## DG Jules for J

Happy New Year.

I hope you all had some time to spend with family and friends over the Christmas and New Year break.

The Ashburton Motorhome Show has been a fixture in the area for several years. It shows us all the value our service gives the communities: the money raised really does change lives.

Looking forward, you will have the booking information for our Convention in Fairlie on the 31 March, 1 and 2 April. The theme of Back to the 70's is a nod to Fairlie Lions' 50 years of service in the community. Remember, this is our AGM and a chance for members throughout the District to make new friends, exchange ideas and renew acquaintances. This year there is no partner programme because we all are going on an outing together around Fairlie. A packed lunch is included.

As we go into the second half of the Lions year, I wanted to update you on our goals:

- ◆ Reporting Service online. Every club in J has reported service online, massive thanks. I know everyone is very busy so please contact myself or Jan if you need support to upload your projects.
- ◆ Officer training. J is currently at 91% of officers having either been to a training session or linked into some training for

example at zone meetings; this is an outstanding achievement, thanks to Judy for making this happen. Garth and Judy are busy preparing for incoming officer training, which I know everyone will support. As well as in person training every Lion is able to access the online learning through the website.

- ◆ New members. As of 8 January 2023, J has a net loss of two members. This is a good effort, but we need to appreciate that without new members the largest humanitarian organisation in the history of mankind will become history itself. That would be a great loss to our communities. As we all prepare to be led by Garth next year, all Boards and members need to think about what they can do differently to attract and keep new members.
- ◆ Finally, supporting our Foundation. I would ask members to support the Foundation and our own Lloyd Morgan Trust when considering who needs your financial support. The Foundation supported by Lions around the world continues to undertake humanitarian relief for peoples of Ukraine.

Take care of each other and enjoy your service.

*Together we're changing lives.*

## District 202J Convention

Hello members,

Happy New Year, I hope you had some time to spend with family and friends.

On behalf of all those involved in Convention23 we look forward to welcoming you to Fairlie at the end of March. The booking form is enclosed. You will see that there is no partners' programme. This is because this year the Committee wanted everyone to go out together. Therefore, the formal part of the Convention will be concluded in the morning and then we will all go out for a packed lunch and a trip in and around Fairlie.

There are heaps of different accommodation options in Fairlie and the surrounding area: any problems come back to me, and I will arrange for a Fairlie member to assist you.

It's been a while since we came together for a Convention so it would be great to see as many members as possible; we are especially hoping to see new members of our Lions family

Kind regards,

**DG Jules Ellis**

## Focus on FVDG

**W**elcome to 2023 and the second half of the current Lions year. Hopefully we can look forward to a “less disruptive year” now that we are all learning to live with this thing called Covid.

There is much to do in our communities. This became more evident to me when, over the recent festive period, I started reading Ruby Tui’s book “Straight Up”. We all know how Ruby has ended up – a star of the Black Ferns recent Women’s Rugby World Cup success. Given her experiences in the early years of her life it is amazing what she has achieved and the role model status for other young people to follow is there for all to see.

There are many similar instances in our community where young people, and their families, need assistance and direction. As Lions there are plenty of opportunities for us to involve ourselves in supporting the development of more young people with the outcome being better young citizens active in our communities.

### Lions Clubs Cancer Trust (Lions Clubs Skin Cancer Screening Service)

– I am the District’s Trustee and representative on this national project. The business plan is now complete and further details, and an implementation timeline will be provided over the next few months. In the meantime, the Trust does have a need for funds to continue its work to progress the project. Several clubs have donated already (including one donation of \$30,000). Support of this venture by Lions clubs is totally voluntary. For any club willing to donate Bank Account details are:

A/C Name: Lions Clubs Cancer Trust.

## Focus on Global Leadership (GLT)

Happy New Year.

First, thank you all for the marvelous work all the clubs have done in the District in 2022 and I look forward to the exciting activities and community project that you are embarking on this year.

Like most years there will be changes happening, some that we have a say in some we don't. This is why a continuous flow of information between Government changes, International, Multiple District, District and our Clubs is vital. Many of these changes this year we will not have any control over and we must comply with them. This is why forums are important - to pass on all the information we have. You get it from us not the grapevine.

Hopefully by now our 1<sup>st</sup> VPs have approached members and you have your next year's Board penciled in. May will see our yearly officers' training; this will be for all who have a position on the Board from Presidents to Tail Twisters and everyone in between and **not** just the new members, for those Secretaries and Treasurers who have done it for many years (and think they don't need any of this information as "it is always the same old stuff").

This once-a-year meeting is just as important to you as it is for the first time members. In the past it has been disappointing that the longer-term members don't come, as it is you who can pass on your knowledge, and also with changes happening you need to be in the know. You need to have the knowledge to keep your club on the right side both legally and within the guidelines of Lions.

For us to make the forum interesting to you our Lion members, we need to know what topics and positions you want. I NEED that information, so if you are interested in coming, please email me at one of the following:

[202j.glt@lionsclubs.org.nz](mailto:202j.glt@lionsclubs.org.nz) or

[judy\\_malcolm@hotmail.com](mailto:judy_malcolm@hotmail.com)

If I don't hear from some of you I also don't want to hear that "District doesn't do anything for the clubs", or that "District is out of touch."

As I have said before, if you stop learning you aren't old, you are dead.

**Judy Phillips,**  
*Your GLT Coordinator*

## Young Speechmaker Competition

---

The Lions Clubs of New Zealand offer youth from 16 to 21 years of age (as at 1<sup>st</sup> December the year of the competition) the opportunity to participate in a national public speaking contest.

