“We Serve by Caring and Sharing”

VOLUME 37, ISSUE 4

OCTOBER 2019

DG Kevin's Commentary

Club visits continue to dominate our schedule. It is a time that we are enjoying immensely as we are getting to meet more and more of our dedicated Lions and see and hear about the great work that is being carried out by them in our community. It is a very busy but rewarding time as we learn more about how clubs operate and the diverse range of projects that they are doing. At the same time it is an opportunity to discuss with club leaders any issues that may be affecting the club.

One issue that seems to be frustrating everybody is the difficulty that the MyLion computer website is presenting. The following is what I received from the outgoing Multiple District Secretary recently. “MyLCI however seems to be a continuous headache for all and much perseverance is required. I think we are over the issues of people not being able to log in and now it is just working on becoming familiar with the new system. I did find two useful YouTube clips and these are up on the Lions website <https://www.lionsclubs.org.nz/members/my-lion>” Click on this hyperlink and this should take you to the YouTube clips. I hope this information helps.

At the Cabinet meeting in Oamaru in July, discussion was held on helping clubs to recruit new members and the Cabinet came up with an initiative to help. There is more information about this in this copy of J Times. However, along the way we need to retain our existing Lions and find roles for them that are within their capability and let them have fun! Our clubs need to be made up

DG Kevin's Commentary (cont'd)

of **BOTH** new and experienced Lions as that is how the knowledge is transferred between generations in our families. Lions clubs are no different.

Remember that the Zone Chairmen are the eyes and ears for the Cabinet and District Governor for the clubs in our Zones/District. The Zone Chairmen have an extremely difficult role and have to report to the clubs via the Zone meetings what transpired at the Cabinet meeting generally within a fortnight of the last Cabinet meeting. It is an opportunity for

both the Zone Chairmen and the representatives of the clubs to have a two way discussion which includes questions and answers which is difficult to do by just presenting a report. Also it is an opportunity to have a cup of tea and quality social time with other clubs reps. It is all to do with being a team delivering Service to our community.

Yours in Lionism

DG Kevin Bryson

New Member Initiative

Cabinet appreciates clubs are working hard inducting new members, but knows: the New Member Fee charged by LCI can be a financial burden.

Cabinet will reimburse clubs the LCI Fee for each new member inducted.

All clubs have to do to claim a reimbursement is:

- 1) Pay LCI by due date the NZ\$ amount invoiced
- 2) Scan the invoice and proof of payment and along with the club's administration account bank details email these to Cabinet Treasurer at: 202j.treasurer@lionsclubs.org.nz

Reimbursements will be paid in November 2019, February 2020 and May 2020 and there is - **NO LIMIT to the number of claims a club can make before 30th June 2020!**

This Cabinet initiative aims to encourage clubs to continue inducting new members whilst ensuring they are not financially disadvantaged.

Let's get our member numbers growing!

Yours in Lionism

District Governor Kevin Bryson

Annual Returns.....

- ◆ **Charitable Trust** file with the Charities Commission within six months of your balance date (for most clubs the deadline will be **30 December**)
- ◆ **Incorporated Society** file with the Companies Office ASAP after your AGM
- ◆ **Note** If your club is an Incorporated Society & has a Charitable Trust then you file two separate returns.

Focus on Global Membership (GMT)

Just home from the GAT (Global Action Team) meeting in Wellington along with the other Membership and Leadership Coordinators and District Governors from the seven districts. While it will take a day or two – maybe three to assimilate all the information and notes, it was great to meet our counterparts and network. The facilitators did an excellent job of presenting the information. The LCI website has information on everything and anything Lions; there are still issues with MyLion App for activity reporting, if anyone needs help with this contact our webmaster.

There is work being done in the background to ascertain if there is enough interest in Twizel to get a new club going; Cabinet are meeting there on November 2nd & 3rd. Saturday 2nd cabinet members will host a BBQ in the Town Square with funds raised to go to a local charity in the area. If any 202J club members are in Twizel over that weekend or passing through come along and join us.

Thank you to both the Oamaru Pakeke and Palmerston clubs for hosting PDG Fern Blake and myself for club visits on 9th September. The Oamaru Pakeke Club, although a small group, are still enthusiastic and are planning their annual raffle and also their Diabetes testing day. The Palmerston Club has also been active and I found the members in good heart. It was lovely to catch up with a couple of ex Palmerston East Otago ladies who transferred over after the closure of their club. They have integrated into the club well and I am sure the Palmerston Club will see the benefit from these new members and what they can contribute.

On the media front clubs have been doing great work in their communities. Street collections, appeals, BBQs, manure drives, catering, gate duties, selling lily bulbs, swedes, spuds, pine cones, plus much much more. Clubs all seem to be very busy in some way or another at this time of year. Thank you Ashburton Pakeke for turning to and helping with "Clean up Ashburton Day". ***"Where there is a need there is a Lion"***.

Please remember if your club is doing anything in the community – put your name to it. Let the community know who you are!!!! – a poster board like Dunedin Host, or a teardrop flag, and of course the all important high viz vests with our logo proudly displayed. (If you haven't got vests contact your local hardware store – e.g. Bunnings or Mitre 10 and see if they will sponsor some for you). Contact your local newspaper prior to your project and get them on board with some photos and an article about what you are doing.

