DG Jules for J

I'm so proud to head up the District that hosted Lion Brian and Lori's first overseas visit. Brian spoke of his four priorities. The first is 'share the joy of being a Lion.' 202J did an amazing job of sharing the joy of Brian's visit. The clubs' got Lion Brian's visit on the front page of the Timaru Herald and an interview with OJ on The Breeze Breakfast show. Locally, on the front of Snowfed in Methven, in the Oamaru Mail, the Ashburton Guardian, The Fairlie Accessible and The Courier. There are loads of posts on multiple Facebook pages generating over 1,100 likes. All of this benefits the whole District as it raises the profile of Lions and interest in the amazing service we do week in week out. I appreciate the effort that members have gone to in getting it out there.

On behalf of the District, thanks go to host clubs of Fairlie, Mayfield, Methven, Timaru Suburban and Timaru Host. Your teams knocked it out the park.

The challenge now, is to continue building our profile and share the joy of being a Lion.

In your service,

Lion Jules

Front cover:

On Sunday 10 July 2022 by 10am the weather had lifted and IP Brian Sheehan took off from the Mackenzie Rugby Club grounds on his first ever helicopter flight, accompanied by PID Ron Luxton, Fairlie Lions Norm Blakemore and Murray Bell and Pleasant Point Lion Tony Brady. They said it couldn't be done, but the project team lead by Norm, Murray and Tony, reinstated the bridge over the Opihi Gorge and forged through dense bush to reform the Opihi Gorge tramping track (a 5-hour trek for experienced trampers). This legacy project is a tribute to the courage, tenacity and ingenuity of all involved, Lions and community members. Lion Brian was flown over the Gorge to view the bridge and track, then over Lake Opuha, which was also a Lions project in the planning stages, and finally a thrilling buzz over Mount Dobson ski field, which is owned by a Fairlie Lion.

A motorist is making his way down a flooded road after a night of torrential rain. Suddenly he sees a man's head sticking out of a large puddle. He stops his car and asks the man if he needs a lift.

'No thanks,' says the man. 'I'm on my bike.'

Introducing....

International President Brian Sheehan’s Visit to 202J

We made it happen
- International President Lion Brian Sheehan and Lion Lori Sheehan’s visit to 202J 8-10 July 2022.

Friday 8 July 2022

International Lions President Brian Sheehan and Lion Lori Sheehan were welcomed by Mayor Nigel Bowen for morning tea at the Timaru District Council Chambers. Lions Brian and Lori met with the head students of Timaru and Temuka Secondary Schools, in a “World leaders meet future leaders” opportunity for exchange of ideas about the importance of service in our communities.

In the afternoon, Lions Brian and Lori were hosted by the Methven Lions Club, for presentations on Lions involvement in the early development of the Mount Hutt Ski Field, which wouldn’t be the asset it is today without the foresight and vision of early Lions work and funding.

They were provided a tour of Lions projects benefiting the town and were privileged to open the walkway around Methven for which Lions have received the 2022 Mid Canterbury ANZ Business of the Year Award in Excellence in the Not-for-Profit category.

They also met Ashburton Deputy Mayor, Liz McMillan.

On Friday evening Lions Brian and Lori were guests of the Mayfield Lions Club at their changeover dinner where Lion Brian inducted the new Board.

Saturday 9 July 2022

Wet weather did not deter our hardy Minnesotan leaders as they visited Timaru Host and Timaru Suburban Clubs’ projects at Caroline Bay. Lions Brian, Ron Luxton and Brian Nutsford made front page news in the Timaru Herald riding on the Timaru Host Club’s miniature railway.

Lions Brian and Lori were impressed with the Bike Skills Park where Police Officer Deb Quested spent time informing Lion Brian about how the park is utilised in local schools' education programme for building skills, so our youngsters become safe drivers of the future.

They also met with Sina Latu Leader of the Tongan Society. She was given a Lions Head of State Presentation for the Tongan Prime Minister.

The Breeze morning DJ, OJ made a presentation about the C Play project development for Caroline Bay which Lions clubs in the area have supported, alongside the Bike Skills Park.

Members from other Lions clubs, Temuka, Waimate, Pleasant Point and Dunedin as well as members from the Timaru clubs heard Lion Brian speak.

IP Brian is wearing a pounamu fish hook (Hei Matau) that had been presented to him by Timaru Host Lion Brian Nutsford.

Sunday 10 July 2022

Literally a buzz from start to finish.

The day was fine and Lion Brian went on his first helicopter ride ever, to view the Fairlie and Pleasant Point Lions Clubs' Ophi Gorge bridge project, Lake Opuha, Mount Dobson and our majestic mountain views.

