To my fellow Lions in District 202F

As I sit down to write my penultimate article for the Southern Chronicles as your District Governor, I can't help but reflect on the last 10 and a half months. I remember PDG Wendy Goodwin telling me the year would fly by, and back in July when I took over the District Governor role, I felt 12 months was going to be a long time. I was full of hope and expectation as to what we could achieve in that time. That was until the Omicron variant of Covid-19 appeared, and we had to contend with the challenges it brought. So much of what I would have expected to occur in this year just hasn't happened. Meetings have been cancelled, projects have either been postponed or cancelled completely. Conventions have gone ahead albeit in an altered format. Everyone, including Lions, has been under some form of lockdown, whether government-imposed, or self-imposed due to the fear of catching Covid. And this has had an enormous impact on the achievements of our clubs.

But I mustn't forget that lots of good things have happened, and there are more yet to come. You, my fellow Lions, have continued to show kindness in your communities, and have given support to others when they've needed it most. You've carried on with your acts of service, and always with a smile. So what more could be asked of you. And as I said, more good things are coming up. We have an open forum, 'Preparing for the Next Lions' Year' at Tapanui on Saturday 21 May 2022 to which every Lion in our District is invited. Along with sessions for Club Presidents, Secretaries and Treasurers, there'll be an Orientation workshop for new Lions. Guy Harris from the Alexandra Club will be available for anyone wanting help with service reporting (and if you want to bring your own device, wifi will be available on-site). And everyone will come together for an open discussion time, when there'll be the opportunity to ask questions of the presenters on anything you wish to know about Lions.

We have our '202F Not a Convention' to look forward to on 11 and 12 June 2022 and everyone is invited to come to that. Your Club Secretary has been sent a flyer with details, including a link to the registration form. I look forward to seeing as many of you In Owaka as can possibly make it. And your Convention team is promising a special event.

We have our District Young Speechmaker Contest in Gore on 25 June 2022, and hopefully there'll be lots of entrants for that. Plus a receptive audience to support them. If you know of a school that has had contestants in the past, can please you check with them to see if they're coming this year? And if so, contact Julie King on 027 232 1095 or [g.j.king26@gmail.com](mailto:g.j.king26@gmail.com).

We have our 2022 Computer Capers competition, "What can I do to help my environment". Entries for this are to be sent to [sir.tazzie@yahoo.com](mailto:sir.tazzie@yahoo.com) and close on 4 July 2022.

So as you can see, there are some really positive things to look ahead to, and for me, my work isn't over quite just yet.

I was thrilled to be in Lower Hutt in April for the 202 Multiple District Virtual Convention, when at the awards presentation 202F once again featured in the winners' circle. Gore Hokonui Lions Club was the recipient of the Top Club Service Award for their Diabetes project, and Riversdale Lions Club were runner up in the Ron Rowe Bulletin and Communications Award (Bulletin Editor Heather Fowler). Past Council Chair Graeme Wilson was presented with a Presidential Medal, and Past District Governor Wendy Goodwin received a Presidential Certificate. Very well done to you all; it's awesome that you've received national recognition for what you do.

And on that high note, I'll sign off for another month.

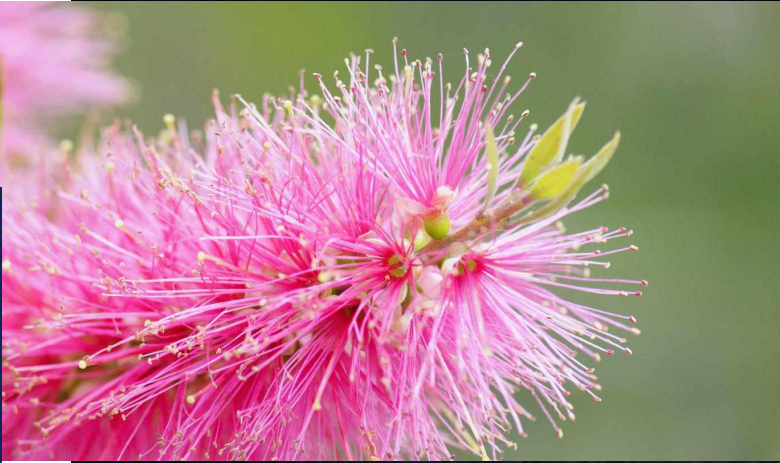

As always, I'd like to leave you with a smile quote: "A smile can open a heart faster than a key can open a door. Smiles are free so don't save them. Brighten the world with your smile".

