**OCTOBER 2022
EDITION**

Lions Spring Into Action!

Well spring has sprung and it's fantastic to see all our clubs springing into action too! At last week's zone chair zoom meeting, they all reported lots of events taking place throughout the district. With Daffodil day events, Pink Ribbon breakfasts, Blue ribbon events, a Bra Artz competition, Wig Wednesday, opening a new mini-golf course in PN, school speech competitions, various quiz nights and the 30th Anniversary for Hawera Mt View to name but a few, it has been a really exciting month. Clubs are really getting into gear and many new members are now experiencing the joy of being a Lion!

Many of you have taken the opportunity to learn how to use Facebook in the last couple of weeks. Thanks to Tobi and Abraham, we have run 3 very successful social media training workshops. We all learned that it's really not that difficult and we just have to make a start and *Just Do It*. Once you start, it snowballs almost by itself. So let's use these tools to help spread the word about the great work we are doing and the fun we are having.

We have become aware that some clubs are struggling with getting funds into your club's administration accounts. There are legitimate ways of your club recovering costs from projects run by your charitable trust. If you need help with how to do this, please contact me to help.

This month will see the roll out of some new resources from Project Vital. These include:

1. My Club Health Check – a simple club survey to see what members think about their club (see later in Contact for more info)
2. How to successfully introduce new members into your club
3. Promotional material about Lions designed by us. There are 2 main resources
 - A flyer which features key messages about what we do, shows Lions in action and has club details. There is a separate flyer personalized for each zone and a free phone number for people to contact about joining Lions.
 - Business cards promoting Lions in a novel way

You can see images of these later in this Contact. We are printing 1,000 flyers per zone which will be made available at no cost to clubs along with a box of the cards. Please take the opportunity to use these at any public events so let us know what you need.

This month I will be ramping up my club visits. With things now settling down on the farm following a challenging spring, I now look forward to catching up with many of you and see what your clubs are up to. A full copy of my schedule is on our district calendar and this month's summary at the back of this Contact.

In the meantime keep up the great work and remember that

TOGETHER WE CAN JUST DO IT!

Stephen Barr
District Governor 202D

...Just do it!

...from the
Editor & VDG

I can see from your Bulletins and Newsletters that there is quite some activities in our clubs. This is great to see. We have also been quite active with running the three social media workshops. It was awesome to have so many of your clubs participate. We are working on the next workshops to follow on from the Basic Facebook. This will be more advanced and include Instagram. Please keep posting on your FB pages. I have notice an increase in activities. Please go to our website and click on Social Media Tab. Like all the linked clubs. This increases the marketing network in our District.

I will be ramping up my club visits, looking forward to catching up with you.

Keep the sending reports and material for this Contact. Love reading about your clubs and the great work you do in the community.

We are looking at getting a license to offer quiz nights in our District. If your club wants to run one, contact me. If we can have a different club doing one a week, the costs would come down. This is a professional set up with slide show and answer booklets. Great fun.

Keep up the good work you do in your communities.

Tobias Hipp

Contact Editor.

District Pamphlets

We have designed pamphlets and would like to have them for each zone. Please send me some photos from your club activities to include in the pamphlet. Each zone pamphlet will have a list of all the clubs in that zone. We have created a generic email and relevant correspondence will be passed onto the clubs.

...just do it!

Social Media Workshop

**OCTOBER 2022
EDITION**

Social Media workshops were held in Feilding, Palmerston North and South Taranaki - Ngaere School. Thanks to all involved in organising the venues and snacks.

Workshop has covered the basics of setting up a Facebook page, do's and don'ts, best practices etc. Thanks to Abraham for your knowledge and helping us understand how this modern technology works and can help us market Lions.

We have set up Zone pages for our 6 zones. We are busy creating a Facebook directory of our clubs in the District. Please go to www.lions202d.co.nz and click on Social Media tab. Click on the District, Zones and Clubs and like them. This will increase our network.

We have received great feedback from our workshops and are working on an advanced Facebook and Instagram session. We will let you know when these are going to be offered.

Thanks again to all that came along, it shows that we are all getting ready to ...just do it.

...just do it!

