DG Wendy Goodwin

Hello Fellow Lions

Winter is starting to have its say now. Our LCIF coordinator Maree Hayes did not make the Cabinet meeting as she was fogged in at Christchurch airport Friday and Saturday, and this week is predicted to be a wet one.

Volunteer week

National Volunteer week is the 16th to the 22nd June so lets do some promotion and tell the public what your Lions club is up to. I have been to see our local paper The Ensign. They will be contacting me soon for information as they put together an extra spread on Volunteer week. Use Facebook, your local media and word of mouth to promote your club and service. Just ask someone if they would like to come to a service project.

Childhood Diabetes Research Trust.

Last bulletin I wrote about the Childhood Diabetes trust, and the result of the remit at convention, at Cabinet on Saturday we reviewed the 2-year business plan as requested at Convention. It's a comprehensive document and apart from some minor changes it is a clear summary of the purposes of the trust. Which are as follows.

1. To conduct medical research into Type 1 Diabetes in NZ
2. To promote understanding and awareness of type 1 diabetes in NZ
3. To facilitate the development of therapeutic treatment of type 1 diabetes in NZ, and if possible, prevention

Type 1 diabetes (TD1) is a life-threatening disease that most often begins in children, in which the immune system attacks the cells in the pancreas that produce insulin.

The lack of insulin results in high levels of sugar in the blood, which is fatal if not treated by a daily regime of insulin injections and blood sugar monitoring. It is not curable and has a raft of long-term complications such as blindness, kidney failure and heart disease. It represents a significant burden on the individual, the family unit and the health system. There are approximately 17000 type 1 diabetics in New Zealand. Please continue to support the Type 1 Diabetes project as the District works through the process. Together the District can do so much, as clubs we can only support small projects with Diabetes

Club excellence award

I have included in the Southern Flyer the form for the Club Excellence award. Just check to see if your club qualifies and send it to me for the District Governor's signature. The close off date is August 31st 2019.

District Officer Training and Development days.

These are to be held on June 9th at Cromwell College and June 16th at Gore James Cumming Wing. We ask that those holding positions in their clubs for the next Lions Year attend these days. Cromwell has a cut-off date 30th May which is only next week. Leadership coordinator Jocelyn needs attendance numbers by this date to arrange the catering and the presenters need to know for handouts. A lot of work goes into these days and the presenters give up 2 weekends to help officers gain a better knowledge and understanding of how to run an effective and productive Lions club. If you have some good ideas for training, please contact leadership coordinator Jocelyn directly so she can evaluate them and introduce them in the future. +Clubs are asked to pay the cost of the day for the attending Lions

Ranui House

Clinton Lions instigated the Ranui House fundraising project. At the recent District Convention \$4217.00 was raised for Ranui House. \$2210 from the Cake auction alone and the rest from donated goods from sponsors. This will be added to the total which District Treasurer James has collated. Clinton Lions would like to close off this fundraising and the funds will be sent to Ranui House by the end of June. If your club would still like to donate, please send to District Treasurer James Whyte tagged as Ranui House and make sure to attach your club number for identification.

MyLion

All incoming officer names for the 2019-2020 year should be uploaded to Lions Club International through the MyLion site. If you are still having trouble logging on please contact your Zone chair for help. All Incoming officer contact details have been sent to Multiple District for the new Directory. If they need more information, we will be contacted to contact the relevant clubs. Hopefully you won't hear from us.

Multiple District workshops

We have been advised by the MD team that the National treasurer/Secretary/Webmaster are hoping to visit each District to hold workshops on these positions in Lions club. This happened a few years ago and was very successful. Your zones will advise you of the dates in November once they are confirmed.

LCI dues direct debits.

At a recent Council meeting Governors voted on the ability for Multiple District to Direct debit clubs to collect Lions Clubs International Dues. At the District Cabinet meeting this was given sign off to approach 202F clubs. In July and January all Clubs pay the Lions Clubs International Dues. These do not have to be passed before payment at a Club board meeting. Clubs will have the option of having the dues direct debited from their club account. The Multiple District will contact the club up to 3 weeks beforehand to give notice of the withdrawal so clubs can make sure the funds are available.

This will eliminate the need to deal with cheques or banks, especially in towns who have lost their banking facilities. I have dealt with several clubs who were near suspension through unpaid dues or the dues ending up in the unidentified payments account due to the club number not being on the document. We have had instances of the club numbers not being entered at the bank level and so the payments do not get credited to the club account. This means the clubs could be suspended after 90 days under the International Constitution. If the account is not paid the club is cancelled, losing the ability to operate as a Lions club with a charitable status. All members are affected. All club statements to LCI are available on the club website (the same page as the MMRs are recorded) to the right of the page are some drop downs and the word Statement appears. Open and print off the current statement for the treasurer.

