District Governor's Message

Hi all Lions

Visiting Lions Clubs has been about sharing and hearing the incredible service clubs undertake in their communities. Our Lions motto "WE SERVE" is been accomplished in a variety of ways which has benefited many individuals and community groups. Each club raises funds from core projects, but others are finding new and innovative opportunities to serve, using projects which can involve every Lion member and friends of Lions participating in some way. Continue, REACHING OUT TO ... to your communities.

I encourage Clubs to ensure the service they do is recorded on My Lion, currently 14 clubs out of 37 have reported service. If the person appointed to do this task is having difficulty please make contact so cabinet can help.

Another aspect which is heart-warming is talking to new Lions or potential Lions at meetings, most were simply "Just Asked" to come along and get involved in a community project, have a bit of fun and enjoy some fellowship. The challenge I have been asking each club, is to be plus two members at the end of the Lions year, from what they started the year with. This is not an onerous task if every member gets involved in approaching a neighbour, a friend, a family member or work mate.

DIABETES DAY is on the 14th November 2019.

IS YOUR CLUB PLANNING ANYTHING? If not check out this link for ideas. <mailto:http://lionsclubs.org/en/start-our-global-causes/diabetes/world-diabetes-day>

Your District Global Action Team (GAT) recently attended a Multiple District Workshop in Wellington.

District Governor's Message cont;

The team from 202D was DG Roy (Team Leader), 1st VDG Louise Knapman (Leadership), Stephanie Jordan (Membership) representing 2nd VDG Megan England, and Stephen Barr (Service). We were all encouraged to work together as a Team.

The key component was that the focus should always be on our Clubs and their members; they are the backbone without them it would be impossible to undertake the service that we do in our communities.

We all have a range of diverse skills which when combined along with working together will make our clubs stronger and will make a huge difference and impact in our communities.

Three key points are:

- **Leading by Example**
Every Lion is a leader and we want to see those skills developed. Many opportunities are available to assist individuals.
- **Our Members are our communities**
Each person has unique experiences and skills, so each member can help and contribute to make a difference in our communities
- **Expanding our Service**
LCI's service goal this year is helping 200 million people this year. Our 202D District goal is 250 thousand with 75 thousand being under 18 years. What goals have you set to serve in your communities? Your reporting on MY LION will help us to know that we are making a difference in 202D District.

By continuing to work together as Lions in our communities, District, Nationally and Globally, we can accomplish so much more, helping those in need.

Keep asking; What is my job in Lions? What is it that needs doing, that I know something about that probably won't happen unless I take responsibility for it?

Continue to have fun filled year.

INTERNATIONAL PRESIDENT • 2019–2020

To Lead, We Must First Ask How We Can Serve

Greetings Lions!

“You can lead a horse to water, but you can’t make him drink.” Have you heard this saying? This is supposed to speak to the limits of persuading people to do things that may be good for them. But I see this

differently.

I say, maybe the horse wasn’t thirsty.

Maybe the horse was hungry. Or tired. Or maybe he had a sore tooth that needed treatment. Often, when we assume we know what is best for someone, we are wrong.

Good leaders do not just lead people to water. They ask them what they need and bring it to them. I call this servant leadership.

As Lions, we are all leaders. And it’s our responsibility to listen to those we serve and do everything in our power to get them the tools they need so that they can in turn serve the cause. In my year as leader of Lions, I will be continually asking those I meet how I can help them to be better Lions. I ask you to do the same.

We Serve.

If you are a district governor, ask your club presidents what they need to bring in more members. If you are a club president, ask your members how you can help them have the best experience as a Lion. And if you are a Lion, reach out to the community. Ask them what they need. And then bring it to them.

That is how we all become leaders in change for the world.

Sincerely,

Dr. Jung-Yul Choi

International President, Lions Clubs International

A BRIEF INTRODUCTION TO THE NEW MD'S SECRETARY RHONDA KAIRE

Rhonda has been appointed to the MD Secretary role to take over from Mandy Hebben and manage the MD Office in Orewa from 16 September 2019.

A more detailed profile for Rhonda will follow in the next Lion magazine issue after she has started and “found her feet” in this new and exciting role.

Briefly for now, Rhonda is married to Wayne (past President for Whangarei Lions and past Zone Chairman for then PDG John Bell from Kaikohe) and together they have a daughter Moana and 4 lovely mokopuna.