One hundred & sixty Lions attended the Presidents' lunch provided by Barb Adams and her crew, with dessert by Rene 'Choco' Fellman. A memorable occasion, welcome from Mackenzie District Mayor, Graham Smith, awesome food, and a high energy presentation from Lion Brian as keynote speaker, that members will be talking about for years to come.

- ◆ The takeaways; "share the joy of being a Lion, support the Foundation, thinking bigger when we serve, make it happen, be an advocate for Lions, **together we can.**"

It was a privilege and pleasure to meet Lions Brian and Lori at the beginning of their year as international ambassadors for Lions. It was our pleasure to work with Ron and Janet Luxton and Lions in 202J to plan and be involved in the visit.

Immediate Past District Governor

It was great to be able to have International President Brian visit our District, and he takes back our good wishes for his very busy year ahead. Thank you to PID Ron and Janet, DG Jules and Michele who hosted him while he was with us. I attended the Presidents' Lunch held in Fairlie on 10th July where IP Brian gave a very inspiring speech. He spoke about Lions having to think outside the box. In his speech at Methven, IP Brian said "You don't have to attend meetings or wear the vest" to be a Lion.

It was such a surprise to be awarded an International Presidents Certificate of Appreciation at the Presidents' Lunch, and I thank IP Brian and DG Jules for this great honour.

As our new Lions year is under way, I would like to wish all Presidents and Lions clubs a happy fulfilling year ahead.

Christine Stewart
Immediate Past District Governor

Focus on FVDG

Over the past few weeks, I have attended a number of club changeovers. The spirit and camaraderie amongst members has been pleasing to see. Despite the difficulties of the past year, Lions in this District can be pleased with what they have achieved in supporting their communities and various Lions causes.

Most pleasing though was seeing new Lions being inducted. With the District having a net loss of 45 members (3.74%) over the past year, attracting new members must be a priority for us all. We need to adapt to change as a way of

attracting new and preferably younger people to join our organisation. This may be a change to how and when we meet and gather, the structure of our meetings or connecting in different ways with our communities. I am sure that we can reverse the membership decline.

I am looking forward to meeting many of our Lions at the club visits that have been scheduled over the next few months.

Trustees incorporated as a Board under the Charitable Trusts Act 1957

I would like to ask the clubs to donate to the Trust this new Lions year; it would be great to have 100% of our clubs donate; remember when donating, you can honour a member of your club or someone in the community with a Trust award. If your club has had a bereavement, then how about donating to the Trust and add the Lions name on the Honour Roll. The Roll is maintained and is displayed at Multiple District Convention and electronically at district conventions for all to see.

I know that clubs are having their normal fundraising disrupted at the moment, but it would be great if you can manage to make your donations as normal to the Trust, so we can continue to assist our clubs when they need that little bit extra to finish a project.

**REMEMBER IT IS YOUR TRUST THE LIONS OF NEW ZEALAND
It is there to assist New Zealand Lions Clubs to fulfil Humanitarian needs.**

Please note below the list of Zone appointees who you can contact for information and who will represent the trust at your Zone meetings:

Current Zone Appointees

- ◆ Zone 1: Graham Edge
- ◆ Zone 2: Josie Teahen
- ◆ Zone 3: Vacant
- ◆ Zone 4: Vacant
- ◆ Zone 5: Christine Bone
- ◆ Zone 6: Jim Pine

There is a change back to six Zones, so this means there is a need for two new appointees, one in Zone 3 and one in Zone 4. If anyone is interested in one of these roles, please let me know ASAP and I can explain what is involved.

Focus on Global Membership (GMT)

2022-23 Focus on Membership Development

The focus this year is to have fun serving our communities and growing active members and clubs. To do this we will concentrate on capability, care, commitment, community, and compassion. Imagine a wheel, with capability as the hub and care, commitment, community, and compassion as the rim. Capability allows care, commitment, community, and compassion to move and impact and in so doing so improves and increases capability. Each of our clubs is like that wheel and improving capability will increase the positive impact the club will have on its members and its community.

Membership is about more than being on a list of names linked to a club. It is about the club being a community of people who are attracted to join and remain in the club because it gives them the opportunity to develop and exercise their skills in improving their local community and to be compassionate to the circumstances and needs of others. Leadership opportunities and training and service delivery form a vital part of the club as a community of members and of membership development.

As our International President Brian Sheehan says **“Together We Can”**. See his video *Together We Can* on the Lions Clubs International YouTube channel.

