# District Governor's Message

## Hi all Lions

Another month has slipped past very quickly. What an exciting and rewarding time it is visiting Lions Clubs throughout the District. Every club has differences how they operate, and that's just fine as you identify what suits you best. It means you are bringing into practice "MY CLUB MY WAY". Change is needed and you are commended for stepping outside the norm and trying new ways and ideas within your clubs and how you serve the communities you live in, which in turn is attracting new Lions into your clubs. These new ways need to be shared with other clubs so please take the opportunity to pass these on via our 202D bulletin Editor or even on MY LION and Facebook.

As a District we need to grow our membership along with retaining our current members. "It is not money which makes a Lions Club, it is members". Our District started the year with 1101, over the first two months we have slid a little further and as of 27/08/2019 we now have 1088 members. I know there have been many new members inducted this year, throughout the 202D District so please record them on My LCI as soon as practical after their induction. (If you are having difficulties doing this please contact Mike Short or myself). My challenge to Club Presidents and Membership Coordinators is that each club increase its membership by plus two, by June 30<sup>th</sup> 2020 from what you started the year with. Not a huge task if every member gets involved, it will not happen if it's just left to one or two this should be a total club effort. The benefits each club and the District receive will really make a difference, not only to membership but spreading the load in service projects. There are many potential Lions in our communities, they just need to be asked and made welcome. I look forward to hearing about the creative way's you put in place for growing membership.

**Proudly supported by McDonald Real Estate Ltd.**

## District Governor's Message cont;

Club bulletins are a pleasure to read, they are informative, of a high standard and the quality of reporting absolutely marvellous. Editors you are doing a terrific job keeping your members informed.

The 202D Contact bulletin is sent out each month by email to Club Secretaries, could you please forward these onto your club members, by doing this, a new idea could spark someone's interest to say "I can do that" creating an opportunity to serve others in your community. Remember every Lion is a leader they just need an opportunity to show it.

Many clubs continue to reach out to those in need within their communities, may this continue and increase over the year. Lois and myself were privileged to help Lions from NP Pakeke Club serving the NP Hospice sorting clothes for their shops. It was fun to be part of that day so thanks for inviting us along

Council of Governors recently met in Palmerston North and confirmed the appointment of Rhonda Kaire as MD Secretary

Current Secretary Mandy was fare welled.

Council of Governors will trial a one-day meeting format.

Every effort is being made to reduce MD costs but with membership numbers dropping this is also having an impact on the budget.

**INTERNATIONAL PRESIDENT • 2019–2020**

## **To Lead, We Must First Ask How We Can Serve**

Greetings Lions!

“You can lead a horse to water, but you can’t make him drink.” Have you heard this saying? This is supposed to speak to the limits of persuading people to do things that may be good for them. But I see this

differently.

I say, maybe the horse wasn’t thirsty.

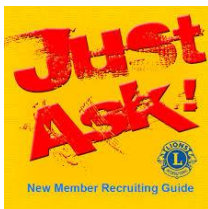

Maybe the horse was hungry. Or tired. Or maybe he had a sore tooth that needed treatment. Often, when we assume we know what is best for someone, we are wrong.

Good leaders do not just lead people to water. They ask them what they need and bring it to them. I call this servant leadership.

As Lions, we are all leaders. And it’s our responsibility to listen to those we serve and do everything in our power to get them the tools they need so that they can in turn serve the cause. In my year as leader of Lions, I will be continually asking those I meet how I can help them to be better Lions. I ask you to do the same.

**We Serve.**

If you are a district governor, ask your club presidents what they need to bring in more members. If you are a club president, ask your members how you can help them have the best experience as a Lion. And if you are a Lion, reach out to the community. Ask them what they need. And then bring it to them.

That is how we all become leaders in change for the world.

Sincerely,

**Dr. Jung-Yul Choi**

**International President, Lions Clubs International**

## Youth Exchange opportunities

On our team for MD202 we have 2 positions Available.  
These are both new positions and volunteer roles.

### YE – Marketing

This person needs to be able to use Social media along with other outlets for marketing.

Needs to be able to use multiple publishing programmes to creating flyers and the like. A self-starter.

### MD202 Inter-district exchange co-ordinator

The YE team have decided with the suggestion and support of some of the DG's to start an inter-district exchange. There are many opportunities for our Young people with in our MD.