LOCALLY AND GLOBALLY, WE SERVE OUR COMMUNITIES IN MANY DIFFERENT WAYS

Lions meet the needs of local communities and the world. Our district has 1000 members across 34 Clubs. District 202D is part of a volunteer organisation active in 206 countries with over 1.4 million members world wide.

Each club is filled with people who've decided to take action and serve others.

At the heart of Lions clubs there is one constant: service. Giving your time and energy to others is a fantastic way to help your community. Yet, it also provides a great feeling for you that can spread and have a positive impact in your life and how you approach the world.

Ready to Make a Difference?

Ready to make a difference? There is a Lions Club in nearly every city or town, who would love to welcome you as a new member.

Why Become a Lion?

As a Lion you'll:

- Help your community
- Gain valuable skills
- Make an impact on people's lives
- Learn to be a leader in a respected organisation
- Energize your life and have fun
- Build your self confidence
- Network with like-minded people

NZ Lions have partnerships with

- Camp Quality
- Cancer Society
- Diabetes NZ
- Kidney Kids
- NZ Liver Transplant Service
- Hearing Dogs
- Child Cancer Foundation

OUR MISSION

To empower volunteers to serve their communities, meet humanitarian needs, encourage peace and promote international understanding.

...just do it!

My Club Health Check

- What are your members feeling about your club?
Are your members happy about what your club is doing?
What do your members think about Lions?
Are there things that your club is doing that your members want to either:
- stop doing
 - keep doing
 - start doing

It is healthy for your club to have a discussion about these issues.
We would like to help you have a discussion about with your club and help develop a plan that delivers what your members want.

The process involves:

1. Members each complete a brief survey at a club meeting. This is completely anonymous and will only take 10 mins.
2. We will analyse the results of the survey and summarise the results.
3. A facilitator meets with your club to discuss the results and develop a plan for the future.

If you are interested in participating in this programme, please contact either your Zone chair, DG Stephen Barr or VDG Tobi Hipp

Brian Sheehan

We Serve

PRESIDENT'S MESSAGE

Together we can with International President, Brian Sheehan

Dear Lion,

One of the best parts of being a Lion is that every day you can see how your service changes lives right outside your door. But that's only the beginning. Because whether your focus is local or global, your impact goes far beyond your community. Especially when we serve our global causes.

Our global causes unite the talents and innovation of every Lion and Leo around the world. So if you're looking to take on an ambitious new service project, consider one of our global causes. And no matter how you serve, keep it up because Together We Can starts with you.

Make a great day,

Brian Sheehan

International President

...just do it!

From LCIF Chairperson Douglas X. Alexander

Greetings Lions and Leos!

We are each guided by kindness to serve not only those in our own communities, but also people in need around the world. Giving to Lions Clubs International Foundation (LCIF) ensures that your donation makes the most impact, both locally and globally. LCIF is the only Lions foundation to empower the service of Lions worldwide, and 100% of your donation benefits LCIF grants and programs. This issue of your LCIF newsletter shares some of the ways we, through our continued support of our foundation, can take our service to greater heights. Thank you for joining me in service through doing AND giving.

Helping Combat Diabetes in Australia

Diabetes is a global epidemic that reaches every corner of the world. Lions in Australia recognized the importance of helping teenagers with diabetes, and they turned to Lions Clubs International Foundation (LCIF) for help.

Natural Disaster Knows No Borders

Devastating natural disasters have recently struck across the globe, and there is no telling when or where a disaster might strike next. Your donation to LCIF's Disaster Relief Fund can help ensure that Lions will always be there when needed.

...just do it!

Lions Clubs International
FOUNDATION

Thank you for those clubs who are continuing to donate to our foundation.

The latest information from Leo has given us hope and reassurance. The Volcanic eruption experienced in Tonga with devastation felt in widespread communities last year; there has been a total of nine water tanks and guttering equipment systems being provided for nine schools. The installation of this massive project is happening as you read your contact magazine. I will send you the photos once they have been received.

There will always be a need to be a Lion. Just look at the devastation felt in Pakistan lately. Recent record-breaking monsoon rains and floods have washed away villages, destroyed livelihoods and killed more than 1,000 people. Emergency supplies for Food, Shelter, Safe Drinking Water, Hygiene and medical supplies are needed. Please give generously.

A number of new Lions I have spoken to lately have asked me to provide information about the eight focus areas our foundation serves. Here they are briefly summarized. However please go into our MyLion and MyLCI sites to find extra information and videos clips of LCIF success stories.

