DG Christine's Comments

Well, what a difference a month can make. As I wrote my February report Convention plans were well under way. Venues had been booked, an International guest and speakers confirmed and there was no thought that it would not be going ahead. Alas, that dreaded "C" word raised it's ugly head once more. At our January Cabinet meeting it was decided that due to the uncertainty of holding the event, we have had to cancel our physical Convention/AGM on 2nd April, and instead will hold the election electronically. Thank you to PID Tony Hanning who has once again taken up the reins and is organising the voting procedure. All clubs will be sent our District reports in booklet form – one hard copy per club and electronically to all clubs. This will be done in plenty of time so members can read the reports and ask questions (which will be forwarded on for answering). On the 2nd April I will be officially announcing the election results. A request has already gone out to clubs to provide PID Tony with their voting members names and email addresses. We have had the final Convention committee meeting which was needed to tie a few loose ends up. Thank you to Richard, Jan and committee members for all the work you have done. I would also like to thank all clubs for their understanding in these uncertain times.

Along with our Convention cancellation, the other six Districts have also

decided to hold their AGMs electronically/virtually. And it has been decided that the Multiple District Convention to be held in Silverstream has also succumbed to the pandemic and will be held virtually.

All my official club visits have been done, but I now have a few clubs to visit informally, and I look forward to being able to do so over the next two months.

District awards will still be presented so I wish clubs all the best. There will be a new award to present commencing this year. The "Stewart Trophy", which will be presented to the **best overall club**. Some of the criteria includes those clubs that have attended all the trainings provided, have a net membership growth, involved in at least one youth activity, reports

monthly membership on MyLCI, and reports their service activities on MyLion.

I would like to take this opportunity to wish Jules, Garth, Derek and Graham all the very best for the coming elections.

483 not out!

I recently led a club discussion at Timaru Host Lions, chartered in December 1962. The 19 Lions present have clocked up 483 years' service between them, including Lion Colin who has served for 48 years. A club with over five centuries of service, deserves our respect and admiration.

The purpose of the night was to look back over what had been achieved in their service and look forward. This is a club that has built a children's railway and a block of eleven flats, to mention just two projects.

Looking forward, all clubs, like Timaru Host, can think about the successful projects they can continue, particularly partnering with other organisations. As well as thinking whether current projects can be upscaled. Clubs need to know what skills, experience, and knowledge members bring that could be used in service, along with knowing what other connections they have in the community.

The reason people should shout about Lions' service is, because Lions' know their communities well and are invested in making a difference in the lives of others.

What Lions do does matter.

The Treasurer Talks

International dues invoices and statements were issued directly to clubs during January. All LCI dues on those documents are expressed in United States dollars. Any dues remaining unpaid at the end of February, need to have the amount owing adjusted by the application of a new exchange rate which will be circulated to every club treasurer on either the 1st or 2nd of March before they are then paid.

The above process is yet another reason why all clubs yet to do so need to adopt the direct debit method of paying those dues. Please do not

attempt to do this though before you pay the LCI dues that are payable now, but as soon as they are paid the direct debit process can be safely adopted – the details of how to do this are contained in a PowerPoint presentation circulated to club treasurers during November 2021.

If you are having difficulties, please contact me on 202j.treasurer@lionsclubs.org.nz or on phones 0275 354 253 or 03 308 9292.

Introducing

Derek Wardell (Christine)

Club: Oamaru

Candidate for Second Vice District Governor

Greetings and salutations.

My name is Derek Wardell.

I am a member of the Oamaru Lions Club and have put my name forward to stand as the District 2VDG.

I was asked to re-join Lions in 2002 by PCC Wayne Collie as a member of Dunedin North. I was short circuited to President. In 2005 I transferred to the Cromwell Club. My roles there encompassed roster co-ordination, catering caravans (lots of hot dogs'n'chips), traffic control, national clean-up day, firewood cutting/delivery, VPs and President. Within District 202F Zone Chairman five years, GMT twice, ALERT three years and District Youth Activities Co-Coordinator. I am a Guiding Lion.