Rhonda has considerable accounting and business experience and graduated with a Bachelor Degree in Accounting (majoring in accounting). In the last few years her roles have predominately been with “Not for Profit” entities. She is currently Business Manager for North Haven Hospice based in Tikipunga, Whangarei and has been there for the past 2.5 years as part of the leadership team with responsibility for a variety of administrative/ accounting functions, payroll/employment relations, building/lease management and being part of a large caring team.

Rhonda is looking forward to moving into the Rodney area and continuing on with Mandy’s great work to date of managing/streamlining the MD Office operations and improving greater Lions awareness and promotional activity nationally

MyLCI/MyLion

What every member needs to know how to operate My Lion.

Over the last 12 to 18 months the administration of Lions clubs have been promoting the change that is going to occur to enable our members to use new and developing technology to carry out service in their community and globally.

This is a tool that helps your club to plan, carry out, and report your community activities, meetings, and member's programmes.

Every member in our district should register on to this new website/app, to enable MyLion to be effective and an asset for your club. All you need is your membership number, email address, and your birth date. This information can be supplied by your club secretary, and this information needs to be correct and up to date.

There are two conditions required to achieve the registration.

1. Your details on the International website (LCI) is correct and up to date.
2. You are able to work on two open windows together on your computer or iPhone. If not ask someone in your club or family with this knowledge to help you.

If you have the above information and computer skills, you will be able to have access to a lot of Lions resources and communication to any club globally, or just your club, or District.

The digital age has arrived with our organisation and when the hic-ups are ironed out, it will make the administration of our clubs easier to manage.

District News

MyLion cont;

To help with the transition, LCI have allocated two extra officer positions for each club. There is an Administration officer, and a Service Chairperson positions available for each club.

- A. Administration Officer can carry out any or all of the Secretary and President's recording on the LCI website.
- B. Service Chairperson can record any activity the club carries out in the community on to the MyLion website.

These positions would allow and relieve workloads and to utilise members that have good computer skills and knowledge.

MyLion can be used to notify all registered members of up-coming meeting, ask for volunteers for club projects before your meetings or activity, create surveys of club activities(new & old), and record and promote your completed projects.

If your club is having difficulties with these changes, please consider contacting the District Technology Team for assistance.

LIONS CHRISTMAS CAKES

Last year 122 Lions Clubs in New Zealand earned over \$100,000 in cash and kind from Christmas Cakes sales. Let's do even better this year!

(This cost price is not displayed on our website as it is confidential to Lions Clubs).

The delivered cost to Lions Clubs this year is \$70.43 plus GST \$10.57 = \$81.00 for each 6-pack of Christmas Cakes – or \$13.50 per cake (GST inclusive). Recommended sell price of \$20 (GST inclusive), although we emphasise that, other than for direct online sales, Lions Clubs may sell cakes at any price of their choosing.

Yep, Christmas is looming and it's time to get organised for Lions Christmas Cake sales. If you have not already done so, make sure your Lions Club has completed the simple administration job of opening a Goodman Fielder Account and Direct Debit Authority. (See our email of 12 August or our new website - see below. No need if you did all this last year – just use your established Goodman Fielder Account Number. If you haven't kept a record, we can help you).

New Lions Christmas Cake Website

Yes – we have developed a brand-new Lions Christmas Cake website. It's up and running: www.lionschristmascakes.org.nz.

It contains all you need to know about Lions Christmas Cakes. We will keep it up to date constantly – so keep looking.

The new website has two parts – the Home Page and the special Lions Clubs Page.

THE MONTH OF NOVEMBER DIABETES AWARENESS MONTH!

Hi everyone, it's been a while

Editor's
corner

since I've had a reason to reach out to our Lions partners but as we're now into Spring and Diabetes Action Month (November) is well and truly at the forefront of our minds I wanted to touch base to let you know the theme of this year's campaign. I'm pleased to be able to advise that our

theme this year will be **"It's About Time"**.

The theme gives us scope to have fun but also plays on the idea of encouraging early detection and early, optimal treatment for type 2 diabetes. It encompasses time bound actions for individuals, whanau, the wider community, healthcare professionals and the government who can all take action NOW to make a difference for themselves, their families and their communities.

Our Branches are still very much in the process of organising their events and activities, but early indications are that many of the events that took place last year are likely to be repeated this year. If your club would like to offer your support please let me know and I can put you in touch with your nearest DNZ branch if you don't already have a contact there. For your convenience I have attached a link to the Branch page of our website also. <https://www.diabetes.org.nz/branches>

If there isn't a DNZ branch in your area, you may like to organize something independently. Strides events have always been a successful way to create a buzz in communities and is always a great fun filled family focused day.

https://lionsclubs.org/sites/default/files/Service-Project-Planners/SPP_Strides-for-Diabetes_en.pdf.

