DG Jules for J

Passion, advocacy and service

Derek, Garth and I have been visiting clubs in the District. We have been hearing some amazing stories about the history of the clubs and of years of service. Big, big thank you for the kindness and hospitality you have extended to us.

One of the things I have spoken about is the six areas that show a club is in good shape. The first is that the club is engaging in service that is meaningful to members and that they are passionate about. Why is that important? Because passionate people keep going and get stuff done. They're interested, they care, they pass a blank piece of paper around at a tea meeting and turn that blank paper into a project. This is what IP Brian refers to as advocating for your community. Getting stuff done in your community and making it a better place to live.

There are 1,140 advocates in 202J, there are 1,140 members who know their communities like the back of their hand. Each of us will know what

our communities need, and we are the project experts in delivering that. You are already doing it. Waimate Whitehorse have reported over 200 hours service already this year. If they maintain that, it is equivalent to a full-time member of staff over the year. That is a huge bonus for Waimate; they have a community worker for free. Well done.

How does this help our clubs? When members are invested in their service they don't leave, when communities see the service, they want to be part of it and we will attract new members.

The challenge to all of us is to find passionate people and ask them how can we help. That is exactly what Dunedin Host did when they supported Grace to enter the Young Speechmaker Competition and she came away with a second place - congratulations.

Together we're changing lives.

Together We Can

Focus on Young Speechmaker

Interview with Grace Johnston, Year 13 Student, Columba College, Dunedin.

Finalist in Multiple District 202 Lions Young Speechmaker Competition.

Grace was sponsored by Dunedin Host and came second.

Why did you choose the subject, 'Toxic masculinity'

I chose this topic because it is so staggeringly misrepresented and misunderstood. Toxic masculinity refers to the harmful cultural norms surrounding masculinity that we are inundating our young boys with and is the primary catalyst of New Zealand's terrifyingly high rates of male suicide, violence, and substance-fuelled crime. It's not that all men are toxic, it's that many of the cultural expectations surrounding masculinity have turned out to be causing an awful amount of harm but I strongly believe that we can turn this around. As public speaker Ben Hurst says, "Boys won't be boys. Boys will be who we teach them to be."

What surprised you about the competition

Hilariously enough, I was mostly surprised by how friendly and chatty each of the competitors were! Going into the competition, I was expecting everyone to be sticking to themselves and rigorously going over their speeches but instead, the competitive element was super fun and definitely maintained a significant undertone of support and care for one other. He waka eke noa - we were all in it together.

What will you take away from the competition

Every single one of the competitors spoke with immense amounts of passion and drive which I am so grateful to have witnessed. Although each of us all spoke on vastly different topics, we all knew that we were at the competition because we had the common love for public speaking. Each of the competitors sparked so many ideas for me, in terms of what kinds of elements I could add to my own speeches in the future or helped me view different lenses I could be applying to my speechwriting. The feedback we received was also immensely helpful and will help each and every one of us, in our journeys of honing our crafts.

Are you doing it again next year

Definitely! It was the opportunity of a lifetime and any opportunity for me to be able to stand-up and spread my message I will forever be eternally grateful for.

Wife to husband on the phone – “Hey Babe how are you doing?”

Husband: “Listen, I am really busy, don't have time to talk”.

Wife: Well, I have good news and bad for you. You want to hear them?”

Husband: “Just tell me the good news, I don't have time for the bad.”

Wife: “OK, the good news is the air bags of our new BMW work absolutely fine”!!!

Focus on Young Speechmaker

The Young Speechmaker final was held at Caccia Birch House in Palmerston North on 13 August.

Privileged Membership

District Cabinet has asked me to write a short piece about a very special category of membership - **Privileged Membership**.

Lions clubs have seven membership categories available to fit a range of different circumstances. They are set out in our Constitution and By-laws.

The category that most of us belong to is **Active membership** which entitles us to all the rights and privileges of membership of a Lions club, and places obligations on us too.

Sometimes our willingness and ability to keep up with the demands of Active membership is affected by age, failing or ill-health, a diminished ability to attend meetings regularly, and take part in projects that require a reasonably high level of physical fitness. This is the very situation that **Privileged membership** is designed to address.

Unfortunately, some members feel guilty when they can no longer keep up with the pace of life and Lions, nor participate fully in the life of a Club, and think, therefore, that they should resign, or mistakenly request **Member at Large** status. This is a category intended for temporary situations such as transfer to another location, or short-term employment interruptions to attendance. It has to be reviewed by the Board every six-months.

When **Active membership** becomes a burden because of advanced age or ill-health, clubs are encouraged to offer **Privileged membership** to Lions who have provided long and good service to their club and community.