202J Administrator

Another new Lions year begins; I hope those that have new positions and need to login to MyLCI and MyLion are able to do so. There should be notification come from LCI for this. If you are still having difficulties let me know.

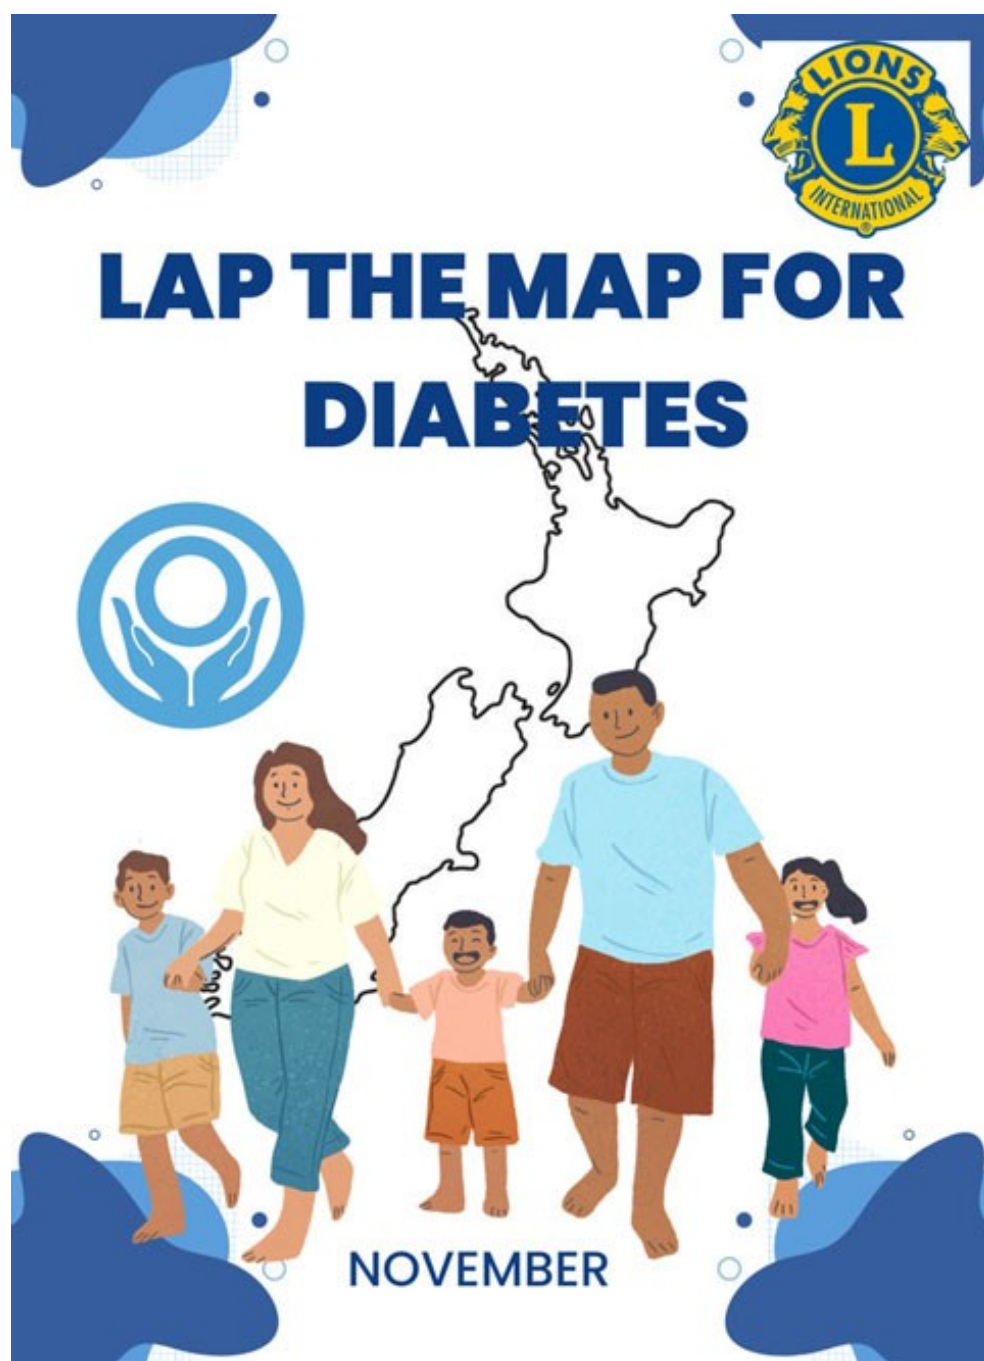

A reminder for Secretaries or Club Administrators to keep the monthly membership reporting up to date; once again, any issues with this let me know.

