District 202F

We Serve

DG Dave Saunders

Welcome fellow lions to my fortnightly blog.

Well I have just come back from the Zone 1 meeting, it was well attended by all clubs in the Zone.

The clubs were very busy with inducting new members and doing plenty of projects for this quarter.

A well run first up meeting hosted by Zone Chair Glen Vaughan .

The Presidents Luncheon: If you as a President and cannot attend I would urge you to send a Deputy in your place as these functions rely on your club participation to make it a successful event.

Dress code will be TIDY CASUAL and **please advise if you can or cannot attend to the 202f Secretary Liz by no later than the 20th** of this month.

Last year there was a successful Leo camp held by District F and District J Leo's. It is hoped that this can be extended to other Leo clubs in the future .

Did you know there is a **Lions e-Clubhouse** .

To start [http:// e-clubhouse.org/application.php](http://e-clubhouse.org/application.php) .This is a Lions website which is connected to LCI.

CAMPAIGN 100 : helping others around the world in the key areas of VISION, YOUTH, DISASTER RELIEF, HUMANITARIAN, DIABETES, HUNGER, ENVIROMENT, AND CHILD CANCER THIS INITIATIVE started in June 2018. TO DATE IT HAS RAISED OVER US \$100 MILLION AND BY JUNE 2021 IT IS HOPED TO HAVE RAISED US \$300 MILLION

PLEASE REMEMBER TO ATTEND THE NEW ZEALAND LIONS ROAD SHOW IN NOVEMBER ON THE 2ND IN GORE AND THE 3RD IN CROMWELL. I will be reminding you all every fortnight about this important event.

That's all for this week.

PEACE POSTER COMPETITION 2019. TO ALL CLUB PRESIDENTS and YOUTH OFFICERS.

I am asking for your help in getting the “Peace Poster” information out to the schools in your area.

We had 3 schools taking part in our Peace Poster competition last year and it would be good if we can increase that number. To achieve that, we need to have a club member approach a school, in their area, in person, to explain why Lions International runs this competition for pupils aged from 11 to 13 years old.

“What is peace?”

You may well ask and the answer is varied, but it is that period when disturbances no longer exist. We understand the notion of wars between nations and within states, but closer to home we could include civil unrest, peer pressure, bullying, especially cyber-bullying nowadays and also family violence could be included. Teachers discuss with their students these concepts before starting the posters and the competition could just well be the reason to discuss one or any of these subjects with their class.

If a Club has a member who is understanding of and empathetic of the concept of the Peace Poster competition then he or she will hopefully pass on to teachers that enthusiasm and we maybe able to increase the number of schools wanting to take part. It maybe too late for schools to pencil in the competition this year so keep in touch and 2 visits next year, one at the start of the school year, then about June when we receive the year’s theme from International. This will keep the information in the school’s mind.

For schools interested, send me their email address and name of the appropriate teacher, I will email the Peace Poster information to the school.

The dates for contacting the schools is crucial, as the schools do need to have the information as soon as possible to allow them time for forward planning for this term.

The closing date this year is Friday, 25th. October, 2019.

Hopefully, this system will mean that we don’t waste money on printing and postage but only on what is required and used by those that are interested and will benefit from the competition.

Thanks very much for your help and if you have any queries, please do phone or email me.

The new clean-up table is looking good here, long may it last. This model is much lighter than the last one; with drainage holes so gear is not left sitting in water (if left to drip dry).

I believe it has done away with the finger biting folding parts of its predecessor. Pretty blue colour also. Thanks Muzza and his team at Anderson Engineering for a job well done. David Ritchie spoke to the meeting about Tourism and Heritage in the Alexandra- Clyde region and his family's experiences in developing Oliver's in Clyde. He mentioned that Tourism in Central Otago contributes around \$40 million to district; David also spoke about some of the challenges that confront the industry e. g. recruiting and retaining staff. Place makers request to cater for the Prostate Cancer Fund Raiser at Dunstan Golf Club Sat Sept 14th – meeting happy to help out with this

BALFOUR

President says: Oh, what a night, mid-July back in 2019 it was a memory meant to be, Oh what a night!

I trust everyone who attended the clubs 40th celebrations on the 13th of July had an enjoyable time. Our next projects will be tailing in October again which is always an enjoyable social gathering with many laughs and a great club fundraiser. The year certainly isn't slowing down and we need to be thinking about the Fireworks display which is set for Nov 2nd. (sorry I can not report what the awards were for, nothing in bulletin re what for)

Te Anau Kepler

We had a great day out in Invercargill last Saturday (all 12 of us) at Transport World. The weather wasn't flash but the company was great and lunch was yum. Thanks to Bernie for sussing out the special price and organizing. She is a great social secretary. Thank you to Nancy who made up some more snack packs and delivered to the Ambulance Service (the Fire Brigade does not need a top up yet nor is the Manapouri Fire Service). the Kepler Lions that attended the change-over night (some with wigs on) had an enjoyable night. Thanks Audrey for all your hard work.

BOOKS, BOOKS, BOOKS – if you have unwanted books, in good condition, cluttering up your cupboard box them up in preparation for the Book Fair project. The aim is to hold this either late September or October. You can help by getting the word “out there” re donating unwanted literature to Lions. Children's books especially welcome. Details will be circulated in SIN and on the Notice Board.

From the Archives: Minutes – 1 Nov. 1994. “A letter has been received from the Community Board declining our application to build a chess board on the waterfront. Directors decided to seek support from the Promotions Association for this project. If support is forthcoming then a further application will be made to the Community Board.”

An example of persistence paying off perhaps. The end result can be counted as one of our success stories over the last 50 years.

Our District Governor for this year is Dave Saunders from Wanaka. He, along with his wife Ann, will “officially” visit our club for our September meeting. They are planning to stay until the weekend so that they can be present at our 50th Anniversary barbecue.