The purpose of the competition is to give students the opportunity to enter in a speech competition with the first three winners, receiving cash (scholarship) prizes.

1<sup>ST</sup> Prize \$2,500

2<sup>ND</sup> Prize \$1,000

3<sup>RD</sup> Prize \$ 500

All applicants must be sponsored by a Lions or Leo Club on the official entry form.

Entrance fees are \$70 which are covered by the sponsoring club.

Entries close with Lions Club International District Youth Chairmen at a date determined by District Youth Chairman.

Your Local Lions clubs will advise entrants of this date. District finals to be held by June or early July 2023 - 202J's are held in Oamaru. The New Zealand final is usually held mid-August, at a location to be advised, usually in the North Island.

Every club should have an appointed Youth officer, please contact your local schools as soon as information becomes available; all schools are sent a letter from Multiple District, but this letter often doesn't get passed on to the appropriate teacher, so please try to make personal contact as this seems to be the best approach.

**Speech Criteria** - two speeches: Prepared and Impromptu

- ◆ Prepared: All candidates shall speak on a subject of their choice for not more than 6 minutes, and not less than 5 minutes. Contestants speaking under 5 minutes or over 6 minutes incur time penalties.
- ◆ Impromptu: Contest judges will determine a topic at the contest venue. All contestants will have the same topic. All contestants will have one minute to prepare their impromptu speech.

Their speech must be not more than 2 minutes and not less than 1 minute.

This competition is a wonderful experience for our young people, there is some amazing talent out there as displayed by our last year's entrants, they loved the experience and are vowing to compete again this year.

## Focus on Zone 2 News

Hello All,

Happy New Year to each and all.

I hope the Festive Season was kind to all.

Well, Zone 2 hasn't been too quiet with lots of Festive things happening as per the norm in December.

My only news from Zone 2 is that Zone 2 feels very strongly about meetings. There seems to be too many and as Chairman I tend to agree.

Yes, I maybe throwing a spanner in the works but why have a meeting of clubs that last 35/40 minutes in an area that generally takes longer to drive to destination and back.

Zone 2 has moved forward to having only two a year and perhaps two Zoom meetings. I am in favour but must admit Zoom meetings are a bit like watching paint dry on an overcast day.

We Zone 2 definitely see no need for meeting in February as time and meeting dates do not suit - the Cabinet meeting is being held out to a later time.

Any way enough from me; take care and see you all soon.

*Gerald Burgess  
Zone 2 Chairman*

## Global Membership Approach

I hope members and partners enjoyed a good break over Christmas and New Year and are enthusiastic about fellowship and service with fellow Lions in the remainder of the 2022-23 Lions year.

District membership at 31 December 2022 (as reported on MyLCI) was 1,155, two down from membership at 1 July 2022. This is well down from our goal of a net increase for the year ending of 10. These figures may not be fully accurate as 31 clubs had not reported current membership at the time of preparing this update. Can club secretaries please report monthly membership by the close of each month to ensure our figures are accurate and timely.

To meet our goals for this year we need to attract new members to increase the diversity of members and lower the average age of members and to focus on retaining, apart from deaths and transfers out of District, existing members by finding better way of enthusing and involving them. Let us all make this new year a time for encouraging and getting to know our fellow club members better.

## Lions Clubs International FOUNDATION

To date during the war in the Ukraine, LCIF grants are ensuring that Lions have met a broad range of refugee needs. This has included immediate survival needs, transitional needs for mid to long-term re-settlement and support for various types of services to help the refugee families integrate into their new communities, throughout Europe, and in some cases further afield.

There is still a great need for help with the refugees leaving the Ukraine. Individual Lions throughout the world are being asked to seriously consider donating to LCIF's Refugee and Displaced Persons fund. While your club may have donated to this cause last year, your generosity in donating this year would enable our fellow European Lions, through LCIF grants to continue supporting the refugee people of Ukraine.

To date nearly \$US3 million in grants has been awarded to assist the Ukraine people, both as refugees or displaced persons in their own country.

Most of us will have celebrated Christmas with family and/or friends

- this is something many of the Ukraine families would not have, and with the ongoing situation, the question needs to be asked – will they ever reunite as a family to celebrate another Christmas.

LIONS KINDNESS MATTERS - especially in these circumstances. A plea has been received from the Kyiv Lions in the Ukraine to donate directly to them, however when donating please donate through LCIF our Foundation, as all LCIF grants are accounted for. Going through LCIF also gives you Melvin Jones credits for future use of your club.

I trust you have a great second six months of our Lions year.

**Co-Opted Trustee Vacancy**

The Lions Clubs New Zealand Child Mobility Foundation was established in 2011 to operate, protect, manage and promote the MD 202 Hart Walker Project and since then the Trustees have expanded their horizons to investigate and advise NZ Lions on other suitable equipment for disabled children.

The Foundation's purposes are wholly charitable and include benefiting the community by being sensitive to the physical, mental and emotional needs of children within New Zealand with a disability that limits mobility. The Trust Deed offers Trustees the widest powers to undertake their duties and to offer guidance and assistance. Trustees receive total indemnity from the Trust Fund with the term of office being 3 years, with reappointment permissible.

A Co-Opted Trustee vacancy has arisen and therefore the Foundation invites applicants from our Lions family to provide their reasons for seeking the position, along with a concise CV outlining the attributes that they would bring to the Foundation.

Applications (electronic), marked confidential, should be emailed to the CMF Secretary, Alan Gray by **28th February 2023** and the successful applicant will be advised by 10th March 2023

The successful applicant would be expected to attend the CMF meetings in Invercargill on Friday 28th April 2023.

A copy of our Trust Deed is available on request or is available online.