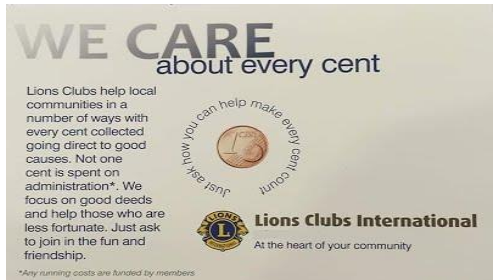

Chatham Islands, Fiji and other Islands are all part of our MD, then there is the country meets town, south meets north, along with the cultural experiences we could also offer.

The opportunities only stop where you let them.

This is a great opportunity for someone with a passion for youth.

If you are interested in either of these, please ring or email Carol McMillan, YE Chief Co-ordinator on 0274571 402 or [carol@amc.nz](mailto:carol@amc.nz)  
Close of for this will be 5pm 17 September 2019

Whenever 'Membership' is mentioned, eyes seem to glaze over and people stare off into space, body language changes!

However, the reality is, as we have all heard before,

**“Membership is critical to our association. Members join to serve. They remain Lions because of the service being conducted, the friendships that have developed and the impact they have on people’s lives.”**

Membership is more than just recruiting new people to bolster numbers - it's about looking after those members we already have - it's about blending the old with the new, accepting the new ideas and innovations younger members may want to contribute while respecting the wisdom and experience of those who have been around forever!

It's about valuing everyone's uniqueness through uniting with a common desire to make a difference in our communities, in someone else's life.

As we move through the year I ask you all to re-think: **'Why am I a Lion?'** We are all pretty good at talking about what we do as Lions, but not the potentially more powerful **why** we do it. I believe it's because we all LOVE to serve! To make a difference! When we share our love of Lions and Lionism, we talk straight from the heart, and in turn directly to the part of the brain that drives behaviour.

As we continue to introduce potential members into our Lions clubs, I ask you to lead with your why. It's your "why" that will truly connect you to those you speak with.

As said by Helen Keller, "The best and most beautiful things in the world cannot be seen or even touched - they must be felt with the heart."

**Proudly supported by McDonald Real Estate Ltd.**

## District News

## Membership cont;

As Presidents, as office holders, as members, we all have the power to make a difference in our clubs. We have the opportunity to think carefully about our 'WHY' and a chance to reconnect members to their 'Why': **the drive**, as Lions to do good things for the community, **the need**, as Lions for strong connections, networks and friendships, **the desire**, as Lions to serve others less fortunate, **the love of** making a difference in someone's life.

Think with your heart! Focus on your purpose - remember **why** you do what you do. We don't get burnt out because of what we do, we get burnt out because we forget **why** we do it! Let's get those membership numbers back up again!

**We are Lions. We serve.**

### **Calling All Lioness Clubs**

The Lioness Bridge Program, established to help encourage Lioness clubs to join the Lions family, will be ending on June 30, 2021.

Between July 1, 2019 and June 30, 2021, clubs that decide to convert

can have any number of members, and charter fees will be waived. In addition, all Lionesses who join in this time period will carry over their years of service and will be offered a credit allowing them to pay half international dues throughout the remainder of the program (cannot be used with any other discounts offered by LCI).

Help spread the word to the hardworking Lionesses in your district. It's never been a better time to become a Lion.

**YOU DON'T JUST JOIN A CLUB,  
YOU BELONG.**

**Proudly supported by McDonald Real Estate Ltd.**

The most effective Lions clubs regularly identify ways to expand their service, develop leaders, and meet club members' needs and expectations. In short, they take care to ensure they continually bring value to the community and to club members.

Perhaps your club is doing things in the current manner because 'we have always done it this way.' Perhaps your club is doing everything well; meeting the needs of its community and its members. Or, perhaps your club is "going through the motions," meeting community needs with service projects to which members don't feel a genuine connection. Without a genuine, personal connection to the types of service the club provides, members may not realize the full value of their club membership.

It never hurts to take stock of things from time to time. Importantly take advantage of inviting not only club leaders, but club members to share their perceptions about the club. This is the best way to get an accurate assessment.

### **Consider the following: Club Operations**

- ☐ Are meetings effectively planned and managed?
- ☐ Is decision making fair and transparent?
- ☐ Are club gatherings and events lively and of interest to members?
- ☐ Do members regularly attend and participate in club functions?
- ☐ Do you need to reconsider the format of club meetings?

### **Service**

- ☐ Are the club's service projects relevant to current community needs?
- ☐ Are club members genuinely interested and personally connected with the type of service the club provides?
- ☐ Are members enthusiastic and actively involved in the service provided by the club?
- ☐ Is club leadership receptive to members' ideas for new service?
- ☐ Are new members invited to participate on project teams?

