

NOOZLETTA

DECEMBER 2021

District 202L

Thank you from my home to yours.....Thank you for being a Lion, Thank you for your service... thank you for caring....doing and listening.

In our ever changing world... we are now approaching the holiday/festive season and for some this is not the greatest time of the year....this year has definitely been one of challenging change but let us be there...supporting our members and communities. With our members a phone call, a coffee, a check in.....

And for your club this is a great opportunity for recording service. Our reporting for this year to date is well behind the ever hopeful.... and for some clubs they are not aware that service for our members, their welfare is a reportable project. Our Meetings whereby we are planning projects and service is claimable..... sorry secretaries.... But it is a quick calculation..... 20 members.....1.5 hour meeting = 30 hours of service.

Thank you to the clubs who supported the Christmas Cake project. This year has been a great year for the project. I understand the club in Palmerston North that run this project have sold 20,000 cakes. And our District is one of the greatest supporters. Just one additional comment.... It may be nice next year for clubs to talk to each other.. pricing seems to be an issue between clubs... \$25 the recommended and \$20 the old price.

Congratulations to the VITAL Team.... PID Cliff, IPDG Margaret, FVDG Helen, 2VDG Alan and PDG Richard. The launch in Hamilton last weekend was great.... nice to see some Waikato Faces and some great idea's and feedback. Please take the time over the Christmas break to work out how our team can help your club in the new Year..... Orientation?? Club Survey?? Presentations/Guest Speaker....

A Christmas message from Paul and myself

This year Christmas, have an amazing time with friends and family. We hope that your home and heart is filled with laughter, love and happiness. Here's wishing you an awesome Merry Christmas

Leave all the bad things and negative thoughts behind and begin 2022 with a lot of positivity. Cheers to the new beginnings. Merry Christmas to you and your family

We hope that you find loads of reasons this Christmas for enjoying a life full of love, laughter and relaxation. Have fun with the best Christmas cake... travel safe and take care
See you all in 2022

2nd VICE DISTRICT GOVERNORS RAMBLINGS

We are now halfway through the Lions year and what an up and down 6 months it has been with the ever changing face of Covid affecting everything we are able to do. With one side of the District shut down for quite a period I have been able to complete only half of my Club Visits and am going to have to schedule the rest into the new year. I will be contacting those clubs I have not visited in late January to schedule my visits.

To those clubs I have been able to visit a huge thank you for the welcome and hospitality I have received from you all. It has been great to catch up with those of you I know and it has been great to meet those of you I have not met before.

Project Vital has now been launched to both sides of the District and I must thank all of you who attended at Rotorua and Hamilton. I hope you took away lots to think about to help your clubs recruit new members and retain our current members. We would welcome any feedback or ideas you may come up with and if you would like to become part of this vital project (pun intended) for our organisation please feel free to contact anyone of the Team Leaders. On that note I must thank all the Team for the many hours that have been put into this and for coaching me through my part of this. They were great in sharing their many years of Lions experience in helping me to where I was confident in presenting my part. This is what being a Lion is all about.

Have a Merry Christmas and a Happy New Year (Meri Kirihimete me te tau hou) Enjoy the time off with your families, especially if you haven't been able to see them for a while.

Alan Hay

Unfortunately I missed the deadline for the November edition when I reported that that ongoing issues with Covid19 has meant that the summer camp scheduled for next January has been cancelled, much to the disappointment of Zone 10 and other Lions helpers.

Of course the greatest losers will be the children. Summer Camp is an event that is looked forward to each year with great anticipation. But, as you would expect, the Camp Quality team is acutely aware of this and it has come up with an ingenious plan to mitigate against some of the disappointment the children (and their parents) will be experiencing.

Camp in a Box

Every child will be sent a box of goodies that will contain items that they would use on a “normal” camp. These will include a book, toy/game/puzzle, an activity booklet with contents all connected with things associated with Camp, amongst other things. Boxes will be individualized to include material particularly relevant to the child receiving it. Camp organisers are aware of individual interests.