My mate of 30+ years (wife for three) and I moved to Oamaru in July 2021 and I transferred to the Oamaru Club.

When I get free time this petrol head makes a beeline to the nearest speedway track to watch now after having done a 21-year stint as an official. We chose Oamaru mainly to be closer to our blended family of four boys, ten grandchildren and one great grandson.

Convention Voting.....

- ◆ Clubs must be financial to vote - all annual dues must have been paid in full at least 15 days before the start of Convention. Clubs & voting delegates must be in good standing.
- ◆ Voting delegates names, club & email addresses must be advised to PID Tony Hanning before Wednesday 16 March.
- ◆ The standard club constitution states:
"... club shall be entitled to send its full quota of delegates to all such conventions and have power to pay the necessary expenses of such delegates attending such conventions. This club shall be entitled in each annual convention of its district ... to one (1) delegate and one (1) alternate for each ten (10) members who have been enrolled for at least one year and a day in this club, or major fraction thereof, of this club as shown by the records of the international office on the first day of the month last preceding that month during which the convention is held... The major fraction referred to in this section shall be five (5) or more members."
- ◆ Therefore, as of 31 March 2022 a club of 16 (with members of at least a year & a day) will receive two votes, as will one of 24 members, those votes being either the club appointed voting delegates or a club appointed substitute (the alternate) for an appointed delegate who has to withdraw.
- ◆ Any members joining after 30 March 2021 are not counted towards the club's eligible voting numbers.
- ◆ 202J Past International Directors have full delegate status independent of their club's delegate quota
- ◆ The standard club constitution states:
"Each certified delegate present in person shall be entitled to cast one (1) vote of his/her choice for each office to be filled by, and one (1) vote of his/her choice on each question submitted to, the respective convention."
 Therefore, voting decisions are the choice of the voting delegates during the Convention business session, not decided by the club.

Emerging Lions Leadership Institute

Christchurch, 14th – 16th January 2022.

attended by Elizabeth Wilson

I consider myself very fortunate to have had the opportunity to attend this course called the Emerging Lions Leadership Institute. It is something I chose to do for myself with hopefully a flow on effect for our club. Thank you to you all for allowing this to happen for me through the club paying into the LCI funds. The course cost \$200 including accommodation, meals and course, and I didn't pay one cent!

I was sponsored by our District 202J and subsidised by LCI.

Twenty-four of us took part in the course, attendees came from Auckland to Invercargill. We were in groups of five which changed frequently so we were working with different people all weekend. A good way to get to know everyone. We had three outstanding, very supportive 'Tutors' (Lynda, Alice and Paul) who guided us through modules including Change Management, Supporting Teamwork, Communication, Conducting Effective Meetings, Diversity, Mentoring and Creative Thinking, and lots of fun times along the way. The three days were very full of individual thinking, group sharing and activities with lots of laughs. We are all still in touch today through WhatsApp.

We had pre assignment preparation to do before we attended. Some of this involved watching videos from www.lionsclub.org. I didn't realise what our donation to LCIF went towards and how Lions have helped so many people less fortunate than ourselves in this World, and what a great organisation we belong to. I feel proud to be a Lioness Lion.

I contributed to a poster on Projects with our tee shirts sent to Luhwade Primary School in Zimbabwe through Roxy Pitchford. I also presented my own idea for a Service Project on the Sunday morning which was a huge step forward for me.

I would certainly recommend this course to anyone who wants to think outside their comfort zone and challenge oneself by moving forward. I am very happy to talk to anyone about the course. I am the richer for taking part in this very worthwhile course.

Geraldine Lioness Lions Club Congratulations

I received this totally unexpected letter in the mail early February. It was and it is a reflection of the outstanding decision made by all members of the Geraldine Lioness Club to become Lions.

I note in particular Bev Gregan and Jan Peterson whom I worked with and their commitment and passion in getting this over the line. I am indebted to the Geraldine Lions Club, in particular to the then Secretary John Peterson for hanging on in there when things were made particularly difficult when head office had things completely confused and made proceedings frustrating for us all. Thank you to the then President Tony Gregan for his continued support throughout the transformation 🤝.