### **Membership**

- ☐ Are opportunities to expand club membership regularly identified and pursued?
- ☐ Does our club reflect the changing composition of the community?
- ☐ Are members informed about club issues and events?
- ☐ Is the club active on social media?
- ☐ Are members invited to share their ideas and feedback – so they know their input is valued?
- ☐ Are the efforts of members appropriately recognized?

# LCIF Newsletter

Hi Everyone,

First of all I would like to express my thanks to all of the district coordinators for their continued hard work in promoting our foundation. LCIF international announced earlier this month that we have raised just over \$113 million dollars, which is a great effort.

I hope by now you have all received the 2 dollar drop pamphlets and the campaign 100 individual recognition packs. I am hoping they are fairly self-explanatory but if you have any question please get hold of me. Please ensure they go out to club LCIF coordinators ASAP.

Just a reminder that the 2 dollar drop donations can go in as either a personal donation or a club

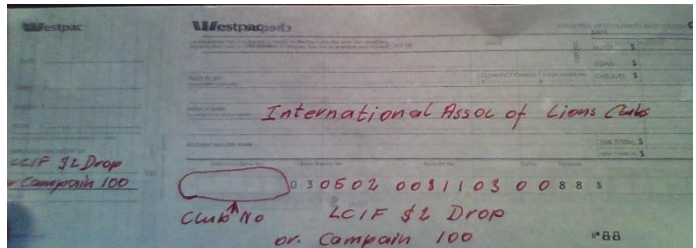

If it is to go towards a personal donation, then the members ID number will be required.

If the person is a non-lion, then the donation will go under the club number.

Please remember that the club I.D has to be on any transaction including internet banking.

Below is an example of how the deposit slip to be filled out.

In our own District 202D, we are fortunate enough that we can send the cheques to the District Treasurer

and he will bank it for us. However make sure you have as much information as possible on them so we can eliminate errors.

If clubs need any help with any aspects of LCIF, from MJF applications to donations then I am available to help. It is a lot easier to help at the start than try and modify an incorrect application.

## Youth South Report

**Greetings Lions**, there are quite a few youth activities taking place or about to take place throughout District 202D in September/ October. Most clubs in zones 1, 2 & 3 have contacted me with the name of their youth spokesperson, thank you for that.

**Palmerston North Middle Districts Lions Club** recently organised and ran the **36<sup>th</sup> annual President Jimmy Carter current events quiz** for secondary schools. It is a very popular youth activity and the questions really tested the knowledge of the students involved. 11 schools took part in teams of 5. The quiz was very well organised and the students enjoyed the friendly competition. It was won by PN Boys High School. Well done PNMDLC.

**Kairanga Lions** are supporting a **Reading in Schools programme** at a local primary school, and **Kairanga Leos** have been involved in a number of exciting activities- cooking, archery, a Wildbase visit and helping with various community activities.

A member of **Rongotea & District Lions** recently hosted a **Japanese**

**youth exchangee** for 5 days. Yuho, a 21 year old student, was welcomed to the Manawatu and she experienced some of the sights of the district. This

included a visit to a dairy farm to watch calf feeding and

milking cows, a visit to a honey business, a visit to Whanganui and Foxton and a visit to a local primary school.

**Rongotea & District Lions** are receiving applications from 16-18 year old students to attend a Summit Leadership Programme at OPC in December. The club is offering full sponsorship to the successful applicants.

### **Safe Sound Indicator donation**

New Plymouth Koru Lions Club has proudly donated a Safe Sound Indicator to Rising Stars Preschool. These devices were invented by local teen Jamie Fenton, who went on to win Young New Zealander of the Year in 2011.

The National Foundation for the Deaf sell Safe Sound Indicators to help children learn about noise and to help them self-regulate their noise levels. The device is a traffic light system with children and adults being able to tell at a glance when the noise level is reaching “red light” danger.

New Plymouth Koru Lions hope both the children and adults benefit from this device and are able to better protect their ears from any hearing damage as a result of prolonged exposure to sound levels over 85dB.

*Pictured:* Rising Stars

### **Normanby & Districts----Busy Slink Season**

Our members have rallied in true Lions spirit to ensure the large number of slink calves have been picked up regularly. It is appreciated how members step up to cover for others and make it happen without fuss. At the time of writing, the peak of the season is passing, and the trailer springs should be a bit softer from now on.