The Foundation of Service

Our mission is to empower Lions clubs, volunteers, and partners to improve health and well-being, strengthen communities, and support those in need through humanitarian services and grants that impact lives globally, and encourage peace and international understanding.

Stories at the Heart of Service

Behind every LCIF grant, there's a story filled with inspiration, impact and kindness. Read the stories you make possible by going on line to view them.

Your Foundation for Service

LCIF is your foundation—and together, we can respond quickly for a powerful impact. Magnify your service.

...just do it!

Celebrating 20 Years

In 2002, LCIF and Johnson & Johnson Vision co-founded Sight For Kids, the largest-known school-based eye health programme, which aims to equip low-income and underserved communities with tools critical to providing all children with equal access to quality eye healthcare. To date, more than 42 million children have been screened, and more than 600,000 referred for eyeglasses and other specialty treatments.

Our Expanding Focus Areas

Vision

We are a world leader in the effort to prevent avoidable blindness, and we're diligently working with Lions clubs and local partners to help provide the local capacity building, training, medications and treatment needed for those with eye diseases and to provide disability rehabilitation and education for all.

Youth

We are committed to providing youth and young adults with opportunities to succeed. The Lions Quest program provides young people and their educators with tools to make positive choices, resist drugs and alcohol, learn through service and become healthy young men and women.

Disaster Relief

When disaster strikes, we respond. We provide funding to address preparedness and immediate needs that allow Lions and their partners to be among the first on the scene in the wake of the world's most devastating hurricanes, earthquakes, floods and other disasters.

Humanitarian

Lions take action in their communities, working face-to-face with the people they serve. We support the wide variety of humanitarian efforts implemented and coordinated by Lions and give grants to increase their scale and effectiveness.

...just do it!

Diabetes

We are providing support to help Lions educate the public and establish programmes around one of our global focus areas - Diabetes.

Childhood Cancer

Across the globe, too many children are being affected by cancer. We're helping Lions establish programmes and provide greater service and access to care for those diagnosed—giving hope to them and their families.

The Environment

We are working with Lions to preserve our planet, knowing that the health of our local communities and environments affects us all. Our goal is to help establish a sustainable future for generations to come.

