DG Jules for J

The end of September marks a quarter of our Lions Year. From my travels around the District I see the clubs are in good heart. At the time of writing, we have reported 5,774 hours service across 26 clubs which is a fantastic effort.

Running alongside this service clubs are thinking about the future and treating membership as a project. Timaru Host dedicated a club night to inviting potential members to a buffet dinner and their guest was the Timaru Mayor. They coordinated the night with a write up about the club in the paper. These innovative ideas will ensure Host will continue their amazing service for years to come.

With the death of the Queen we look back at the Elizabethan age and look forward to the Carolean Age. With over 70 years of service, we have had a chance to look back over nearly a Century of our lives. As well as being a constant the Queen had an amazing ability to stay relevant and fresh in an ever-changing world. I think everyone can take something from that.

Lions have to be both constant in their communities while changing to stay relevant to successive generations.

On behalf of the communities you serve, thank you.

Lion Jules
Together we're changing lives

The term Carolean is derived from Carolus – the Latin for Charles.

Source: Google

Focus on FVDG

With spring upon us (supposedly), relaxation of Covid protection requirements along with daylight saving hopefully September is the start of better things for all of us.

Reading the club bulletins that I receive each month it is evident that Lions in our District have some busy times ahead. The variety of projects and other activities planned is evidence that Lions in 202J is in good heart. Pleasing to see that it's not all work and that Lions still have time to "play" as well.

I have enjoyed the club visits that I have undertaken on behalf of DG Jules. It is great to see how other clubs work and get to know Lions

from across 202J. The way clubs interact with their communities is important so as we can identify community needs and target areas that would benefit from our assistance. I noted that the Pleasant Point Club gave an update of its recent and planned activities in the community newsletter. At the same time the club asked that individuals and groups come forward with suggestions as to what else the club could do to support its community – a good initiative.

Garth Bateup
First Vice District Governor

Email garthfb@xtra.co.nz

Focus on Global Leadership (GLT)

What is coming up?

Have you got someone in your club that is a possible leader on your board, then approach them to see if they would go to ELLI which is a course for emerging leaders who have not been a president of their club. This is on the 13th to 15th January in Palmerston North. No matter your age anyone will benefit from this course. As well as the benefits obtained personally your club will also benefit from the knowledge they learn. District will help with the cost.

Have you looked at the resources that are online; one is particularly interesting, "Troubleshooting for clubs".

Also take note of some of the online Zoom trainings. Remember to acknowledge those who participate in workshops; all participants get their attendance put onto their record. Record their hours, so many of us spend time behind the scene, but never record our time. So, it's time to stand up and be counted.

Book the 29th October

This is the date for our Members Forum for all members, see notice in this bulletin (pages 8 & 9). This Forum is different from our previous ones. We have outside presenters as well as our Lions, a very interesting speaker and even a bit of entertainment before lunch. So, if you want to be part of our progressive District come and join us; guaranteed to have fun, good food and fellowship, learning something is optional. See you there.

Judy Phillips
GLT Coordinator

International President Brian Sheehan

2022/2023

Together We Can

The Methven Walkway

Three years ago, the Methven Lions Club decided to embark on a project to encircle Methven with a walking and cycling track. It had been started in the '70s but never really got a head of steam. The small part that had been done was badly overgrown, unloved, and disappearing. We formed a separate committee to raise the necessary funds and to construct the thing, and when completed, it will be around 12.5kms long. Our dream was to create something that could be enjoyed by people of all ages and capabilities to enhance both their physical and mental wellbeing.

We thought that getting kids out from behind their screens would be beneficial too. We also liked the idea of it becoming a strong enough attraction to draw more visitors into Methven. Oh - and it needed to be all-weather.

Fundraising has been intensive and time-consuming but conducted in an environment where wellbeing is to the fore, and we raised money from local and district councils for asset creation, community benefit and increasing biodiversity.

Lions have done the work, spear-headed by the indefatigable Ron Smith. There's something like a thousand tonnes of shingle gone down. We've built a boardwalk over a wetland. We've built four bridges, four cattle grids, erected several kilometres of wooden and wire fences and planted around 3,000 native shrubs, trees and tussocks.

The project was divided into three sections. Two have been pretty much completed and the third is usable, albeit not yet to the standard we would like. Next year!

We have received countless letters and emails thanking us for creating a community asset that will serve Methven well into the future. It was a large part of Methven Lions' entry into this year's Ashburton District Council's ANZ Business Awards, where we won the "not for profit" category against some pretty stiff competition. It has just been announced as an award winner in the "For Communities" section of the Golden Foot awards.

