**The Official Bulletin of
Lions Clubs International 202F District**

Message from Lion Pam Fiveash

District Governor 202F District

To my fellow Lions in District 202F

The Government's announcement on Thursday of the Covid traffic lights has me slightly perplexed. I've read what's been published in our local newspaper but am still not 100% how the lights are going to work or what it means for us as Lions. I only hope that more information comes to hand in the days ahead that makes it easier to understand.

And the news the same day that the Delta variant has now reached the South Island is most assuredly something we did not want to hear. I'd like to share with you something I saw recently. It was entitled 'Key To The Door', and read as follows:

No, I'm not talking about your 21st birthday, but rather how we are going to move on from the current regime of lockdowns in dealing with the Covid pandemic.

It would appear that the key to returning the country to normal, and to opening up to the rest of the world, is vaccination, and in particular getting a large number of New Zealanders vaccinated. The number of people who have received at least one vaccination is increasing every week, which is great to see.

If you, or your family members, are unsure about getting vaccinated, there are a number of things you should consider.

- **Health.** Overseas data seems to clearly show that vaccinated people are far less likely to get infected with Covid, and if they do, are much less likely to become seriously ill or require hospitalisation. And therefore, less likely to die from Covid!!!

- **Freedom.** Society as we know it is likely to become increasingly divided into 2 groups. Those who are vaccinated and those who aren't. Those who are not vaccinated are likely to find increasing restrictions on what they can do i.e.

travel, partake in events, entry to restaurants/bars etc. Rightly or wrongly, that is reality.

- **Employment.** More and more companies are indicating that vaccination will be a condition of employment.

As for the 'rumours' that the vaccination magnetizes you or has tracking chips.....really!!!

The fact is we will probably never eliminate Covid. We will probably have to come to live with it, which we can do, just like the flu. But the key to living with it is to get vaccinated.

It's true that vaccination is a personal choice, but it's important that you realise that you have to live with the consequences of that decision – and so does your family.

This article emphasised for me that the only way for us to get back to some sort of normality is for as many people as possible to get the Covid vaccination. And once we reach that magical 90% number that the Government talks about, we can get back to doing what we as Lions do best, which is serving our communities.

I'd like to leave you with another smile quote: "A smile is happiness you'll find right under your nose".

Take care everyone, stay safe, and until next time, I remain yours in Lions

Message from Lion Jeroen Shuurmans

Vice District Governor 202F District

This time the weather is nice 21 degrees, beautiful. As 2nd VDG Allan Fleury and I help out DG Pam fiveash with club visits, to share the work load. Un-fortunately due to covid I happened to have to reschedule some club visits.

When we look at the vaccination, I am fully vaccinated now and I am also aware that in order for lions to serve the community, we have to learn to adapt and vaccination is one of them. So, we can get back to some kind of what is called "Normal". It is also important to make sure our fellow lion is coping well with the changes and to have a phone tree as something you can fall back on, may be a good alternative. It is essential we stay in contact with each other, so we can help each other as well as your community once again thank you very much.

To those clubs I have managed to visit Waikiwi, Riverton and West Otago. I fully enjoyed the meetings, and being able to share the messages of DG Pam Five-ash and LCI. On the other hand, DG training is in full swing with zoom meeting with group 25 LCI. with pdg Lesley Lyons. Training weekend in Wellington 19 and 20 of November with PDG Richard Norris.

Message from Lion Juon Schoen

Global Membership Coordinator 202F District

Being asked to fulfill a role within our District is a wonderful something.

As Zone Chair you have the opportunity to visit Clubs within your Zone, meet other amazing Lions doing wonderful things for their communities and be able to share ideas. If you are lucky, you will enjoy a great meal and enjoy some good social time.

As GMT, being the anointed membership person on our District Cabinet, you get to even move further afield and attend Zone meetings throughout our District. Again, you meet wonderful people, all with one common goal that distinguishes us as Lions, **“We Serve”**

Irrespective of the glorious titles bestowed upon us, essentially, we all are Lions first and foremost. It is therefore so joyful to attend meetings of your own Club, because at some stage it is where your journey in Lions started.

Last night I enjoyed listening to the local corps leader of the Salvation Army, who with two youngsters the Club sponsored, told us of the benefits these kids had gained from this sponsorship. It put value to the hours cooking chips or cutting firewood.

The real highlight on the night were two members, one of Winton Lions and one of Central Southland Lions being honoured for 80 years of combined Lions membership and Service to the Winton community. With that we also acknowledged the fact these two lovely people celebrated 60 years being married to each.

Congratulations John and Avis Kidd.
Congratulation on your wedding anniversary, congratulations on the service you have given your community.
Congratulations both of you for being such living examples of our Lions Motto, **“We Serve”**

It is inevitable that Delta will at some stage arrive down South.

