“We Serve by Caring and Sharing”

VOLUME 37, ISSUE 5

NOVEMBER 2019

## DG Kevin's Commentary

**T**hank you to all clubs for the wonderful welcome we have been receiving from you as we travel through the District on our club visits. My thanks to Vice District Governor (VDG) Ella Butson and Second Vice District Governor (2VDG) Christine Stewart for the club visits they are doing on my behalf. They are both very capable leaders and it bodes well for the future of our District to have such dedicated Lions. It is my intention as District Governor to visit all clubs so I will be at your club at some stage of the Lions year. On the weekend of 21-22 September your Global Action Team (GAT), Jules Ellis, Global Leadership Team (GLT) Coordinator, Jan Stonyer, Global Membership Team (GMT) Coordinator, Brian Tegg, Global Service Team (GST) Coordinator along with 2VDG Christine and I attended the GAT training weekend held in Wellington recently which had a full representation from all the other Districts. The facilitators/presenters were able and experienced Lions. In line with our International President Dr Jung-Yul Choi's theme for the year “We Serve through Diversity” it was felt that by using this theme we can deliver better in the areas of Leadership: by leading by example, Membership: by recognising that the communities are our members and Service: by expanding our service into areas that perhaps we have not considered before.

October is Child Mobility Foundation awareness month and I know lots of clubs held events to raise awareness and funds for CMF. November is “Diabetes Action Month” with the theme being “It's about Time to get Tested for Diabetes” with some clubs already well into planning for this.

## DG Kevin's Commentary (cont'd)

The second Cabinet meeting is being held in the Twizel area on the weekend 1st/2nd of November and this will double as an information weekend for those in the area interested in chartering a new Lions Club. We will take an air of optimism with us as we hold a sausage sizzle to have a visible presence in the Twizel town square at 11.30am on Saturday 1<sup>st</sup> followed by a meeting with interested parties in the afternoon. We are hopeful that this

will result in a club being established but it is very much work in progress and we will continue to build from this initial contact. My thanks to those who are organising this project and to those who will be helping on the day.

Yours in Lionism

*DG Kevin Bryson*

## New Member Initiative

Cabinet appreciates clubs are working hard inducting new members, but knows: the New Member Fee charged by LCI can be a financial burden.

Cabinet will reimburse clubs the LCI Fee for each new member inducted.

**All clubs have to do to claim a reimbursement is:**

- 1) Pay LCI by due date the NZ\$ amount invoiced
- 2) Scan the invoice and proof of payment and along with the club's administration account bank details email these to Cabinet Treasurer at: [202j.treasurer@lionsclubs.org.nz](mailto:202j.treasurer@lionsclubs.org.nz)

Reimbursements will be paid in November 2019, February 2020 and May 2020 and there is - **NO LIMIT to the number of claims a club can make before 30<sup>th</sup> June 2020!**

This Cabinet initiative aims to encourage clubs to continue inducting new members whilst ensuring they are not financially disadvantaged.

***Let's get our member numbers growing!***

Yours in Lionism

*District Governor Kevin Bryson*  
*"We Serve by Caring and Sharing"*

**Incoming emails are incoming correspondence**

**- to be taken to your club meetings**

## Focus on Global Membership (GMT)

This is a busy time of the year for a lot of clubs with some of their signature projects/ events taking place; another month and members can take a break, reflect, and recharge for the second half of the Lions year.

While membership numbers always seem to be front and centre of our minds, there has been a concerted effort by some clubs to run a special event to invite visitors along that may be interested in becoming Lions. With so many people moving to our towns and rural areas from other parts of the country or from overseas there is potential to invite these newcomers as a way of them getting to know locals and be involved in the community they now call home. We need to think outside the square on how to attract new members and younger members, be receptive to new ideas and changes, the only "constant in life is change". It is very easy to do what we have always done and of course we get what we have always got.

