### David's Diary.

Thanks to those clubs who have already submitted their first quarter (July to September) reports. You are certainly doing a great job in supporting our communities. Please get these in As Soon As Possible. I will be collating them shortly and distributing the results for publicity purposes. Also remember to get your "Top Club" reports in as well as nominations for the District Awards. Other nominations are also due soon so be thinking about nominations for next year's District officers.

This has been a crazy month for us. Heather and I joined about a dozen other New Zealanders at the ANZI Pacific Forum in Jakarta. A great opportunity for further training and to meet lions from our geographical neighbourhood. Our home has been very busy with our eldest granddaughter, her husband, 10 month old son and 2 cats moving in with us as they were trying to find a new home in Tauranga. It got so bad I forgot a meeting with the three Tokoroa clubs until Chris Cridge rang to ask if I was on my way. I was within a very few minutes. I want to publicly thank them for their understanding and was happy that we did at least talk to each other. While it is nice for clubs to consider our time with combined meetings, it does make it more difficult to get a true picture of their current strength. If you can see issues regarding future leadership please get in touch with your Zone Chair or direct with me or members of the District executive. We are always willing to help. Do take advantage of the training opportunities that Lions provide both locally and nationally. I encourage members to attend the Treasurer's Roadshow as we will all learn more about the way we should be running our club's finances and the current government requirements.

Our International President has highlighted the theme that Kindness Matters. So often we do things for others and don't realise how important that may be for them, but sadly there are also many lost opportunities which can have unknown long term effects. That is why I am so keen on clubs really getting to know what their community needs.

On that note, congratulations to the PyesPa/Tauriko Club on the successful campaign to provide shade sails over the children's play area in Castelani Park. The opening event was well attended and the families obviously appreciate this amenity. The other project for the provision of Activity Trolleys for Day stay and Pediatric Cancer patients is progressing well. Thanks to Welcome Bay Club for spearheading this and to all the clubs who have so far donated towards the project. Please send funds to Welcome Bay and be ready to be part of the celebration when these trolleys are presented to the designated hospitals.

Please also support the "Strides for Diabetes" project. If you can't attend the Tauranga event I would urge you to organise a suitable local event. Diabetes is a rising scourge internationally and is particularly prevalent in our Pacifica and Maori communities.

Best wishes and Have Fun.— District Governor David Peart.

Check out stories from these clubs on Facebook. Is your club here?? Hamilton Dinsdale, Cambridge, Tamahere Lions, Te Aroha Mountain Lions, Opotiki Lions....and so many more. Type in a club name in the search bar and see what they have been up to.

<b>WE SERVE TO BRING HELP AND HOPE</b>			

As in previous years Daffodil Day is a combined effort by Lions and Quota with help from lots of other volunteers which included a student from Brazil this year who is visiting the area. Despite fewer people carrying cash we managed to raise \$11,000 this year, slightly down on last year but still a great effort by all. Lion Mary Kilgarrieff (ex Sunshine Coast now of Ohope Lions) , who works for Nova got very enthusiastic as only Mary can and had an amazing display in the office which raised \$706.

**Well done Whakatane Area Lions Clubs supporting Daffodil Day**

**This Calendar is a Rolling Calendar.....Please send your dates and information to [202L.glt@lionsclubs.org.nz](mailto:202L.glt@lionsclubs.org.nz)**

**Do you want to help your club grow and learn about leading as a Lion?**

## **GUIDING LIONS Training**

**PUTARURU SUNDAY 03 NOVEMBER 10.00 AM TO 2.00 PM**

**Central Kids Early Education – 4-6 Glenshea Street, Putaruru**

**This course is open to all Lions (of Good standing) who have served as a successful member and would like to broaden their knowledge. You will have passion and may have an opportunity to assist and support a new or rebuilding Lions Club in your area. You may need to renew your guiding Lion if it was more than three years ago since you completed it.**

