Editorial Comment: Where has the year gone!

Last week Americans, and others around the world celebrated Thanksgiving. Thanksgiving began in the USA in the mid 17th Century, becoming a national holiday in 1789. The purpose of Thanksgiving is to pause and reflect on the blessings and good things in life. For many American

families, the tradition they observe is to sit at their Thanksgiving dinner table and one by one share the things for which they are grateful.

In New Zealand, while we do not embrace Thanksgiving for its historical origins, many see it as a chance to pause, reflect and express gratitude. It serves as a reminder to appreciate the people, moments and the opportunities that enrich our lives. Whether through shared meals, kind gestures or quiet introspection, this celebration of thankfulness serves to connect and cultivate a spirit of community and appreciation. In our busy, fast paced lives, taking time to reflect is a tradition worth making our own.

Wishing you all time to pause and give thanks. May you enjoy a relaxing, peaceful Christmas season, with family and friends.

Seasons Greetings to Fellow Lions

Summer is approaching and the days are lengthening. It has been another busy month with club visits, a Cabinet meeting, a Council of Governors meeting and the first of the District Conventions with 202k Convention in Waitangi.

It still amazes me, on my club visits to hear what clubs are achieving in projects and humanitarian events to support their communities. The Alzheimer's walk in Palmerston North is one such event; what a brilliant event to hold and for Lions to be a part of. I was way out in the beautiful village of Pohangina looking at the old school and there was a brand new square of concrete which has just laid. Later I learned that it was a Lions project with local Lions who had done it. The places where Lions Clubs just do service for our communities with no accolades is unbelievable; as a PDG recently said, "Just do it!" The Christmas Parades have started and I don't think there is a Lions Club in our district that doesn't help or run one.

Every Lions member that I talk to, and indeed every club, has the same focus to serve their communities and to help the less fortunate within them.

Lions sure can move mountains and are sure making their mark!

The District Cabinet met early November, at Addis House. It was a great success, with good attendance of cabinet officers and a large amount of topics for discussion.

A committee was set up to administer and prioritise how we can use the US\$10000.00 that the district was lucky enough to receive at International Convention. It has certain criteria around it which will be worked through but I am sure we can find some great projects to support.

I also want to thank the brand new Club Branch of BOS (Bulls - Ohakea - Sanson) for catering for the Cabinet lunch. I have a feeling it was their first project and we appreciated the top job they did. Thank you so much.

The Council of Governors meeting was held at the Life Flight headquarters in Wellington. What a place it is and what a job those dedicated pilots and medical staff do. We were granted a guided tour. They have two planes but we couldn't get to see one close up as they are never still for long, constantly flying all around New Zealand saving lives. We did manage to get close to the helicopter but it also had to leave to go on a mission while we were there. Lions, led by District 202M are fundraising to support this great organization. They have received \$50,000 from the Loyd Morgan Trust, and have applied for \$150000 from LCIF as well as fundraising from Lions Clubs. All districts but ours has had clubs donate to this worthy cause. They are \$5000 short and wouldn't it be great if our clubs could pitch in and make it happen.

The 202K Convention in Waitangi was a great event once again showing what Lions Clubs and members are doing in other parts of the country.

The organization of our 202D Convention being held in Stratford on the Friday 28th Feb to Sunday 2nd March is well under way and is going to be an exciting and very reasonably priced event. This is down to the amazing committee that was put together with members from Toko, Stratford, Eltham and Kaponga Clubs. The sponsorship obtained has been amazing which has enabled us to keep costs very low. I just can't thank them enough.

It sure makes one so proud to belong to the largest service organisation in the world! I say to you all, be proud of what you achieve because you sure need to be and make sure we tell the world -Shout it out! Lions sure can move mountains

Barbara and I would like to wish you all a great time with family and loved ones this festive season.

Have a safe and happy Christmas and I look forward to reconnecting in the New Year.

DG Denis Hurcomb

Are you interested in representing our District by being a Trustee on the Lloyd Morgan Charitable Trust? LLOYD MORGAN
O.B.E.

20 January 1918 — 24 August 2001

The story...