Keep doing what we do so well as Lions but do it smartly and do it safely.

Juon

**International President
Douglas X. Alexander**

Dear Lion

Your commitment to health and safety in your community makes a real difference in peoples lives, especially in our efforts to fight Diabetes. You are advocates, educators, and leaders. And for many, your invention is the first step toward preventing Type 2 Diabetes and getting back on the path towards a healthier lifestyle.

Diabetes affects nearly 10% of the world population - and half of those currently living with the disease are undiagnosed. That's where Lions can be the difference. Let's all work together to raise awareness and educate our friends and our neighbours, so we can keep families healthy and our communities strong.

Yours in Service,
Douglas X. Alexander

Public Relations and Communication

1. **NZ Lion Magazine** - The hard copy version of the August issue of the NZ Lions Magazine magazine distribution was delayed due to the level 4 lockdown in August. The magazine has now been printed and is currently being distributed directly by our Auckland printers.
2. **Facebook** - Please send photos of your club projects through to Dulip on mdsocialmedia@lionsclubs.org.nz
3. **Membership Growth Month** - There are lots of electronic and hard copy resources out there to assist your club with membership growth along with support from your District Membership Coordinators. You can find the LCI Just Ask Guide along with various flyers and brochures [here](#). You can also order our NZ member brochures on our supplies website [here](#).

Participate. Celebrate. Win.

You could win complimentary registration and Melvin Jones luncheon tickets for the 104th Lions International Convention. Enter this year's Melvin Jones Photo Contest, themed "What it means to be a Lion or Leo during historic Campaign 100." Contest and voting run through December 31.

New Zealand Lions Christmas Cake Committee

Website: www.lionschristmascakes.org.nz
Email: christmascakes@lionsclubs.org.nz

Lions Clubs Secretaries & Christmas Cake Team Leaders

Please share this email with all your Lions Clubs members – simply forward it on.

Christmas Cakes sales are now well underway, and some 15 clubs and one Corporate already have orders in place, totaling some 3,500 cakes, for deliveries in the next few weeks. Great work and let's keep it going. We even have our first export order on its way – to Singapore East Lions Club.

The CMF Opportunity

This year our national Christmas Cake project is directly supporting our own Lions Clubs' Child Mobility Foundation ("CMF"). This works in exactly the manner as our direct Internet Sales programme. It's all spelt out, complete with order instructions, on the home page of our website. Take a look. Net profits go to CMF. All Lions Clubs can participate. This is a simple and effective way for Lions Clubs around the country to support our own Foundation – CMF. Or check out the CMF website: www.nzcmf.org.

Social Media Sales Support

We have an extensive social media sales support programme happening from early September to support club sales. More details will follow over coming weeks.

Publicity

If your club has access to local newspapers and media in your area, we can provide you with some generic material to assist. The more publicity we can get the better for Lions and the Christmas Cake Project. Contact christmascakes@lionsclubs.org.nz.

Website

Remember the website:
www.lionschristmascakes.org.nz. It is a great sales support and something you can refer people to. Remember the website has two parts - *Home Page* and special *Lions Clubs' Page*.

Not Registered yet?

It is not too late to open an account with Goodman Fielder ("GF") or, if you prefer, just process on-line

without an account. (Difference being that those Lions Clubs with a GF account pay one month after delivery, those without pay up front. Lions Clubs with an account get a slight reduction in cake cost - \$1.30 per cake).

Depending upon your preference for ordering you should make some \$6 per cake.

If you need more details on opening account, actual costs and suggested selling prices, please refer to previous email. ([Click here to view](#))

Dear Fellow Lions,

Please continue to send me your articles, photos, stories or anything which you find interesting to go to our Chronicles by 20th of September in order to be included in the next edition.

Zone Chairs, could you please send your 'WORD' version of your articles. When you email your articles, could you please also put something in the subject line like "For the Chronicles", so that it is not missed out. And please do not forget to include photos in your articles.

Thanks again for your patience.

LIONS - RECYCLE FOR SIGHT PROJECT

Several clubs Papakura, Karori and the Cromwell Lions Club provide processing and recycling of glasses for use in the Pacific Islands.

If you have used eyeglasses you no longer need, you can donate them now. Lions accept prescription and reading glasses, sunglasses and plastic and metal frames. Children's glasses are especially needed. You can also help by collecting glasses within the community. Please give the spectacles to your respective Zone chairs who can organise to send it to Cromwell.

Rowing for Life Aotearoa New Zealand

I am hoping that most of the Lions clubs have heard of the Rowing for Life Aotearoa – New Zealand. This idea was born when Ian Hamilton of Invercargill was down on the South Coast planning this event when he happened on Colin McDonald from Toi Tois Tokanui Lions.