The Camp Quality committee for this area is reasonably confident that they have enough manpower to pack the fifty boxes needed but Lions could be asked if they could help with delivery in early January. Watch this space. The monetary value of each box will be approximately \$250. So far clubs in 202L have donated \$8000 to CQ in this Lions year. This means that there is a shortfall of \$4500 for the \$12500 needed. District Governor Suez has taken on board the project totally and intends to raise that total required by all means possible. The Camp Quality authorities have been very happy to give Lions the “naming rights”.

Virtual Summer Camp Activities

Believe it or not “on line” activities are also in the pipe line. Suggestions have been a bus sing-along, virtual art/baking experiences (material available in the boxes). Other ideas in the planning are a photo scavenger hunt and a quiz night (using zoom I presume). The imaginative skills of the young and largely female committee are breathtaking.

Not quite the real thing but the children will certainly know that they have not been forgotten.

DISTRICT SERVICE NEWS

Service is Listening, Doing and Caring

We are now 6 months through our Lions year in what have been very trying times. Especially for the clubs in the Waikato having to endure the Level 3 lockdown and the BOP in Level 2. This has meant the cancellation of many projects including a lot a Christmas celebration events. Now we have moved into the Traffic Light system we still have part of the District under the Red Light. District Governor Suez has sent all clubs the Guidelines from Multiple District for operating under the Traffic Light system. Make sure you have a good read of this and apply it sensibly to your projects and meetings.

In spite of all this there have still been some great projects completed. It was most heartening to get 4 entries into the Top Club Service Award this last quarter. All amazing projects and voting was very close but unfortunately there can be one winner. Results will be published once I have managed to get the trophy delivered.

Here is the Calendar for the coming 2 months as to what is going on with our Global Causes and other projects that we can support.

December	3 rd	International Day of Disabled Persons
	5 th	International Leo Day
	5 th	World Volunteers Day
January 		Hunger Awareness Month
	11 th – 18 th	LCIF Week
	13 th	Melvin Jones Birthday

We finally were able to present the Project Vital programme to the Hamilton side of the District on Saturday the 27th November and although a small turn out, (people obviously wanting to enjoy being released from lockdown) it was well received and those who attended went away with something to think about. Under my portfolio of Member Satisfaction I must reiterate the need to have projects that push your members buttons. If they are not interested in what you are doing as projects they will go and find another organisation that is doing what they want to become involved in. Under the restrictions of Covid we have learnt to do many things differently so let us apply the lessons learned to our projects. Review, implement and make sure you report.

Here's hoping you all have a Merry Christmas and a Happy and prosperous New Year and you get to spend time relaxing and catching up with your families and friends.

Ehara taku toa i te toa, engari he toa takitini. My strength is not as an individual, but as a collective.

In true lions tradition, lions Christmas Cakes making money to put back into your community since forever!

Community Matters

We Serve

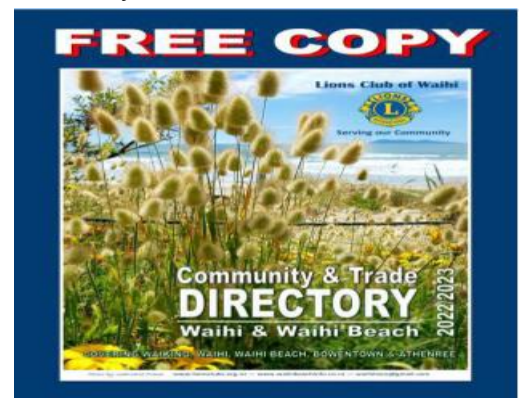

Waihi Lions Club has recently received 2700 copies of its biennial Community Directory. The Community Directory, which is published biennially, has been a major contributor to the clubs Charitable Trust for the last forty years.

In the past the club has purchased telephone listings from, firstly Telecom and latterly, Yellow. These are no longer available so the club has had to compile its own, firstly by phoning every single number in the previous edition to eliminate addresses which no longer have a land line, and, at the same time, encouraging others to publish their mobile numbers (via leaflet drops and social media).