Take care everyone, stay safe, and until next time, I remain yours in Lions

District Governor  
Elect  
202F District**

Hello lions' members and friends

A lovely autumn we have, the temperature nice for most of us. I know a lot of farmers bouncing back to green pastures after the rain. The old saying is "Southland will look after it self "I don't know about Otago, hopefully it works the same.

Covid is still in the community so please reach out for one another, just a phone call and or do some shopping, a little kindness goes a long way. Whether it is your neighbour or your fellow lions club member. The only way forward is learning to adapt.

On the 20 of April, I went to Wellington to attend the last council meeting for this year. It was here where we also shared a meal and got to celebrate the achievements for the year. Despite COVID we have to stay positive and try and do things differently, we have seen this by still having a virtual MD convention instead of an in person one. We have to be resilient and creative and do things maybe slightly different from what we have been used to .

On The 21st of May for the first time we will have an "Open Forum" for anyone that wants to know more about club office training and orientation.

The other exciting news is Project 'REVIVE"  
District 202F is looking for your questions and answers on how we can help to inject new life into our clubs, so come along and bring your suggestions and questions.

Our flight is booked to Montreal with the other 6 of the 7 DGE from New Zealand, hopefully we will come home, and be even more inspired when we meet Brian Sheehan our incoming international President. Bringing home new ideas to use for our district 202F, to grow and flourish.

Bye for now and "SERVICE WITH A SMILE"

As I sit down at the computer to do this Report, it is quite cold outside. Autumn is certainly in the air and although there are plenty of autumn leaves there is certainly signs that Winter is not far away.

Firstly though, I would like to say a huge thanks to the Secretaries I contacted about Service Reporting. It was great to speak to you all and of course we do have something in common which is being Secretary for the Clubs we belong to. I really appreciated the opportunity to have a chat and now we have a plan to move forward to help many of you who were having problems with Service Reporting. Some of you are coming to the Training to be held in Tapanui on Saturday 21st May to work with Guy Harris and Kaye Jopson, while others have opted to work alongside Guy via internet once we have Guest Access sorted out and then there are some of you who are sending through your Bulletins which allows me to enter your Service Reporting. The neat thing is though as a District we will be well and truly on our way to meet our goal for this financial year. As I have often said, you all do some fabulous work but it is not completed until we have this written up through Service Reporting.

You will also find the Kindness Matters ideas that have come from Clubs in this Bulletin.

I was pondering on what I could do differently this month and came up with the idea of a Quiz to test your knowledge about Lions. You will find the answers on a different page.

#### **Quiz:**

1. Who is our new District Governor for the 2022/23 year?
2. Who is our 1st Vice District Governor for the new 2022/23 year?
3. Who is our current District Secretary?
4. Who is our current District Treasurer?
5. How many Zone Chairs are there in District 202F?
6. Can you name the Zone Chair for your Zone?
7. What Club does our Global Services Team Coordinator Sue Evans belong to?
8. How many Clubs, including Leo Clubs are part of District 202F?
9. What position does Juon Schoen hold on our Cabinet?
10. What is Past District Governor Wendy Goodwin's role on our Cabinet?
11. Who is our current Global Leadership Team Coordinator on our Cabinet?

*“Life is like a box of chocolates,  
you never know what you're going to get.”*  
–Forrest Gump.

One of my very favourite movies and a quote pretty much summing up the year for all us.

For a lot of us it has been a struggle to adjust to the ever changing landscape. No sooner have you got your head around one set of rules or they change again. Social interaction was discouraged and then encouraged, masks to be worn here but not here. All in all it has been a struggle for individuals, as well as our Clubs to provide the excellent service we as Lions are known for.