The official By-laws put it like this:

“PRIVILEGED: *A member of this club who has been a Lion fifteen or more years, who, because of illness, infirmities, advanced age or other legitimate reason, as determined by the board of directors of this club, must relinquish his/her active status. A Privileged Member shall pay such dues as the local club may charge, which dues shall include district and international dues. He/she shall have the right to vote and be entitled to all other privileges of membership except the right to hold club, district or international office. This membership category shall be included in the club delegate formula calculation.”*

It is good to see some of our clubs recognising the availability of this category of membership and using it positively to retain the membership of valuable Lions who have, as a result of their long and dedicated experience, a wealth of knowledge and wisdom to share.

It is our privilege to have them as members, and it is their right to be offered **Privileged membership** as and when circumstances dictate.

*G A “Tony” Hanning PID
Lions District 202J Constitution & By-Laws Chairman*

SVDG Derek's Musings

When I joined Lions it was to be that person sitting in the cold outside a shop/supermarket selling raffles, or door knocking for some national organization or perhaps digging an "oldies" garden. A foot soldier. I saw taking a role within my club simply as part of keeping the place together. Leadership as a concept was not on the horizon; I was "hierarchy". Yea right! Secretaries reported in triplicate with proper carbon between each rice paper sheet. I know I did it. I was still that foot soldier Lion.

Have things changed? Not really! The methods may have but the roles and their purpose have not.

I am still that foot soldier only my role is different. I still sell raffles (well calendars), dig a garden (fill bags of lime) but I have progressed from a Board to a Cabinet. I have not ditched the paper shuffling; it is now in- the- moment electronic paper.

Ok you say, even a foot soldier in Cabinet has more than lime or raffles to sell. Correct.

I would like to stress the importance of intervention before reporting a member drop. In essence, have you as a club done enough to encourage the person to continue? Have you been brave enough to find solutions outside the square? Have you kept the moved member in the loop and more importantly have you suggested to them the closest club to their new location and given the new area a heads up?

Call me with your input to develop this concept. I am happy to do face to face meetings.

Yours in Lionism,

SVDG Derek Wardell

Lead with Compassion - this is the theme for this year's Lions Peace Poster competition. Entrants must be age 11-13. There are over 1,100 Lions members in our District and between us we must know a lot of young people that age - so let's get the young people excited about an International competition involving over 200 countries.

I know J can do it because as you see from our front cover, we have had two entrants into the Young Speechmaker Competition and Grace came second - well done to all those involved.

All of this matters because it means more people hear about Lions, more people will join Lions and we will be able to serve more people.

Talking about service - well done to all the clubs who have reported their service. J has 66% of the clubs reporting service. We are over halfway to our target of 100% of clubs reporting service.

Why do we report our service? Lots of reasons, as Lion Brian says, "Share the joy of being a Lion."

DG Jules

Focus on Global Leadership (GLT)

To those that were at the Presidents' Lunch, I hope you could keep up with IP Lion Brian. I found his talking about leaders and what we want in and from the leaders of our clubs most interesting. Many ideas were floating around the room: honesty, trust, a good communicator, someone that will listen, a driving force and many more. So how do we get these qualities? Yes, some are instinctive others can be learnt.

What I need from you ALL is what you want from me to give your leaders these qualities. Have a look around your club - who has some of these skills? Not all of us can be loud and stand up front and speak, but that quieter person may just need to be asked if they would help by being a MyLion Secretary. Start looking and asking people for next year. This is a big help for your 1st VP.

What direction do you want your club to go? At a recent GLT Zoom meeting that I attended, a survey of clubs in other Districts showed that in some clubs the members wanted to be more informal, for them to feel included, to have family meetings, to be more informed.

Do you have any of these issues? So, what are you going to do about it? Are you going to speak to someone to see if you can get improvement, or are you going to grumble to your Lions and other friends? Just remember that we don't want clubs to go back 50 years, but we do need to revitalize our clubs to encourage people to join.

I have asked you all a few questions; please reply with your answers, I'm here to help your club grow positively, to be part of a vibrant District.

If we stop learning and finding new things it most likely means we are dead. And Lions are definitely not dead.

Your GLT Coordinator Judy

Together We can learn and make great clubs

Global Membership Approach

Trustees incorporated as a Board under the Charitable Trusts Act 1957

I would like to ask the clubs to donate to the Trust this new Lions year; it would be great to have 100% of our clubs donate. Remember when donating, you can honour a member of your club or someone in the community with a Trust award, if your club has had a bereavement then how about donating to the Trust and add the Lion's name on the honour roll. The Roll is maintained and is displayed at MD Convention and electronically at district conventions for all to see.

I know that clubs are having their normal fundraising disrupted at the moment, but it would be great you can manage to make your donations as normal to the Trust, so we can continue to assist our clubs when they need that little bit extra to finish a project.

REMEMBER IT IS YOUR TRUST THE LIONS OF NEW ZEALAND

It is there to assist New Zealand Lions Clubs to fulfil Humanitarian needs.