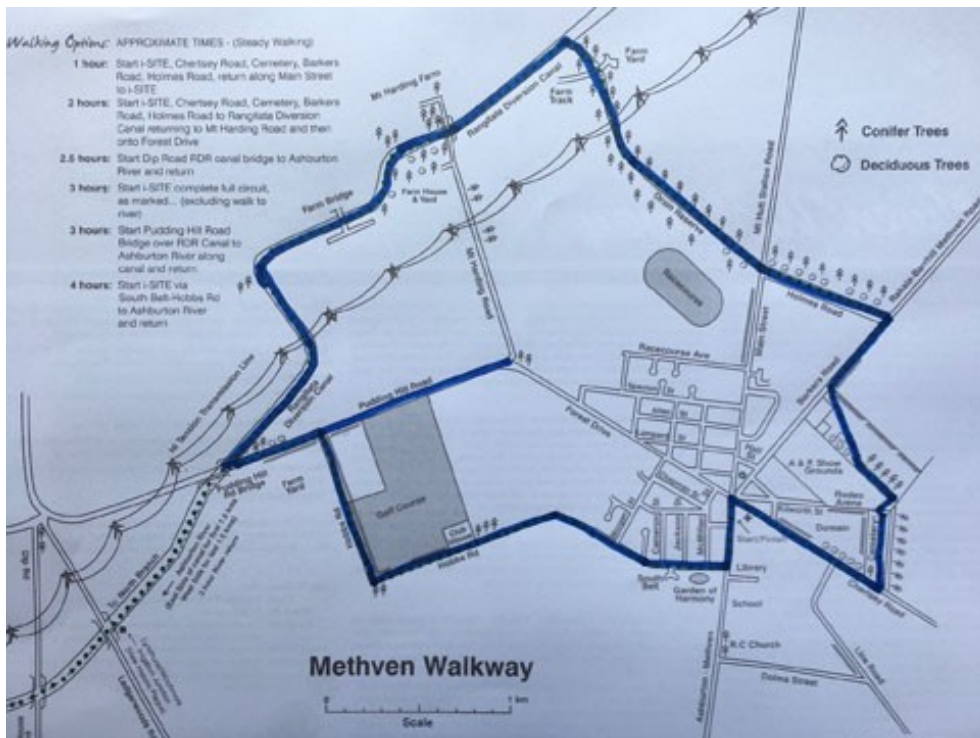

We were lucky enough to receive a visit from Lions International President Brian Sheehan and his wife Lori earlier in the year. We asked him to perform an official opening ceremony, cutting a ribbon and unveiling a plaque. He did so with great aplomb and walked part of it accompanied by Lions and an enthusiastic crowd from the local community.

So, all up, we think we must be doing something right!

Not only has the Walkway been a big part of the internal glue that has held our Lions Club together through some pretty tough Covid-related years, but it has also struck a real chord with the Methven Community.

We love doing it and we're very proud of it.

Methven Lions Club

SVDG Derek's Musings

Spring has sprung with its displays of new life from the plants and animals that surround us. You know it is only the human race that has the ability to spring new life into being regardless of the season. Oh, I forgot, "Lions" also have that same ability of springing new life into their pride all year round.

While there is an ever-constant drive to recruit new members is this the only avenue to a new life? This is deliberately an open-ended question and one to be answered by individual clubs in their own unique ways.

As the rumour mill cranks its way south, I understand that Timaru Host went down the large newspaper advert path and have eight! prospective members. Hey Timaru, share the script of that advert; others may like to modify it

for their ends. Opposed to that is the story of letter box drop followed up by a series of one-on-one phone calls that were met more than once with "what's in it for me?"

My own club have started a review from the internal approach by asking are we, internally, on the right path?

Anyway, let's just go out there, have heaps of fun, and do what Lions are the best in the world at doing **SERVE** and from the many bulletins that come my way this is exactly what is happening all around the District. FANTASTIC.

- ◆ World Sight Day

29 October

- ◆ 202J Forum

15 November

- ◆ Postmark deadline for a club to send one winning Peace Poster (per contest sponsored) to the District Governor.

30 November

- ◆ Deadline for clubs to submit entries for the Clarkson Trophy

Focus on Zone 2 News

Hello All

We had a full muster for our Zone meeting in Geraldine in August.

The clubs in Zone 2 are full of enthusiasm for this coming year.

All clubs in Zone 2 have prospective members awaiting to join Lions.

There seems to be some very exciting projects coming along and looks promising for 2022/23

I have a feeling now that the Spicely Cold (Covid) is behind us Lions NZ will prosper better

as I have talked to many clubs who have been catering for the public; there are definitely more public attendees at these outings.

