

Message from the DG...

Spring has arrived and with it the countdown to “the silly season!” I am now back at work after my 10 week sabbatical and trying to cram twice as much in to the same number of hours and days in a week. I managed to schedule a lot of club visits during “my time off” and have thoroughly enjoyed these. Thank you so much for the warm hospitality that was extended. There are still a couple of visits to go this year with a couple being re-scheduled for early next year. Some clubs are being visited by VDG Steve Barr and 2nd VDG Tobi Hipp is feeling his way with some of his more local clubs. I am intending to visit those clubs in 2022 ‘in an unofficial capacity’.

Congratulations to Wanganui and Feilding Clubs on their 60th anniversaries, (Wanganui chartered August 1961 and Feilding chartered December 1961) and to Ashhurst Pohangina for their 50th anniversary (chartered in October 1971). Bell Block Puketapu ‘turn’ 30 having chartered in Dec 1991.

Condolances to Colyton Bunnythorpe on the passing of Charter member Kelvin Humphrey and to Hawera Mt View / Normanby & Districts on the passing of PDG Vera Madgwick. I know these two Lions have touched many lives over their years of service.

Membership numbers around the district remain fairly static at 1062 despite a number of new members joining clubs. Please remember to add new members on MyLCl. If you are unsure how to, please contact District Administrator Mathew Wellington (202d.admin@lionsclubs.org.nz) for assistance. I know there are new members out there who have not been added!

COVID has become very much part of our lives and there is mounting stress and pressure to ensure people are vaccinated. Many meeting venues will be looking at what they need to do to comply with Health Orders that have come into effect and this will affect our members. As we all navigate this potential minefield, please remember to be kind. People have their own reasons for deciding not to vaccinate. As a volunteer organisation we, as Lions, do not have the right to insist that people declare their vaccination status or, at to exclude non-vaccinated people from our meetings, projects etc. Please think very carefully before putting any protocols in place regarding this. I have, as at the time of writing, yet to receive advice from “higher up” but I urge caution.

Keep doing what Lions do, keep in touch with each other, stay safe and be kind.

Kind regards,
Megan E

Footnote: MD Legal Advisor, Alan Knowlsey is currently putting together guidelines for clubs with regards vaccination status.

Hi all,

I am enjoying all the newsletters and bulletins that you sent. Also thank you to those that send contributions and content for our Contact.

It is great to see that LCI is looking at different marketing methods. I think through awareness, we will gain interest and our membership will grow. People will want to join this great bunch of people and organisation.

Cabinet members, please send your blurbs if you have not yet. We will be taking the missing member photos at the next cabinet meeting.

I have enjoyed a few club visits and it is great to meet new lions. At least I can say that I have met some of the faces when reading bulletins.

All that's left to say is: stay safe, be kind, keep up the good work and enjoy this edition.

Tobi Hipp

NEW MEMBER FEES

Due to the continued impact of COVID 19 Lions Clubs International (LCI) has extended the waiver of new member fees until 31 December 2021.

**Did you
Know?**

NZ Lions have partnerships with

- Camp Quality
- Cancer Society
- Diabetes NZ
- Kidney Kids
- NZ Liver Transplant Service
- Hearing Dogs

DIGITAL MARKETING

Marketing Display Network Update

I am pleased to inform that our network is growing. Thanks to Stephanie Jordan from Mt View Lions Hawera, we have 7 new locations across our district. GMC Chiropractors have joined the network as hosts and will be doing some advertising as well. Great effort Stephanie.

We currently have screens at:

- Caffeinate Hawera
- Hub Fit Hawera
- Upside Down Eatery Hawera
- Suede Hair by design Stratford
- Hairazor Opunake
- GMC Hawera

To be installed:

- GMC Stratford
- GMC New Plymouth
- GMC Whanganui
- GMC Feilding
- GMC Palmerston North
- GMC Levin (not our zone but will put one there as well)

New advertisers:

- South Taranaki Funeral Services
- GMC

As you can see, we are slowly growing and our advertising options are increasing for the advertisers.

At the moment we are looking for references for electricians in our district who could help install monitors if the installations are a bit tricky and our local lions clubs can't do the job.

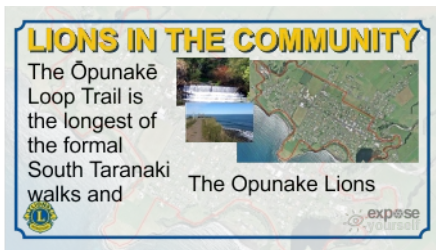

Please keep looking for venues where these displays could be installed, talk to the owners and let me know if there is an interest.