Colin told him about Lions and that we often donate to charities and have been planning the Lions Skin Cancer Bus project.

Ian was so inspired by what Lions do. Colin gave him my number as I am the NZ Lions service coordinator he organized a meeting with a small enthusiastic committee.

The plan is to have a very keen crew row from Bluff to Cape Reinga from March 12th to 24th July 2022. They are to be supported by the Coast guard in each area. Surf Lifesaving Waka-ama rowing teams and many more sponsors. Ian has contacted the Olympic committee and is waiting on confirmation that our multi medal winning team members will either join the row at some point or be available for Lions clubs to stage fundraisers with them as guest speakers.

A huge venture and Lions have been asked to be part of the team. Our Lions logo will be on all promotional material including the boats.

Why Lions? Well we know how to raise funds for different charities by many varieties of events. Its what we do !

Ian's team have proposed the beneficiaries of the rowing adventure to be:

- Child Cancer Foundation
- Surf Life Saving
- Starship Hospital
- Lions Skin Cancer Bus Trust
- Unfunded drugs.

These last two need explaining.

The Lions skin Cancer trust has nearly completed its feasibility study as requested by the Lions clubs and Council of Governors at the Multiple District Convention earlier this year. If given approval, it can be registered as a charitable trust and begin accepting donations from Lions clubs and the public.

Mel net the NZ skin cancer doctors are very keen to progress the Trust as they see a massive need in our communities and particularly in Otago/Southland where we have the highest skin cancer rates in New Zealand. More information once we have the approval of the Council of Governors.

Unfunded Drugs- This subject was the catalyst for Ian to start the rowing venture. He is friends with a young lady in Cromwell who has an illness that requires unfunded drugs, and the cost is massive. So, Ian wanted to help. The team are a present researching for an established charity to which donations can be made

All Lions clubs' donations will be banked with the District Treasurer, so they can be acknowledged and receipted and then sent to the Lloyd Morgan Trust. All public donations will be directed to another charitable page (give a little) as Lloyd Morgan cannot accept public donations. To do so would contravene their charitable Trust deed. All funds will be added together and divided by the charities selected. Lions clubs can raise funds which ever way they want during the rowing or just when they are in the district coastal area.

Fundraisers at the port of entry or exit. BBQs, bake sales. Dry land rowing competitions with local celebrities. Dream up new ways of supporting these charities with National and hopefully International media covering the event. They are hoping to have ongoing drone coverage and daily updates on their website and social media page.

I know Covid is always in everyone's thoughts, but we can fundraise in our communities and take the rest as it comes....

It will be huge, very exciting and it's a fabulous way to promote Lions. Get your thinking caps on and support what will be a great event. I will update as I get more information.

GLOBAL MEMBERSHIP APPROACH

LCI's Global Membership Approach is currently being trialed in District L. All Districts will be running this in the New Lions Year. Expect to hear more on this soon.

202f Lions Out and About

Congratulations!

Recently the now-closed Mossburn Northern Southland Lions Club presented Lion Jo Muir with a Melvin Jones Fellowship Award to recognise her 35 years of service. Jo was a charter member of the Mossburn and District Lioness Club in 1986, and when this Club closed in 1994 to become the Mossburn Northern Southland Club, Jo was a Charter member of that Club also, remaining a member until the club closed in June this year.

Jo served in many of the Club offices, and was always very happy to be involved in Club activities over the years, enjoying the fellowship of the Club and working with the many members. She also enjoyed meeting members from many other Clubs over the years.

This is a well-deserved award as Jo has also been well involved in many of the Mossburn and Northern Southland activities over the years, and continues her service to the local community with the Senior Citizens Club, Northern Southland Walkers and Craft Club, to name a few. She will no doubt continue for many years to come.

Spring News

Zone 7

Things are ticking along in Zone 7. Some clubs are still being impacted by the limitations of Covid and are not able to have meals at their meetings and are finding that some of their regular events are still being cancelled. Even though this is happening clubs are still being able to do great service to their communities and are still managing to do regular activities which we know that clubs in other areas are not so able to do at present.

Waihopai have started to plan and organise their Christmas tree festival and have offered other clubs in the Zone a chance to have a tree in the festival. It will be interesting to see which clubs take up this offer and see if there is competition happens between the clubs. The Christmas tress festival is a great place for families to take children that is not too expensive, and it is always great to see children's enthusiasm at it.

Waihopai with the assistance of other clubs in the Zone and Makarewa are starting to organise to host the 2023 Multiple District Convention in Invercargill. It is a big event to organise and host but we are looking forward to showing off southern hospitality to all the people that will attend this event.