**Guiding Lions can support their club or other clubs in their Area with:**

- **Orientation and training of club officers and members**
- **Motivate and support club growth and development**
- **Locate resources available to assist the club**

**Assignments (As a Certified Guiding Lion) can be given by the District Governor to support an existing or new club – for up to 2 years. (Optional)**

**Please phone your Zone chair for further information or Suez Reid 07 544 6165 email :[202L.glt@lionsclubs.org.nz](mailto:202L.glt@lionsclubs.org.nz)**

## Leos and Youth in 202L –Aquinas Leos Club Fiji Trip.

On Sunday, 7th of July, 24 students and 8 adults departed Auckland international Airport for Nadi Airport, Fiji. The departure marked the end of 9 months of preparation, organization and fundraising, fundraising that was greatly assisted by the generosity of the Greerton Lions Club Charitable Trust and their \$5,000 donation.

The Aquinas College Annual Fiji Service Trip is a 10-day trip undertaken by Aquinas College Year 13 students, teachers and parents every year. Every year the group travels to Vanuakula, a small Fijian village located an hour's drive inland from Suva. This year, the services to the village included the building of 4 shower blocks, an outdoor kitchen area, concrete paving within the village, the setup of a library space, the repairs of the village water piping system and the painting of various village buildings.

## Maeroa Intermediate Leos

Hamilton Dinsdale Lions have sponsored the Leos club \$500 towards their upgrade of a gully area. The students have started clearing the area and have planted seedlings to sell next term. They plan to plant potatoes to harvest for Christmas too. They also raised \$700 from a school mufti day and are organizing the Peace Poster Competition at their school to be judged late October.

## LEO'S IN ACTION

On September 21<sup>st</sup> six Dinsdale Club members rallied around and supported Youth Chair Michelle Houghton, with the 202L West Leos Development Day at Fraser High School in Hamilton. Facilitators Michelle, Jan and Jahvaya informed and inspired 13 young men and women including Kaden with sessions on Problem Solving, Goal Setting and the Future Focus of Lions. Catering by Christine and Dinah went down a treat and was well earned by all who attended.

Well done Dinsdale Lions – Your Service is Appreciated

## How is Your Club Supporting Youth Activities? **MAYBE YOUTH CAMP???**

Applications for the 2019-2020 camp are being accepted from July 1 2019.

For information and an application form contact –PDG Myra Davey email [mal.myra@xtra.co.nz](mailto:mal.myra@xtra.co.nz)

**Wanted Staff for the Youth Camp.contact Camp Director– Jonno Davy email [unlimitedsigns@gmail.com](mailto:unlimitedsigns@gmail.com) or ph 021 033 9064.**

**SATURDAY PARTNERS PROGRAMME**– visiting local sites and lunch. Helen Heywood-Convention

### **Margaret's Mumblings– Ist VDG Margaret Gill.**

Part 3- Where does the Money go? – Lions Clubs International Levy pays for...

#### **Web site:**

Obviously LCI provides an extensive web site, both public facing and member resources. If you are unfamiliar with the range of resources available to you on the LCI web site, I would really encourage you to pay a visit, or get a tech savvy friend to help you have a look around. It costs a lot to build and maintain web sites such those provided by MD202 and LCI make sure you use them widely.

#### **Training & Development:**

Separate to the [www.lionsclubs.org](http://www.lionsclubs.org) web site, but also on the web, is the Lions Learning Centre (LLC). Here you will find a large range of online training modules covering a wide range of subjects of use to Lions members, locally for officer training and for Multiple district training, especially those in leadership roles. As well as online training, LCI also provides several leadership institutes. These are the Emerging Lions Leadership Institute (ELLI), the Advanced Lions Leadership Institute (ALLI), the Faculty Development Institute (FDI), and the Lions Certified Instructor Programme (LCIP). Each institute is 3 days long and LCI pays for all accommodation, meals, & course materials for all participants. If you are interested in finding out more, please contact our District Leadership Team Leader Suez Reid or visit the LCI web site and search for institute.