Lloyd Morgan, an outstanding New Zealand Lion, served as International President during the 1979/80 Lions Year. It is customary for the Multiple District to make a presentation to their retiring President, in recognition of their service. In most cases, the presentations take the form of a substantial personal gift, such as a luxury motor car. Lloyd Morgan made it known to the New Zealand Lions clearly and firmly that he would not accept a personal gift. Nevertheless, there were Lions within our Multiple District who were determined that Lloyd's year would receive permanent and lasting recognition.

Several senior Lions travelling together and discussing the situation came up with the idea of a Lions national charitable trust, and it all followed on from there. The idea was put to the Multiple District and capital funds were sought from Lions Clubs. The Lions family rose to the occasion and the upshot of it all was that during the International Convention that marked the end of Lloyd's year, the MD202 Council Chairman of the day, Pat Ryan, presented Lloyd with the newly formed Lloyd Morgan Lions Clubs Charitable Trust, established with a seeding capital of \$36,000. In those days, that amount of money would have bought about three luxury motor cars, and this and the concept the trust represented caused quite a stir in some quarters.

The Lloyd Morgan Lions Clubs Charitable Trust (LMLCCT) is unique in the world of Lionism, and has gone from strength to strength. The Trust holds a prominent place of respect and value in Multiple District 202. Lloyd was Patron of the Trust for his lifetime, and took a keen interest in Trust affairs, particularly in his capacity as a member of the Grants and Loans Committee.

Children of Courage 2025

The date has been set for Sunday 13th April with the day being celebrated at both ends of the district. Please mark this date in your diaries.

Information will be sent to clubs early February.

In the meantime, keep your eyes and ears open for those children in your communities who have shown courage in the face of adversity.

Bringing a New Member into Your Club

Congratulations on identifying a potential new Lion! To ensure a positive and lasting experience, you should consider following these steps:

Introduction and Involvement

- Invite to Service Projects: Engage them in hands-on activities to showcase your club's impact and provide opportunities for interaction.
- Attend Meetings and Social Events: Invite them to club meetings and social gatherings to learn about your club's culture and values.

Understanding the Lions World

Before induction, have a conversation to clarify expectations:

- Benefits: Highlight the social, service, and learning opportunities.
- Lions Structure: Explain the hierarchy from your club to Lions Clubs International.
- Meetings: Discuss frequency, format, and time commitment.
- Costs: Outline club dues, international fees, and potential event expenses.

Nurturing your New Lion

The first year is crucial for a new member's integration. Consider these tips:

- Welcome and Mentorship: Make them feel valued and assign a mentor to provide guidance.
- Project Involvement: Include them in various projects to foster a sense of belonging.
- Orientation: Provide a comprehensive orientation to Lions and your club's operations.
- Board Exposure: Offer opportunities to attend board meetings to gain insights into club governance.

Continued Growth

Continue to nurture your new member's growth over the next few years:

- Ongoing Mentorship: Maintain a supportive relationship with the mentor.
- Leadership Opportunities: Encourage them to take on leadership roles within projects or committees.
- Board Involvement: Explore potential board positions to further their engagement.

By following these guidelines, you can ensure a smooth transition for new members and cultivate a vibrant, thriving club.

Wishing you all a Merry Christmas,

Manawatu Cancer Kids Christmas Party

Another fantastic day with the Manawatu Cancer Kids happened on Sunday. It was another action-packed day with the children taking part in the big variety of entertainment provided. The children had a great time riding the Rongotea fire engine, the Manchester Lions barrel train, a couple of vintage cars, two huge trucks and various other vehicles. They jumped on a bouncy castle and did other indoor activities. The highlight of the day was probably the arrival of Father Christmas in an RNZAF helicopter. It was great to watch the landing and the eventual appearance of Father Christmas. The helicopter crew were only too happy to mix and mingle with the guests; it was great to see. Our Lions and ladies were once again very much moved by the joy and excitement each child experienced- it was a day of happiness and at times emotional for our members. A big thank you to all the people who helped out on the day with special activities and entertainment, and lots of thanks and appreciation to our Lions' ladies who assisted our Lions with the preparations, cooking and serving. You are awesome! Well done everyone.