I feel sorry for the last three DGs that Spicely Cold has affected their years and also trying to do their best to have clubs throughout 202J increase membership. Something near impossible because of limitations.

Long live the K

*Gerald Burgess
Zone 2 Chairman*

Focus on Zone 6 News

With our membership numbers mostly unchanged from our last report some clubs have noted that they have some possible new members. Which is fantastic to hear.

All clubs moving ahead on projects and putting all their ideas into a reality.

♣ **Strath Taieri:**

Spending their time with over 100 hours on firewood. Then having a BBQ lunch at the end of a long day.

Donations: Strath Taieri School, Ronald McDonald House (Christchurch).

♣ **Green Island:**

Project: food caravan, firewood, fertilizer.

Donations: LCIF & Green Island Junior Rugby Club

♣ **Milton:**

Project: firewood & manure (keeping stalls well stocked).

Donations: Deaf & Hard of Hearing, Youthline, Toko Community Hub.

♣ **Mosgiel District:**

Project: garage sale

Donations: Elmgrove School (BBQ equipment).

*Andrew Lawrence
Acting Zone 6 Chairman*

When is a Lion like a clock?
A: When they both Spring Forward.

Paddington sat down sadly
 On a green and quiet glade
 And pulled a sandwich from his little hat
 Made with the nicest marmalade

He had heard sad news this very day
 That the Queen's life had ended
 He cried because the day they'd met
 She had become his bestest friend

They had shared some tea
 That very day when to the Palace he'd been invited
 He remembered he could hardly speak
 He was so very, very excited

He offered her his sandwich
 Made with such love and care
 She smiled at him and with a grin
 She showed that little bear
 That inside of her handbag
 There was something she had made
 And that she too kept a special sandwich
 Made of the finest marmalade
 Although he was just a little bear
 And she a regal queen
 Watching her take that sandwich out of her bag
 Was the best thing he had seen

He wondered if anybody else would miss her
 Now that she had gone
 And his heart was filled up to the brim
 When he turned his little phone on
 He saw that Facebook had been flooded

With her pictures old and new
 And that he himself that little bear
 Was also in them too

Although today he is the saddest
 That he has ever been
 He will always lovingly remember
 The day he had tea
 with the Queen.

This World Diabetes Month, November 2022, we are calling all New Zealanders to 'Lap the Map' for diabetes prevention. Can you help us walk a combined distance surpassing the perimeter of the New Zealand coastline (15,000km).

Lions Clubs across the country are encouraged to host family friendly walks and community events to promote a healthy lifestyle and raise awareness of diabetes in New Zealand.

It doesn't matter how far you walk or run, it's about being involved, getting active and moving together.

All funds raised will go towards diabetes awareness and prevention.

Clubs can check out ideas and resources from <https://www.lionsclubs.org.nz/services/diabetes> which are being progressively updated.

Check out the operational guidelines for walks at: <https://www.lionsclubs.org.nz/Events-Projects/lap-map-diabetes-2022>

& click on the Operational Guidelines event/project ideas tab.

Lap the Map for Diabetes 2022

Month of November

This World Diabetes Month, November 2022, we are calling all New Zealanders to 'Lap the Map' for diabetes prevention. Can you help us walk a combined distance surpassing the perimeter of the New Zealand coastline (15,000km).

Lions Clubs across the country will be hosting family friendly walks and community events to promote a healthy lifestyle and raise awareness of diabetes in New Zealand.

It doesn't matter how far you walk or run, it's about being involved, getting active and moving together.

All funds raised will go towards diabetes awareness and prevention.

Hi All

Kevin Bryson, the Diabetes coordinator for 202J, and I would like to see all clubs in 202J participate in this event which is supporting Diabetes.

A suitable date would be Sunday the 13th of November which is the day before World Diabetes Day the 14th of November.

Hopefully a walk can be organised in Mid-Canterbury, South Canterbury, North Otago and Dunedin and possibly Mosgiel. (Lap the Map).

Kevin and myself will organise a venue in the Dunedin area for all the clubs near Dunedin. Our plan is to

invite the clubs and the Diabetes people and anyone else who wants to participate to come along. We will probably organise a BBQ for the participants. Gold coin donation to the Diabetes Awareness and Prevention. Further details will follow.

Any questions give myself or Kevin a call please.