Funding

VDG Stephen Barr has applied for some funding available to help create content which will certainly help. I was not planning to charge for the creating of Lions promotional content and see it as part of my voluntary community service but am very thankful for any funding available.

I will try to come along to zone and club visits when I can. If you in the meantime like to talk to me about how your club can get involved, email tobi@hippconsulting.co.nz or call 0276190269

Tobias Hipp

Who are our 2021/22 Cabinet Members?

This month the spotlight is on:

Hi. I'm Anne Russell.

About twenty four years ago I was strolling through a lifestyle show day when I happened across a stand of the Heartland Lions ladies. Back then I was looking for a new challenge, so, I signed up. And I'm so glad I did. Not only for the reward of taking part in all the good work that the Lions organisation does, but also for the benefit of making a considerable list of lifelong friendships.

I have held most positions within our club but the longest would be the treasurer for ten years. Maybe it was that, that PDG Louise noticed and nudged me into the job of cabinet treasurer for her year. And now DG Megan has kept me going for our current year.

My husband Pete and I have hosted many lions exchange students over the years. From Finland, Japan, Australia, and our little favourite, sixteen year old Kay from Malaysia. Some years later she even brought her *whole* family back to meet us. And this is another reason why I think Lions is rather special.

Pete and I have four children between us. Scattered from Palmerston North to Northern Ireland. Ten grandchildren and recently, one great grandchild.

I enjoy Lionism. The satisfaction of contributing. The positive comradery that surrounds all of our activities. And most of all, the friendship.

I have this feeling that I could possibly be around for a little while yet.

Anne Russell.

Not all Cabinet Member Photos were available at time of publication.

PRESIDENT'S MESSAGE

**Service from the heart with
International President,
Douglas X. Alexander**

Dear Lion,

Your commitment to the health and safety of your community makes a real difference in people's lives, especially in our efforts to fight diabetes. You are advocates, educators and leaders. And for many, your intervention is the first step toward preventing type 2 diabetes and getting back on the path toward a healthier lifestyle.

Diabetes affects nearly 10% of the world's adult population—and half of those currently living with the disease are undiagnosed. That's where Lions can be the difference. Let's all work together to raise awareness and educate our friends and neighbors so we can keep families healthy and our communities strong.

Yours in Service,
Douglas X. Alexander
International President

REMINDER

Please Remember to get your entries in for these Awards:

