DG Garth

(As of Tuesday 11 July Boston time
Wednesday 12 July 2023 NZ time)

Welcome to the 2023/24 Lions year. June and July are the months when clubs hold their annual changeover and installation of Officers for the next year. I have been privileged to be part of some of these nights. I hear and see evidence of what clubs have achieved over the past year and the effect of us all serving has had on our communities and individuals. Wouldn't it be good if we could group all details of all of this service into one promotional feature of what we do and the support that has provided by all of us "together" as 202J Lions?

My theme for the year is "Lions serve; it's that simple". Some may ask how I arrived at this? I had the need to look up the history of our great organisation recently for a document I was preparing. Under a heading titled "On a Mission to Serve" the paragraph starts with those five words. Of course, this is what we have done and have been doing since we first began in 1917. It is still relevant.

Our District goal(s) are similar to and build on those of last year so as we can see continuing improvement with key issues as we move our District forward. This includes:

- All clubs report all service activities online.
- We grow our District membership by a net 25 members.
- We explore the opportunity for a new Lions club and/or Branch clubs in our District.
- Each club has member(s) attend training sessions.
- All clubs provide support for the work of LCIF.

I would also like to see greater involvement of clubs in supporting our Lions national youth programmes along with exploring opportunities to establish another three or four Leos.

I look forward to working with all clubs and Lions during the next year.

Lion Garth

"Lions serve; it's that simple"

2023-2024 Peace Poster Contest

The theme is "Dare to Dream"

To a young person, a dream isn't just a wish, hope or desire - it's a path, a goal, an ambition. But achieving that dream takes hard work.

So this year, we're asking young people to show how they'll turn their dream of a peaceful world into reality.

- ◆ Info at: <https://www.lionsclubs.org.nz/services/youth/international-peace-poster-contest>
- ◆ Kits available from 15 January - one kit per Lions club is available from the Multiple District office. Follow up with schools directly to give schools plenty of time to include it in their activities.
- ◆ 15 October: Deadline for entries to DG Garth Bateup

Changing of the Guard

DG Jules presents the gavel & gong to DG Elect Garth at the close of the May 27/28 Cabinet meeting

Congratulations!

King's Birthday honours presented to:

- ◆ **PID Tony Hanning:** MNZM (Member of the New Zealand Order of Merit) for services to education & the community. A member of the Green Island Lions Club.
- ◆ **Ron Smith:** QSM (Queens Service Medal), for Services to the Community and Land Search and Rescue. A member of the Methven Lions Club.

Global Membership Approach

The new 2023-24 Lions year provides an opportunity for clubs and District to build upon the outcomes of the 2022-23 year. Our District did well compared with other Districts in MD202 but membership recruitment and retention remains a challenge for all Districts.

Following changeover all clubs have new officers with the opportunity to provide enthusiastic leadership leading to greater visibility of what Lions do and the fellowship they enjoy. Let all of

us support our club leaders in growing and showing our Clubs. Make your club one you are happy and proud to be part of and comfortable inviting others to join and enjoy with you.

Congratulations to all the new club officers and best wishes for an active and enjoyable year in Lions.

GMA and GMT Coordinator

♣ Winter Crop Competition:

As per past years, the **Waiareka Valley Lions Club** and the **Waianakarua Lions Club** ran a successful Winter Crop Competition which pits North Otago growers against each other in a battle to grow the best fodder beet, kale, swede and winter rape. This year, the clubs raised about \$64,000 which will support the Rescue Helicopter, Oamaru St John Building Fund and the new Waitaki Events Centre. It is a huge workload for the two clubs with many, many hours spent on the project.

♣ Oamaru:

Had a successful book launch night at the Oamaru Club which raised \$3,000 for Cyclone Gabrielle Relief. It was a great night enjoyed by all who attended. On a sad note, the club farewelled Tony Cartwright, a great Lion and a past top North Otago cricketer, who died in May after a short illness.

♣ North Otago:

Congratulations to Judy Phillips and Beryl Naismith who received International President's medals at the Convention – well deserved. The club had its usual cheese-roll fundraiser in May and set a record for the number of cheese-rolls made. In June, many senior citizens from rest homes in Oamaru enjoyed the lunch provided by the club.

♣ Palmerston:

Have been busy with manure bagging and their Kirkwall Street Environmental project. Will miss their secretary, who for personal reasons has transferred back to North Otago. However, the club will be in good hand as past secretary, Lynnette, has taken back her old job again.

Lake Tekapo Lions Club Donates Gloves & Mittens

Photo credit James Cage

When Lake Tekapo Community Development worker, Julie McDonald saw a post on the Community Facebook page, that Jasmine (Head Teacher) at the Kindergarten was looking for donations of gloves and mittens to keep the children attending the Playgroup and Kindergarten warm while playing outside, she had an idea.