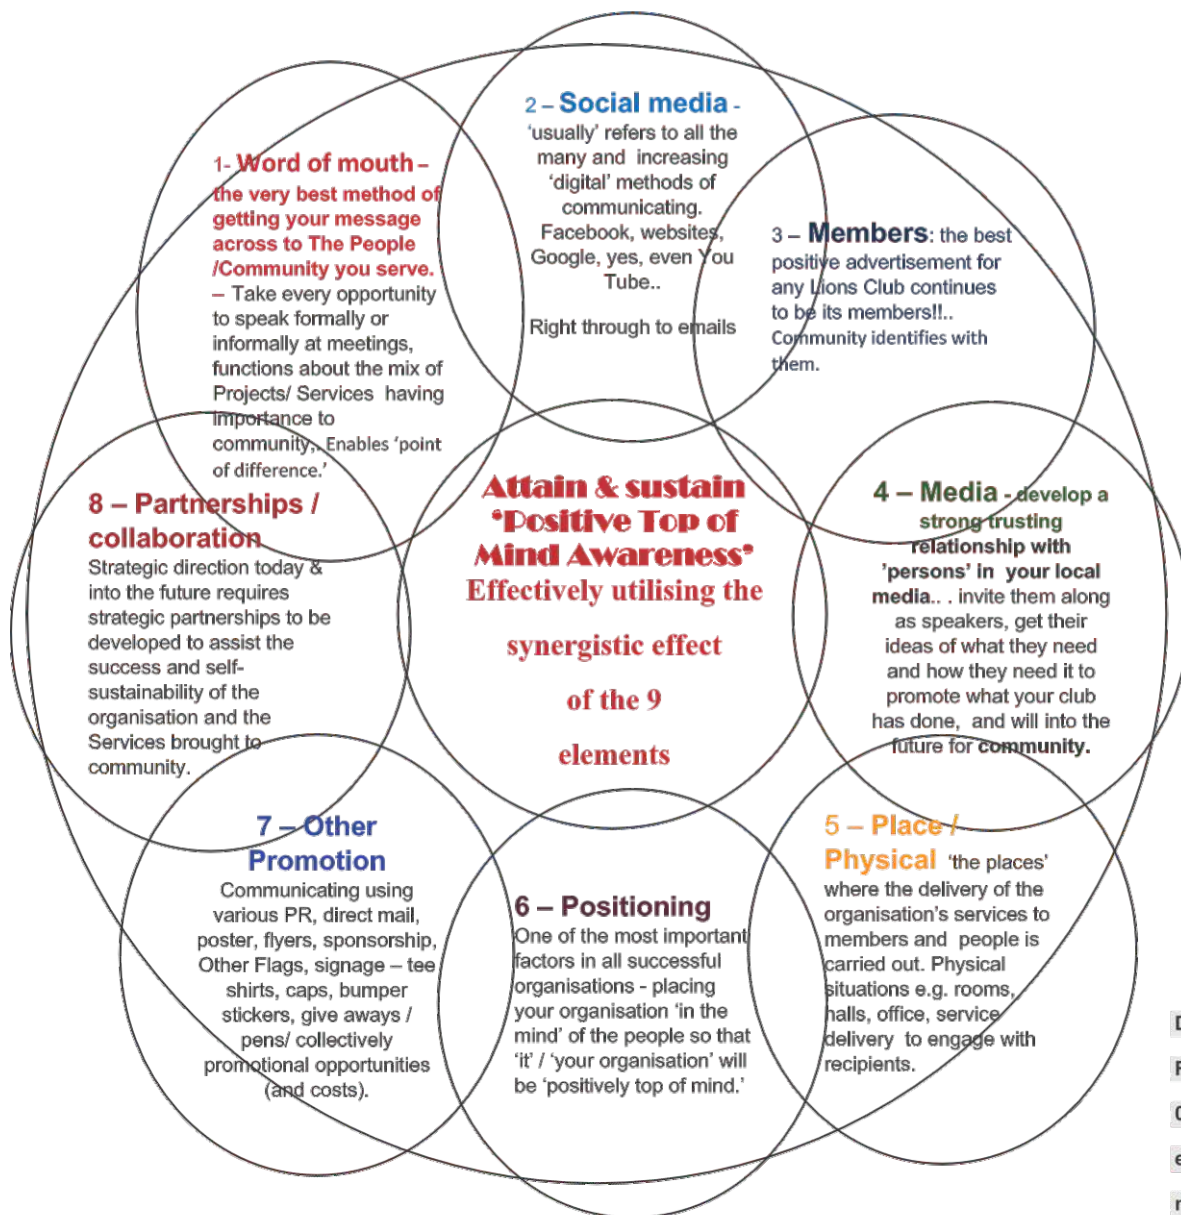

Hunger

We help provide healthy meals for the hungry and work to establish strategies and greater capacity for communities in which food is scarce.

Yours in Lions, Adrienne Christensen Zone 202 D LCIF District co-ordinator

Positive Top-of-mind Awareness is an important concept in how well ‘a brand’ ranks and is retained and understood for what it portrays in the minds of those you wish to influence. It is ‘the’ factor which every organisation strives to gain and sustain and can be achieved by Lions Clubs utilising the media mix below.

Developed by
Ron Rowe
06 3545058
e mail
ngaron@xtra.co.nz

Not often seen in a ‘formal’ strategic mix yet critical to successful organisations.... passion clearly demonstrated by all associated with programmes/activities of the club for ‘community.’

LIONS MY HEALTH CHECK Project update 26 September.

Site visit at Feilding last week checked 30 people which resulted in 6 people being recommended to make an appointment with their GP ASAP.

Calendar of Glob Site Visits.

- Health Expo at Event Centre in Opunake on Thursday 13th October
- Sunday 16th October 10a.m to 2 p.m. Car & Bike Show. Hawera race course.
- Annual Pet day at Apiti on 21st October. 10 to 1 p.m.
- Huntermville Huntaway Festival Shemozzle on 29th October.
- Manawatu and West Coast annual show Manfeild 5th November
- Calf and lamb days at local schools and finals at Rongotea 13th November
- Kimbolton Cross Hills annual fair 19th November
- Colyton Lions Hay picker uppers thank you BBQ 6 December

There are number of visits for January & February next year so bookings for March onwards now available. Fellow Lions, if you know of a suitable event where the Lions My Health Check Project can provide a service to your rural communities please contact Warren 06 323 8110 or Robert 06 323 2849 for consideration on the site visit calendar.