GET YOUR CLUB NAME OUT THERE.

Lions are becoming well known for the donation of defibrillators to needy organisations (with the recent project of Balmacewen Lions donating defibrillators to several local schools and now Ashburton Pakeke giving one to Tuarangi Home).

Defibrillator a welcome donation for home

Lions seem to be able to build, and to demolish just as well.

Timaru Host for building this fine fort, and Ashburton & Hinds clubs joining together to demolish shade houses at Trott's Garden.

Lions members become demo crew

By Bob Williams
A group of about 20 members of a Timaru Lions Club, led by club president Bob Williams, have been busy building a wooden fort-like structure in Trott's Garden Park. The club has been working on the project since last year and it is now complete. The fort is a large wooden structure with a slide and a tower. It is a popular spot for children and is a great addition to the park. The club is proud of their work and is looking forward to seeing many children enjoy the fort.

Keep up the great work – keep the newspaper clippings, photos and bulletins coming in. It costs nothing to scan me an article!

Introducing....

Zone 4 Chairman

Judy Phillips

Club: North Otago

I'm a 4/5 generation North Otagoite on both sides of my family. The youngest and only girl with three doting (NOT) older brothers. I was brought up on the family farm on the Ferry Road and went to Hilderthorpe School then onto WGHS. I left there to take up a position at Stobo's Pharmacy as a Pharmacy Technician, which I trained for, for three years.

I married Malcolm in 1978 and 18 months later we purchased the Junction Dairy which kept us busy for the next seven and half years, seven days a week 15 -16 hours a day. We had our two children Katrina and Mark during these years. They were years of hard work but also had a lot of fun and build life time friendships; I think that those years are what gave me the desire to help others within our community.

Upon leaving I went back to Pharmacy for a further 10 years, then went to Summit Wool Spinners as a QC Technician, which is where I still work under the ownership of CSL/Mohawk.

I am Nona to three beautiful grandchildren: Alexie

11, Evie 7, Jack 6, all living in Oamaru, a Step Nona to Jasmin 13 and a

Swedish Volhound called Missy living in Auckland.

For the next year I'm doing a Psychology and Counselling course via long distance learning; it involves 47 units and assignments that I need to complete within the next year. I believe that we never stop learning and we must keep our mind engaged, to continue being a useful member of our society,

I hope that as a person I live the Lions way of service and caring.

My drive to me as a Lion is to help others; no matter where we are there are always people who will need our help.

I'm proud to be a Lion, proud to be associated with an international club that have helped, supported and been there for so many people worldwide.

The world is a better place because LIONS CARE.

Daylight Saving

Sunday 29 September
(2.00am becomes 3.00am)

Focus on Global Leadership Team (GLT)

For the first time this year our service is being reported on the app MyLion or the MyLCI website. DG Kevin set a goal for 202J of 75% of clubs reporting electronically by the end of his year.

We have had a great start and currently there are 11 clubs using it
- BIG THANKS.

DG Kevin and the Cabinet want to support as many clubs as possible to report their service activity this way as possible. I would be happy to hear from members about both their positive experiences and difficulties using the site. There are a number of people around the District who are using it who will be able to assist members to get online. Remember it does not have to be the secretary who puts the information on. Any member in the club can be authorised via MyLCI as the Club Administrator.

I'm happy to assist anyone, simply get in touch.

Good luck to VDG Christine Stewart who will be attending the Advanced Leadership Institute in Christchurch during November.

Dues & Annual Accounts

Thank you to clubs who have paid their Half-Year Dues and to those who still have to pay - **20th September** is the target payment date.

Club accounts for Lions Year 2018-2019 should have been completed and reviewed by now.

Admin Accounts:

Approved by club board, taken to members at a Tea Meeting where a Formal Motion to accept and adopt the accounts must be moved, seconded and carried by a majority of members present and recorded in the Club Minutes. Once adopted, admin accounts are filed ASAP with Incorporated Societies.

Charitable Trust Accounts:

Approved by trustees, presented to club board then along with the administration accounts taken to members at a Tea Meeting where a separate Formal Motion to accept and adopt the accounts must be moved, seconded and carried by a majority of members present and recorded in the Club Minutes. Once adopted, charitable trust accounts are filed with Charities Services before the cut-off date of 31st December 2019.

Under **no circumstances** should admin and trust accounts be combined as 'one set of accounts' for ease of presentation to, and understanding by members. Each is a separate entity and must be adopted by members under separate motions.

When filing annual accounts with Statutory Authorities - **NEVER** put both accounts into one pdf to make them easier to file!

If you require assistance – just ask.

District 202J Cabinet Treasurer Graeme Hathaway

Lions Christmas Cakes

Yep, Christmas is looming and it's time to get organised for Lions Christmas Cake sales. If you have not already done so, make sure your Lions Club has completed the simple administration job of opening a Goodman Fielder Account and Direct Debit Authority via the new Lions Christmas Cake website. No need if you did all this last year – just use your established Goodman Fielder Account Number. If you haven't kept a record, we can help you.

