DG Kevin's Commentary

Time keeps marching on and we are into a new Lions year and another opportunity to excel in our maxim “We Serve” for the new Lions year. My theme for this year as your District Governor is “**We Serve by Caring and Sharing**”. This had a lot of input from Glenys so my thanks to her for her help, support and positive attitude in this busy period. DG training in Chicago during February was an awfully long way to go and we were assured that it was cheaper to do the training this way and that it would be like this for the next five years.

Congratulations to Kevin Cameron, his Committee, members of Rakaia Lions Club and to all those associated with the running of PDG Tony's Convention. I have heard a lot of positive comments at how well the Convention was conducted and I agree. It was great.

It is good to hear of clubs growing membership and long may it last. I know that it is a constant tune being played but we need to get into a rhythm and have as many as we can dancing to the Lions beat.

My thanks to PDG Tony and Shirley for their support, direction and friendship. To VDG Ella and Wayne thank you for your continued support, help and friendship. To 2VDG Christine Stewart and Kevin, congratulations and thank you for your support and going the extra mile in helping me to prepare for my year as DG and organising the coming Presidents' Dinner for me. To all members of Cabinet thank you for your encouragement, help and advice in steering me in the right direction. To those who are not returning to Cabinet I

DG Kevin's Commentary (cont'd)

thank you for everything you have freely given and achieved. The friendships made will last forever.

Last but not least, thank you to my Lady Glenys for all your patience and understanding in all things. Driving home from meetings in the middle of the night can be exhausting and tiresome but you are the glue that holds it altogether.

I have managed to fill most positions on Cabinet with the exception of one Zone Chairman at time of writing in May. I am hopeful that I can have this filled soon.

With consultation the District's goals for 2019/20 have been agreed and we now work towards achieving them in this new Lions year. I thank those who have put their name forward to be in the District 202J team and are prepared to put their

shoulder to the wheel to help in overcoming the challenges our District faces. I look forward to working with you all and delivering to the Lions of District 202J leadership that we can all be proud of. I know that we will leave nothing in the tank as we seek to build, inspire and support membership, clubs and the District to the best of our ability.

Yours in Lionism

Kevin Bryson

The Treasurer Talks **New Lions Year Housekeeping**

Being the start of another Lions Year, it's important to check whether any new signatories need to be added to your club's accounts. Usually the Past President retires from that duty and you have your new President, Secretary and Treasurer as authorised signatories.

Any new signatory will need to provide your bank with:

- a) a completed signatory form
- b) sworn declaration (*by a JP*) of their photo ID and proof of address
- c) their personal IRD tax number.

They will also have to visit a bank branch to identify themselves and sign the signatory form in front of a bank officer.

If adding a new signatory, your bank will require a copy of your Board Minutes showing the approval of that person as a new authorised signatory.

The above also applies to your club's charitable trust, with usually the new president and treasurer joining at least one already appointed trustee.

Club Treasurers will receive **via email only**, in mid-July, an International Dues invoice, covering the first six months of the new Lions year and later in July, they will receive **via email only**, one invoice covering MD202 and District 202J Dues for the first six months of the new Lions year.

If unsure about anything to do with signatories, dues, or any other financial matter, please contact District 202J Cabinet Treasurer.

District 202J Cabinet Treasurer Graeme Hathaway
(027) 457 2063
202j.treasurer@lionsclubs.org.nz

To ensure all deposits to LCI and LCIF go through correctly, could Treasurers please email 202J Cabinet Treasurer Graeme Hathaway once they have made a deposit.

Just email the date, amount and reason and 202J Cabinet Treasurer will double-check that your deposit has been received and reconciled correctly.

No shortage of female company for Mosgiel Lion

"Happy club"... Mosgiel District Lions Club president John Stewart gets mobbed by his female club members (front from left) Gretchen Preston and Lynne Smith (top from left) Sandra Ramsay, Anne Stratford, Carol Partington, Rita Cartwright, Glenys Stewart, Doreen Vanderhoek, Rebecca Matthews, Gaylene Paterson, Sharyn McGlynn and Raylene Findlay. (absent female members Jan Bradley, Bon Smith and Helen Elliot).