Last year some Lions clubs offered to distribute posters highlighting symptoms of Type 1 diabetes to medical centres in their communities. We have plenty left so if you didn't do it last year, perhaps 2019 could be the year for you?

Youth North Report:

Greetings to all. I have had the pleasure to attend Zone 4, 5 and 6 meeting in August and organise a North Youth Meeting in September with a good attendance. It's lovely to put faces to names and talk about how we can make a difference. Below are some activities etc happening in the North.

Hawera Mt View: Members attended and help give out 154 Duffy Books to 77 deserving children at Ramanui School. They are also assisting the school with donating top soil for their new edible gardens they are creating.

Normanby & Districts: Hosted and judged 4 Primary School Jnr Speechmakers Competition. Schools attending were St Josephs, Normanby, Hawera Primary and Whenuakura. They had about Students in attendance.

Opunake/Opunake Lakeside and Rahoitu-Pungarehu: These 3 wonderful club have combined to sponsor 2 students to attend the International Youth Camp in January. Great to hear of clubs combining resources.

Waitara: supported NP Koru Club on their fun day for underprivileged children, supporting Youth on many excursions (Japan cultural trip, Spirit of Adventure, Disabled children's sailing). It's great to see a club doing so much in their community for the Youth.

Youth South Report

Greetings Lions, it has been great to receive feedback from some clubs about how they are supporting youth in their community. Stephanie (Youth North) and I are always very keen to be informed of any youth projects clubs are promoting.

Kairanga Leos have been busy with an outing to 10 pin bowling, and they have organised a quiz night with an auction in October to raise money for the Relay For Life. In November they will be special guests at the annual Kairanga Lions fireworks display and in December they will assist with the Palmerston North Christmas Parade. **Kairanga Lions** also organised a group of ladies to provide a meal for teachers, parents and children at the Longburn School Reading Together programme. Well done to you all!

Feilding Host Lions recently hosted a speech competition for Year 5 & 6 children from 3 Feilding schools. The topic set was "I Believe..." and the finalists all spoke with conviction and clarity. **Rongotea Lions** also hosted the finalists from the Te Kawau Cluster of schools, with 17 students participating. The Year 5 & 6 topic was "If I had three wishes, they would be..." and the Year 7 & 8 topic was "Should Primary Aged Students have a voice in politics in NZ?" Interesting perspectives and points were made in both sections.

The Manawatu Rural Speech Competition is due to be held on October 20th and the winners of the 7 school clusters will be presenting their speeches to friends and families at the Te Kawau Recreation Centre at 1pm..

Rongotea Lions advertised for applications for their scholarship and are in the process of selecting applicants for the OPC Summit Leadership Programme to be held in December.

We have had prior notice that a number of **Italian Inward exchangees** are expected to arrive in NZ in mid December, so we will be requesting Lions families to offer hosting for a week, from December 20th. Please contact Wilfred Riepen, Stephanie or myself if you are able to help. Thanks.

Completed Peace Posters are requested by October 25th, and a further reminder that **the 202D Junior Speech Makers Competition is set for Sunday 3rd November from 9.30am onwards.** It is expected that Lions Clubs will sponsor speechmakers in their community by paying the entry fee.

Yours in Lions.

Japanese Youth Exchange to New Zealand

It was a busy 4-5 days hosting Yuho Tomotsune from Japan. Thanks to Ross Burnett for the visit to the farm and to Phil and Ellise for taking Yuho out for the day on Monday. She enjoyed family gatherings at Neal's place, as well as a trip to Whanganui, a visit to a honey business, a visit to the

Foxton beach and museum and Wildbase and a visit to Kopane School. She was very quietly spoken but seemed to enjoy her short stay in Manawatu.

She seemed to really enjoy herself with trips and visits around the Manawatu, to Foxton and to Whanganui.

The only embarrassing part was when she beat me playing scrabble on the Monday evening. Mind you I'm sure that Kathleen was helping her when I wasn't looking.