...just do it!

Lions Club of Karori Inc.

PO Box 17-103, Karori, Wellington 6147, New Zealand

8 September 2022

Dear Club President,

SPIRIT OF ADVENTURE TRUST – Proposed voyage on the Sailing Training Ship “Spirit of New Zealand” for young people with physical disabilities – “The Inspiration Voyage 2023”

The Lions Club of Karori again needs your help in raising funds to repeat this New Zealand-wide project. We have received permission from the Multiple District Council to write to all Lions Clubs in New Zealand to let you know about this annual project and to offer you the opportunity to contribute if you wish.

(Please note: while we have permission to canvas all clubs, this is not a Multiple District Project)

The Spirit of Adventure Trust (SOA TRUST) is planning a voyage that will leave from Auckland on 16 February 2023 for up to 30 young people aged 16 to 20 with physical disabilities, including a number with visual and hearing impairments. These young people often lead sheltered lives and lack opportunities to take part in challenging activities and can be denied the chance to test themselves and discover their hidden strengths and abilities, as opposed to disabilities. This can result in low self-esteem and lack of confidence and a voyage on the “Spirit of New Zealand” does much to overcome this. Past experience has shown a very marked improvement in the youngsters’ self-confidence and independence after a voyage, and this carries over into their daily lives. The **trainees** are typically 15 males and 15 females and will be drawn **from throughout the whole of New Zealand**.

View link on the Spirit of Adventure Trust website <https://www.spiritofadventure.org.nz/voyages/inspiration-voyage>

NOTE – the 2023 sailing will mark the 25th Anniversary of Lions NZ sponsorship of this amazing voyage.

The SOA Trust sends information to schools each year and generally the trainees are nominated by the schools, however Lions Clubs may make direct nominations to the SOA Trust via the link above and we strongly urge clubs to proactively make an effort to do this. The Trust fills the 30 places on the voyage from the list of nominees. Because of the need to have funding secured, and because of the health issues faced by some of the potential trainees, we understand that the final selection is made relatively close to the date of sailing. Hence names and locations of trainees are not available until that late stage. Lions Clubs are not involved at all in the selection process.

Once the selection is finalised, the Voyage Coordinator may forward to us details about the home location of the various youth whom this project will sponsor. On inquiry, we can then let you know whether, and how many, trainees from your geographical area were selected. In the past, following the sailing, some participants have been willing to speak about their experiences to Lions Clubs in their vicinity. Interested Clubs should approach the SOA Trust after the sailing (Ph 09 373 2060) to determine whether there are any young people from the latest voyage in their area who would be willing to speak to Lions Clubs about their experiences.

The additional costs for the voyage that require sponsorship run to over \$20,000.00 and with your help we have managed to raise this amount for the annual sailing every year for the 24 years that the project has been running to date, and we hope to do so again for the 2023 sailing – the 25th year that Lions has sponsored this project.

The participants each contribute \$600.00+ towards their expenses, although this amount can also be sponsored for an individual. Some Lions Clubs in New Zealand both nominate and sponsor a young person in this way, which is greatly appreciated as often families with higher needs children can be financially compromised.

Our club cannot finance this project independently and we really need the help of all clubs that are willing to participate. We would appreciate any donation that your club sees fit to make to this project. The monies will be held in the Spirit of Adventure Trust Project Account of the Lions Club of Karori Charitable Trust until shortly before the voyage.

Thank you for your consideration.

Yours in Lionism

Jo Cameron

LESSONS LEARNED

OCTOBER 2022
EDITION

An old man meets a young man who asks:

"Do you remember me?"

And the old man says no. Then the young man tells him he was his student, And the teacher asks:

"What do you do, what do you do in life?"

The young man answers:

"Well, I became a teacher."

"ah, how good, like me?" Asks the old man.

"Well, yes. In fact, I became a teacher because you inspired me to be like you."

The old man, curious, asks the young man at what time he de-cided to become a teacher.

And the young man tells him the following story:

"One day, a friend of mine, also a student, came in with a nice new watch, and I decided I wanted it.