**Officer Support:** There is an international board of directors for our Association. International Directors (ID) are elected for a 2 year team on the international board, with half of the board being replaced each year. In NZ we share an ID with Australia & Indonesia. Obviously there are significant costs involved in holding international board meetings with ID's travelling from all over the world to participate. LCI provides for a lot of expense reimbursement for our District Governor to attend all the meetings and functions they are expected to participate in. Without this reimbursement from LCI the position of DG would be beyond the reach of many Lions. When international VIPs attend our NZ conventions, LCI has paid most of their expenses to get here. However, I would note, there are still some hosting expenses that NZ Lions (either MD, District, or the convention committee) have to cover.

**Headquarters:** LCI employs a number of people to run our international headquarters. Staff at headquarters provide support and material for all 1.4 million lions. Much of the material we get from LCI is also provided in up to 12 other languages.

**Insurance:** As well as the insurance cover we get as part of our levy to Multiple District, all Lions clubs are automatically covered by public liability insurance cover provided by LCI. I would encourage everyone to become familiar with what your club is (and isn't) covered for under these policies. For the LCI cover, go to the member resource centre at [www.lionsclubs.org](http://www.lionsclubs.org) and find the link down the left hand side for insurance.

#### **Brand:**

One really big thing we get from being part of the International Association of Lions Clubs, is the strength of the Lions brand. We can't put a dollar value on this brand, but we all know the power of the Lions name. Which is why it is important that each club and each Lion is careful to not abuse our good name or behave in ways that brings our organisation into disrepute. Keep up the good work , We serve to bring Help and Hope!!

## Ngaruawahia Lions Club News

At our September dinner meeting we had the pleasure of hosting VDG Margaret Gill and Lionel, as well as GMT Team leader Fiona Leyden. We also had two members of the Ngaruawahia Volunteer Fire Brigade, two members of the Ngaruawahia Police Youth Holiday Programme and two prospective new members. I was a very chatty, fun evening. VDG Margaret inducted two new members into the club. Then President Sarah Cross presented a cheque for \$8000 to the Police Holiday programme from the proceeds of our Norm McIntosh Memorial Golf Tournament. She also presented a cheque for \$2000 to the Ngaruawahia Fire Brigade to help with the upkeep of their support vehicle. Members of the Fire Brigade help us in our food caravan at the Fieldays and this is our way of thanking them. In August we sent \$500 to the Welcome

## Register Now!!! Treasurer's Road Show.

**Multiple Districts Roadshow** Coming to your area and this is another opportunity for training and upskilling members to be more effective in their club roles. Contact Suez Reid to register :202L.glt@lionsclubs.org.nz phone 0274367051. Let's see if we can have every club represented at this training event!

**Saturday 23 November - Tauranga - Venue TBA**

**Times for both days 10 til 2**

**Sunday 24 November - Hamilton - Fraser High School**

This event is for Treasurers primarily but the MD Secretary and MD Webmaster will also be in attendance as well as knowledgeable people in other areas of Lions in New Zealand.

## Mount Maunganui Lions Club Event

Zahnee is a 13 year old girl that we have helped with airfares for the family, plus accommodation, in order to facilitate a number of consultations and operations.

As a thank you, she has decided to achieve another milestone, and climb Mauo (The Mount), and to dedicate all the money raised to the Lions. We see this as a great opportunity to promote, and gain publicity for Lions.

She intends to attempt the walk on **Sunday 27th October @ 10.00 AM**. She hopes to pre-sell a number of tickets (200) @ \$20.00 which includes a printed tee-shirt commemorating the event. She hopes participants will also donate to Lions. She continues to recover from her last operation, which lasted 12 hours, and involved 4 surgeons. An operation never before attempted in NZ, where 3 vertebrae were replaced. We see the event as an opportunity to showcase what Lions do in the community, and hope to see as many Lions as possible supporting her on the day, from our zone.

