**NOVEMBER 2022
EDITION**

Great to See You All!

Well it's been a busy month visiting many of you in your clubs. Thank you for making me feel so welcome. It's been inspiring to see you all enjoying getting together at your club nights, and planning projects to get stuck in to.

It has been particularly pleasing to see how you have all embraced what we are trying to achieve with Project Vital. Together we can make the changes that are needed to revitalise our organisation, keep people involved in our clubs and attract new people to join us. This is your opportunity to help us all come up with ideas and solutions that will work for your club, your zone and your district.

For many of our longer serving members, the need for change may feel a bit unsettling. Please be assured that we are all very proud of our history and the service carried out by Lions over many years. Looking ahead, our hope is that our senior members use their experience to help support younger Lions make the changes necessary to thrive in the world we live in.

Many of you are inducting new members into your clubs. Well done for the effort involved. The challenge now is to make sure these new members feel welcome, are involved socially and with projects, and feel that their ideas are being embraced by your club. Clubs will shortly be sent a guide we have put together on how manage the process of introducing members into your club. We hope you find this useful.

This summer, our district is hosting the national Emerging Lions Leadership Institute (ELLI) at the Massey Sports Institute. This is a great opportunity for Lions who have not yet been a club president to learn more about Lions and mix with other like minded people. There are 30 places available with spaces in high demand. Wouldn't it be great to see half of these spaces filled with Lions from our district? Please think who your club would like to put forward for this opportunity.

This weekend I have had the privilege of introducing the speakers at the Manawatu Rural Speech Competition. Similar speech competitions have been held throughout our district over the last few weeks with the district final in Hawera on the 6th of November. Isn't it awesome to see what young people can do and help them grow their self-confidence? Makes you proud to be a Lion.

Finally I would just like to encourage you all to keep recording the wonderful service you are doing. If you need help with using MyLion, then just reach out to our GAT team for help. It really isn't that difficult to do and helps us enormously to see what you are all doing. So don't leave it to next year. *Just Do It!*

Keep up the great work.

Rest Your Mind

I know you have been laying awake at night wondering why baby diapers have brand names such as “Luvs”, “Huggies” and “Pampers”, while undergarments for old people are called “Depends”

Well here is the low down on the whole thing.

When babies crap in their pants, people are still gonna Luv’em, Hug’em and Pamper’em.

When old people crap in their pants, it “Depends” on who’s in the will!

Glad I got that straightened out so you can rest your mind.

PRESS RELEASE

**Feilding Host Lions Club
Mini Golf Course 40th Anniversary**

Feilding Host Lions are about to celebrate the 40th Anniversary of the opening of their very popular Mini Golf Course.

This innovative community focussed Community Facility has been enjoyed by hundreds of young and not so young since it opened 20th November 1982 with thousands of dollars in revenue raised being donated to local causes, voluntary groups and organizations across a wide spectrum of ages including Girl Guides, Scouts, Air Cadets, ICONZ, “Bumps to Babies”, Arohanui Hospice, and Manchester House Social Services Senior Hub.

...just do it!

Club Publicity Officer Laurie Dalton said the project arose out of the club's desire to provide further recreational facilities in Feilding, adding value to the work the Club had actively been involved with around the Makino Pool Playground Facilities.

As part of its research, a mini golf committee formed in 1980, visited mini golf courses throughout the north island with the final plan for an 18 hole putting course, aesthetically pleasing, interesting and challenging for golfers of all ages and abilities, being endorsed by the club and the then Feilding Borough Council.

Construction of the course commenced in October 1981.

It saw club members put in approximately 12,000 hours of voluntary work.

The support for the project was overwhelming with donations from trades and the business community, local council and power board.

The assistance received from young men serving periodic detention was a feature.

To help celebrate this milestone the Public is invited to come along Saturday, 26th and Sunday 27th November 2022 between 10 am – 4 pm and enjoy a free game and a sausage sizzle.

Greetings Lions and Leos!

The last several weeks, I have had the opportunity to visit with many of you around the world, and enjoy hearing your stories of service made possible by LCIF grants. Our foundation truly empowers us to make a difference in the world, thanks to the continued support of Lions and Leos – like YOU – and many others who generously give to LCIF. In this month's newsletter, we reflect on the successes of Campaign 100 through a special video message, share a story of LCIF's impact, and offer resources for you to explore the grants LCIF offers. I also hope you will learn more about ways to support LCIF and opportunities to share what it means to you to be a Lion or a Leo. Thank you for continuing to be an ambassador for our global foundation.