- Waverley Award - Community Service Project
- Environment Award

Applications need to be with IPDG Louise Knapman by 20th January 2022

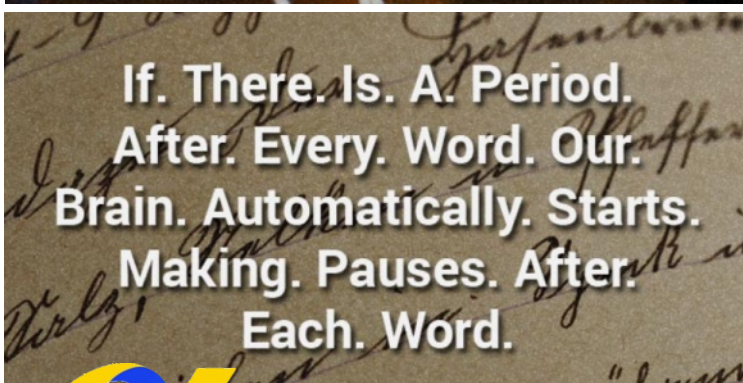

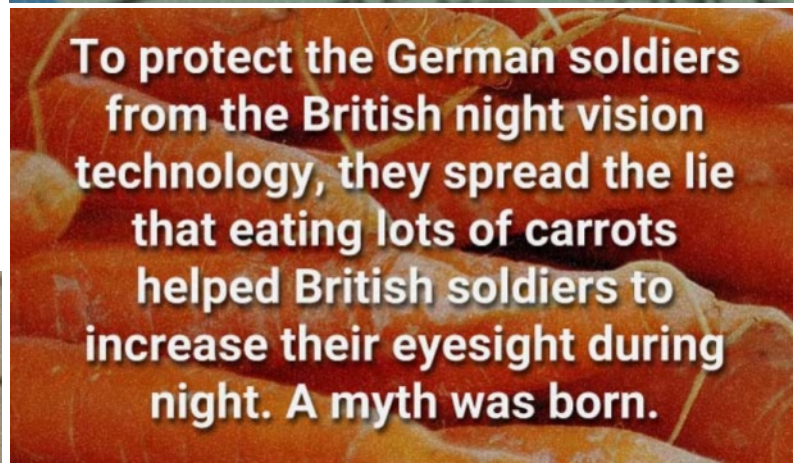

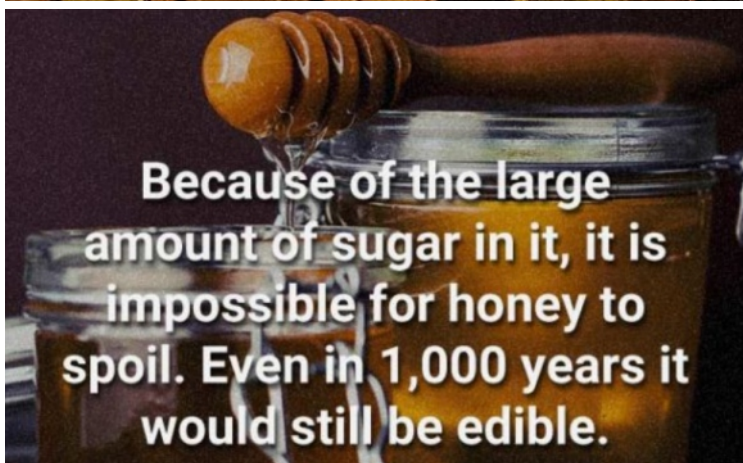

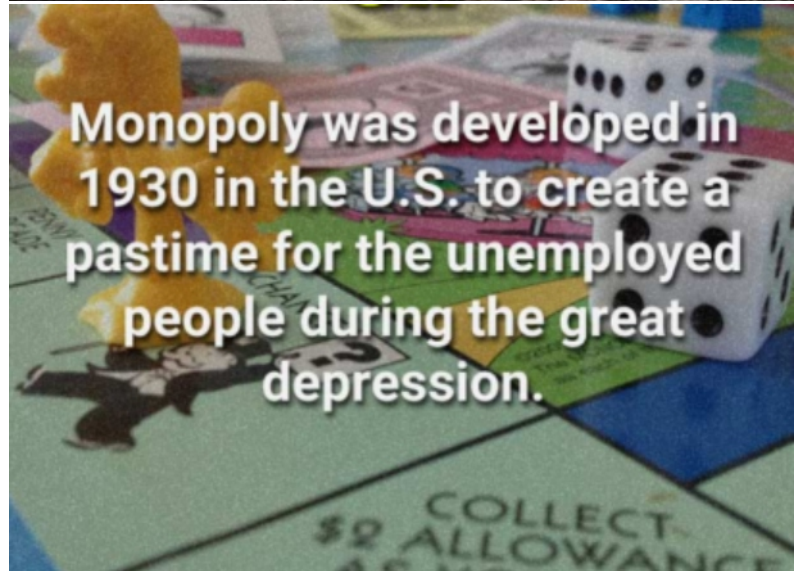

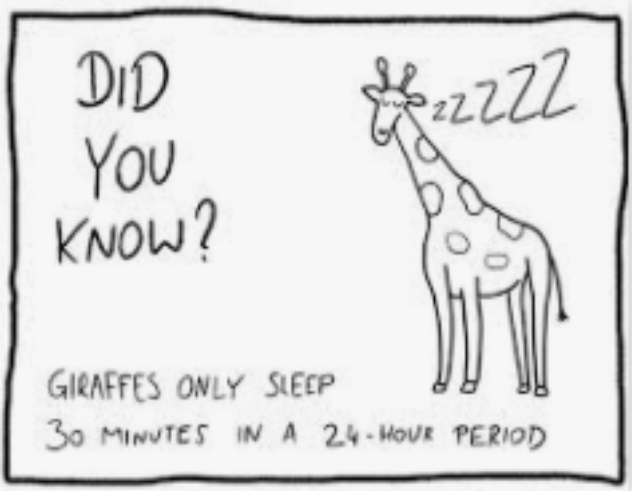

For more information on any one of the awards and the criteria, please email District GST, GLT or GMT Coordinators who are only too happy to help.

November 2021

Useless Facts

Hello everyone, I hope your year is going well and that your clubs are thriving.