# PEACE POSTER COMPETITION ENTRIES SHOULD BE COMING IN NOW!!!!!!

These posters need to be given to PDG Myra Davey or Michelle Houghton, District Youth Chairman by the 10<sup>th</sup> of November, so that they can be judged before the council meeting in November. Cabinet meets November 2nd it would be good to have these entries for that meeting!

## DISTRICT BANKING TRUST HELPING YOUNG ACHIEVERS

The past twelve months has been a busy one for the Trustees approving nine applications from clubs for funding from the Achievers grants program.

The Clubs ( Recipients ) that were successful with their applications were:

Tristen Eiselen - Swimming	\$1790
Jasmyne Speake - Equestrian	\$1500
Westerly Ainsley - Wrestler	\$2000
Hannah Rhodes-Carlin - UN Global Development	\$2000
Aldrich Cecillo - Musician	\$2200
Fyfe Nicholson - Global Leadership	\$1200
Lochliann O'Conner - Swimming	\$1200
Braeden Kettle - Inline Hockey	\$1500
Margaret Gill - Leadership Training.	\$700

This is a very small sample of Achievers the Banking Trust has assisted over the last 21 years.

If your club has someone in your area that needs funding assistance to help them achieve in their chosen field, complete an application form ( Lions Website ) and send it to:

PDG Dave Armstrong pat.dave59@gmail.com

**Right.2021 GAT team** getting to the bottom of things at Multiple district training day in Wellington recently!!!!

**Left. Faculty Development Institute** Completed by Jan Edgar

**TE PUKE KIWICOAST LIONS CLUB** -A large hall decorated with vibrant flowers, fashion and art.A path leading up some steps to a rustic timber wall.What lies beyond ?

Te Puke Kiwicoast Lions Club are once again holding a fundraising event like no other.

An afternoon of fun, fashion, vibrant floral art and much more will be held at **Te Puke Memorial Hall on Saturday 19 th October** .

The profits for this event will go towards supporting St Johns Te Puke.

So bring your friends, dress in your floral finery and come along to find out what lies beyond the garden path.

The cost for this wonderful afternoon is \$30.00

Tickets can be purchased at Gift Rapt Te Puke and at Te Puke Florist or you can call a Kiwicoast member on 5737702 to secure a ticket.

## Lions Community Project Keeping Tauranga Kids Safer This Summer

The Caslani Reserve playground in The Lakes now has a set of shade sails installed ready for summer. This installation is the culmination of a project coordinated by the newly formed 'Pyes Pa Tauriko Lions Club' and supported by the generosity of the local business community. Lions Club President Matthew Gill, who was instrumental in getting things underway, said that the project cost to manufacture and install the 4 shade sails was over \$30,000. He said that business owners (large & small) were very keen to support this worthy project and this enabled it to be completed within a

relatively short period of time. The project was delivered via a mixture of funding and/or services on site to help get the sails erected. The council also supported this initiative by approving the project plan. A few hundred people turned out for the official opening on Saturday (28 Sep) where they were treated to a free sausage sizzle, ice blocks, face painting, raffles, a bouncy castle and some beautiful singing provided by the local duo 'Just Friends'. It was great to see the shade sails in action as families enjoyed themselves at this popular playground. The event also provided an opportunity for the contributing businesses

to be personally acknowledged (with many in attendance) and publicly acknowledged by the unveiling of a permanent sign on display at the park. It was also great to have the support from members of other local Lions Clubs.

## Lions hate rats, and stoats, and possums, and ...

Two long-term projects that clubs could get involved in :-

### ***Pest control:***

Thanks to those clubs who have a pest control programme operating.

Being spring, many of the little devastators will be producing babies so

it won't be long before a new invasion into our houses, cars, boats, etc will start, let alone our gardens and fruit trees.

For those who don't have a programme, how about teaming up with a local pest control organisation and offering your help. This can be done as a club or at an individual level. Record any activity for the Club Activity reports. It may also be a way of contacting potential new club members.

