DG Jules for J

Visiting clubs, I have been blown away by the amount of work we as Lions do in our District. I had the privilege of inducting my first couple at Dunedin Balmacewen; I wish them well. What a great example Balmacewen have set for the rest of the District to follow.

Many clubs are looking at how to attract new Lions to carry our service forward. Timaru Host has made a huge effort to attract new members. They followed up Lion Brian's visit with an advertising feature about Lions. They held a special event to invite people who were interested in joining. This has resulted in nine new members to induct with more possibilities. The challenge for Host, and us all, is to make new members feel welcome, keep them engaged, embrace their energy and the new ideas they bring to our clubs.

At the beginning of this year, I challenged every club to send a member to a training event, for every club make a contribution to the Foundation, for every club to report their service online and

for the District to finish the year with ten more members than we started with. Thanks to everyone's efforts we currently have 80% of clubs reporting service, and 93% of officers trained. These figures are outstanding, and I am so proud to be part of the team delivering those results. We need to continue building on the work around membership and getting donations for the Foundation. We ARE doing really well, thanks to you all.

Finally, as I have visited clubs, I challenge members to ask three simple questions at tea meetings:

Did you have fun?

Did you learn something?

Will you come back?

If we all answer yes, then Lions will have 33 clubs serving our District with purpose and pride.

Together we're changing lives.

Together We Can

Lady Thorn Rhododendron Dell

Since 1998 the Port Chalmers & District Lions Club has been developing and maintaining what has become the Club's signature project the Lady Thorn Rhododendron Dell. The Dell is situated in what was the old disused Port Chalmers quarry, well known for its breccia rock used in the construction of many of the heritage buildings in Port Chalmers & Dunedin city.

Thousands of Lions man hours have been spent in creating what is now a community asset and a local attraction to visitors especially from visiting cruise ships that call at the Port.

In 2004 a lookout offering panoramic views of the Otago Harbour was erected with a display of historical photos dating back to the 1800's.

The Dell is part of the Dunedin Open Gardens group which runs for three weeks in October and includes Larnach Castle, Ovelston and other

notable gardens; the Port Lions hold their annual garden fete at Labour weekend to coincide with this. The Fete features a variety of stalls and live music, Lions running their BBQ for lunch, and people can view the rhododendrons in full flower.

The Dell has been a recipient of several awards including a Keep Dunedin Beautiful Award. It has also had a visit from two Past International Presidents, Lion Al Brandel and Lion Bob Corlew, who have both planted a rhododendron to commemorate their visit.

Mid December heralds the sound of Christmas Carols in the Dell to the strains of the music of the Dunedin City Salvation Army band and a choir adding to the diverse service that Lions provide in the local community.

Focus on Zone 5 News

It seems such a long time since our Zone meeting that much of the information presented will be well out of date. Further the Government has lifted restrictions and suggestions for Covid, and this has resulted in all clubs returning almost to pre-Covid times. Some clubs will have restrictions placed on some of their activities because outside agencies, such as the Councils and certain businesses still are deciding on their movement with activities post-Covid but generally clubs are getting on with the activities we are famous for.

The Lions clubs in Zone 5 have a real “spring” buzz and enthusiasm to their activities, and I am sure this is because they have the confidence

now to get on with all their projects they have wanted to participate in but were restricted because of Covid. Importantly all club meetings have resumed, and I know members will be excited to be back joining with their friends.

PDG Kevin Bryson and CC Mike Wingfield are organising the local ‘Lap the Map’ walking fund-raising project for Diabetes on Sunday 13 November from noon till 4 pm at Sunnyvale Park in Green Island. The wish is to have people throughout New Zealand walk 15,000 km being the distance around our coastline and raising money.

David Bond PDG, Zone 5 Chairman

Focus on Zone 3 News

End of 2022 is almost here. Where has this year gone? Community connections with projects and socializing are up running again. Everyone is eager to get out and about in our community, promoting Lions activities; encouraging others along and see what amazing activities Lions are doing in making a great day and serving with action.