I want to remind you that you need to start thinking about the annual awards which are presented at our convention. Yes, we don't do what we do to be recognised, but.....a pat on the back can inspire.

Please, check the criteria and make your submission to me by 20th January. I look forward to seeing what you have been up to.

Cheers

PDG Louise Knapman

Let's Celebrate!

On January 13, we will honor our founder, Melvin Jones on the 143rd anniversary of his birth. I could not be more excited to celebrate with you, and with Lions and Leos worldwide.

This year, we will celebrate what it means to be a Lion or Leo during historic Campaign 100 through a LCIF Week Melvin Jones Photo Contest. Below is important information about the contest.

- Contest runs from October 22-December 31, 2021
- Submission and voting run through December 31, 2021, 11:59 p.m. (Central Standard Time)
- Winners will be announced on January 13, 2022

[Enter Contest](#)

Limit one entry per person. No purchase or donation is required to enter. Eight winners, one from each constitutional area, will receive complimentary individual registration* and a ticket for the Melvin Jones luncheon at the 104th Lions International Convention in Montréal, Canada. Family, friends, and fellow Lions and Leos can vote for their favourite photo submission. To quote Melvin Jones, "You can't get very far until you start doing something for somebody else." Thank you for your support. Sincerely,

Dr. Jung-Yul Choi
Chairperson, Lions Clubs International Foundation

Does your club support this Lions project?

Several clubs Papakura, Karori and the Cromwell Lions Club provide processing and recycling of glasses for use in the Islands.

You can help by collecting glasses within your community and sending them on to the clubs to process.

Find out more about this project and listen to the recent radio interview of Jennie Vowles from Lions Club of Karori.

November 2021

YOUTH

Greetings Lions,

Our newest 202D Youth project is the **Environmental Video Contest for Year 5 & 6 students**. Details with the rules, entry form and a poster are currently being sent out to schools in the 202D district. This time, we decided to give students in schools more time to produce their videos, so the contest closes in May 2022. A copy of the poster is in this CONTACT. We will also send some details about the contest to all clubs and we would like to encourage Youth Directors and Lions in all zones to approach their local school(s) with Year 5 & 6 students, and encourage them to enter the contest. Educators from both Horizons Regional Council and Taranaki Regional Council have offered to help Lions promote the contest in the schools they work with.

Please contact Stephanie or myself if you require further details. Thanks.

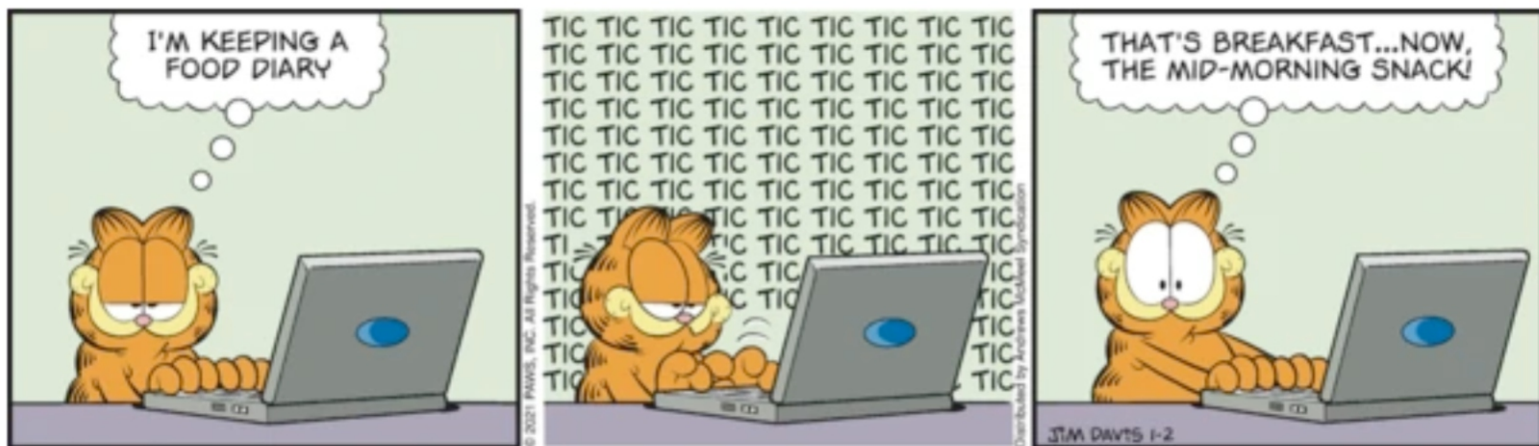

Yours in Lions,
Phil Lightbourne
Youth South Chair

NOVEMBER DIABETES MONTH

Global Services Team

Due to Covid19 it has been a quiet time for clubs through September, we emerged in October, but there is still some hesitancy out there and understandably so.