Please bring this to the attention of your club and contact me if the club would like to proceed with this before the end of June.

Yours in Lions

District Governor Wendy Goodwin

You will need 10 plastic bags at any given time.

Any sort of plastic bag will do, but plastic bank bags or grip lock bags are best.

Send them regularly to Resene HQ no matter the amount. Fill multiple bags if necessary.

You **do not need to count** the money, but it is **important to sort** into the following categories:

Bag One: All NZ copper 1 & 2 cent coins can be put in the same bag together.

Bag Two: Silver NZ 5 cent

Bag Three: Silver NZ10 cent

Bag Four: Silver NZ 20 cent

Bag Five: Silver NZ50 cent.

Bag Six: All old New Zealand Banknotes together

Bag Seven: Current New Zealand coins and banknotes.

Bag Eight: Old Pre decimal NZ pounds, shillings and pence (in separate bags if possible)

When you have sorted all collected bank notes and coins, please package all bags together into a sturdy bag or box and **label 'Heads Up for Kids' with your club name and contact details inside.**

Do not send back in Heads Up for Kids Collection Cans – keep these for collections.

Take your sorted and securely packaged parcel of collected monies to your local Resene store, from there it will be couriered to Resene HQ. Alternatively if there is not a store near you send direct to Resene Paints, 32 Vogel Street, Naenae, Lower Hutt.

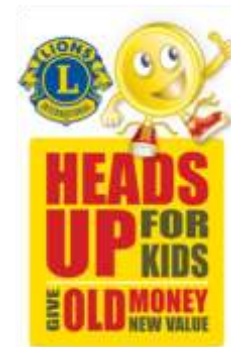

To reduce pressure on our kind courier sponsors Fastway, please send small amounts regularly, not huge amounts rarely.

Thank you!

A Big Thank you to Mandy from us all.

It is with regret the Council of Governors advises that Mandy Hebben has resigned from her position of Multiple District Secretary, effective the end of September 2019.

Mandy stepped in at a difficult and sad time for our Multiple District and her proficient administrative skills have been greatly appreciated. By the time Mandy steps down she will have held the role for two and a half years. During this time, she has assisted in guiding our Multiple District through some tough financial times and put some modern administrative practices into place. We thank Mandy for having the resolve to remain firm in managing the budget on our behalf and acknowledge this was never going to be easy. Mandy has willingly assisted the MD portfolio holders bringing increased value to these programs and in recent times the office has managed the Quest portfolio. Mandy has also worked hard at lifting our brand through updating materials, assistance with the new website and ongoing social media activity.

The Council of Governors and Council Advisory Board thank Mandy for the work she has done as our Multiple District Secretary and acknowledge that finding a replacement with the same skills may not be an easy task. Mandy is a passionate Lion and a valued member of the Lions Club of Orewa and we look forward to seeing her working hard on club projects via Facebook.

We wish Mandy all the best with her future endeavours.

An Expression of Interest notice for the Multiple District Secretary role can be found within the "Between the Lions" newsletter.

CHANGES TO MYLCI

CHANGES TO MYLCI

From Thursday 28 March 2019, your old username and password will no longer gain you access to the MyLCI website to file MMRs and enter Club Activities. There are two ways forward:

1. If you have ever set yourself up with a username and password for the MyLion App, whether on a smartphone or computer, then this becomes your new username and password. When you go to mylci.lionsclubs.org, use the left hand side (SIGN IN) of the screen and enter your details.

If you've never used the MyLion App, then you need to set yourself up with a new username and password. To do this you will need your membership number, if you don't have it, please feel free to contact me to get it (details below). Alternatively, you could get it from your Club treasurer as it is on the international dues notice. You will then need to use the right side (REGISTER) of the screen accessed from mylci.lionsclubs.org to set up access.

Once you're set up and get in, it looks just like it used to. Depending on how you get to the site, you might need to select MyLCI once you're signed in.

If you have any issues, please get in touch and I can remote to your computer. Please do so before Easter as I am unavailable between Easter and the end of April (ie in time to file your April MMR). I also work full time so nights and weekends would be the preferred time for assisting.