An innovation this year has been to offer local businesses the opportunity of having their adverts printed in colour. This idea was readily accepted. The directory covers the wider Waihi area to include the Beach, Waikino and Athenree. It is a free publication and available at a variety of outlets.

The book has always been popular with local folk because of its clear and easy to read format as well as the local information that it provides.

When all bills are paid the club's Charitable Trust will benefit by close to \$30 000.

Upcoming Training Opportunities.

Sadly, during the past few months many of our activities have either had to be cancelled or postponed because of the Covid menace to our District. Below is the latest updated schedule which includes new dates where known so you can update your diary. If you need any Further information please email the Leadership Chair 202l.glt@lionsclubs.org.nz

Dates	Title	Venue	Notes

14-16 Jan	Emerging Lions Leadership Institute	Christchurch	For Upcoming Club Leaders
14 – 16 Jan TBC	202L Leadership Retreat	Lodge	Lions Leaders of the future
11-13 Feb	Lions Certified Instructor Programme	Christchurch	For those who want to be Lions Trainers in the future
11-12 June	202L Club Officers Training Days	TBC	Tentative Dates
22 May	Incoming Zone Chair Training	TBC	
Ongoing	New Members Orientation	A/R	Available on request via ZC and held at Zone Meetings. Alternatively, Clubs may request Orientation via the Training Team

Postponement and Opportunity!

Sadly, because of the Covid travel restriction being in force in part of our District, **AND** a small number of applicants we have had to postpone the “Lions at the Camp” weekend until early next year. We are working with the organisers of the Camp to get new dates for you. We will announce these dates as soon as possible. Ideally, we would like to have around 25 Lions attending so if you have been thinking about it but haven’t acted yet, please put up our Hand now and register your interest with Cliff Heywood 202l.glt@lionsclubs.org.nz

A Vital Update

Last weekend the Team hauled our feathers over to Fraser High School in Hamilton to deliver the programme to the Lions Clubs in Zones 1, 2 & 3. While the turnout was relatively small with only 24 people in total

we were able to again spread the word, and get good feedback from those in attendance. Sure we would have liked more people and clubs in the room but we also know that we had arranged the presentation with short notice to the clubs and we were also mindful that the Lions in the Waikato had just come out a significant lock down but don't worry we are thinking up other new ways that we can help all clubs in the new year

Christmas Greetings to you all

From Ken.

Ken is pleased and excited to report that there is a meeting this Saturday to look at starting up an Environmental Club which will initially be based around the tree grove and as Ken says, anything to do with the environment is good with him and the more the merrier. We will be pleased to let you know how it goes next month.

As this is the last note from Ken for this year, it would be remiss of us not to thank everyone who has had a part to play in this new initiative. So, as Ken says all work and no play makes Ken a dull parrot! Ken wants us all to have a good break after a difficult year which has seen a pile of challenges to us all. Ken intends to fly back down to his old stomping grounds and take a break while tearing a few window wipers off cars, adding to his shiny spoon collection while he charges his battery for 2022. If you would like more information or a visit from our team – don't be shy, give one of them a call – they will be pleased to help!

202L District Awards

It's that time of year again when we are looking for worthy recipients for our district awards. I know none of us does what we do in Lions for the recognition, But..... we all appreciate getting some sort of feedback that we are doing ok. This is one way in which you can give a member or club that feedback.

Below is a list of all our district awards that will be presented at the District Convention in February. Please give some serious thought to nominating your club (or even someone else's club), or a member from your club, for an award.

The criteria and how to apply/nominate will be sent directly to the secretary of each club. Alternatively, please email 202l.ipdg@lionsclubs.org.nz (remembering that's an 'L' in 202l, not a one and not an i)

Please note: these awards relate to activities completed in the 2020/21 Lions year, ie up to June 2021.

District 202L Awards for Clubs:

Community Service

Membership Growth

Youth Projects

Public Relations & Communication (replaces several old bulletin and PR awards)

The winners of these first 4 awards are sent to Multiple District for entry into the MD awards.

Environment

Premier Club Trophy

District 202L Awards for Individuals:

Quiet Lion

Leadership

President's Cup

There are also a number of other ways in which we can recognise achievement. If you know somebody who you think should be recognised at a district level, please feel free to contact me.