The weather was mostly kind for the Rongotea Christmas Parade and a number of locals and visitors turned up to watch the floats, husky dog team, pipe band and vintage vehicles. Father Christmas made a special appearance on the back of a vintage truck.

Congratulations to Stratford Lion Raewyn McDonald who was honoured as one of the 100 recipients nationwide to receive a KiwiBank Local Hero Medal.

From the Stratford Press write up: “Raewyn McDonald loves to serve her community. From putting together parcels for Pregnancy help and organising raffles for Stratford Daffodil Day, to her role in Stratford Lions, everything she does is to help people.”

Raewyn was nominated by Pregnancy Help for the award.

Publicity

Publicity

President Kevin has made being "Visible" as one of his goals. A full front page of the Standard is a very visible way of showing off our Lions club.

This follows the Guardian article just a few weeks earlier.

Well done to Craig and the team.

From the Guardian

"A rat and predator-free Palmerston North? The return of native bird song?

That's the lofty goal of a community group taking on the seemingly biblical task of ridding the city of all rats, stoats and ferrets that feast on bird life.

The Middle Districts Lions Club Charitable Trust was inspired by the Wellington suburb of Miramar recently reaching predator-free status.

Lions Club member Craig Hart said the group is optimistic that, over time, the city will pick up the challenge of ridding Palmerston North of vermin".

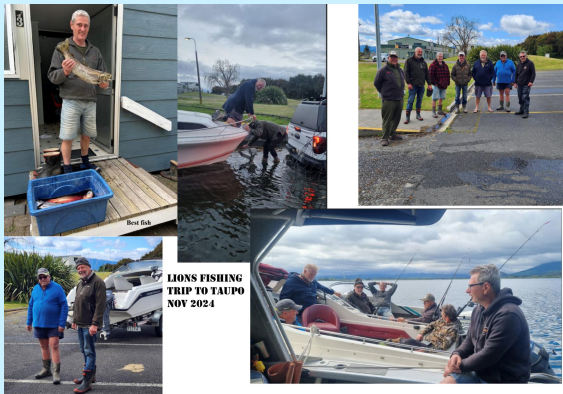

"It is exciting. It can be done."

And the Christmas Parades around the district...

So many of our Lions Clubs are involved in organising or supporting the Christmas Parades in their communities, some have been and some are still to come.

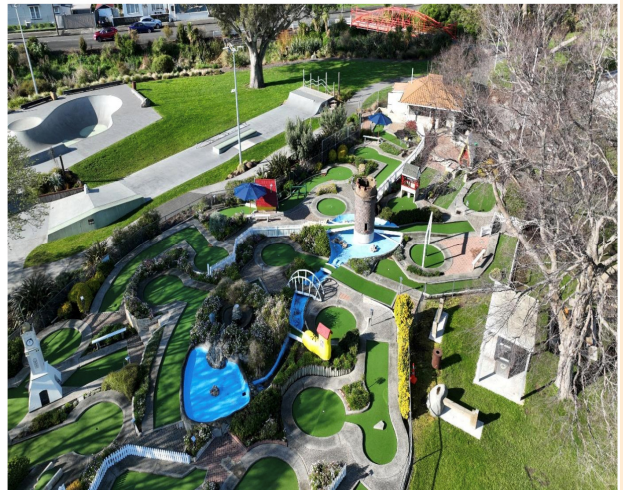

And I heard there was a giant replica of a Lions Christmas Cake featured in the New Plymouth parade.

Showing the importance of fun. **Colyton Bunnythorpe Lions** - enjoying each others company and probably a 'tall tale' or two!

NEXANS FUN RUN

The Nexans "Fun Run/Walk" was held at the Sinclair Events Centre. There were 184 people entered in the event. The age range was from very young children to the 60 plus. The distances were 2, 5 and 10 kilometres for both runners and walkers. The Opunake Lions Clubs acted as administrators, marshals and barbecue operators. The Event went reasonably smoothly apart from the administrators being given the wrong list of entrants and a small hiccup when it came to the prize giving. The children seemed to be given preference over the adults when it came to the distribution prizes. However it all ended in smiles. Thank you to all the Club members who volunteered to help run the event.