I stole it, I took it out of his pocket.

Shortly after, my friend noticed the his watch was missing and immediately complained to our teacher, who was you.

Then you addressed the class saying, 'This student's watch was stolen during classes today. Whoever stole it, please return it.'

I didn't give it back because I didn't want to.

You closed the door and told us all to stand up and form a cir-cle.

You were going to search our pockets one by one until the watch was found.

However, you told us to close our eyes, because you would only look for his watch if we all had our eyes closed.

We did as instructed.

You went from pocket to pocket, and when you went through my pocket, you found the watch and took it. You kept search-ing everyone's pockets, and when you were done you said 'open your eyes. We have the watch.'

You didn't tell on me and you never mentioned the episode. You never said who stole the watch either. That day you saved my dignity forever. It was the most shameful day of my life.

But this is also the day I decided not to become a thief, a bad person, etc. You never said anything, nor did you even scold me or take me aside to give me a moral lesson.

I received your message clearly.

Thanks to you, I understood what a real educator needs to do.

Do you remember this episode, professor?

The old professor answered, 'Yes, I remember the situation with the stolen watch, which I was looking for in everyone's pocket. I didn't remember you, because I also closed my eyes while looking.'

This is the essence of teaching:

If to correct you must humiliate; you don't know how to teach."

OCTOBER 2022
EDITION

LAP THE MAP FOR DIABETES

This World Diabetes Month, November 2022, we are calling all New Zealanders to 'Lap the Map' for diabetes prevention. Can you help us walk a combined distance surpassing the perimeter of the New Zealand coastline (15,000km).

Lions Clubs across the country are encouraged to host family friendly walks and community events to promote a healthy lifestyle and raise awareness of diabetes in New Zealand.

It doesn't matter how far you walk or run, it's about being involved, getting active and moving together.

All funds raised will go towards diabetes awareness and prevention.

Clubs can check out ideas and resources from <https://www.lionsclubs.org.nz/services/diabetes> which are being progressively uploaded.

Says...

OCTOBER 2022
EDITION

Child Mobility Foundation:

Hi everyone, can you keep children with mobility issues in your area in mind please, we maybe able to help them through the Child Mobility Foundation. A child needs to be referred through me to CMF, they are then assessed and if a Hart Walker can help them, then CMF work with the child, family and us to get a Hart Walker for them. A Lions club or zone is then asked to sponsor the child and build a relationship with the family. It is a long process to get a child into a Hart Walker and a lot of money needs to be raised by Lions Clubs, families and CMF.

Child Mobility Foundation is like everyone else and needs funds to operate. A Specialist is bought over from Australia twice a year to assess the child and adjust the Hart Walker according to their needs. CMF hold clinics in Auckland, Wellington and Christchurch, to which the child and family must get to from wherever they live. I am expected to attend clinics too, and if I can't go I can ask someone else to. This is important for family/Lions relationships and keeping contact details of the child up to date.

CMF asks Clubs to make a donation to them if they can, each year to run the free clinics and run the rest of the CMF operation. We can donate them the profits from our Christmas cake sales, run a project to raise money for CMF or just make a donation. It will be greatly appreciated as every dollar helps this worthy cause which makes a child's life better in so many ways.

Collecting Kan Tabs, old money and glasses. Keep up the good work here too, kan tabs help children get Liver transplants, old money helps children go to camps, learn multiple things and Lions Clubs to provide learning and adventure for children. Glasses are recycled for children in areas like South Auckland and over in the Islands where there is great need and very little resources, so keep on with these very worthwhile projects and make someone's life, somewhere all the better for your help.

Cheers, yours in Lions, Daphne Holley

Service Report.

Welcome to October. Time is ticking on. October brings awareness to vision, breast cancer, child mobility and is also membership growth month.

What is your presence in your community looking like? Are you having fun? Are you making a difference? Do people know who you are? Be proud of your pride and be sure to share what you do.

With the round of Social Media training days that have taken place we'll all be savvy with the social media platform that creates endless types publicity opportunities. It is also useful for private groups to keep in touch. You could have a page that is just for your club members also. I personally think it could be a great idea to have pages for Club roles within our District, i.e; secretaries, treasurers etc.