Contact details: Lynette Batt, ph 021 440 636 (I do not have a landline – or text me and I can phone you back), or via email 202f.mmr@lionsclubs.org.nz

Wanted Host Families for Japanese Youth Exchange Students 11th to 27th August 2019

Our names are Sue Evans and Allan Fleury and we are currently trying to find host families for 2 Japanese Youth Exchange Students who wish to come and stay in Invercargill, the wider Southland area or in the Wanaka, Cromwell and Alexandra areas. We would like to share some of the information we have received to date about the students wanting to come our way.

Ayano Suisha will be celebrating her 18th birthday on 10th August. She lives in Osaka, Japan with her parents and two brothers. Ayano attends the Koniko Yao High School and her favourite subject is English. She is a keen tennis player and enjoys playing the piano and going to the movies. Ayano wants to experience our food and also wishes to be able to cook a Japanese meal for her Host Family.

Ayana Hashio celebrates her 17th birthday on 25th August. She lives in a village called Taka-cho and she loves the beautiful cherry blossoms in spring. She lives with her parents and she has a brother and sister. Ayana travels to her High School by bus each morning. She belongs to a swimming club and enjoys movies. Ayana loves food but not carrots!

We are only looking for a host family/or families for a week at a time unless of course you are in a position to host students for a longer period. In the past, some of host families have chosen to take two students at a time while others prefer having just one. While we realise that for many of us, we do have work and family commitments, if there was a Member in your Club who could take on the responsibility of having a student to stay and with other Members helping out with day trips etc. this would work in well. Having a student is certainly a great way to bring Club Members together in a social way. This is a wonderful opportunity for you to have International visitors and learn from them as well as sharing our country and culture with them.

We would appreciate hearing back from you by 31st May 2019. We realise this is a short time frame but there is a lot of organising involved to ensure that everything runs smoothly. For some Clubs you have probably had your monthly meeting and we would really appreciate it you could email this information out to your Members and encourage them to seriously consider having a student.

If you require more information please feel free to contact us. Our email address and phone numbers are below.

We look forward hearing back from some of you.

Gore Pakeke

Congratulations Doris on mastering sending the bulletin by email.

The good thing about Pakeke Lions is there is always something happening, something to take our attention and report on. The (new) runabout pickup truck is no longer a nameless faceless vehicle running around town picking up cardboard because on its radiator and the sides is emblazoned the Pakeke lions logos. To acknowledge the input of the regular driver Lion Trevor Woodrow the word 'WOODY' has also been added to the art work and Lion Trevor has accepted it in the good humour that it was intended.

The progress of the Gore Hospital Family Room is not progressing as fast as we would like when we are going to make financial contribution to it.

A member suggested to have a combined meeting with the other Gore Lions Clubs with the aim to know each other better, share information and combine efforts in big projects etc. His suggestion has been taken up and a meeting is planned in July.

Generic Club Email Addresses (@lionsclubs.org.nz)

A generic email address is like a post office box – static, accessible by multiple people easily, keeps your personal information private.

What is a generic club email address? It is an email address or addresses for your Club that are used for Lions thereby keeping your personal email address private.

How many email addresses can a Club have? As many as you like, it would be suggested that your Club President and Secretary have one each, or your Club as a whole have one. Examples where this is in place would be Waikiwi who have a President and Secretary address president.waikiwi@lionsclubs.org.nz and secretary.waikiwi@lionsclubs.org.nz or Roxburgh and District who have roxburghanddistricts@lionsclubs.org.nz. The Club name in some form needs to be in the address to distinguish you from other Clubs.

How difficult is it to get a lionsclubs.org.nz email address? It takes one email to the Multiple District Webmaster (currently Chethna Naidu) requesting what you would like. When you email Chethna, also let her know if you would like the club email address to default to your personal one. This means that when you log into your personal email account, you will see the lions emails as well, or you can keep the two separate.

What are the benefits of having a lionsclubs.org.nz email address?

- If you change your personal email account during the year, you only have to let the Multiple District Webmaster know if you have the lionsclubs.org.nz email address defaulting to yours. If it isn't defaulting, there is no impact. If you are using your personal email you would need to notify an endless list of people.
- Seamless transition of office bearers from year to year. One email to the webmaster to advise who is changing roles and to get the set up changed, and you're ready to go again.
- If the person in a role, ie Secretary, leaves the position during the year, an email to the webmaster advising and the email will be transferred to the new person, and the password reset.
- If someone is temporarily unable to fill a role (ie travel overseas, major illness etc) the email could be accessed via gmail by another member of the Club without emails being lost.
- Reduces spam email because once you move out of the role and no longer have the email address, you won't be consistently contacted by organisations seeking support.