HOT OFF THE PRESS – OCTOBER 2022

Hurricane Ian was a Category 4 Atlantic hurricane that caused widespread damage across the southeast United States and surrounding areas. The destructive storm system left at least 106 people dead, more than 40,000 people displaced, and many homes and businesses destroyed. When a humanitarian crisis of this magnitude strikes, we, as Lions, are ready to help. Right beside us is Lions Clubs International Foundation (LCIF), our global foundation. LCIF is mobilizing funds, including a US\$100,000 Major Catastrophe grant for Lions in Florida and other Emergency grants to empower Lions in impacted areas to help their communities recover.

Your donation can make a difference.

Bringing a New Member into Your Club

Congratulations on identifying a new potential Lions member. The process outlined here is suggested to ensure that this person enjoys their Lions experience and becomes a valuable long term member of your club.

Introduction to Your Club

Inviting prospective members to participate in meaningful service projects, whether they be fundraising events or community service projects is key to membership recruiting, public relations and also member retention.

Inviting new people to roll up their sleeves and help out is an opportunity to talk to them about how the club functions and what they can expect as a member. Inviting them along to club meetings and social meetings also provides another opportunity for them to learn about your club.

Pre Induction Meeting

There are some things that a new member needs to understand about how Lions and your club operates. Before a new member is inducted, it is a good idea for them to meet with a small group from your club to discuss the following:

- What they can expect to get out of being a Lion
 - Social interaction
 - Service
 - Learning opportunities
- How the Lions setup works
 - They are joining your club and Lions Clubs International
- Club meetings
 - How often
 - What is involved
- Time commitment
 - How much time will being a Lions take
 - Flexibility around busy lives
- Costs
 - Club subs
 - Dues (District, Multiple District and International)
 - Meals and any other club costs

Lions Induction

The Lions induction ceremony is usually carried out by a senior club member or a zone or district officer. There is a standard induction ceremony available on the LCI website or from your zone chair but this can be modified and simplified to meet your club's requirements.

The key things to include are:

1. A brief outline about your club
2. A pledge to participate in club activities

3. A pledge to abide by the Lions Code of Ethics
4. A sponsor who will commit to:
 - a. Introduce the new member to club members
 - b. Be a mentor for the new member
 - c. Ensure that the new member receives all information required to ensure they understand the workings of Lions and your club.

First Lions Year

The first year in Lions for a new member is crucial to ensure they get off to a good start and enjoy their Lions journey. It is recommended that a membership committee be established to manage and monitor your new members.

Key things to ensure are:

- New members are made to feel welcome.
- A mentor be appointed to help each new member. This may be their sponsor or someone else.
- The sponsor or mentor keeps in regular contact with the new member and ensure they come to meetings when they can.
- New members should be invited to all club projects.
- The mentor should ensure that the new member enjoys participating in projects, but also ensure they do not get overloaded. Family comes first.
- The new member should attend a full Lions orientation programme within the first 6 months. This could be arranged in the club or be done by attending a zone orientation meeting.
- If the new Lion is interested, offer then the opportunity to attend a board (business) meeting.

Second Lions Year

- Mentor to continue working alongside new member
- Membership committee to meet with new member to discuss their progress and whether they have any concerns or needs not being met.
- Introduce the new member to board meetings and discuss how the board operates.
- Encourage new member to work alongside someone organizing a project.
- Discuss further training opportunities with new member.

Third Lions Year

- Membership committee to meet with new member to discuss their progress and whether they have any concerns or needs not being met.
- Encourage new member to lead a project.
- Discuss possible roles on the board they may be interested in taking on.
- Introduction to Zone and District

LMCT Report - November 2022

The year to date has been a little slow in District 202D.

No applications for Grants or Loan have been made but I am sure they will start to roll in during 2023.

Donations have been received from **6** Lions Clubs, which percentage wise across the district is 18% and is slightly above the same time last year, but I know most clubs respond generously before Christmas and in the earlier part of the New Year.

Club treasurers have received a letter with an invoice in August and a follow up letter from myself, to Presidents and Secretaries in September/October 22. If this has not been received, please contact me by email or phone listed below.

It is encouraging to see and read about the projects many Lions Club are involved with, serving their communities with 3 Grants were made in 202D and a total of 12 New Zealand wide.

Recognitions in 202D are zero this year, surely this will pick up as we had 44 last year. I ask Zone Chairs to please continue to push these recognitions at Zone meetings, as I will miss the November meetings due to a long-awaited operation.

The LMCT has updated Grants and Loans forms and criteria which are available on the Website or from District Trustee who can assist in any application or grant.

Three Grants and one Loan were made to our District last year with a total of 12 nationwide, congratulations to those clubs.

The Emergency Grant application form and Name, along the Criteria are currently being reviewed to allow applicates to have more flexibility for the use.

Why report service

By sharing our impact, Lions and Leos inform, inspire and grow our global legacy of service.

