DG Kevin's Commentary

It has been a very busy time for Glenys and me with a lot happening in our District since my last report. We are grateful for the hospitality that our Lions clubs are showing us as we continue to make our way around the 202J District. It is refreshing to see the different activities clubs are involved in as they serve their community through a variety of projects either raising funds or in our Lions Service areas.

The Cabinet members, ably supported by Lions from other clubs who came along to help, had a successful day at Twizel in the new club drive held on 2nd of November. Names of those interested were taken and will be followed up with the view of holding a meeting to progress this further in the near future. We are very much aware of the need to continue the impetus and momentum. A big thanks to all involved and a special thanks to the organisers and the local contacts who are integral to the success of this project. \$205 was raised through the BBQ and the money was donated to a charity called "Hard to Reach Places" in Twizel. We are getting good press coverage in the local media which is enhancing our efforts.

The following day was a Cabinet meeting in Omarama with good input from all. We as a Cabinet continue to look at opportunities to support clubs and membership as much as we can. There are a lot of positive things happening in our District. Our Lions family does not let the grass grow under their feet. There is a "can do" attitude that is prevalent everywhere we go. Everyone is talking about the future and what it offers.

DG Kevin's Commentary (cont'd)

Glenys and I attended District K's Convention in Taipa in the far north 8th to 10th November. We learnt a number of different things that we would like to do for our Convention in Mosgiel which is less than five months away.

We would like to take this opportunity to wish all Lions and families in District 202J a Merry

Christmas and a safe and Happy New Year. We look forward to working with you in 2020 in our communities as "We Serve by Caring and Sharing".

Yours in Lionism

DG Kevin Bryson

New Member Initiative

Cabinet appreciates clubs are working hard inducting new members, but knows: the New Member Fee charged by LCI can be a financial burden.

Cabinet will reimburse clubs the LCI Fee for each new member inducted.

All clubs have to do to claim a reimbursement is:

- 1) Pay LCI by due date the NZ\$ amount invoiced
- 2) Scan the invoice and proof of payment and along with the club's administration account bank details email these to Cabinet Treasurer at: 202j.treasurer@lionsclubs.org.nz

Reimbursements will be paid in November 2019, February 2020 and May 2020 and there is - **NO LIMIT to the number of claims a club can make before 30th June 2020!**

This Cabinet initiative aims to encourage clubs to continue inducting new members whilst ensuring they are not financially disadvantaged.

Let's get our member numbers growing!

Yours in Lionism

District Governor Kevin Bryson

Focus on Global Leadership Team (GLT)

Hello from the GLT Team. Thanks to all the clubs that have made me welcome over the first half of the year. Now that everyone is settled it is time to think about our next Boards and our training needs. Two themes from this year have been: getting our projects onto MyLion and considering the financial governance of our clubs. DG Kevin made a commitment to have 75% of clubs using MyLion in this Lion year. This can be achieved, anyone who needs support please get in touch. At the Treasurers Road Show we can all look at the financial arrangements of the clubs.

Looking at our District’s training needs for next year and beyond the following days are booked in:

- ◆ 1 February Stand and Deliver, Timaru
- ◆ 22 February Treasurers Road Show, Oamaru.
- ◆ 9 May Incoming Officer training, Timaru
- ◆ 23 May Incoming Officer training, Dunedin
- ◆ 25 July Presidents’ seminar and Zone Chairmen training, Oamaru

Please pencil in these dates, and, remember while the training is for particular roles DG Kevin and the cabinet would fully support any members who want to attend to join in the sessions., Any questions please contact me.

Many thanks.

Jules Ellis, GLT Coordinator

Focus on Global Membership (GMT)

The BBQ Cabinet hosted in the Town Square in Twizel on 2nd November was very successful; special thankyou to Pleasant Point Lions for supplying the BBQ and cooking (Thanks to Rusty & Garry.) Lead up articles in the Timaru Herald, Twizel Update and Twizel Community Facebook page that the “Lions were coming to town” and the proposal to start a Lions Club in Twizel realised 13 names, all very positive; those that registered their interest can see a need for a service club in the town. Those that put their names down and partners were invited to a gathering on the following Friday night, one of the couples has subsequently offered to host a BBQ; with the Christmas break looming it is great they are keeping the momentum going and meeting socially as a group.

A club chartered in Twizel 1971 in its heyday when the population exceeded 6000 and a 1000 children attended the school; the club closed in 2002 with declining numbers.

A local lady came along to the BBQ with a hessian bag that had been given out at the 202J Convention

held in Twizel in 1984; a special reminder of days gone by and the good times.

Membership in 202J District remains static with 1237 members as against 1240 twelve months ago; there are a number of clubs to induct new members. A reminder that clubs also need to look after the members they have, retention is just as important as attracting new members.

We are certainly thinking of all those in Australia affected by the devastating bush fires, once again Lions are there to help where they can.

It has been a busy time for clubs with a variety of activities that are on the calendar annually at this time of the year; enjoy a well-earned break ready to start 2020 with lots of enthusiasm and more service and projects in your community.