***Tree planting:*** By now clubs will have started a reserve or forest planting programme (I hope). It is still not too late to get trees – preferably natives – and find an area in which to plant them long-term. If the only ones you can get are very small, or if one of you is experienced in raising them from seed, then perhaps a club member could raise them until next year's planting season or until they are big enough to plant out.

Mike Hayden. Environmental Team Leader

# LAP THE MAP FOR DIABETES

## BAY OF PLENTY

### SUNDAY 17 NOVEMBER 2019

### FERGUSON PARK, TAURANGA

### 9.00 AM TO 4.00 PM

## TARGET 1,000 KMS AROUND THE TRACK

### Lions Clubs International Foundation LCIF

**Our Target: 1-30** That's 100% participation and US\$ 30000 contribution

**Progress: 0.46-12**

A big thank you to the twenty seven clubs who have made a contribution to LCIF, this Lions' year; your donations will certainly make a difference to so many lives. A huge thank you once again to the Legends at Tokoroa Host for their extra donation of \$5000 towards Disaster Relief in the Bahamas...great stuff!

So, to the other thirty one clubs out there, don't procrastinate, you know the great work that LCIF does world-wide, so send me a cheque (Activities Account) and I will bank it for you, or, if you prefer, bank on line (Int. Assoc. of Lions Clubs 030 502 0081103 000; Code: Club no., Reference: LCIF, Particulars: greatest need/ Disaster relief etc )

If you wish to make a donation on a personal basis there is the "Lions Share Program" where you can choose to contribute NZ\$75 (1-Star), NZ\$150 (2-Star), or NZ\$300 (3-Star).

You may elect to have your donation credited to the Empowering Service Fund.....which supports all LCIF causes, or Disaster Relief Fund.....which supports global disaster relief. Donations count towards recognition for Melvin Jones Fellow. I would need to know your name, membership no., Club and of course your money! I look forward to hearing from you. Let's continue to make a difference!

David Eddy PDG LCIF Coordinator.

### Hamilton St Andrews Club

CLUB PRIDE DAY - showing the colours is part of promoting 'what we do' to the local community. This year we thank the local

Te Rapa New World supermarket for allowing us to setup inside. While collecting donations was a part, being visible was a lot

**Otorohanga Lions**— Barry, John and Malcolm are ready to help the kids from St Mary's, Waitomo and Maihihi Primary schools achieve Lions Reach Awards at Harvest Center Climbing wall.

- Do you feel your Club needs invigorating?

If you feel this way, chances are others do too. Quietly ask a few. If yes, then ask for time at meeting to discuss it.

### Here's my three step suggestion to revitalise your club.

**First** - review how your club operates. There is an excellent tool for this - the club quality initiative programme. Here is the link <https://lionsclubs.org/en/resources-for-members/resource-center/improving-club-quality> - scroll down and click on club quality initiative. This will help your club to understand your club's strengths and weaknesses, and the values of your club. It will also help set some club goals for the club future. Do it with a view to fostering diversity in your club activities and membership.

**Second**- network in your community - ask your local community centre, daycares, plunket, schools, even your local council, how can we serve you? The Club quality initiative will guide you with this.

**Third** - have fun doing the service for community

You will grow your clubs connections and the value of your club in your community. When you ask people to join, they will want to join in having fun and being involved in their community. Be prepared that some might be more comfortable to just be friends of your club. Or maybe start a club branch if there is a group of people with different strengths and ideas to your own club.

We have trained Lions in our District who can guide your Club through this club review process if you wish.(Register for Guiding Lions Nov 3rd to become one of these people!! -Editor). Clubs that are revitalised, that have diversity and new members i.e. new voices, have done this process and are enjoying the rewards. You have nothing to loose and alot to gain

Email or call me if you would like to know more.

PDG Sheree McKenzie, Family and Women Co-ordinator