Regards

Mike Wingfield
GST Coordinator 202J
021 192 0695

Incoming emails to any club member are incoming correspondence

- to be taken to your club meetings

Record incoming & outgoing correspondence in your minutes

Used Hearing Aids & Batteries Collection

- ◆ **Hearing Aid batteries** are now going through to Lion Andy Andrews in Cromwell (see Used Spectacles for details); Andy has someone in his area who is coordinating this. He has arranged for a transport company to collect them in Dunedin so again, if they come to PDG Ella she can arrange for them to get to Cromwell.

- The money raised goes towards funding cochlear ear implants (government funding has been reduced).

- ◆ **Used Hearing Aids:** drop them off at any Bay Audiology Clinic. They have the "Free to Ear - Samoa Programme" where they provide free hearing health care to the Apia community using donated used hearing aids.

See: [Helping the People of Samoa | Bay Audiology NZ Blog](#)

Mobile Phone Recycling

- ◆ Drop off at 2 degrees, Spark & Vodafone shops for the RE:MOBILE scheme which is accredited by the Ministry for the Environment. Sustainable Coastlines benefits.
- ◆ Autism NZ is teamed up with Swapkit NZ where old mobile phones are swapped for new technology. See: <https://viberstore.co.nz/autism-nz/autism-nz-recycling>.

Used Spectacles Collection

- ◆ The Cromwell Lions clubs have taken over the Ferrymead equipment for eyeglasses. **Do not send spectacles to the Ferrymead Lions Club.**
- ◆ Spectacles can be sent through directly to Lion Andy Andrews, 57 Horace St, Cromwell (ph: 03 445 3112 / 021 842 346) or they can still be delivered to PDG Ella's office and she will organise delivery to Cromwell.
- ◆ Oamaru: There is now a collection point at the Resource Recovery Park on the counter in "The Get Sorted Shop" in Chelmer Street. The container has the Lions emblem on it & all spectacles collected go to Lions.
- ◆ Also collect them from Specsavers and keep doing what clubs have been doing up to now with collecting eyeglasses. PDG Ella will collect them at her office (Design & Garden Landscapes, 205 St Andrew St, Dunedin).

Kan Tabs for Kidney Kids

Our mission is to support kidney kids and their families/whānau throughout New Zealand on their journey with kidney disease.

◆ Sell your collected aluminium to a recycler:

Wine bottle tops - remove any wire, tear tabs

Clean crushed aluminium cans, aluminium trays, aluminium cat food containers, tea light candle holders

- other metals: e.g. **steel** - use a magnet to identify & remove these

- some medication packaging is not pure aluminium &/or contains plastic - do not include

◆ Bank the proceeds in the **District 202J Charitable Trust: 03 – 0835 – 0031841 – 00** (tag it as **Kan Tabs for Kidney Kids**).

Heads Up For Kids/Kantabs contact/drop off:

- ◆ Malcolm Lill: zones 1, 2, 3. (03) 693 7667 or 021 361 380
- ◆ Anne Stratford: zones, 4, 5, 6 021 0247 9803

Keep Your Eye Out!

Recycle old spectacles (without their cases - cases are not needed for the Pacific Islands) by dropping them off to any Specsavers shop. Then select the cases in good condition from the discarded cases for a new fundraising life.

Get them to Genny Hanning at:
Green Island Gallery
194A Main South Road
Green Island Dunedin 9018.

Genny will get a team together to paint or decorate them for sale as trinket or earring boxes with the funds going to worthy Lions' projects.

Lions Clubs International FOUNDATION

“WE SERVE”. In our last Lions year Lions served 495 million people through 1.4 million global service activities, exceeding our Campaign 100 goal of serving 200 million people each year. This figure would have been even greater if all clubs were reporting service activities on MyLCI.

October heralds “Vision Awareness Month” which incorporates World Sight Day on 13th October. Since Helen Keller addressed the Lions at the International Convention in Ohio in 1925, and asked Lions to become “Knights of the Blind” in a crusade against darkness, Lions have become world leaders in an effort to prevent avoidable blindness. LCIF proudly serves by offering unique and impactful initiatives through programmes and grants. This year between 1st July and 30th August alone, 20 such grants were awarded totaling \$US2.298 million.

Over the years our SightFirst programmes have played a key role in reducing global blindness through building comprehensive eye care systems, training eye care professions and raising awareness in underserved communities.

Here in NZ one in 20 aged 50 plus have moderate to severe vision impairment while 25% of New Zealanders with diabetes are affected by diabetic retinopathy.

As with any of our recognised eight areas of focus, our Foundation is reliant on all clubs committing to make an annual donation so we can provide much needed service to those less fortunate in the world.

PDG Les Box, QSM
LCIF District Coordinator

Global Membership Approach

Growing Club Membership Through Community Partnerships and Service

Our District Membership Goal is to achieve a net increase of at least 10 members in the 2022-23 Lions year.