Travel safe and wishing everyone a happy festive season.

2nd VDG / Media

Well what a month!!!! Over the past month there has been considerable turmoil and upheaval as we have shifted house after living 20 years on a lifestyle block to downsizing into a three bedroom town home. In the process we found ourselves two nights without a bed – spending one night in a motel, and the second night sleeping on a mattress on the floor (but were that tired it didn't really matter). It really made me appreciate the helpless feeling that some find themselves in for one reason or another without a roof over their heads, and the thought that perhaps we as Lions can help these folk when the need arises. My thoughts drifted to those in Australia who have lost their homes to the devastating fires.

Having shifted on Thursday 31st October, I left on the Friday for ALLI (the Advanced Lions Leadership Institute) which was being held in Christchurch. This having been booked in and paid for some months prior. The Institute was run directly from LCI, and true to form the best laid plans do not always work out. All their paperwork, both presenters and participants were dispatched from Chicago, but held up in customs when it arrived in New Zealand – hence everything had to be duplicated on the Friday night prior to the course starting on Saturday morning – It was between 2am & 3am before some found their beds. But true to the Lions 'can do' attitude we started on time, with all the material needed for the weekend.

The Institute offered tools to enable leaders (District Governors, Vice District Governors, Zone Chairmen and Club Presidents) to lead their Districts and Clubs in a strong confident manner. The participants who attended were from Australia and New Zealand, so it was good to get some new ideas from those across the ditch (or should I say both ditches). I hope to be able to bring some of the learnt leadership skills and ideas to the fore within our District.

On the media front, I apologise for not doing very much over the past month. There has been no internet coverage for me from 29th October until 14th November, so life had become very restricted. The mobile phone the only way of catching up on what was going on. In the new year I hope to get up and going again. I am still working on a Zone publicity idea, and a couple of other thoughts to get our Lions name out there.

I would just like to thank all District members for supporting me over the past six months, and would like to wish you all a very Merry Christmas and a Happy New Year.

Christine Stewart
2nd Vice District Governor/Media

BUSY BUSY BUSY = ZONE 5

Port Chalmers & District:

have assisted with street collections for Cystic Fibrosis, and Multiple Sclerosis Society, prepared and sold firewood and Lily bulbs.

Held a successful Fete at The Lady Thorn Rhododendron Dell.

One of the activities they are most appreciated for in the community is their annual mystery bus trip for the elder citizens in their area, they sell meat raffles weekly at a local hotel, then the profits are used to hire buses and take the seniors on this trip in November.

Toroa:

have been busy knitting for the Neonatal and Oncology wards, collected for the Pink Ribbon appeal, collected used hearing aid batteries and these were delivered to the Cochlear clinic in Christchurch.

Very involved in the Child Mobility project: coordinating clinic appointments, reporting on the current needs of children, attending Northern clinics as well as local.

Dunedin Host:

held another very successful garage sale, this year's recipient was the Otago Wildlife Hospital, the only facility of its kind in the South Island. Also collected for numerous street appeals, held a very enjoyable walk and afternoon tea to raise funds for Child Mobility Fund.

Balmacewen:

the largest club in Zone 5 at 32 members. Penman sales three venues a month, Trade Me sales are ongoing, sold Lilies and Freesias, completed their Defibrillator in Secondary Schools project, donated over \$45,000 of defibrillators to local secondary schools.

Campus Club:

held a Mental Health awareness evening, supported by other local clubs in Zone 5.

Have a very merry and safe Christmas on behalf of everyone in Zone 5.

Lions Christmas Cakes

Yep, Christmas is looming and it's time to get organised for Lions Christmas Cake sales. If you have not already done so, make sure your Lions Club has completed the simple administration job of opening a Goodman Fielder Account and Direct Debit Authority via the new Lions Christmas Cake website. No need if you did all this last year – just use your established Goodman Fielder Account Number. If you haven't kept a record, we can help you).

The delivered cost to Lions Clubs this year is \$70.43 plus GST \$10.57 = \$81.00 for each 6-pack of Christmas Cakes – or \$13.50 per cake (GST inclusive). Recommended sell price of \$20 (GST inclusive), although we emphasise that, other than for direct online sales, Lions Clubs may sell cakes at any price of their choosing. **(NB – This cost price is not displayed on our website as it is confidential to Lions Clubs).**

New Lions Christmas Cake Website

www.lionschristmascakes.org.nz. It contains all there is to know about Lions Christmas Cakes. It is updated constantly – so keep looking.

The new website has two parts – the Home Page and the special Lions Clubs Page.

Home Page

provides information that all Lions and the general public need to know.

We have designed it to inform/enthuse & enable Businesses, Public Organisations and the general Public to buy directly off the internet and to **nominate your local Lions Club** as the beneficiary of the income. Easy money for your Lions Club charity account.

Last year Waitara Lion's (Taranaki) bank account grew by over \$1,400 from just one phone call and one business internet customer! All Lions Clubs can do this in their home territory – deals big or small. Read all about business and internet selling on the Home Page.