Strengthen storytelling

Details give stories power. Saying you fed 87 families is more powerful than saying you organized a food drive. Saying your club contributed 1,265 volunteer hours last year is more powerful than saying your club serves the community. When your club reports service, you collect the details needed to share powerful stories of your club's impact.

*Photo by: Lion Othmar Fetz,
The LEO Book*

Inform decisions

Documented club achievements reveal what's working and what's not. For example, what if your diabetes education program is growing in attendance, but your annual club fundraiser is shrinking? Reviewing past service reports helps your club make better decisions, including choosing service activities and setting realistic goals.

Inspire service

Your reported service projects can be viewed within your district and around the world. That means your club's creativity and impact can inspire Lions and Leos to embrace new causes and serve in new ways. Reports also help Lions International staff identify best practices to share globally.

Why report service

Grow partnerships

Collaborating with other organizations in your community is a great way to increase the visibility, reach and quality of your service projects. When approaching potential partners, your club's service reports provide tangible evidence of your club's effectiveness to help persuade other organizations to join with you.

Enlighten leaders

High levels of service reporting are a sign of healthy clubs, zones and districts. Knowledge of your club's service history provides invaluable insight to current and future club officers. In addition, district, zone and Global Action Team leaders can best support your club when they understand how clubs in their area serve their communities.

*Photo by: Lion Othmar Fetz,
The LEO Book*

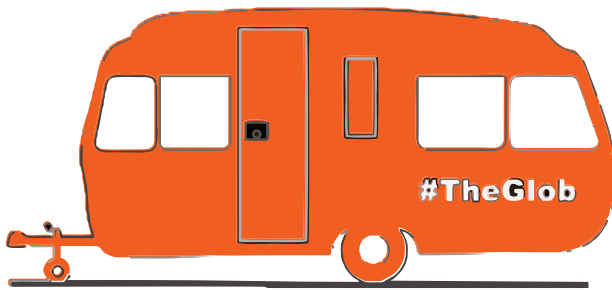

Be proud

Service data gives us the ability to communicate how **We Serve** around the world. For example, in 2021, Lions and Leos served more than 350 million people! We can take pride in that achievement thanks to the leaders who reported over 1 million service activities. Through service reporting, your club joins in that pride and is eligible for service awards.

Well done

Hello, my name is Alexie Phillips, I attend St Kevin's College, am a member of the SKC Leo's group and I am here tonight to thank you all for your support and to tell you about my time at the International Leos Camp held in Taranaki in July 2022.

The first 2 days of the 7-day camp were spent with Topec (an outdoor adventure school) doing physical challenges that included high ropes, rock-climbing, white-water activities and team building exercises.

Running throughout the time at camp was a treasure hunt of sorts. We collected logos and symbols with a prize for the most collected at the end.

We travelled to Hawera and did an Amazing Race activity around the town, learning some history and meeting local businesspeople. We also climbed the water tower. This day lunch was hosted by a local Lions group, and I must the food the whole time we were away was excellent!

We did a number of walks and some really stood out; Dawson Falls was spectacular and definitely pushed me outside of my comfort zone with a high rope bridge, but the waterfall was breath-taking!

The night walk at Lake Rotokare was a phenomenal experience! Hearing kiwi and seeing all sorts of bugs thriving in their natural habitat protected by a pest free fencing system was really special.

I am grateful to have had the opportunity to attend this camp, I made lots of new friends and enjoyed seeing new parts of country. I really loved hearing about the other campers' projects and ideas that are happening in their home areas, and I have shared many of these with the Leos at SKC. I really valued the experience and the leadership skills I have learnt, and I look forward to continuing to grow these skills.

Thank you again for your incredible support and sponsorship to allow me to attend this camp.

So the Pope is SUPER early for his flight.

He asks his driver on his way to the airport if he could drive around for a while because they have time to kill and he hasn't driven a car since becoming the pope.

Naturally, he's a bit rusty, so he's driving poorly, when suddenly he sees police lights behind him. He pulls over and when the officer comes up to the window his eyes go wide. He says to the pope "Hold on for a minute," and goes back to his car to radio the chief.

Cop: "Chief we have a situation. I've pulled over an important figure."

Chief: "How important? A governor or something?"

Cop: "No sir. He's bigger."

Chief: "So, what? a celebrity or something?"

Cop: "More important, sir."

Chief: "A major politician?"

Cop: "No sir, he's much more important."

Chief: "WELL WHO IS IT!?"

Cop: "Well actually I'm not sure. But the pope's his driver."

This World Diabetes Month, November 2022, we are calling all New Zealanders to 'Lap the Map' for diabetes prevention. Can you help us walk a combined distance surpassing the perimeter of the New Zealand coastline (15,000km).

Lions Clubs across the country are encouraged to host family friendly walks and community events to promote a healthy lifestyle and raise awareness of diabetes in New Zealand.