It is not easy to hold events with social distancing and masks, no buffet style food meals and the Delta variant looming over us.

The Kindness Matters Award closing deadline has been extended to the end of November, we have an entry in for 202D, but we can put another one in if it is about a Diabetes project initiative. The Top Service Award is open now, entries are to be in to me by the 22nd of March 2022 for judging.

I made a mistake about October being Diabetes Month, it is actually November, opps, sorry about that.

There is a challenge out for us to all record our walking distances, steps in kilometers so that it can all be added up to see if we collectively walked the length of New Zealand from Cape Reinga to Bluff. It has to be in to me by the 14th of November so I can send it to Wendy Goodwin our Multi District GST Leader. It is very short notice, but if you can think back to the middle of October and estimate your daily walk distance I reckon we can clock up a few kms between us all.

Keep up the good work with collecting aluminium. glasses and old money, every bit helps.

Well done to everyone for reaching the \$500,000.00 target for the Wellington Children's Playscape rehabilitation garden earlier in September, a great effort driven by 202M, with our help.

Planning is going well for our 50th Convention at the end of February, please try to come along to this great event, the costs are looking very reasonable and the more the merrier to celebrate this special occasion. It is a tough year for Megan with all the covid interruptions, so let us show her our support.

It was pretty tough for Stephanie and Phill to have to cancel the Youth Exchange, they did a magnificent job in getting it all arranged, but, we will have another go next year.

We currently live in erratic times and it is hard to plan for future events, who knows what our world will be like in six months, a year, even, a few weeks time, but we are Lions, we stand tall and proud and we carry on!!

Daphne Sinclair-Holley

ANZI Pacific Forum

With the disruption to this year's ANZI forum the event in Australia has been postponed to 2022. Future forums will be:

- 2022 Australia
- 2023 New Zealand
- 2024 Indonesia
- 2025 New Caledonia

November 2021

NOVEMBER DIABETES MONTH

Diabetes Support for our Community

LIONS CLUB MEMBERS PROVIDE SERVICE TO THE COMMUNITY

Opunake, New Zealand, 17th October 2021 — The Opunake Lakeside Lions Club 52904 serve the community by providing monthly diabetic support groups. This volunteer activity occurs at St. Paul's Community Hall, Opunake. Completion of the Lions club service project is a benefit to the community because it continues to provide support to pre-diabetics, patients with types one and two diabetes; families of those who support their kin who have diabetes.

According to Rosemarie of Opunake Lakeside Lions Club, "We don't raise money for our group as we are happy to serve our community as volunteers. Lions Daphne Sinclair-Holley and myself run the group with much needed help from Glenys Clark, Diane Forsyth, Rachel Norgate, Raewyn Cornford and Gladys Stuart; they are members who contributed to this important work. They are truly helping Lions make a difference in our community."

The Opunake Lakeside Lions Club has 18 members and meets on the first Wednesday of each month at 6 PM at a variety of locations in our town as we like to support our local businesses. Opunake is fortunate to have two Lions clubs who are groups of men and women who identify needs within the community and work together to fulfill those needs. Opunake Lakeside Lions are proud supporters for women in the community. For more information or to get involved with the Opunake Lakeside Lions Club, please contact our Membership coordinator Diane Forsyth through email opunakelakesidelions@gmail.com. In our two years of service we have won a local award for our District, which then went on to win the National Multi District Service Award.

About Opunake Lakeside Lions Diabetic Support Group

A newsletter is produced every month reminding our members of the interesting talks we have had from the Taranaki Diabetic Support Team at Pinnacle Health. We have had a dietician, social worker, the diabetic coordinator, and a pharmacist.

The group also find support amongst themselves by being able to discuss any issues they may have encountered during the month. A diabetic morning tea is also provided.

November 2021

Let's Laugh

Let's Laugh

A businessman boarded an international flight and found a fancy young woman seated next to him wearing a large diamond ring. During the flight, he asked her about the ring. "It is the Klopman diamond, but it comes with a terrible curse," she said. "What's the curse," he asked. She replied, "Mr. Klopman."

