆ Once referred, Kidney Kids provide continued support to the whānau, with advocacy and hospital or home visits. Kidney Kids also provide educational support for children who fall behind at school as a result of having kidney disease. We offer the opportunity to apply for personal development grants through the John Velvin Trust. These grants help our kids to reach their full potential, which can be used towards their educational or personal developmental goals. The [John Velvin Trust](#) assesses each application against their criteria.
- ◆ We also organise special events each year, the highlight on our calendar being our camps. We hold two camps each year for our Kidney Kids who are at, or near, end stage renal failure and kidney kids who are experiencing social distress. Additional to this, we hold several regional Christmas parties.
- ◆ Kidney Kids currently supports over 400 families nationwide.

[About Kidney Kids NZ | Supporting children with kidney disease and urinary tract disorders](#)

From the Council of Governors meeting 14/15 August:

- ◆ **Privacy rules:** A reminder that the new privacy laws came into place at the end of 2020. It would be good for all clubs to update themselves. Part of this is for clubs **NOT TO PUBLISH** any of their members addresses in their club bulletins. It has been highly recommended that all clubs have a privacy officer.
- ◆ **Titles:** From International – the First Vice District Governor now is called FVDG, Second Vice District Governor can be 2VDG, or SVDG.

Lions Clubs International FOUNDATION

LCIF are helping Lions worldwide to accomplish more by improving access to quality education for youth, vital health services and positive youth development programmes for young people by means of their Lions Quest programmes.

These programmes provide young people and their educators with the necessary tools to make positive life choices including how to resist drugs and alcohol. The programme encourages the youth to learn through service and become healthy young men and women.

In 2014, LCIF partnered with the United Nations office of drug and crime to implement our Lions Quest programmes in communities across the globe. Statistics reveal that with positive practices, like our Lions Quest, schools have lower rates of absenteeism and bullying, there is

improvement in students' classroom behaviour, reduced stress and depression and improved attitudes towards school, their peers and self-image. The students' academic performance also remarkably increased.

Since July 2021 LCIF has awarded US\$1.54 million in youth related grants to improve access to quality education, vital health services and positive youth development.

All clubs are encouraged to plan now to make a donation to LCIF ensuring that 202J clubs are

"All together as a Team"

in providing for the most vulnerable and needy in the world.

***PDG Les Box, QSM
LCIF 202J District Coordinator***

LCIF Lions Share Programme

This Lions year Share Pins have just arrived in the country.

The Lions Share pins are part of the Melvin Jones Fellowship scheme which enables individual Lions to make a donation to LCIF by purchasing a pin. Pins are available in:

One Star \$75

Two Star \$150

Three Star \$300.

Your donation is then recorded in your name towards an MJF or Progressive MJF as the case may be. The Lions year dated pins make for a great way to acknowledge your club president at the end of their year, in recognition of their serving.

Order yours today through PDG Les Box, LCIF District Coordinator.

Please donate to LCIF so they can respond to worldwide need.

New Zealand has received more funds from LCIF after natural disasters & in times of crisis than New Zealand contributes to LCIF.

**Geraldine Lioness Lions Club

Focus on Zone 4 News

The Zone 4 meeting which was to be held on August 26 was cancelled because of Covid-19. Reports had been received from all clubs and the Zone Chairman's report was included. These were dispatched by email so all clubs & personnel were kept informed. Our next meeting will be on November 25 at Mosgiel and clubs will be notified.

Clubs activities have also been disrupted by this latest Covid outbreak. Most clubs will have had meetings cancelled or postponed & projects & other activities will have been affected as well. This is disappointing as clubs do become slightly more active during the spring & the warmer months.

♣ **Dunedin Host:**

are preparing for their 60th Anniversary on Saturday 13 November. Those projects & activities that can continue have been worked on.

♣ **Balmacewen:**

welcomed their President back to Dunedin after MIQ & his time in Japan. They have continued with their "Trade me Sales" project.

♣ **Dunedin South:**

has had their programme completely disrupted but are getting underway with activities now.

♣ **Otago Peninsula:**

has also been disrupted but is confident they can resume their conservation projects with some of the local school now we are in lower Alert levels.

♣ **Port Chalmers & District:**

has wanted to work on the Lady Thorn Dell in preparation for the spring blossoms. Once Alert levels changed the club has been very active here.