It doesn't matter how far you walk or run, it's about being involved, getting active and moving together.

All funds raised will go towards diabetes awareness and prevention.

Clubs can check out ideas and resources from <https://www.lionsclubs.org.nz/services/diabetes> which are being progressively uploaded.

NOVEMBER 2022

Hello everyone, thank you for all the great work you are doing collecting aluminium, old glasses and old money, keep up the good work.

Wendy Goodwin is the GST Leader for Multi Districts, she read the Contact and was very impressed with it, she hopes it gets entered in for the MD awards, well done Tobi.

She pointed out to me that the New Zealand Health system pays for the Kidney transplants for children, that the Kantabs money goes to families to help them on their journey with a child who has kidney dis-orders and may need a Kidney Transplant. The money is given to the Kidney Kids Support Group to be distributed as required.

Kidney Kids is a support group, it is a not-for-profit parent driven organisation that assists parents of children who have kidney dis-orders.

I will be attending the Child Mobility Clinic in Johnsonville on the 23/24th of November where I will meet the young man from 202D who has a Hart Walker. The young lady from 202D who also has a Hart Walker is going to the Christchurch clinic the next day. I may also meet Lions representatives from other Districts, which will be great. I will report on this event next month.

Heads up 4 Kids sent a report on funds raised for August and September, it is a pretty impressive sum, so well done all of you and don't forget you can apply for funds from Heads up 4 Kids for educational activities for schools, camps and individuals.

Cheers, Daphne

GLOBAL SERVICE TEAM

November is Diabetes month. We are encouraging Clubs to get behind the Lap The Map initiative as Lions contribution to cause. It's not too late to jump on board and get an event organised. If you do please remember to take photos.

A Diabetes symposium is to be held at Parliament on the 24th of this month.

The day is free to attend, Just need to register on the link below and can either attend in person or view online.

With speakers from New Zealand and Australia and many other interesting speakers it will be the biggest event in Diabetes for some time.

It is also being promoted from MD202 Lions NZ on our website and throughout the country and as Diabetes is a major core area of Lions, it would be good to see as many Lions there as possible, to learn what the new technology is going forward to help those suffering with Diabetes. Lions attendance will also show support for the research happening at present and proposed for the future. <https://www.otago.ac.nz/diabetes/news/otago0231654.html>

I encourage those who can to attend.

Also included is the link for the "100 Years of Insulin" 1/2 day Diabetes symposium to be held 24th November 2022 at the Grand Hall Parliament buildings Wellington.

JOKE OF THE DAY

A man and a woman were traveling in a train.

Woman: Every time you smile, I feel like inviting you to my place.

Man : Awwww! Are you single ?

Woman : No, I am a Dentist....

A wife, being the romantic sort, sent her husband a text: "If you are sleeping, send me your dreams. If you are laughing, send me your smile. If you are eating, send me a bite. If you are drinking, send me a sip. If you are crying, send me your tears. I love you!"

The husband, typically non-romantic, replied: "I am on the toilet. Please advise."

Hi everyone

Great Day at the market day in Palmy yesterday. Thank you to Antony for overseeing the sites for us and Graham for your organisation for the roster. It was a very successful event with a great LIONS presence in our community. A steady stream of people enjoyed the 'community feel' and we made a few sales which was a bonus. The promotional flyers and WARNING cards were distributed out to people passing by. These we all thought were amazing thank you Tobi and Steve.

Thank you to Kathleen and her team for bringing the gazebo and tables. The mini golf Kairanga Lions set up was really cool as it attracted the families of children and quite a few teenagers! Thank you to MD for giving away "freebee Mini Golf tickets" for the winners who putted a hole in one! We gave away heaps of them with "joyous booms of Yah" once someone putted the middle hole. Great fun.

Ron from Clearview was able to attract one new member which is great news. A young man sounded very interested in finding out more about Lions.

We enjoy the HotDogs and refreshments from MD Food Caravan. Awesome.

Enjoy the photos.

Yours in Lions,
Adrienne and Christine

Hawera Mt View recently held a very successful Car and Bike Show at the Hawera Racecourse with proceeds going to the the Hawera St John Building Fund. We invited Warren Nicholls and the Glob to come along and give some health checks and advertise the Glob which was well received. A few Normanby and District's members helped at with The Glob as well as public parking. We had a few market stalls, bouncy castle, Tinka the Train, Patea had a sausage sizzle which kept us well feed. Taranaki Kids Kartz gave rides and donated their takings to us to add to our total. We had around 200 cars and over 20 bikes on display. We have received alot of great feedback and we are delighted to say the St John will be receiving \$5150 for our efforts. Thanks goes to all that supported us on the day. Was very much appreciated.