♣ Timaru Host:

A successful compost project completed just in time for the Caroline Bay Train’s first run of the summer season.

Food bank deliveries, two environmental projects and several small service activities continued mixed with a successful membership drive, with several new Lions to be inducted.

♣ Timaru Suburban:

Clean up NZ week, around Marine Parade area where to the mirth of all, woman’s clothing was found by one of the blokes.

Regrettably, the Lloyd Morgan Lions Clubs Charitable Trust luncheon was cancelled as the confirmed numbers could not to guarantee the lunch would be self-sustaining.

November brings two BBQ fundraiser events and the annual Timaru Toot for Tucker.

Funding projects are underway to raise \$160,000 to complete the Bike Skills Park at Caroline Bay.

♣ Waimate:

Have run a successful meet the Waimate District candidates with 300 people attending; a profitable fertiliser drive undertaken; the food caravan is out and about and have been selling the lily bulbs. Promotion and membership are high on their agenda.

♣ Waimate Whitehorse:

Have run a movie fundraiser with a \$100 note raffle. Wainono Homestead was the venue for a club fun afternoon social. Lily and freesia bulbs sales have been popular.

♣ Pleasant Point:

Are continuing the DOC 2050 Predator Free Project.

TIMARU HOST LIONS CLUB NEEDS YOU Next year the club celebrates its 60th Anniversary

HOWEVER

To continue this community service we need more new members.

NOW

You may think you haven't got time

BUT

You can choose just how much time you give.

Become a member of a caring and friendly club that through various fund raising activities helps our community in their times of need.

Equally importantly we enjoy many fun social occasions.

Timaru Host Lions Club is open to men and women of any age and couples are also very welcome.

If you could be interested and would like to know more you are invited to attend a club tea meeting at:

The Richard Pearse Function Room

On Monday, September 12th

Meet and Greet from 5.30pm followed by a FREE MEAL at 6.00pm

With a special after dinner guest speaker.

If you wish to learn more about Timaru Host Lions, register your intent.

Trap 'library' to help fight predators

STAFF REPORTER

Pleasant Point and Fairlie residents wanting to help protect New Zealand's wildlife will soon be able to borrow from a trap "library" being set up in both towns.

The initiative is being supported by the Department of Conservation, the Pleasant Point Lions Club and Opuha Water Ltd (Owl).

Doc regional predator-free ranger for Canterbury Tim Exton said one of the major obstacles to achieving New Zealand's goal of becoming introduced predator-free by 2050 is that no matter how much predator control is done in natural areas, the risk of reinvasion by pests from urban areas remained high.

"Rats, possums, stoats, feral cats and hedgehogs kill millions

of our native birds, lizards, insects and other invertebrates every year.

"By making it easier and less expensive for people in urban areas to trap pests, we can reduce predator pressure on our native species, with the added bonus of bringing native bird song back to our gardens and parks."

Mr Exton said Doc was also protecting a population of native long-tailed bat (classified as "vulnerable and decreasing") on the Opihi River/Te Ngawai River/Kakahu reserve and over into Geraldine.

Urban pest control would complement this programme. Opuha Water Ltd is providing funding for the materials the Pleasant Point Lions Club

volunteers will use to make the familiar wooden box DOC200 traps (effective for rats and stoats) and rat tunnels with Victor rat traps.

Pleasant Point Lions Club member Neville Burt, who will act as administrator of the

information about the extent of introduced pests and will help assess the success of the libraries by comparing trap catches in the early days of their operation against those in later years."

In addition to the DOC200s and rat tunnels, people could also borrow "Flipping Timmys" to control possums, and live-capture cage traps for feral cats.

Mr Exton said the aim was to deal with the urban predator and that meant treating family cats with respect, while dealing with feral cats.

Opuha Water environmental manager Julia Crussman said supporting the trap libraries was a natural extension of the work Owl was doing throughout its scheme in the Opuha/Opihi

catchment.