The Lions logo is a well known brand and when you ask people if they have heard of Lions, typically they comment that they know about Lions and all the good work they do in the community. As Lions members we know that, we just need to keep the message out there; some clubs have excellent Facebook pages telling their stories on events and activities. Keep up the good work. "We Serve"

**Jan Stonyer**  
202J GMT

**(Global Membership Team) Coordinator**

Cabinet will be in Twizel on Saturday 2nd November, hosting a BBQ in the Town Square from 11.30 - approx 2 pm

Anyone in Twizel or passing through or would like to come do join us.

### LCI Institutes 2019-2020 Coming training opportunities

*Full details in the Sydney attachment emailed with the August J-Times*

- **Lions Certified Instructor Program (LCIP):**
  - ◆ **Sydney:** April 3-6, 2020
  - ◆ To provide consistent delivery of effective training at all levels by increasing the number of qualified instructors, while providing a framework for broadening and deepening the knowledge and experience of instructors.
  - ◆ Application Due Date: January 19, 2020

## 2nd VDG / Media

Part of the role Lions offer is leadership, and I was pleased to be able to attend the GAT weekend in Wellington at the end of September. Over the weekend many topics were covered including membership, leadership and promotion of our Lions brand, just to name a few. It was interesting to see that all Districts in New Zealand are encountering the same challenges as our District.

As 2<sup>nd</sup> VDG I was also asked by the Rakaia Lions to speak at their prospective new members meeting held on 2<sup>nd</sup> October. The meeting was very successful with a positive outcome of about six new members. Well done.

On the Media front clubs have been very busy with their usual projects large and small, as well as some clubs trying new things which is great to hear.

At the GAT weekend part of the workshop covered publicity – or lack of it. Getting our name out there was highlighted. While some clubs do it very well, other clubs do not. Here are some ideas to help you – this promotes your project as well as perhaps getting new members interested so there is a twofold purpose.

- ◆ Advertise before the event that it is happening, where and when. Through the newspapers, radio and Facebook.
- ◆ When running the project advertise who you are – high viz vests with the club name on it, teardrop banner, sandwich board or poster with your club name, **and have some promotional material on**

**Lions clubs, if anyone should ask** eg pamphlets – with a contact for your club listed. These are available from Multiple District head office – just give them a ring.

- ◆ And lastly follow up with the local newspapers. Invite them along to take photos and write an article.

I have just written an article on Berwick for the Taieri Lions Club, which will be submitted for publishing in the Lions Magazine (we hope). If any club would like an article written about something outstanding that their club does, please contact me and we will get one underway.

Facebook – We as a District are not using Facebook as well as we could. I congratulate any of the clubs who have their own Facebook page – Well Done, but remember all clubs belong to a District, so it would be good to have some up to date information put on our District page. Our webmaster Russell Hancox does not necessarily know what the clubs are getting up to – so please send some photos and information on what your clubs are up to as well as any projects coming up. His email address is: [rushcox@xtra.co.nz](mailto:rushcox@xtra.co.nz).

Thank you to all the clubs that are sending in their bulletins to me, but I still need some more photos and newspaper articles.

## Focus on Zone 6 News

All the Clubs in Zone 6 continue with fundraising and social activities. As three of these clubs have small memberships the contributions made to their local communities cannot be underestimated.

It is with sadness that the Zone has had three members pass away.

### ♣ **Dunedin South:**

This small club continues to work hard in their community. They ran a very successful Taieri Train trip and walk.

### ♣ **Green Island:**

Their food caravan has been in demand at local school fairs; they have been bagging sawdust and working at the gardens of Sister Veronica over the last two months.

### ♣ **Milton:**

A vibrant club, furthest south in our District. They have a very successful ongoing manure stall along with firewood sales. Catered for a large clearing sale with approx 600 people in attendance. Coming fundraising events they are involved with include a trail bike ride, lamb tailing, the local A&P Show and a food bank drive in December.

### ♣ **Mosgiel District:**

A growing club with a lot of enthusiastic members. Their ongoing projects include a fertiliser drive, freesia and lily bulb sales, BBQs, Meals on Wheels, Kantabs, glasses and old money. They have supported local groups including Foster Hope Otago and Mosgiel Volunteer Fire Brigade.