Once again, this year the Invercargill Host's magic show will be an online event and currently the fundraising for that is underway. This year the link is going to be distributed a bit differently from last year and hopefully it will be able to be accessed easily.

I hope everyone is keeping well and safe at this time.
Shona Cook
Zone 7 Chairperson.

UPDATE

Zone 5

We celebrated Wig Wednesday for the Child Cancer Foundation. We took a very fast photo with No 2-metre distancing but had a great night and a great speaker.

I have been given a new project for members if you wish to carry on knitting, Bear knitting for Southland Hospital, St John's, or Neo Natal or whoever needs. I have got a pattern of a little bear to be knitted in Nylon wool.

Woolpacks - Ken to tender for them with distribution 22nd October. Collect used batteries.

Scrap Metal on hold at moment.

Covid Playlist for relaxing music: Do't Stand too close to me' - Police; 'Stayin Alive' - Bee Gees 'The Cure' - Lady Gaga; 'So far away from me' - Dire Straits; Fever-Peggy lee; 'I will survive' - Gloria Gaynor, Can't touch this' - MC Hammer; 'Alone Again- Gil O'Sullivan

Looking forward to Host a Roast at Nola's on the 7th of November. I'm sure it will be a wonderful day out and such a great cause! We will have a scratchie board so bring some change.

Camp Quality baking is coming up in January.

So the good news is our meeting on the Monday the 11 is going ahead. Party time Balfour club is joining us. A wig and a wrapped bottle for the bottle auction. Hat a fun way to raise funds for Child Cancer.

Toot for Tucker - this event is likely to proceed even if we are in level 2, with some heavy restrictions. More info to come.

I have heard that our flowers at Hamilton Park are doing well and add some interest and colour so that's a lovely positive.

Riversdale Club

LIONS BMX PARK

A really good effort by Club Members who helped out at the Lions BMX park at Riversdale, on Saturday, 2 October.

Spraying was done, clearing of branches and rocks, - also spreading more gravel around the track.

CHAFF CUTTING

A very successful day was held on Thursday, 14 October for the Riversdale Lions Club which was held at Syd Tremaine's property at Pyramid.

Members responded well to the text message from Syd - there were 108 bags cut.

Notice Board

Camp Quality South

Sadly the next Camp (to be held in early January 2022) will not be held due to the current situation with Covid.

The Management of Camp Quality, thank all Lions Clubs for the support you so willingly donate to each of the Camps.

Your donations and Yummy baking are appreciated so very much.

Without the help that Lions Clubs give so willingly it would be difficult to have so many fun-filled experiences for the Campers.

Many thanks to you all,

From Camp Quality South,

INTERNATIONAL LEO DAY
is celebrated worldwide on
5th DECEMBER

SERVICE WITH A SMILE

"LAP THE MAP FOR DIABETES"
Sunday 14 November 2021

Let's either individually walk or organise a group walk event and see if we as a group can travel the circumference of New Zealand (15,000 Kms including other larger islands)

"LAP THE MAP FOR DIABETES"
to support World Diabetes Day (WDD) on 14 Nov 2021

Have a look at suggested ideas below

So, what could you or your club do for "Lap the Map"?

Club are encouraged to participate, either in their own community, combined Zones or in their own household bubbles.

Whatever you or your club decide to do ensure you are following the COVID- 19 Alert level rules for your regional area.

- Participating clubs would report the length of their Walk and number of participants or details of their individual members walks, to their Zone Chairs for forwarding to the District Service Coordinators then to the MD202 Service Coordinator.
- Clubs and members could video their activities or take photos and post it to Lions New Zealand Face Book
- For those clubs in regions able to hold small events you could have a "signature activity" such as a self-paced "low level" walk of varying distances (but not exceeding 5km) which meet your areas specific COVID-19 alert level rules and any funds raised going to Lions Diabetes Awareness. Your walk might include the following:

- ◆ Families pushing children in their stroller, kids riding their bikes or skate-board etc.
- ◆ Individuals or groups could have their own "Baton" or "Mascot" to complete the journey (the opportunity to promote fun plus participation - maybe a local prize for best theme).
- ◆ A simple "Certificate of Achievement" on completion for participants registering before commencement.
- ◆ Prizes for best dressed Team/Family/Individual
- ◆ A "Donation Tin" firmly on display, with entry being a "Gold Coin" donation.
- ◆ A Raffle (Fresh Fruit and Vegie Tray). After all what is a Lions project with- out a Raffle?
- ◆ Cold drinks (water or juice) - available for sale - sausage sizzle or healthy hamburger and salad, snack packs of carrot & celery sticks.

AND MOST IMPORTANTLY

Conduct a proactive LionsAwareness : Recruitment Display to attract/recruit new members

Let's all have a fun day promoting a healthy lifestyle!