"We are very aware of the fact that it is a privilege and responsibility for us to operate in this environment.

"Supporting the removal of introduced predators so we can see our natural biodiversity expand and thrive, complements Owl's long-term goal of creating a biodiverse corridor from the mountains to the sea."

It is hoped the library in Pleasant Point will be ready to launch at the Pleasant Point Farmers Market on Sunday.

A date has not been set yet for the opening of the Fairlie trap library, but it should be ready this month.

The Fairlie trap library is being supported by Mackenzie Community Development.

The Pleasant Point Lions Club volunteers will make traps for both libraries.

• The traps are easy to use and meet humane standards. •

Pleasant Point trap library, said people would be able to borrow traps for a small fee for up to two months to help control introduced predators on their properties.

Focus on Global Leadership (GLT)

Well, as your GLT Coordinator I bring good and bad news. The Forum in Oamaru on the 29th of October has been cancelled due to lack of interest and a clash of other events for some clubs. Only fifteen people had confirmed their attendance, and only thirteen clubs had even acknowledged yes or no. PLEASE RESPECT THE PEOPLE WHO SEND INVITATIONS AND EMAILS AND HAVE THE COURTESY TO REPLY TO THEM. It would be an understatement to say I was disappointed. I do hope that you all will make an effort to attend our May Forum which will have sessions for incoming officers' roles. On a positive note, we have the highest number of members who have had some sort of training within the 202 Multiple District.

Orientation has topped the agenda at our Multiple District Zoom meetings, and I know that some clubs have carried out orientation trainings. If you have, can you please email me who attended and who took it. What works for your club, have you a booklet, or PowerPoint presentation? Whatever, can you forward it on to me please.

I'm stoked to hear that some clubs/zones have organized walks within their communities for Lap the Map for Diabetes. Please send me some photos and tell me where you have walked etc.

Have you a person to attend ELLI? If you haven't already contacted either me, Jules, or Lynda Halverson please do it ASAP.

Finally, please give some thought to where, and especially how, your club is going to look in five years' time. Don't leave it to chance, future proof your club.

Cheers

Your GLT Coordinator**

Lions Generic Email Addresses

- ◆ Cabinet members roles change from year to year.
- ◆ Use the District 202J Directory to update Lions generic email addresses for each Cabinet member so they match their role.

Note: some Cabinet members do not use their generic address, so would be advisable to send emails to both their generic & personal addresses.

This World Diabetes Month, November 2022, we are calling all New Zealanders to 'Lap the Map' for diabetes prevention. Can you help us walk a combined distance surpassing the perimeter of the New Zealand coastline (15,000km).

Lions Clubs across the country are encouraged to host family friendly walks and community events to promote a healthy lifestyle and raise awareness of diabetes in New Zealand.

It doesn't matter how far you walk or run, it's about being involved, getting active and moving together.

All funds raised will go towards diabetes awareness and prevention.

Clubs can check out ideas and resources from <https://www.lionsclubs.org.nz/services/diabetes> which are being progressively updated.

Check out the operational guidelines for walks at: <https://www.lionsclubs.org.nz/Events-Projects/lap-map-diabetes-2022>

Used Hearing Aids & Batteries Collection

- ◆ **Hearing Aid batteries** are now going through to Lion Andy Andrews in Cromwell (see Used Spectacles for details); Andy has someone in his area who is coordinating this. He has arranged for a transport company to collect them in Dunedin so again, if they come to PDG Ella she can arrange for them to get to Cromwell.

- The money raised goes towards funding cochlear ear implants (government funding has been reduced).

- ◆ **Used Hearing Aids:** drop them off at any Bay Audiology Clinic. They have the “Free to Ear - Samoa Programme” where they provide free hearing health care to the Apia community using donated used hearing aids.

See: [Helping the People of Samoa | Bay Audiology NZ Blog](#)

Mobile Phone Recycling

- ◆ Drop off at 2 degrees, Spark & Vodafone shops for the RE:MOBILE scheme which is accredited by the Ministry for the Environment. Sustainable Coastlines benefits.
- ◆ Autism NZ is teamed up with Swapkit NZ where old mobile phones are swapped for new technology. See: <https://viberstore.co.nz/autism-nz/autism-nz-recycling>.