The Lake Tekapo Lions Club collects donations from the Wishing Well by the MacLaren

Footbridge, so Julie approached the Lions to see if they could 'Grant Jasmine's wish', with funds from the wishing well. The Lions members loved this idea and donated 30 new pairs of small mittens and gloves for the tamariki.

In the photo by the Wishing Well, the children are showing off their new gloves & mittens with Jasmine & Emma from Lake Tekapo Kindergarten, Stewie Inch and Steve Robertson from Tekapo Lions and Julie.

Changeover

Michele and I have had the privilege of being invited to join a number of changeovers this year; thank you. It is an important part of our Lions year. Each club, however big or small has a unique way of acknowledging the work of the members, board and President.

I have been struck by the number of members and clubs that want to get back to being a service club rather than raising money for other charities.

Incoming Lake Tekapo President Steve Robertson made it clear in his first address to the club that they are open for business. Steve said that he expects other charities and organisations to more than just write a letter requesting funds; he wants to work with them, on projects and membership. The club is leading by example. They are working closely with the pre-school and primary school, to look at what projects will be impactful for the young families and schools in their area. They make sure that their projects are always in the media. They were recently on the front of Fairlie Accessible, and again this month provided

another great story which you can read in J-Times.

Steve knows that impactful projects supporting members of the community in their passions create membership opportunities and growth. Steve would like to look at rejuvenating the laneways which people walk through. Projects like this will attract funding from LCIF and Lloyd Morgan. Projects like this bring communities together, projects like this create stronger communities, which is what a service organisation should do.

Lake Tekapo is one of many clubs in 202J, which last year completed 1,200 service activities. I am excited to see what a difference the next 1,200 service activities will make to our communities.

Good luck to all incoming officers for another great year.

Lion Jules

Our annual cheese rolls fundraiser of over 11,000 cheese rolls has proven a hit again. Lots of cheesy jokes on the day, but a lot of fun was had.

The club has delivered children's PJ to The Kindness Foundation PJ Project and Timaru Columbus.

We have provided support for Diabetes Awareness, Multiple Sclerosis South Canterbury and supporting Isabelle's mobility project and participated in a community expo. Work continues at Caroline Bay Bike Skills Park Shelter and the Penguin Camera projects. Timaru Suburban Lions would like to thank the community for their support for annual raffle. Funding for this goes to supporting local community groups and initiatives.

Club members went to Methven for the day and attended a local show as well as listened to some amazing guest speakers.

We have celebrated Brian Williams' 50 years of community service as a Lion and welcomed two new members to the club.

Look out for our Lion Mints fundraiser. These are found in a variety of businesses throughout Timaru. A good way of supporting Lions, to support the community.

A new initiative underway is a new LEO club for people aged 12-30 years and provides Leadership, Experiences and Opportunities.

If you are interested in being involved in our club and your community, go to Facebook – timarusuburbanlions or contact projects@timarusuburbanlions.org.nz

Disaster Relief Emergency Grants

This grant is available for Lions Districts when a natural disaster strikes, to meet the immediate needs of the victims affected by the event.

The Emergency Grant provides for the purchase and distribution of the basic necessities of daily life such as food, water, medication, blankets, toiletries including personal hygiene requirements and cleaning supplies.

Emergency Grants are available in amounts of \$US5,000 - \$US10,000. The District Governor is responsible for making an application for this grant which must be made within 30 days of the disaster occurring. NOTE – Individual clubs cannot apply for this grant but in most cases it will be a club or clubs in the area affected that will run the project.

Part of the criteria to qualify for this grant is that there must be at least 100 people impacted or displaced by the disaster, and those funds must be utilised within 30 days of receiving them. The District Governor must provide details of the Lions active involvement in providing the immediate relief to the affected disaster victims, bearing in mind LCIF does not make grants to third parties. A final report and financial statement is required by LCIF upon completion of the project for which the grant was given.

Two such emergency grants were recently given to Districts M and K for cyclone Gabrielle.

Should an emergency arise in your area, does your club have a plan in place?

Teamwork is important

Even though my typewriter is an old model, it works quite well, except for one of the keys. I wish many times that it worked perfectly. It is true that there are forty one keys that function well enough, but just one key not working makes the difference.

Sometimes it seems to me that our organisation is somewhat like this typewriter.... Not all the people are working. You say to yourself, well I am only one person... I won't make or break a programme. But it does make a difference, because any programme, to be effective, needs the active participation of every member.

So the next time you think you are only one person, and that your efforts are not needed, remember my typewriter and the story that it tells.