The delivered cost to Lions Clubs this year is \$70.43 plus GST \$10.57 = \$81.00 for each 6-pack of Christmas Cakes – or \$13.50 per cake (GST inclusive). Recommended sell price of \$20 (GST inclusive), although we emphasise that, other than for direct online sales, Lions Clubs may sell cakes at any price of their choosing. (**NB** – This cost price is not displayed on our website as it is confidential to Lions Clubs.)

New Lions Christmas Cake Website

www.lionschristmascakes.org.nz. It contains all there is to know about Lions Christmas Cakes. It is updated constantly – so keep looking.

The new website has two parts – the [Home Page](#) and the special [Lions Clubs Page](#).

Home Page

provides information that all Lions and the general public need to know.

We have designed it to inform/enthuse & enable Businesses, Public Organisations and the general public to buy directly off the internet and to **nominate your local Lions Club** as the beneficiary of the income. Easy money for your Lions Club charity account.

Last year Waitara Lion's (Taranaki) bank account grew by over \$1,400 from just one phone call and one business internet customer! All Lions Clubs can do this in their home territory – deals big or small. Read all about business and internet selling on the Home Page.

*Cakes are delivered **freight free** to your door exactly when you want it – anywhere in NZ. Minimum order quantity is 1 carton of 6 individual cakes. Maximum Order – unlimited! Deliveries available from **4th September 2019**.*

How Lions “Walktober” will help children with Cerebral Palsy

Most of us get up from sitting and walk without thinking about how we do it. Walking is automatic!

But for some children this is nigh impossible. Here we are talking about children with Cerebral Palsy (CP) and similar mobility issues.

Varied symptoms of the affliction are a group of disorders affecting the development of movement and posture; it results from damage to the fetal or infant brain.

Around New Zealand, Lions Clubs are doing something to help. With the aid of a wonderful device called a Hart Walker, children are given hope. Specialists from the Lions Clubs Child Mobility Foundation (CMF) assess the children referred to them and if possible are set on the path to obtaining one. The Hart Walker can enable many CP children to stand up and move around by themselves, and standing upright instead of confinement to a bed or wheelchair helps the child’s body to develop in a remarkable way. Internal organs are able to function better, the lungs open up for efficient breathing, which in turn feeds oxygen to help the brain.

Funding for the Hart Walkers come from many sources, but NZ Lions Clubs Foundation (CMF) are the catalysts, inspiring Lions Clubs to provide hands on assistance to parents and caregivers to raise the required amount, approx. \$10,000 which covers the machine and adjustment as the child grows.

The Foundation (CMF) team of Trustees oversees the co-ordination of applicants, hiring contracted specialist Orthotists and Physiotherapists to examine the child, fit and adjust the Hart Walkers. This done in regular CMF Mobility Clinics in main city centres. CMF now provides interim funding to ensure there is a chain of supply in place to provide children with the Hart Walker quickly; this avoids delays and stress on child and parents.

However to provide these all essential services and finance the purchases until settlement costs money, so every October (Walktober) CMF encourages awareness and NZ Lions Clubs and supporters organise events such as walks, BBQs, cake stalls and other fun occasions to raise the profile and well needed money. See an example at: www.bhbl-lions.org/walktober

So take the challenge and enter your local Lions club event if they have one or just contact them to ask if you can help or donate.

Lions Clubs International FOUNDATION

Firstly many thanks to those clubs who have made donations to the recent appeal from LCIF to help those in need following hurricane Dorian. Within those first few days LCIF gave \$US100,000 catastrophe grant to purchase essential items like food, water, medication etc.

The focus of LCIF for the month of October is Vision, with World Sight day being on the 10th October. Ever since Helen Keller inspired Lions to champion the cause of blindness in 1925, when she challenged us to become “knights of the blind”, we have served and advocated for the blind and visually impaired.

Our SightFirst programmes have played a key role in reducing global blindness. Programmes range from developing and improving eyecare systems and treatments, to distributing medications to those most at-risk for eye diseases. Our partners play a huge role in our success, providing critical expertise and resources. Childhood blindness remains a significant problem globally, especially in developing countries. In partnership with WHO, LCIF have given \$US7 million in grants to establish needs-based Paediatric eye care centres. To date 46

centres have been established in 30 countries. Through Sight for Kids, LCIF have provided free eyeglasses to over 500,000 children. Together, in collaboration with local Lions and partners, LCIF aspires to double the number of children helped through Sight for Kids by 2021. To-date, Johnson & Johnson Vision has provided US\$4.1 million toward the initiative.

LCIF is also in partnership with The Carter Center (TCC) which is an important and long-lasting relationships currently enjoyed by the SightFirst program. Since 1994, LCIF has approved more than 50 onchocerciasis (river blindness) and trachoma grants totaling over US\$60 million in 14 countries across Latin America and Africa.

What is your club doing to support Vision in October? Has your club considered collecting used eyeglasses? These are sent to Ferrymead Lions who grade and clean them for distribution to our Pacific Island nations. **Please consider making this your focus for October.**