All clubs will have up-to-date directories of members details for the coming year, take five minutes and check this off against the members details in MyLCI; it is very easy to keep your club directories up to date and forget to do the same in MyLCI.

Keep warm, stay safe.

"If the plan doesn't work, change the plan. But never the goal."

This World Diabetes Month, November 2022, we are calling all New Zealanders to 'Lap the Map' for diabetes prevention.

Can you help us walk a combined distance surpassing the perimeter of the New Zealand coastline (15,000km).

Lions Clubs across the country are encouraged to host family friendly walks and community events to promote a healthy lifestyle and raise awareness of diabetes in New Zealand.

It doesn't matter how far you walk or run, it's about being involved, getting active and moving together.

All funds raised will go towards diabetes awareness and prevention.

Clubs can check out ideas and resources from <https://www.lionsclubs.org.nz/services/diabetes> which are being progressively updated.

Focus on Zone 5 News

The clubs in Zone 5 have moved into the new Lions year with enthusiasm and optimism. The clubs have held their changeovers and on behalf of Lions Clubs International I congratulate all new Presidents (and returned ones) and their respective Boards. Covid continues to be felt and affecting clubs but there is a resilience and hope that they can all get on with their Lions activities. We all wish clubs and members well.

♣ **Dunedin Host:**

The club is continuing with projects and unfortunately some have been affected by Covid. Planning is also proceeding with their traditional projects and some new ones for in the future. The club visited Dunedin South and had an enjoyable evening.

♣ **Balmacewen:**

The club has been successful with their projects and have been able to raise plenty of funds. Meetings have been held on "Zoom" and now that members feel comfortable, they are holding meetings in person at their usual venue.

♣ **Dunedin South:**

Projects have commenced albeit in a small way. Members have visited Port Chalmers & District and hope to visit Balmacewen in the near future. They have hosted Dunedin Host and invitations have been sent out to other clubs in their Zone.

♣ **Otago Peninsula:**

Meetings are being held and members are enjoying the company of each other. Projects are planned and when the club is able to and feels confident, they will carry on with the club's usual enthusiasm.

♣ **Port Chalmers & District:**

has been busy with projects that are not affected by Covid. Some of these are very good money earners for the club. Meetings have been held and Dunedin South was invited to one meeting.

- The money raised goes towards funding cochlear ear implants (government funding has been reduced).

- ◆ **Used Hearing Aids:** drop them off at any Bay Audiology Clinic. They have the "Free to Ear - Samoa Programme" where they provide free hearing health care to the Apia community using donated used hearing aids.

Lions Clubs International FOUNDATION

We Did It - Together

Welcome to a new Lions year. I would like to share a message from our LCIF's Campaign 100

Chairperson,
PIP Dr. Jitsuhiro Yamada.

"On behalf of the Lions of the world and Lions Clubs International Foundation (LCIF), we want to thank you for your outstanding commitment to Campaign 100: LCIF Empowering Service. Because of your leadership and support, LCIF raised a total of US\$324.6 million during this historic campaign.

Throughout your years of service to this campaign, your leadership and example helped ensure that LCIF can continue empowering those serving to improve health and well-being, strengthen communities, and protect the vulnerable in the years and decades to come.

Even during the course of the campaign, the impact of Campaign 100 was felt globally through:

- ◆ *New grant programs in Childhood Cancer and Hunger to improve quality of life for those in need*
- ◆ *Mobilized the Refugees and Displaced Persons fund to provide safety and security for those fleeing their homes during immensely challenging times*
- ◆ *Increased ability for LCIF to quickly award grants in times of disaster and during global crises like the COVID-19 pandemic*

- ◆ *Continued support for the world's youth through Lions Quest programming and grants*
- ◆ *Innovative grant projects to protect and restore our environment to improve the well-being of all communities*

Lives changed for the better – many even saved - because of Lions' service in vision, diabetes and other humanitarian efforts globally. We should all be very proud of what our organization was able to accomplish because of LCIF and Campaign 100."

As the District LCIF Coordinator I would like to add my thanks and advise that ALL clubs in District 202J made donations to LCIF in the 2021/2022 year in keeping with our District plan. My thanks to PDG Christine and the Vice DGs for promoting LCIF as they visited clubs.

All clubs should have an LCIF Club Coordinator; this is normally the Past President. If it is not the Past President in your club can you please email me and advise who that person is on landjbox@outlook.com I look forward to working with you all again in this new Lions year. I am happy to visit clubs and share a PowerPoint presentation on the work of LCIF around the world.