### ♣ **Otago Peninsula:**

This small club has undertaken a large project with upgrade work on the Buskin track on Otago Peninsula. Local community supporters have helped with labour and they have been assisted by donations of materials from Department of Conservation, Bunnings and Adhesion Sealing.

### ♣ **Strath Taieri:**

A country club that has been cutting firewood for the community and have organised a 'Meet the Neighbours' evening in November. Their new chocolate wheel has been put to use.

### ♣ **Taieri:**

Members have been working within the local community along with support to the Outram and Lee Stream Schools. Their largest project has been in conjunction with Taieri Rotary Club holding the annual Winter Brassica Competition & Charity Auction. The club has continued to provide members for gate keeping at the Wingatui Races and the Dunedin Marathon. Ongoing firewood cutting and recently supported a young local who represented New Zealand in Hong Kong at a pony club competition. Members have had club visits to Dunedin South, Owaka and Port Chalmers.

To ensure all deposits to LCI and LCIF go through correctly, could Treasurers please email 202J Cabinet Treasurer Graeme Hathaway once they have made a deposit.

Just email the date, amount and reason and 202J Cabinet Treasurer will double-check that your deposit has been received and reconciled correctly.

# Introducing....

## Zone 6 Chairman Ken Spittle Club: Taieri

**M**y name is Ken Spittle and currently Zone 6 Chairman. I am a member of the Lions Club of Taieri.

My family farmed near Gore and I attended West Gore Primary School and Gore High School. After leaving school I returned to the family farm and also worked casually in the rural sector.

In 1975 I married Helen, took on the family farm on which we lived until 1995, then we shifted to Hillend in South Otago. We farmed until 2008 when we moved to East Taieri, taking on a new challenge, where we remain today.

Helen and I have four children, three sons and one daughter, who are all married with families of their own. We are blessed to have ten grandchildren: five grandsons and five granddaughters.

I have had a range of interests over the years, mainly the outdoors from deerstalking, tramping and fishing. I currently play outdoor bowls, indoor bowls and the odd game of golf. We enjoy camping with the family who are all keen on water sports – we get a lot of pleasure seeing the young ones having fun in the outdoors.

I joined Lions when we moved to East Taieri and have enjoyed the companionship of fellow Lions. It has been a great way to meet people when moving to a new district. Taieri Lions are very active in their community and it has been a privilege to work alongside these members.

### THIS DEVICE COULD SAVE YOUR LIFE

An Automated External Defibrillator (AED) is a safe and easy-to-use machine that is used to treat sudden cardiac arrest (SCA).

- **FACT 1:** SCA is the leading cause of death in adults, killing 1500 New Zealanders every year – 5x that of the annual national road toll.
- **FACT 2:** Your chance of surviving a cardiac arrest reduces by 10-15% every minute defibrillation is delayed.
- **FACT 3:** It takes emergency services about 7 minutes to respond to a call – can you wait?

#### The Heart Saver AED7000

Includes:

- Five-year warranty
- Set of adult electrode pads
- 1 x battery (5-year standby life)
- Sturdy canvas carry bag

### ARE YOU WILLING TO TAKE THE RISK?

Are you doing everything you can to provide a safe environment for yourself, your family and your community?

What would you do if someone suffered a cardiac arrest?

“The best chance of surviving a sudden cardiac arrest is the immediate availability of an AED. I implore you to consider very carefully getting one.”

– Dr John Mayhew, ex-All Black doctor, current Warriors doctor and AED fan.

## Focus on Global Leadership Team (GLT)

### 2020 Emerging Lions Leadership Institute (ELLI) Christchurch, New Zealand

The next Emerging Lions Leadership Institute for the Lions of MD202 - New Zealand and the Islands of the South Pacific - will be offered in Christchurch from 17 – 19 April 2020. Now is the time to assist Lions in your area by recruiting qualified participants for the Institute.

This institute teaches valuable leadership skills at the club level and is targeted to Lions who have not yet been club president.

The institute will be conducted in English we will be accepting 50 Lions, total. We actively encourage qualified candidates to apply.