The ladies of the Geraldine Lioness Lions Club are true troupers and continue to deliver for their community.

Focus on Zone 1 News

We must keep a positive frame of mind as we work through the impact of Covid. We can't pretend it's not happening; it's more a question of what we do about it that is important.

There have been more cancellations and postponements than we would like, not least of which, the 2022 Convention which I am sure would have been a thoroughly enjoyable weekend. We'll get there, it's a matter of perseverance.

Meantime, I'm happy to report that clubs are showing a healthy amount of resilience and inventiveness in how they cope and how they manage themselves in small groups and in social

settings. Friday lunches, Tuesday coffee and barbeques to start the year, and small groups meeting to plan future events have all contributed in keeping morale at a moderate high; there are things that can still happen and woodchops are a happy safe and outdoor form of both socializing and fundraising.

I guess things could always be worse, at least were not facing up to the Omicron surge in the middle of winter.

Better days are yet to come.
Keep smiling.

♣ Dunedin Host:

All clubs will join with me in congratulating Host on reaching their 60th Anniversary recently. This is a distinguished and proud club who have chartered many clubs in our District. While planning for their anniversary they also held a most successful garage sale raising plenty for their projects account. They have also been collecting pine cones.

♣ Balmacewen:

This club has been very busy with many projects during this period raising much. Some projects have involved many in the club while others by a small number of members. These projects include TradeMe sales, selling of plants, firewood distribution, Kan Tab collecting, the BRONZ toy run and selling Christmas cakes. They have been busy with social functions.

♣ Dunedin South:

This club has had many of their projects disrupted by Covid. They are waiting to see how the "Traffic

Light" system affects projects in the future. Club meetings are enjoyed by all. The club was responsible for the Otago Medical Trust monies and this was wound up recently with a donation of \$320,000 to the Otago Medical Helicopter service.

♣ Otago Peninsula:

Peninsula Club have also been affected by Covid. Club meetings have continued in a very enjoyable manner.

♣ Port Chalmers & District:

The club has participated in a senior bus trip and have held their regular Christmas carols in the Dell. Port Chalmers have also helped with the local Can Appeal as well as other Christmas projects being held. Meetings have been disrupted by Covid.

COVID-19

As we entered our second century of service the COVID pandemic struck causing stress to world health care systems, economies halted, and more than a billion people worldwide forced to stay at home as a result of lockdowns. LCIF answered the urgent call and provided special COVID-19 grant funding for Lions efforts to serve their respective communities.

In Italy when COVID first struck it had the world's second highest rates of cases and deaths. Italian Lions with an LCIF District and Community Impact grant, purchased smart vests for a residential home for children whose respiratory conditions and compromised immune systems required highly specialist 24-hour care. The smart vest helps clear lungs and airways making breathing easier and less painful especially with the coronavirus implications.

Lions in and near Jakarta, Indonesia, used a \$US10,000 LCIF Emergency grant to build eleven sanitizing stations outside health centers and hospitals. Each setup offers a refillable water tank, four sinks, soap dispensers, and paper towels.

Brazilian Lions in Sao Paulo produced 10,000 full face shields with an LCIF grant, for hospitals, health

centres, senior care facilities and emergency responders. Likewise in India where 66 grants totalling \$US660,000 provided PPE gear for front line medical professionals. In total LCIF awarded 26 grants totalling \$US315,000 which provided virus testing kits, hand sanitizers, PPE gear including masks and gloves, medical equipment and emergency supplies etc.

Does your club have a COVID project in place should the need arise? LCIF Emergency Grants of \$US10,000 could be available should a major emergency arise. In such instances contact DG Christine or District LCIF Coordinator for guidance in this matter.

Tonga Disaster:

Clubs are being asked to consider making a donation to LCIF's disaster relief fund for Tonga. If your club hasn't made a donation this year, can I please encourage you to donate to Tonga?