What is the downside of having a lionsclubs.org.nz email address? I haven't yet come across any...

So what are you waiting for? Email Chethna today and get set up for the next Lions year directory listing...

Formal recognition of our charter status took place on the 25th February.

Members proudly received their Charter certificates and pins with those members unable to attend receiving theirs at a later meeting.

The event was well supported by Lions from other local clubs. Special thanks go to Liz Murray, Wendy Goodwin, Owaka Lions and other special guests.

Balclutha Lions do a mean BBQ. Market Day at Kaka Point earlier in the year

saw our popular rissoles sold out. Further BBQs have been provided at the Balclutha Raft Race Day and an Auto cross event at the Mills property Te Houka.

This BBQ below from 1984 has been lovingly used and cared for by the Clutha Licencing Trust since 2001 when the previous Lion's club disestablished. 18 years later the new Balclutha Lion's Club has the BBQ back ready to sizzle a sausage or two!

Marshalls were provided for a mountain bike event where positive comments were made about our new high vis vests. A group of enthusiastic lions have been quietly working away at splitting logs at Garry and Anne Craig's. (Love your Thought of the Day-SF Ed)

Clinton

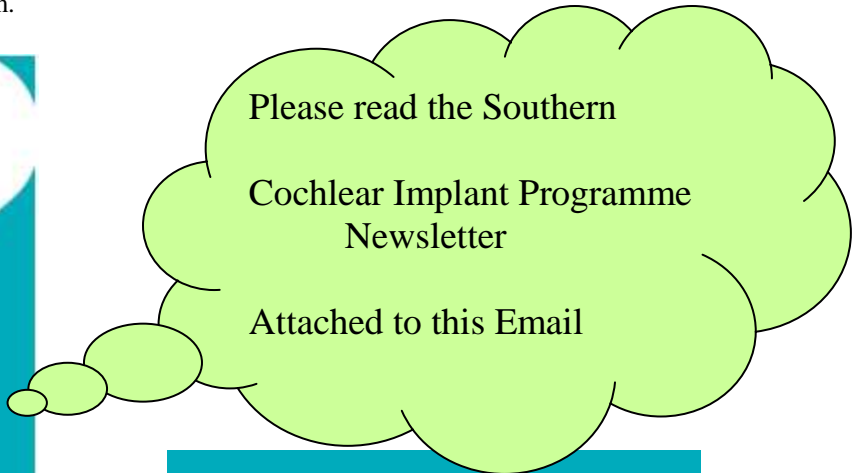

All entries are needed as asap for the Brassica competition and all sponsor vouches. The addition to the playground in the Clinton Triangle looks great. A club member spoke about setting up the “Clutha Foundation” along with 8 other trustees. The foundation is looking for funds to get started

Southland Girls High Leo Club

The Southland Girls’ High School Leo club recently donated a cheque for \$3000 to the Ronald McDonald Southland House to go towards their new carpet. The Ronald McDonald Family Room Southland Hospital Supervisor, Helen Walker, came and spoke to us and we presented her with the cheque. The Ronald McDonald Houses across New Zealand have helped support many families, including some of our own members, so it was nice to be able to give back and contribute to them. At the Bake Sale held in March, we raised a total of \$308. We have decided to donate this money to the Invercargill Toy library and look forward to having them come and talk to us about their establishment next term.

Does anyone out there know anything about this T-shirt .

Our Life Member Mr Murray Rose's family were rummaging through some old clothing and came upon this old T Shirt which Murray and his wife Chris, seated behind, remember the whole family having be the proud owners of one. They seem to think it was from around the 1980's and remember family in the North Island also sporting their own shirts. The inscription on the front reads IF ANYONE CAN, A KIWI CAN. Does anyone remember the slogan. It might have been part of a campaign. It brought great delight to the Rose family and Lions members when Murray wore it to our meeting.

If you have any knowledge of what this slogan was about please reply to-

There was a good attendance at this years ANZAC service. The youth of the district taking part was so pleasing to see. The head students of the "Catlins Area School, Adam Puller and Logan Bird read the poem "In Flinders Fields" and laid a wreath to honour the soldiers, George Hancox played the pipes, Alanah Anderson played "The Last Post" and Archie read the Ode.

26th May 4WD trip along the cliff tops and over spectacular country. Meet at Alan Burgess woolshed at 12 noon. And afterwards for a BBQ.

Greg Ramsey from Catlins Search & Rescue thanks President Karl for the deep fryer that was donated to the CSR.