Completed forms must be received by **Monday 16 March 2020**

Any Lion who has not yet served as President is eligible to apply. This course is excellent preparation for those who are about to take on Board roles, particularly those of President or Vice President.

The cost to participants is NZ\$100.

It would be great to have 15 names for this so please think about it. Please get in contact with Jules Ellis to discuss your attendance.

Two luncheons were organised in Timaru and Dunedin. Unfortunately, the Dunedin lunch had to be cancelled due to insufficient numbers. The 48 attendees to the Timaru lunch were treated to a great meal catered by the Timaru Suburban Lions Club, and an interesting and emotional insight into the current Mycoplasma Bovis outbreak, by the guest speaker Frank Peters from the Ashburton Lions Club.

There have been changes in the members of the Trust. Brian Watt is relinquishing the position of Administration Officer from 30 September 2019. Brian has been involved with the Trust for the past 31 years, 14 years as a Trustee, and 3 years as the Chairman. He has acted as the Administration Officer since 1993. A great debt is owed to Brian for his considerable service to the Trust.

With Brian's standing down, we have had to look at how we will provide the administration services of the trust in the future. Accordingly, **from 1 October 2019** all correspondence should be forwarded to the **PO Box 58041, Whitby, Porirua 5245**. This includes matters such as club contributions and recognitions. This change will

take some time to fully implement since there are recognition application forms, annual donation notices etc all of which have Brian's address at Leader & Watt in Palmerston North. But despite this, we would ask that the new address be used from 1 October.

One area that needs special attention is where there are last minute requests for recognitions. Again, we would ask that you use the contact details noted above. It is certainly intended to maintain the excellent service that Brian, together with Don Brown who produces the certificates, has provided in the past.

#### **Changes to making contributions**

You might be aware that from the end of February 2020 Kiwibank will not accept cheques, a trend that the other banks will no doubt follow. Internet banking has become more popular in recent years but will become standard in 2020. When making payments to the Trust, please use your club's number in the reference field.

### **November 14**

- **World Diabetes Day**

◆ Find out more at:

<https://www.lionsclubs.org/en/start-our-global-causes/diabetes/world-diabetes-day>

## Lions Clubs International FOUNDATION

**November is “World Diabetes Month” with the 14 November being “World Diabetes Day”.**

**D** **Diabetes is a global epidemic**, affecting an increasing number of men, women, and children all over the world. Diabetes can lead to serious diseases affecting the heart and blood vessels, eyes, kidneys, nerves and teeth. In most high-income countries, diabetes is a leading cause of cardiovascular disease, blindness, kidney failure, and lower limb amputation. It is expected to affect 629 million adults by 2045.

**LCIF’s Strategic Objective is to reduce the prevalence of diabetes and improve quality of life for those diagnosed.** Some Lions Clubs in New Zealand partner with Diabetes NZ and other local Diabetes associations to work within our local communities to make our communities aware of Diabetes and the threats that this poses. Many clubs run special walks for all ages in our community. Clubs also run Health Awareness events and often have diabetes and blood pressure checks available on site from qualified professionals. Some run Healthy Eating Programmes, provide emergency diabetes packs for times of disaster and sponsor youth to Diabetes Youth camps. In partnership with the International Diabetes Federation (IDF), LCIF are on a mission to make a mark by screening 1 million people for Type 2 Diabetes this month.

I would like to encourage all clubs in 202J to consider organising an event in November to bring awareness of diabetes to your communities. Following are some suggestions:

- ◆ Work with Diabetes NZ or a healthcare professional to organise an educational talk about diabetes, pre-diabetes, prevention and management at your club meeting, opening it up to invite your local community along. Use this link to find the Diabetes branch nearest to you [www.diabetes.org.nz/branches](http://www.diabetes.org.nz/branches)
- ◆ Facilitate a discussion about diabetes to encourage club members to share their personal connections to the disease. This could be personal to them or to a member of their family or friends.
- ◆ Share a low glycaemic (carbohydrate) snack at a club meeting and ask a nutritionist or diabetes educator to teach club members about interpreting food labels and finding the right foods to help those with diabetes.