Used Spectacles Collection

- ◆ The **Cromwell** Lions clubs have taken over the Ferrymead equipment for eyeglasses. **Do not send spectacles to the Ferrymead Lions Club.**
- ◆ Spectacles can be sent through directly to Lion Andy Andrews, 57 Horace St, Cromwell (ph: 03 445 3112 / 021 842 346) or they can still be delivered to PDG Ella's office and she will organise delivery to Cromwell.
- ◆ **Oamaru:** There is now a collection point at the Resource Recovery Park on the counter in “The Get Sorted Shop” in Chelmer Street. The container has the Lions emblem on it & all spectacles collected go to Lions.
- ◆ Also collect them from Specsavers and keep doing what clubs have been doing up to now with collecting eyeglasses. PDG Ella will collect them at her office (Design & Garden Landscapes, 205 St Andrew St, Dunedin).
- ◆ The cases in good condition go to Genny Hanning - see page 14.

Keep Your Eye Out!

Recycle old spectacles (without their cases - cases are not needed for the Pacific Islands) by dropping them off to any Specsavers shop. Then select the cases in good condition from the discarded cases for a new fundraising life.

Get them to Genny Hanning at:
Green Island Gallery
194A Main South Road
Green Island Dunedin 9018.

Genny will get a team together to paint or decorate them for sale as trinket or earring boxes with the funds going to worthy Lions' projects.

**Lions Clubs International
FOUNDATION**

Lions Clubs International Foundation (LCIF) and Lions Quest are proud to be a Founding Alliance Member of **The Choose Kindness Project!** The initiative has united more than 20 leading non-profit organisations to address bullying and spark kindness for young people and their families. The aim is to inspire a culture of inclusion, mental wellness and belonging so all young people feel empowered to be themselves and safe to create the futures they imagine.

One-third of teens say that they have been bullied in the past year, but many parents do not feel they have the resources to deal with bullying issues. The Choose Kindness Alliance organizations have come together to make their expertise and resources more easily available to the folks who need it most – parents, coaches, and other adults – to help them meet the needs of young people.

While LCIF is currently providing emergency funding to countries around the world suffering from devastating disasters, work continues on other “areas of focus” like the “Choose Kindness Project” above. 100% of your donation goes to the cause, nothing is taken for administration purposes.

Lions Share Pins are now available for this new Lions year. This enables individual Lions to make a donation to LCIF and receive acknowledgement by the way of a special pin. These are available for \$75, \$150 and \$300. If you would like one, please contact me.

Clarkson Trophy Broadened Entry Criteria

Enables 202J to submit an entry for the Ron Rowe Award

The Ron Rowe Award has been broadened to include the club website, social media use, publicity measures as well as the club bulletin. *(See the article in the October J-Times)*

So 202J can qualify to submit an entry for the broadened Ron Rowe Award, the Clarkson Trophy, with the agreement of PDG Terry Clarkson, has been broadened to align with the new Ron Rowe criteria.

Clubs, you have a very, very important role in providing the Clarkson Trophy entries.

Please prepare & gather:

- **the up to 500 word description**
- **screen shots of your club website & social media pages**
- **evidence of other forms of advertising or media.**

Send these, as well as your club bulletins, to Media Manager Judy Phillips & J-Times Editor Beryl Naismith well before 30 November 2022.

Both the Ron Rowe Award & the Clarkson Trophy are judged on the immediately preceding Lions year (PDG Christine Stewart's year) 2021/2022 so gather the screen shots & other evidence from that year (and start gathering the same from this current Lions year so it's ready to go next year).

If the expanded criteria are not submitted to Judy & Beryl then 202J cannot judge the Clarkson Trophy or submit a 202J entry for the Ron Rowe Award - which wouldn't reflect well on 202J