Kindness Matters 2021-2022 entries have closed with only one entry from our district which is a shame as there are so many great things we do. I know we don't do it for the recognition but it helps to promote our Clubs. The entry received was a wonderful project, so we will wait and see. Fingers crossed for Opunake Lakeside Lions and their meals on wheels project.

LAP THE MAP please check out the September issue of Between the Lions for links to information on this project. Keep your eyes on Facebook for events. Don't be shy to use other clubs ideas for your own area.

I would love to receive your Club bulletin! Please email it to 202d.gst@lionsclubs.org.nz

Yours in Lions
Sue Huckstep
202DGST coordinator

202 Lions invite you

EMERGING LIONS LEADERSHIP INSTITUTE **ELLI**

Lions who wish to pursue leadership roles within their club will benefit from the ELLI, where they will learn the history and goals of Lions Clubs International and the Foundation, develop strategies for being an effective leader and collaborate with a diverse group of fellow Lions.

When: Friday 13th to Sunday 15th January 2023

Where: Palmerston North venue TBC

RSVP by 12th December 2022 please note that the RSVP date is important due to Public holidays through this time. nb: first in first served there are only 30 spaces

Application will be sent when registration of interest sent to
202.glt@lionsclubs.org.nz

Please do not hesitate to email if wanting to know more about this course.

District 202D will be hosting this training program in Palmerston North. It's a fantastic opportunity for clubs and their future presidents and leaders to upskill and learn more about the Lions organisation. The ELLI is an interactive, 3-day institute that provides valuable leadership skills and the necessary knowledge to be an effective club president.

Lions eligible for ELLI:

- Have successfully served on a club committee.
- Have not yet attained the position of club president.
- Have not attended an international or local ELLI within the last five (5) years.

Club First Vice Presidents are strongly encouraged to attend.
Applications must be submitted by 12th December 2022..

To register your interest, email 202.glt@lionsclubs.org.nz , or contact
your district GLT Coordinator, Llew Eynon at
202d.glt@lionsclubs.org.nz .

Alzheimers Manawatu

This "MEMORY WALK" was a great indication to the public that help is really on the go, building all the time. All members that attended did enjoy themselves even though most of us were wearing size 4XL or 5XL T-shirts. It was a good gathering of our Club, being proud to represent Lions and a community service. Special thanks to P.N. Clearview Park Lions Club members who joined in, which helped to make it a success.

Hello?"

"Hi honey this is Daddy. Is Mommy near the phone?"

"No Daddy. She's upstairs in the bedroom with Uncle Paul."

After a brief pause, Daddy says, "But honey, you haven't got an Uncle Paul."

"Oh yes I do, and he's upstairs in the room with Mommy, right now."

Brief Pause.

"Uh, okay then, this is what I want you to do. Put the phone down on the table, run upstairs and knock on the bedroom door and shout to Mommy that Daddy's car just pulled into the drive-way."

"Okay Daddy, just a minute."

A few minutes later the little girl comes back to the phone. "I did it Daddy."

"And what happened honey?" he asked.

"Well, Mommy got all scared, jumped out of bed with no clothes on and ran around screaming. Then she tripped over the rug, hit her head on the dresser and now she isn't moving at all!"

"Oh my God!!! What about your Uncle Paul?"

"He jumped out of the bed with no clothes on, too. He was all scared and he jumped out of the back window and into the swim-ming pool. But I guess he didn't know that you took out the wa-ter last week to clean it. He hit the bottom of the pool and I he isn't moving either."

Rongotea & District Lions Club

The **Te Kawau School Cluster Speech final** was held in the Rongotea Rec Centre on Friday 16th September. 14 speakers from 7 Te Kawau Schools delivered very good speeches. Topics were as diverse as: The Language of Emotions Should be Taught in Schools, Curfews in Cities, Swimming Lessons for Children Should be Compulsory and Children Need more Time on the Internet!

The winners were: **Year 6 student Lucah from Kairanga School** with “Laughter is the Best Medicine”, & **Year 7 student Ava from Oroua Downs School** “Orthodontic Treatment in NZ should be cheaper”. Our club sponsored the prizes for the contest

Both speakers will go on to compete in the Zone 1 rural schools’ speech contest.

Year 7 & 8 Winners (with President Neal & the judge.)

Year 5 & 6 Winners.