This requires that we both recruit new members and, apart from deaths, retain as many existing members as we can. We can also help other clubs and Districts, by seeking transfers for members leaving our locality or District.

Our District Global Membership Approach (GMA) project is now transitioning to action at club and zone levels. Project Possible focuses on Improving the capability of clubs and members and community relevance and visibility of club events and projects through working with local partners. This covers all the Global Action Team (GAT) areas of Leadership (both training and participation), Membership (both recruitment and retention) and Service (both projects and donations) – all leaders and members at all levels.

Several clubs are already involved in progressing this within their own localities. Resources and support are available to all clubs, ideally co-ordinated within zones, and through District Forum and other training to be rolled out.

Capable and enthusiastic clubs attract and enthuse members, and attract community acceptance and support of their club events and projects. Our District has the highest level of clubs reporting service on MyLion within Multiple District 202 so far this year. Let us see if we can achieve the same in membership growth.

Ken Whitcombe
202J District GMA Coordinator

MD 202-Ron Rowe Award Public Relations & Communication

PURPOSE

1. To recognise excellence, innovation and effectiveness in communications and Public Relations
2. To encourage clubs to use a range of medium to communicate with their members
3. To encourage clubs to use a range of medium to enhance public awareness and the reputation of Lions in the wider community

RULES

Please submit the generic MD202 Award entry form with your entry. (https://www.lionsclubs.org.nz/application/files/4515/9833/1414/MD_Award_Entry_Form_updated_8-2020.pdf)

2. In an email of up to 500 words describe how the club communicates with its members and promotes itself to the public.
3. Submit two copies (different months) of its electronically distributed club bulletin.
4. Club's website – submit screen shots of up to 3 pages from the club's website.
5. Social Media – submit screen shots of up to 3 pages from the club's social media page.
6. Submit evidence to demonstrate how the club has used other forms of advertising or media e.g. teardrop flags, posters, newspaper articles.

CRITERIA

1. Entry description = 30 points
2. Club bulletins = 25 points (layout - including masthead, appearance, illustrations, originality) (content - including editorial, reports, completed projects, future projects, Club, District and International news, coming events, humour)
3. Club website = 15 points
4. Club Social Media page = 15 points
5. Other forms of communication or publicity = 15 points

Finally adjusted my clocks to daylight saving. No time like the present!

I don't think of daylight saving as losing an hour of sleep. I think of it as being an hour closer to breakfast.

One of the best things about daylight saving is that the clock in my car will finally be correct again.

What does Bob Dylan say during daylight saving time?
The Times They Are a-Changin'

Clarkson Trophy Broadened Entry Criteria

Enables 202J to submit an entry for the Ron Rowe Award

The Ron Rowe Award has been broadened to include the club website, social media use, publicity measures as well as the club bulletin. See page 20.

So 202J can qualify to submit an entry for the broadened Ron Rowe Award, the Clarkson Trophy, with the agreement of PDG Terry Clarkson, has been broadened to align with the new Ron Rowe criteria.

Clubs, you have a very, very important role in providing the Clarkson Trophy entries.

Please prepare & gather:

- the up to 500 word description
- screen shots of your club website & social media pages
- evidence of other forms of advertising or media.

Send these, as well as your club bulletins, to Media Manager Judy Phillips & J-Times Editor Beryl Naismith well before 30 November 2022.

Both the Ron Rowe Award & the Clarkson Trophy are judged on the immediately preceding Lions year (PDG Christine Stewart's year) 2021/2022 so gather the screen shots & other evidence from that year (and start gathering the same from this current Lions year so it's ready to go next year).

If the expanded criteria are not submitted to Judy & Beryl then 202J cannot judge the Clarkson Trophy or submit a 202J entry for the Ron Rowe Award - which wouldn't reflect well on 202J

202J needs YOUR help

Correction to July J-Times:

Directory Update - Mosgiel District dinner meeting venue is Spitfire & Diggers Restaurant (RSA) at 6 Church Street, Mosgiel

Correction to September J-Times:

Grace Johnston who came second in the national final of the Young Speechmaker Competition was sponsored by Port Chalmers & District Lions Club. *(Multiple District website has incorrect info)*

Directory Corrections

District 202J & MD202 Directories

♣ **Media**

Correct info is Judy Phillips (not Mike Wingfield)

♣ **GST Coordinator Mike Wingfield**

Delete Media role, Club is Balmacewen (not Timaru Suburban)

Clubs, please advise any directory corrections so that these can be published.