We started the Lions year with goals and aspirations, credible at the time, only to find it more and more difficult to live up to them. I started the year as GMT ( district membership co-ordinator) with a box of these envelopes.

Welcome packs for new members. While I am enormously grateful to all those Clubs that attracted new lion members, we still had to endure negative growth this year. For whatever reasons, we are losing members. We know many of these reasons and we are working to reverse this process.

Project REVIVE is one of the tools to achieve this. It is not a silver bullet and it will take time. But with the buy-in of all Clubs and each Lion member we can make it work. In the meantime keep encouraging people to join, what is without any doubt the best Service Club in town. Alternatively don't hesitate to ask them were they will go to, when your Lions Club ceases to exist. It is a symbiotic relationship, not a one way street.

### Wyndham Pioneer

The Jenny McGee evening was very successful. It was really great that this event actually happened. Many people were able to be together and enjoy catching up with others. Jenny is an amazing speaker and we were able to learn some evocative facts. It is disappointing that the media haunted and misquoted her both in the UK and here. St John and First Response will benefit from the evening.

The races were also very successful and the early starters were very grateful to all those members who joined us after work. The old adage "many hands make light work" was proven.

If anyone has little items suitable to put in these Little care packages for the Rest Home residents I have got Favourite Chocs, but anything wrapped Would be good, we will make some of these on Wednesday night then you will have an idea of what we are doing.

### Thank you to the members that helped with our fundraiser with Jenny McGee

It was a great success with proceeds going to St John's & First Response she was a very good speaker explaining how she worked in ICU in London & nursed Boris the Prime minister which caused a lot of stress to her with the media chasing her but she has now left that job & has been working in the Caribbean nursing over there.

### A message from Caroline McGee

Many thanks to the Pioneer Lions for putting on a fab night. Was lovely to so many familiar faces. Thanks also for the thoughtful gift that Jenny received. We thoroughly enjoyed our evening.

The last month has been quite eventful in many ways. The drought has put quite a lot of pressure on many people in the community. Now the rain has alleviated a lot of that and we can just hope that the grass grows so that there are not too many follow on problems from the lack of rain earlier on.

**Gore Hokonui**

Many thanks to those who put their names forward for the 2022/2023 board. We have a good line up and will be sure to work together to create an awesome year. We will have made cheese rolls by now. Hopefully everything all went well. Thanks to everybody who helped out. Everything, everyone did was much appreciated.

### Invercargill Host (Leo Update)

Sunday May 15th, fabulous Southland afternoon. The Southland Girls' Leo Club meet on the banks of the Waihopai River to put in place the seat they had had made with their winnings from the Bunnings Environment Award, and some technical and materials input from Environment Southland. A group of very enthusiastic girls, mums, dads, brother and dog arrived to all pitch in. Holes were dug, a very heavy bench seat was placed and then concrete mixed. The girls then spread dunnite around the base of the seat again with great enthusiasm. There was the use of hand tools, shovels, rakes, saws all welded buy budding female engineers along with much laughter and some direction from the foreman and dads. Top effort to the girls and the parents who helped out.

Very special thanks to Mrs Liz Jones and her husband Sam for the work they had put into making this all happen. Liz and another mum had make scones, muffins and cakes, plus there were cups of tea and coffee on hand, as well as some chocolate from Invercargill Lions Host.

The seat had its first use by a member of the public before we had even left and her comment was that it was a great place for the seat and she would be making regular use of it.

Congratulations to the 2021 and 2022 Leos for making this all come together. You have served your community well.

## 202f Lions Out and About Cromwell

Cromwell Lions, neighbouring Clubs and our community assisted our local Tongan group organise a 20ft relief container of food and other non-perishables Garry Morton ably headed our team and advises information he has been given to date by our local Tongan group.

The 20 ft container was generously stationed at R&R Hiab's Cromwell yard and the R&R's facilities with staff assistance, became the receiving point for all goods. R&R's generosity also extended to machinery use and transporting the container.