I look forward to receiving lots of applications or nominations for these awards so that we can celebrate your extraordinary achievements across our district.

November is Diabetes Month

It is with great pride, I write that our 2021 District have been incredibly generous in their donations towards the Waikato and Bay of Plenty Diabetes Camp for Kids

This comes at a time when I know that many clubs have had their fund raising efforts curtailed by COVID and what has been raised is precious.

The team organising the camp have been overwhelmed by requests from families for kids to attend and for help financially to make that happen.

The camp location has had to move at the 11th hour due to the requirement for staff to be vaccinated to protect the young people. So will now be held in the Kaimai ranges and is set up to go ahead in under all COVID "traffic light levels"

The difference this will make for these families is extraordinary in such uncertain times

The total raised by the donations from 14 clubs is \$7175.00!

Club	Pledge	Club	Pledge
Welcome Bay Lions:	\$1000.00	Te Aroha Mountain Lions	\$ 300.00

A huge thanks to Pete O'R who organised the Whoppa Choppa, which split a lot of the rings on Tuesday 9th November. We had several members on deck to help, with tractors & trailers shifting from Houston's back to O'Reiley's farm, and the utes & trailers loads being delivered to order. A big thanks to Henry de Haas & Pete, who put in some long hours ringing the logs, and also to for Henry roping in two young mates to help finish off the ringing that day.

World Diabetes Day 2021

Bethlehem Te Puna and Greerton Lions Clubs

Our recognition of World Diabetes Day (WDD) 2021 was a 'diabetic breakfast' at

the Minden Lookout, Tauranga. This inter club exercise is to make our members

and community more aware of the epidemic of diabetes in our area.

Too often we

do not know much about it until the symptoms occur (a bit like the coronavirus!!!??) -and then we realise we 'shoulda been doing things differently'

before it is too late.

13 club members and 3 from Diabetes New Zealand Tauranga

turned up on a

rainy morning to eat a 'healthy' feed of pancakes (using rolled oats instead of

flour), fresh strawberries, blueberries & yogurt. This was followed by bacon, eggs,

tomatoes & mushrooms. Yum!!! (I know bacon is really not allowed because of its

processing but??.....) All food is taken in consideration and moderation being the

key to a healthier life!!!!!!!

Lena Fendley. Branch Coordinator (right above) & Brian Pointon (Director) from Diabetes NZ Tauranga were also there to comment about Diabetes present in the BOP.

EDITORS NOTES

Hi Fellow Lions

Well another year has rolled around again and xmas is upon us.

I would like to wish all our lions and families a fabulous xmas and a happy new year.

I saw this piece and thought it was good for this time of the year when we are all busy.

Take time to enjoy your break and your families and I will see you all next year.

SMILE

By Spike Milligan

Smiling is infectious
You catch it like the flu.

When someone smiled at me today
I started smiling too.

I passed around the corner
and someone saw my grin.

When he smiled I realised
I'd passed it on to him.

I thought about that smile
then realised it's worth.

A single smile just like mine
could travel around the Earth.

So if you feel a smile begin,
don't leave it undetected.

Let's start an epidemic quick
and get the world infected!

Lions Clubs International Foundation

LCIF

Many thanks to the 24 Clubs who have contributed to LCIF this year. Well done!
Your donations certainly do make a difference.

Yes, we are in difficult times and many of our events have been postponed or cancelled which does impact on our ability to contribute.

But, we are resourceful people and it is a challenge, so it would be great to meet the challenge and contribute this year to LCIF. We can do it! You have proved so in the past, so let's continue to show what we are capable of.

Remember, an amount of \$15 per member from your Trust (Activities) Account is a suggestion, but whatever you choose is great.

To contribute on line:

The Int. Assoc. of Lions Clubs 03 0502 0081103 000. In "particulars" put Greatest Need.

In "code" put your Club number, in "reference" put LCIF. It is important to ensure that you do put LCIF.

Finish 2021 in style....make a donation to LCIF.

Best wishes for the Christmas period. Take care.