Mosgiel District Lions Club president John Stewart rarely finds himself lacking female company. The club has more female members than male - its largest gender divide since the club was founded in 2007.

Mr Stewart, of Mosgiel, said the club had 20 members and 75% of them were women.

Club member Rebecca Matthews, of Mosgiel, said a factor for the divide was many of the women being widows.

Mr Stewart said when the club was founded it was closer to a 50/50 share of men and women. The induction of Lynne Smith and Sharyn McGlynn at a club ceremony in Mosgiel last week and four women transferring from other clubs strengthened the percentage share of ladies at the club.

The members' ages ranged from 35 to 85. New members were always welcome. "We are a very happy club."

The club's motto "We Serve" had members at fundraising events such as sausage sizzle, manure drives, street appeals but it wasn't all work as regular social events were held, such as dinners, a Melbourne Cup day, Christmas parties and card nights.

Thanks to all the Lions in Zone 3 that have supported me this year and welcomed me to your tea meetings. Special thanks to Vicki Gould who has kept us all on track with the minutes and reminding us when the zone meetings have taken place.

Congratulations to Timaru Suburban for winning the best project of the zone for their swimming platform. I am informed that President Bruce swam out to it, however I am not sure it counts if you use a wet suit!

Congratulations to Pleasant Point on their winning the Multiple District 202 Pat Ryan Youth Award for their work with Heart Kids South Canterbury. Many thanks to DG Tony Thomas for joining their changeover evening to give the award and meet the kids.

Timaru Host are having a membership drive that will see new members join the Lions family - well done.

Waimate Club turns 50, a great milestone. Thanks to Waimate Whitehorse for agreeing to host the District Convention in 2021. I am sure the Zone will support you however you need.

Good luck to everyone in our next year.

Focus on Zone 5 News

The clubs in this Zone have experienced a period of activity and in some cases growth of membership.

♣ Port Chalmers and District:

Have continued to support their local community with catering, donations and support to the Berwick Outdoor Experience, local school activities, and their annual sales of pea straw.

♣ Otago Campus:

Have continued to increase their membership and become active in their community but need the support of other clubs to assist with projects, and money raising ideas, for both their project and admin accounts. They appreciate the assistance they have already received and are willing to help wherever they can by assisting other clubs.

♣ Dunedin Host:

Continue to work with the usual activities and assistance, street appeals, hospital bed pushing, pine cone collecting and sales, and the usual donations to Berwick, Child Mobility etc.

♣ Toroa:

Although small in numbers still continue to do plenty, from collection of used specs, hearing aid batteries, to the making and donating of comfort cushions and knitted "knockers" for the Dunedin Hospital, and donations to Camp Quality.

♣ Balmacewen:

Continues to grow with the introduction of women into their membership and is the largest club in the Zone. They are busy finalising their defibrillator project, ongoing pen sales, firewood and Trade Me sales, and the usual manning of collections and other activities.

All in all it has been an enjoyable time as zone chairman for Zone 5 and encouraging seeing the clubs continuing to be active and healthy in their service to the local communities. Thank you all for the opportunity to be once again part of the Cabinet and part of the Lions family.

Next zone meeting 8th August 7.30pm at the Church of Christ Community, corner St Andrew Street and Filleul Street.

The Lloyd Morgan Lions Clubs Charitable Trust

Trustee Incorporated as a Board under the Charitable Trust Act 1997
Patron PDG David Gault

Organisation for two Trust luncheons, one in Timaru and one in Dunedin is underway. Both will have interesting speakers. For those who have never attended they are a great way to catch up with fellow Lions from around the District.

Invitations will be sent out. But I would say that if you are a **Lloyd Morgan** recipient and you know the luncheons are coming up and haven't received an invitation, just register to attend, don't wait. Information on dates and venue will be in J-Times in the near future.