Many goods were packed into steel framed plastic cubes kindly sponsored by Cromwell Certified Concrete, McNulty Transport

3 pallets of food arrived from Queenstown to top up our Cromwell street collection and other donations.

Some other donations include:

Cromwell Building	Staff & owner labour & vehicle assistance
Contractors	
ITM Cromwell- Staff	Donated a tandem trailer plus half a van load of food, blankets, sheets etc plus a ¾ pallet of potato chips
Paul & Maree Piebenga (ITM)	\$1,000
Landpro	\$500
PlaceMakers	food donation
Aitken Joinery	food donation
Cromwell Keas, Cubs and Scouts	food donation
Cromwell Primary School	food donation
Early Learning Centre	\$1,000
Queenstown Lions	\$1,000
Clyde Lions	\$1,000 plus 2 used generator sets as the islands have little or no power, used pots and crockery
Cromwell Lions	
Sherry Thornburg & Samuel Belk	\$500
Public	\$160 cash and food donations
New World Cromwell	Food donations

2022

There are many more people we do not know who have been so generous and are not mentioned above – we apologise for omitting a personal recognition.

A total of about \$5,160 in cash donations were used by the Tongan people to buy food to put in the container ie; Clyde Lions money brought a pallet of bags of rice - \$1,135

Finally, within 4 weeks of the initial interest meeting, the container was filled to brim – nothing else could have been squeezed in.

People keep giving, 2 x 44-gallon drums of food arrived 2 days after container left – this was donated to food bank.

The container is presently on the water and will arrive in Tonga on 18-April-22

## 202f Lions Out and About

### Cromwell Continues....

Cromwell Primary School recycling for Lions and 'Kidney Kids' Cromwell Primary School were able to keep Andy Andrews very busy sorting a fadge of aluminium per week for the first three weeks of an inter house competition to gather the most aluminium. In the fourth and final week they more than doubled the weekly total and had more than two fadges for Andy to sort.

Each fadge is worth approximately \$50 for Kidney Kids and the children and school were ecstatic to hear that their efforts contributed more than \$250 to a cause that was very close to home as I found out, one girl's younger brother was recently born with kidney defects.

The school also assisted with the Tongan appeal, and Cromwell Lions President Russ Fowler proudly presented the schools house leaders with the Lion of the Month award for March. Russ also made them honorary Lions for the remainder of the year as he's sure Lions will collaborate with them further.

Andy Andrews of Cromwell Lions is collecting any and all aluminium, along with beer bottle tops. (Dave Rule found this out when he put an aluminium can in the bin and his granddaughter from Cromwell Primary reprimanded him as she needed it for her houses collection). Wine caps and necks along with the tabs from aluminium cans fetch a high price due to their grading and should be sorted separately.

### Dunstan Cycle Trail Seat

The new seat has now been put in its permanent place on the Dunstan Lake Cycle Trail. It has been decided that it will now be known as the PDG Donald Boyd Memorial Seat, with a plaque getting made up and placed on the seat in the near future. Below are pictures of the working bee of its placement.

All photos supplied by Donald Lamont.

### Fire Brigade Emergency Stretcher

The Emergency Stretcher funded by the Alexandra Lions Club's 4WD Safari earlier in the year was finally handed over to the Alexandra Volunteer Fire Brigade on Monday evening, 4th April 2022. The stretcher has one wheel on the underside and can be used on any of the cycle trails in Central Otago, only needing 2 people to carry patient out. It folds up and can be carried in the brigades 4WD vehicle, not needing to use a Fire Engine. Before getting this stretcher, it would take 6 Firemen to carry a patient out and in places the trails were too narrow for them to easily get them out. The stretcher came at a cost \$4100.00 and was donated to the Volunteer Fire Brigade, who will be making extra good use of it.

Left - handing the stretcher over is Lions Guy Harris, Neil Connelly, Barry McCall, Fire Chief Russell Anderson, Fireman/Lion Murray Anderson and Trainee Fireman Bradley Stringer on the stretcher.
