### Newsletter # 3

October is almost upon us and it will seem like in the crack of a whip November will be here and the Lions District 202K convention is on.

#### Time to look at the checklist

Have you completed your registration?

Club delegates approved and ready for registration?

Club secretaries- obituaries sent to District Secretary.

*Just a 1 page précis along with a photo please.*

Accommodation booked?

*There are rooms at the Copthorne, Waitangi (A number of rooms are being held until 30th September and on 1st October the rooms that haven't been booked will be released) plus an abundance of other bunk houses close by. If you have your own waggon, there are options too.*

Costumes sorted for Saturday night's chow and hoe down?

*It will be time to do-si-do with your dancing pumps on. It's the Country and Western Convention so get out the gingham and leather outfits.*

The convention weekend starts with a community project in the Kaikohe area on Friday afternoon.

The convention programme is:-

**Friday** 1st November is registration- 4pm to 7pm. Opportunity to mix and mingle and have dinner in the restaurant

**Saturday** registration 7am to 9am. Business session 8.15am for 8.30am start. Guest Speaker after lunch. Evening programme 6pm mix n mingle, to be seated by 6.30pm for line dancing demo and dinner to commence at 7.15pm followed by dancing.

**Sunday** Remembrance and Rededication 10am to 11am followed by light lunch.

At the business session there will be interesting speakers including International Director Graeme Wilson from Invercargill and former Black Cap Mark Richardson.

Waitangi and the immediate area have so many attractions the partners programme will be a cracker.

There will be Lions display tables and it is a chance to buy the International President Fabricio Oliveira LCIF supporter pins. These are limited to this year only.

Perhaps get a group from your club together and make it a club social event.

It is a perfect time to holiday in the north so why not take a few extra days and go north to Cape Reinga or explore the Bay of Islands.
