

### **The Vehicle**

This is the Vehicle as it looks at the moment without the logos on. It is currently being sign written with our advertising. You can see what appears to be a window between the doors. It is in fact a 55 inch TV which we can play educational videos and sponsors logos and messages on.

### **Screening**

It has two inspection rooms which will operate with a doctor and two Nurses on Saturday the 29th. We will be looking for those who have not been scanned for skin cancer to send their name into our coordinator on the day at [202E.cancertrust@lionsclubs.org.nz](mailto:202E.cancertrust@lionsclubs.org.nz) so we can fit you into our register of appointments with a time., We have some from Kaikoura already advising they want to be screened. So please let us know.

### **Donations.**

We still need donations to finish off the current vehicle. Some additional costs involve the addition of a purpose made awning with sides. The awning sides are an additional \$4500 which if a club wanted to sponsor with a donation that would help us immensely. On top of that we need to have the sides and front screen printed with our lions logos and the Screening service wording. Again another part of the project that needs to be covered.

### **It never to late to Donate**

**use our QR Code**

**Look forward to seeing you at convention,**

**Paul B O'Connor** M.B.E. (Mil)

Chair Lions Clubs Cancer Trust.