**We will be having a LMLCCT Luncheon this year to be held
12.00 noon 9th October 2022**

Venue: West End Hall, 35/A Maltby Avenue, Timaru

Invite will be going out very soon so pencil the dates into your Diary.

Please note below the list of Zone appointees who you can contact for information and who will represent the Trust at your Zone meetings.

Current Zone Appointees:

Zone 1: Graham Edge

Zone 4: Judy Phillips

Zone 2: Josie Teahen

Zone 5: Christine Bone

Zone 3: Vacant

Zone 6: Jim Pine

There is a change back to 6 Zones, so this means there is a need for a new appointee in Zone 3. If anyone is interested in this role, please let me know ASAP and I can explain what is involved.

Lions Clubs International Mission Statement

To empower volunteers to serve their communities, meet humanitarian needs, encourage peace and promote international understanding through Lions clubs.

Focus on Zone 4 News

♣ Palmerston:

Are facing a heavy loss with long time and very good President Eileen Birtwistle having to move to Oamaru. However, they will be in good hands with Brendan Meredith taking over as President when Eileen moves. At 54 years, he will be the youngest President in our Zone.

♣ Waiakarua:

Had a great night at their July meeting as they were finally presented the Winton Trophy and 2nd Runner up for the Greenfeed Competition (in conjunction with Waiareka Valley) for the previous year.

In addition, service chevrons were presented to Lance Hyland 45 years, Bill Pile 45 years and Pat Foley 40 years.

♣ Oamaru:

Had great media coverage during first week with a picture in Otago Daily Times about the citrus fruit distribution to needy families (thanks to supply by Manganui Lions) and the article in Oamaru Mail on Secretary Dick Cottier being awarded the Melvin Jones Fellowship. Dick for his 48 years of excellent service to Lions has been in every senior position of the club many times.

♣ North Otago:

Members were very sad when Janet Paterson died. Janet was one of the foundation members of the club and had held many positions in her 34 years of service.

Had a successful cheese roll fundraiser and are now planning their annual Pool Party & BBQ for special needs people.

♣ Waiareka Valley:

Have had a bad 12 months, with the deaths of six Lions due to health reasons. However, the number of members is still good, and the club is very active.

Another great feature of the club and all clubs in zone is how they work together on service activities such as Toot for Tucker, Diabetes and the Oamaru Multisport Triathlon (Youth).

This World Diabetes Month, November 2022, we are calling all New Zealanders to 'Lap the Map' for diabetes prevention.

Can you help us walk a combined distance surpassing the perimeter of the New Zealand coastline (15,000km).

Lions Clubs across the country are encouraged to host family friendly walks and community events to promote a healthy lifestyle and raise awareness of diabetes in New Zealand.

It doesn't matter how far you walk or run, it's about being involved, getting active and moving together.

All funds raised will go towards diabetes awareness and prevention.

Clubs can check out ideas and resources from <https://www.lionsclubs.org.nz/services/diabetes> which are being progressively updated.

A Visit From Australia

Port Chalmers & District visited by Victorian District Governor Dave Culpitt

201 V3 DG Lion Dave Culpitt from Hastings, Mornington Peninsula, was a guest at our July tea meeting and gave an insight into their District project supporting the bush fire communities - providing them with water tanks and milling the salvaged trees around their properties for timber to rebuild, the cooperation and collaboration with other community services organisations: collaboration is between Minderoo Foundation (Perth), Rotary and Lions to form a partnership to help disaster hit communities rebuild fence lines and give local landowners the materials to rebuild their farms free of charge from fire damaged trees for the East Gippsland Timber Milling Project.

Used Hearing Aids & Batteries Collection

- ◆ **Hearing Aid batteries** are now going through to Lion Andy Andrews in Cromwell (see Used Spectacles for details); Andy has someone in his area who is coordinating this. He has arranged for a transport company to collect them in Dunedin so again, if they come to PDG Ella she can arrange for them to get to Cromwell.

- The money raised goes towards funding cochlear ear implants (government funding has been reduced).

- ◆ **Used Hearing Aids:** drop them off at any Bay Audiology Clinic. They have the "Free to Ear - Samoa Programme" where they provide free hearing health care to the Apia community using donated used hearing aids.

See: [Helping the People of Samoa | Bay Audiology NZ Blog](#)

Mobile Phone Recycling

- ◆ Drop off at 2 degrees, Spark & Vodafone shops for the RE:MOBILE scheme which is accredited by the Ministry for the Environment. Sustainable Coastlines benefits.
- ◆ Autism NZ is teamed up with Swapkit NZ where old mobile phones are swapped for new technology. See: <https://viberstore.co.nz/autism-nz/autism-nz-recycling>.