*Cakes are delivered **freight free** to your door exactly when you want it – anywhere in NZ. Minimum order quantity is 1 carton of 6 individual cakes. Maximum Order – unlimited! Deliveries available from **4th September 2019**.*

2020 Emerging Lions Leadership Institute (ELLI) Christchurch, New Zealand

The next Emerging Lions Leadership Institute for the Lions of MD202 - New Zealand and the Islands of the South Pacific - will be offered in Christchurch from 17 – 19 April 2020. Now is the time to assist Lions in your area by recruiting qualified participants for the Institute.

This institute teaches valuable leadership skills at the club level and is targeted to Lions who have not yet been club president.

The institute will be conducted in English we will be accepting 50 Lions, total.

We actively encourage qualified candidates to apply.

Completed forms must be received by **Monday 16 March 2020**

Any Lion who has not yet served as President is eligible to apply. This course is excellent preparation for those who are about to take on Board roles, particularly those of President or Vice President.

The cost to participants is NZ\$100.

It would be great to have 15 names for this so please think about it. Please get in contact with Jules Ellis to discuss your attendance.

Midyear Newsletter 2019

Welcome all Past Participants, Sponsors and Friends of BOE to our Midyear Newsletter.

It is time with only seven months to go for us to start thinking of our next BOE course. This will be our 29th annual course.

The next course is from the 8th – 16th May 2020. Total cost \$580.00

For almost as long as we have been running BOE at the Otago Youth Adventure Trust camp in the Berwick Forest the Warden has been Jenny Scott. It seemed appropriate that we should have been the last group that she checked out before moving on and shifting to Waihola. She now works at the Dunedin Hospital. It has been a long and harmonious association for us with Jenny and we wish her well in her new endeavour.

Communication these days allows one to keep track of many of our past participants. We love hearing from any past BOE participants who are "out there doing it!"

So a big congratulations to all of those who have achieved their goals set after attending BOE, it is so heartening to hear of your successes from all around the world. There have been many engagements, marriages, and additions to family's so congratulations go to you all.

Our esteemed leader Scottie Weatherall turned the big 40 recently; welcome to middle age Scottie. This time last year I reported he was preparing for a tilt at the Taupo NZ Ironman. This he accomplished and then set his sights on the Dunedin Marathon. That box has been ticked and a long distance run based in Stewart Island, the 34-kilometre Rakiura Trail Challenge has also been ticked off. Knowing the potential of this young man

the Lions Club of Taieri is helping him on his way to complete the longest day Coast to Coast. Scottie is clocking up the training hours; he enters under the banner of "I Am Hope" Key to Life Trust. Not bad for a man who claims he didn't enjoy running! He is an inspiration not only to those who attend BOE but to all of us involved with the course.

I know many have taken part in sporting events both large and small and that is just fantastic to see people motivated to be out there doing it no matter at what level. I know some of our other instructors are getting back into their sports.

I can honestly say over the last twelve months interest and awareness of BOE has never been higher which has been very heartening.

One concern that I have expressed to those sponsoring participants is the lack of follow up once agreeing to sponsor. I feel many clubs and organisations are missing out by not fully engaging in the process. Done properly there are opportunities to gain new members if not immediately then in the future. Invite them along to a meeting, office party or a working bee before the course and follow up after the event at the very least it creates goodwill.

Our thanks go to Trust Power who has been a loyal supporter over the years. They have just donated us five Personal Locator Beacons (PLB) and some emergency kits. We are delighted to have received these safety devices that we have had to hire in the past.

Application forms can be downloaded from the website or contact me and I will send them to you.

Our new brochure is now available so if you would like one then please contact either Rob or me.

Don't forget our website and Facebook page. We encourage you all to 'like' and share this page visit the website and to spread the word.

Proud to be Supporting 202J Lions

Lions Clubs International
FOUNDATION

Change the world one community at a time

Joao Pedro has just been diagnosed with bone cancer and wasn't sure if he would see his 13th birthday. When the day came he was surprised when hospital staff arrived in his room with a birthday cake. He had just started chemotherapy as an inpatient. It could have been a sad day but instead Joao's family, friends and hospital staff celebrated another year of life, something that perhaps had even more special meaning that year.

LCIF had provided a \$US98,900 grant to update and equip the paediatric cancer unit where Joao was receiving his treatment. Joao's father is quoted as saying "thank you for giving the hospital the opportunity to better serve children struggling with this invisible and often painful enemy. Many are winning the battle with the valuable assistance from Lions, Leos and LCIF".

One of LCIF's new focus areas with Campaign 100 is childhood cancer. International Childhood Cancer Day is 15 February 2020. Does your community need support for anything relating to cancer particularly in children? February could be a good time to engage with your community to assess their future needs. Remember there are grants available from LCIF for any large projects that clubs undertake.

Thank you for the support you have given to LCIF this year and I would like to take this opportunity to wish you all a Merry Christmas, happy holidays and all the best for 2020.