29 clubs out of 35 from our District have so far donated a total \$16,250, a pretty good effort. And also three clubs have received back \$9,708 in grants. The clubs who have received grants are Dunedin South for the purchase of Robots for a school technology programme, Dunedin Balmacewen to assist with the purchase of defibrillators and containers to allow 24/7 access, and Oamaru for the purchase of a defibrillator.

The latest figures I have for the Capital Fund as of 31/05/219 stands at \$5,852,776 the income account \$212,969, Special Trusts \$897,561, and funds managed on behalf of others \$315,204 giving a total of all funds of **\$7,278,510**.

Cash available for grants and loans \$183,218

Finally I would like to ask the clubs who haven't as yet donated to please do so; wouldn't it be great to have 100% of our clubs donate this year.

Remember when donating, you can honour a member of your club or someone in the community with a Trust award. If your club has had a bereavement then how about donating to the Trust and add the Lions name on the Honour Roll. The Roll is maintained and is displayed at Multiple District Convention and electronically at District Conventions for all to see

My first year as your Trustee is coming to an end and I have learned a lot so far and I look forward to working with you over the next year.

Looking for the Lions logo to use for your project, bulletin etc?

The above logo is the **official** 2 colour Lions logo - & has been since 2008.

It can be downloaded from the revamped LCI website at:

There are also other official versions available from the LCI website.

If you just Google "Lions logo" or similar wording without going to LCI's website you'll find all sorts of incorrect unofficial or obsolete versions.

Note: When judging club bulletins a mark is deducted for use of an obsolete logo (unless it is part of a pre 2008 club banner).

Focus on Mobility

Welcome to the new Lions year.

Club GST Coordinators remember that October is Child Mobility Awareness month. This is a good opportunity to organise an event to raise awareness of the terrific work Lions supporting children to experience activities that most of us take for granted. This could be a walk inviting members of the public to join you and charging an entry fee or being sponsored.

The Dunedin Marathon is taking place on Sunday 8th September, which includes a 10km walk.

Perhaps Lions clubs could organise a group of club members and friends to participate with sponsored t-shirts or caps and leaflets advertising something taking place in October. If your club is helping at a water station or having a food stand at the end, then you could have posters, etc displaying your pending event.

Lions Clubs International
FOUNDATION

On behalf of Lions Club International Foundation special congratulations are extended to the following Lions who have been recognised as Melvin Jones Fellows during Past DG Tony Thomas' 2018/19 year.

- ◆ Zone Chairman Garth Bateup, Ashburton Lions
- ◆ Lion John McKimmie, Rakaia Lions
- ◆ Club Secretary Selwyn Mundt, Rakaia Lions
- ◆ Cabinet Media Manager and Alert Chairperson Sally Woodhead, Temuka District
- ◆ District Global Leadership Co-ordinator Josie Teahen, Temuka District
- ◆ Club President John Ware, Otago Peninsula
- ◆ Past President Milton Lions Club, Lindsay Divers

To be recognised as Melvin Jones Fellow is an honour in itself, but it is also an acknowledgement from your respective clubs of your outstanding contribution and loyal dedication in the name of Lions to your club, community and District. Congratulations and well deserved.

As we enter our new Lions year under District Governor Kevin Bryson's leadership, he has committed in his District Goals to fully support LCIF by encouraging all Lions and Clubs to participate in

"Campaign 100 LCIF Empowering Service".

Worldwide all Lions are being encouraged to contribute \$3 (NZ) – (not even the cost of a cup of coffee) a week as a personal contribution to Campaign 100.

An idea worth considering?

Most people in a year donate money to a lot of worthy causes, be it on street corners, via phone, mail etc and you possibly don't realise how much you do donate in a year.

For this next Lions year, a suggestion is that you consider directing such donations that you make to our LCIF Campaign 100. This is one way that individual Lions can support this work. It is interesting to note that Multiple District 202 has received more in funds from LCIF over the years than has been donated.

Campaign 100's aim is to raise \$US300 million by 2021 to enable Lions to serve 200 million people a year as we enter our 2nd century of service.

Please support Campaign 100.