At the end of August we celebrated Daffodil Day with the Cook St Nursing Home residents. Once again we had a lovely time and it was great to catch up with them again. Our next celebration with them will on the 1st October celebrating the "Day of the Elder Person". A couple of days after the Cook St visit was the Cancer Society annual "Daffodil Day Collection". We collected at our usual spot outside the old library building opposite the bus station and it is a very cold spot to collect in, as it is a wind tunnel. Fortunately it did not rain but it was cold and windy. This is a really easy collection to do as people are just so willing to donate and also tell their stories.

Some of our ladies did a trip to the Pukeora Fair the other weekend and after all the rain the sun shone on that day. On the way home they stopped at the Daffodil Farm and armed themselves with daffodils to take home.

Greetings fellow Lions.
Never mind our Carbon Footprint (whatever that's supposed to mean), how's our

Service Footprint? At least that's something we can quantify and control and see a clear outcome at the end.

Well, in my opinion, with the introduction of four new Club Members in the last three months, I believe we've gone up a whole shoe size. Congratulations and welcome to Aaron Lucas, Jim Green, Shayne Beadle and Jim Hine. It's great to have your perspective and skills added to our Club and Lions Globally.

You've Been Drinking Again

An Irishman had been drinking at a pub all night. The bartender finally said that the bar was closing. So, the Irishman stood up to leave fell flat on his face. He tried to stand one more time; same result.

He figured he'll crawl outside and get some fresh air and maybe that will sober him up.

Once outside, he stood up and fell on his face again. So he decided to crawl the four blocks home. Again, he fell flat on his face. He crawled through the door and into his bedroom. When he reached his bed he tried one more time to stand up. This time he managed to pull himself upright, but he quickly fell right into the bed and is sound asleep as soon as his head hit the pillow.

He was awakened the next morning to his wife standing over him, shouting, "SO YOU'VE BEEN DRINKING AGAIN!"

Putting on an innocent look, and intent on bluffing it out he said, "What makes you say that?"

"The pub just called; you left your wheelchair there again".

One evening, after the honeymoon, Dick was working on his Harley in the garage. His new wife was standing there by the bench watching him. After a long period of silence, she finally said "Honey I've just been thinking now that we are married maybe it's time you quit spending so much of your time out here in your garage. You probably should consider selling your Harley and all that welding equipment; they take up so much of your time, and that gun collection and fishing gear, they just take up so much space. And you know the boat is such an ongoing expense and you hardly use it. I also think you should lose all those stupid model airplanes and your home brewing equipment.... And what's the use of that vintage hot rod?" Dick got a horrified look on his face. She noticed and said, "Darling what's wrong?" He replied, "You were starting to sound like my ex-wife." "Ex-wife" she shouted "YOU NEVER TOLD ME YOU WERE MARRIED BEFORE" Dick replied, "I wasn't....."

A new supermarket opened near my house. It has an automatic water mister to keep the produce fresh. Just before it goes on, you hear the sound of distant thunder and the smell of fresh rain.

When you approach the milk cases, you hear cows mooing and experience the scent of fresh hay.

When you approach the egg case, you hear hens cluck and cackle, and the air is filled with the pleasing aroma of bacon and eggs frying.

The veggie department features the smell of fresh buttered corn.

After a Tuesday fishing on the River Test, near Southampton in Southern England, Trevor is walking from the pier carrying two brown trout in a bucket.

He is approached by a Water Conservation Officer who asks him for his fishing license. Trevor replies to the environmentalist, 'I was not fishing and I did not catch these brown trout, they are my pets. Every day I come down to the water and put these fish into the water and take them for a walk to the end of the pier and back. When I'm ready to go I whistle and they jump back into the bucket and we go home.

The officer, obviously, does not believe him and he reminds Trevor that it is illegal to fish without a license. The fisherman turns to the warden and says, 'If you don't believe me then watch,' and he throws the trout back into the water. The warden says, 'Now whistle to your fish and show me that they will jump out of the water and into the bucket.'

'The fisherman turns to the officer and says, 'What fish?'

Notes

Club Treasurers

We recognise that it can be confusing knowing where to bank what, and with many local banks closing and cheques being discontinued by some banks, internet banking is the way of the future.

At the MD Office we reconcile the LCI a/c for New Zealand and with over 300 Clubs depositing funds for all manner of things it really helps us if you can use the below information for Coding, Particulars and References.

Please note that Westpac DO NOT use the coded deposit books any longer and the Tellers WILL NOT enter this information when you deposit funds, only way to ensure this happens is to use the automatic teller machine yourself and enter the details, or to action on-line through your banking provider.