#### **The Community “Thank You” Luncheon**

Well another one come and gone. Invites went out to 165 Elderly Folk.

On the Day we hosted 148 Guests.

Decorating of the St. Johns Church Hall was a yellow and blue affair and looked really striking. “Thank you” Marilyn and Team.

Guests started arriving at 10:30am to be met by Lions’ Members and Partners looking great in Black and White Dress, complete with Black Bow Ties.

“Thank you” to those Members who picked up Guests and returned them home.

“Thank you” all Members and Partners for making our Community Luncheon the success it was. We were all cleaned up and enjoying drinks by 2pm.

From comments received on the Day and after the Event, Guests enjoyed a great meal and an entertaining Day.

### **PN Papaioea Rose City**

Eileen and Gloria visited the PNINS Leos last Wednesday. They are an enthusiastic group who virtually plan and run the meetings themselves. We have six students chosen to help us at Daffodil Day on 30 August between 11.00am and 1.00pm.

#### **NEW PLYMOUTH KORU LIONS' QUIZ NIGHT FOR THE TARANAKI WOMEN'S REFUGE**

In July New Plymouth Koru Lions held a quiz night to raise funds for the Taranaki Women's Refuge. The quiz was held at the New Plymouth Club and we had approximately 240 keen quizzers in attendance. Koru Lions donated the cash prizes for the first three place getters. In addition there were lucky ticket prizes and best dressed prizes which were very generously donated by local businesses. The second place getters also donated their winnings back to us to include in the overall funds raised. We raised \$2840.00 for the Women's Refuge. Koru Lions are proud to be associated with the Women's Refuge and the much needed service they provide in our community.

#### **Winter Xmas Theme—Social Meeting**

What a fun night Members, Partners and Guests had.

With a “Ho, Ho” Father Xmas extended Greetings to All explaining that as we were only half through the year he couldn’t add the third “Ho” to his Greeting as this would be somewhat premature.

Father Xmas and his Helper then proceeded to distribute Gifts with much hilarity.

Special thanks to Marilyn and Adrian Bulford for decorating the Room and engaging the services of Father Xmas and his Helper.

The Evening was rounded off nicely with Tail Twister – IPP Robert Heath extracting a variety of Xmas themed Fines from those present, and concluded with a “Tale” that left us all believing in Santa.

John Baines and Doug on last of 3 days on my home section; labour

completed by John, Craig Hart (with his son Richard), Russell Gibson (with his son Owen).

Captain Baines and crew did an outstanding job, which for health reasons I was unable to participate.

Thanks to the above and all members,

Thanks to all at Middle District.

On Friday 9th August the Induction of the Ross Intermediate Leo Club was held at the school Refresh meeting (a lot of us would know as Assembly). Our 202D District Governor Roy Price did the induction. Thank you Heartland Lions, our sponsors and for giving us this opportunity to be chartered and also for donating the plaque to the school. It now has pride of place in the entrance of the office for all to see. President Lynne also presented them with their Certificate of Organization. The induction of the Leos club was also attended by some of the Heartland Club ladies. Pictured below is Roy and Lynette doing the induction with the President and Secretary of the Leos group.

I asked God for a bike, but I know God doesn't work that way. So I stole a bike and asked for forgiveness.

## Notes

### Youth South Report Cont;

Most schools in the Manawatu are currently holding their own speech contests or will be having their speech finals before the end of term 3. A committee of Zone 1

**LIONS CLUBS**  
**INTERNATIONAL**  
SPEECH MAKERS CONTEST

Lions are planning for the **Manawatu Rural Speech Contest** for year 6 - 8 students to be held in October. This contest will feature the winners of the 7 rural school clusters, which are made up of 38 schools. It is hoped the winners of this event will enter in the District 202D Speech Contest in Hawera in November.

**Feilding Host Lions** are forming a group to liaise with schools in carrying out **environmental projects**.

If clubs are planning any environmental projects, it would be really beneficial to try and involve students from your nearest school, especially if it is a practical activity. i.e. planting trees, cleaning up nearby parks, streets and beaches, etc. Just make sure you liaise with the school Principal before suggesting a project and always manage and prepare for the safety factors prior to involving the students. Clubs are also encouraged to promote the **Peace Poster competition**. Details have been sent to clubs.

As always. I am very keen to hear what youth activities Zone 1, 2 & 3 clubs are planning, organising and supporting, so please let me know what is happening in your area i.e. your youth agenda..

Yours in Lions.