A retired man now volunteers to entertain patients in assisted living homes and hospitals. He visited one hospital in Brooklyn and brought along his portable keyboard. After telling jokes and singing songs at patients' bedsides, he said farewell and, "I hope you get better." One elderly gentleman replied, "I hope you get better, too."

A woman told her friend, "I feel like my body has gotten totally out of shape, so I got my doctor's permission to join a fitness club and start exercising." She said, "So, I decided to take an aerobics class for seniors. I bent, twisted, gyrated, jumped up and down, and perspired for an hour. But by the time I got my leotards on, the class was already over."

A sweet grandmother telephoned St. Joseph's Hospital. She timidly asked, "Is it possible to speak to someone who can tell me how a patient is doing?" The operator said, "I'll be glad to help, dear. What's the name and room number of the patient?"

The grandmother in her weak, tremulous voice said, Norma Findlay, Room 302." The operator replied, "Let me put you on hold while I check with the nurse's station for that room."

After a few minutes, the operator returned to the phone and said, "I have good news. Her nurse just told me that Norma is doing well. Her blood pressure is fine; her blood work just came back normal and her Physician, Dr. Cohen, has scheduled her to be discharged tomorrow."

The grandmother said, "Thank you. That's wonderful. I was so worried. God bless you for the good News." The operator replied, "You're more than welcome. Is Norma your daughter?" The grandmother said, "No, I'm Norma Findlay in Room 302. No one tells me shit."

An older man, living alone, decided he wanted to add a pet companion to his life. After thinking long and hard about the decision, he buys a parrot and brings it home. However, the parrot almost immediately starts insulting the older man and gets really rude. In a moment of frustration, the man picks up the parrot and tosses it into the freezer to teach it a lesson. But when the bird stops squawking, the man panics and opens the freezer. The parrot walks out, looks up at the man, and says, "I apologize for offending you, and I humbly ask your forgiveness." The man replies, "Well, thank you. I forgive you, and I'm sorry too." The parrot then says, "If you don't mind my asking... what'd the chicken do?"

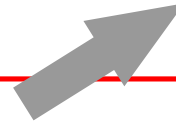

Two older women were eating breakfast in a restaurant one morning. Ethel noticed something funny about Mabel's ear and said, "Mabel, did you know you've got a suppository in your left ear?" Mabel answered, "I have a suppository?" She pulled it out and stared at it. Then she said, "Ethel, I'm glad you saw this thing. Now I think I know where my hearing aid is."

An older gentleman shuffled slowly into an ice cream parlor and pulled himself slowly, rather painfully looking, onto a stool. After catching his breath, he ordered a banana split supreme. The waitress smiled kindly at him, asking, "Crushed nuts?" The older gentleman replied, "No... arthritis."

**Playscape - Wellington Children's Hospital****Lions International raise \$500,000 to fund a rehabilitative Playscape for new Wellington Regional Children's Hospital.**

Wellington Hospitals Foundation is thrilled to announce that Lions Clubs members have raised an extraordinary \$500,000, to fund the new Wellington Regional Children's Hospital outdoor rehabilitative Playscape. Lions Clubs from the mid - lower North Island (Taranaki/Gisborne), down to the South Island including, Nelson/Marlborough, Canterbury and the West Coast have come together over the last 2 years in a mammoth fundraising effort across their communities. Thank you to the Lions Club of Karori, for volunteering to be the "Lead Club" for the project. Lions would also like to thank the members of the public, who have supported all the fundraising for this wonderful project.

Lions 202M District Governor, Simon Williams said that the Playscape is a great asset that will enhance the rehabilitation and relaxation of young patients as well as providing a wonderful outdoor space which their parents and caregivers can enjoy as well. "It is an amazing project and one that has resonated with so many of our Lions Club members. It is a great legacy"

Due to open next year, Te Wao Nui Child Health Service and Hospital will, for the first time, integrate many of the existing child health teams under one roof. As well as an outdoor retreat for visiting and inpatient children, the new Playscape will also serve as an additional outdoor therapeutic space for the hospital's Child Development and Physiotherapy teams, with specially designed rehabilitative equipment enhancing therapy programmes for children with mobility issues.

(From Media Release forwarded from DG Simon Williams 202M)

Whilst our Lions Clubs had a target of \$500,000 which was achieved, further donations can still be paid into the LMLCCT account. The total project cost is nudging \$1M when all structural work is included.