Used Spectacles Collection

- ◆ The Cromwell Lions clubs have taken over the Ferrymead equipment for eyeglasses. **Do not send spectacles to the Ferrymead Lions Club.**
- ◆ Spectacles can be sent through directly to Lion Andy Andrews, 57 Horace St, Cromwell (ph: 03 445 3112 / 021 842 346) or they can still be delivered to PDG Ella's office and she will organise delivery to Cromwell.
- ◆ Oamaru: There is now a collection point at the Resource Recovery Park on the counter in "The Get Sorted Shop" in Chelmer Street. The container has the Lions emblem on it & all spectacles collected go to Lions.
- ◆ Also collect them from Specsavers and keep doing what clubs have been doing up to now with collecting eyeglasses. PDG Ella will collect them at her office (Design & Garden Landscapes, 205 St Andrew St, Dunedin).

Kan Tabs for Kidney Kids

Our mission is to support kidney kids and their families/whānau throughout New Zealand on their journey with kidney disease.

◆ **Sell your collected aluminium to a recycler:**

Wine bottle tops - remove any wire, tear tabs

Clean crushed aluminium cans, aluminium trays, aluminium cat food containers, tea light candle holders

- other metals: e.g. **steel** - use a magnet to identify & remove these

- some medication packaging is not pure aluminium &/or contains plastic - do not include

◆ Bank the proceeds in the **District 202J Charitable Trust: 03 – 0835 – 0031841 – 00** **(tag it as Kan Tabs for Kidney Kids).**

Heads Up For Kids/Kantabs contact/drop off:

◆ Malcolm Lill: zones 1, 2, 3. (03) 693 7667 or 021 361 380

◆ Anne Stratford: zones, 4, 5, 6 021 0247 9803

Keep Your Eye Out!

Recycle old spectacles (without their cases - cases are not needed for the Pacific Islands) by dropping them off to any Specsavers shop.

Then select the cases in good condition from the discarded cases for a new fundraising life.

Get them to Genny Hanning at:

Green Island Gallery

194A Main South Road

Green Island Dunedin 9018.

Genny will get a team together to paint or decorate them for sale as trinket or earring boxes with the funds going to worthy Lions' projects.

Lions Clubs International FOUNDATION

Celebrations:

This year LCIF, our Foundation, and Johnson & Johnson Vision celebrated a 20-year partnership for our "Sight for Kids" school-based eye health programme. The programme enables Lions and eye professionals to provide comprehensive eye health services in low-income schools. Over the last five years the programme has been operating in Thailand, Philippines, India, China, Florida USA, Kenya and Turkey. The programme over the 20-year period has had a tremendous impact in many communities around the world with over 42 million students screened to date with 500 thousand pairs of eyeglasses provided to children in need and 600 thousand students referred for other eye treatments.

Thanks to all Lions clubs in "J" who have donated to LCIF over the years and especially for our recent Campaign 100 fundraising venture. It is your generosity that enables our Foundation to provide such humanitarian services.

Tonga:

LCIF have announced that a grant of \$US24,100 has been made to three remote island villages of Nomuka, Tungua and Fonoi in the Ha'api group in the Kingdom of Tonga. These three islands are located closest to the January volcanic eruption and were badly affected by the eruption and tsunami which resulted in much damage to homes and

buildings, including their water supplies. As the Islands are low lying, the ground water is salty and not suitable for drinking or cooking. The Tongan Ministry of Education has agreed to the installation of Lions water tanks at the local schools on each island and for community use, with each tank being fed from rainwater collected from the existing school buildings once the appropriate spoutings are fitted.

Thanks to all 202J clubs that donated to LCIF's Tongan appeal, your donation has been put towards a very much needed community asset. In total nine 5,000 litre tanks will be installed.

Ukraine:

Donations to LCIF for the Refugees and Displaced persons funds are still being accepted to help support the 9 million Ukrainian refugees. Plan now for a club donation to support these victims of the Russian conflict.

DG Jules District goal is for all clubs in 202J to donate to our Foundation this year. Let's start your new Lions year off by planning to commit to donating to our Foundation now, as your way of ensuring that Lions can continue to provide humanitarian aid worldwide as needed.

"Together we're changing lives."

PDG Les Box QSM

Lions Clubs International FOUNDATION

Please donate to LCIF so they can respond to worldwide need.

New Zealand has received more funds from LCIF after natural disasters & in times of crisis than New Zealand contributes to LCIF.

Estate Planning:

My friend was a single guy living at home with his father & working in the family business. He knew he would inherit a fortune once his sickly father died.

My friend wanted two things:

- to learn how to invest his inheritance
- and, to find a wife to share his fortune.

One evening at an investment meeting he spotted the most beautiful woman he had ever seen. Her natural beauty took his breath away.

"I may look like just an ordinary man," he said to her "but in just a few years my father will die & I'll inherit 20 million dollars."

Impressed, the woman obtained his business card.
Two weeks later she became his step-mother.
