District Governor's Message

Hi all Lions

202D District Convention

The 202D 48th District Convention is now done and dusted and put away in the cupboard for DGE Louise and Eltham to run next year. Thanks to all Lion's, Lionesses, and Leo's who attended to make this a fun filled time with inspiring speakers and great fellowship opportunities.

A special thanks to the Middle District Convention Team and club for your support and organisational skills in hosting an excellent convention.

Let's recap back to some of the presentations:

- **The Flag Ceremony** took a worldwide view of reaching out to global causes and organisations which support humanitarianism, and showed where change is necessary if we are to leave our world a better place.
- **Guest speaker Dr. Swee Tan** spoke about the work of the Gillies McIndoe Institute and the work they are doing with strawberry birthmarks and cancer. He shared amazing heart-warming stories and photos of the results and developments of treatment for cancer by repurposing drugs that are already on the market for other existing medical conditions.
- **Belinda Van de Monde** spoke about **cochlear in-plants** which was followed up by Louise Knapman speaking about her husband David's first-hand experience with this. "Thanks, Louise, for taking us on that journey".
- **Opunake Lakeside** shared with everyone how they very successfully operate their club 'their way', and how the community has bought into their project of 'Yarn Bombing' the main street.

Proudly supported by McDonald Real Estate Ltd.

District Governor's Message cont;

- **Palmerston North Heartland** ladies shared how they increased their membership from 35 to 42 in one year. They spoke about their excellent retention programme by ensuring that new members are supported in their integration into Lions.
- **Cambridge Lions Club's presentation** by Fred Hansen showed how their club has grown to 89 members. He spoke about the projects they undertake to raise funds, and how these funds are distributed to help those in their community who are in need by listening, watching, and acting. He also informed everyone about The Lions Shed which is a recycling centre of unwanted goods.

Convention AGM decisions:

- **The 202D bulletin remit** was passed to eliminate having hard copies of the bulletin and only have On line copies E Mailed to Presidents and Secretaries who will forward to club members. If members require a hard copy it is up to clubs to print them off and distribute.

- **Election of:**

DGE ---- Louise Knapman

1st VDGE --- Megan England

2nd VDGE -- Stephen Barr

This is the team who will lead you for the next three years, they will need your support. So, when tapped on the shoulder for a position or task the words to say are "Yes, I can do that".

Remembrance and Rededication Service

The Convention concluded with this service to remember the 18 Lions from District D who passed away during the last year. It was a moving service, during which it was a pleasure to host the families of these Lions.

INTERNATIONAL PRESIDENT • 2019–2020

We're Different, We're the Same

Greetings, Lions.

We talk a lot about serving our community as Lions. Service is best when it is personal and close to home, and when it enriches our relationship with our neighbours.

But now, as the world becomes smaller, the space between our communities grows smaller, too. Sometimes we focus on how different another culture is. How their food is flavored, how they dress, how they celebrate, how they mourn. But while the diversity of cultures across the world is truly astounding, what I've learned from my years as a Lion is how much we are all the same. We all want the same things. We want to have safe, warm homes. We want to feed and clothe our families, and have good schools for our children. We want healthcare when we're sick. And at some point, all of us need a helping hand of some kind.

This is why I say we need to be ready to look at our global community to see if there is work to be done. Unfortunately, there are areas with great need that do not have Lions clubs. Or, if they do have clubs, the clubs do not have the resources required to address the great need. This is where Lions can truly make a difference. We can stand together and reach out to our neighbor countries, our neighbor continents, our brothers and sisters on other sides of the world, to give help where it's needed most.

Lions in Korea have partnered with Lions in Japan to build schools in needy areas of Nairobi. Scandinavian and European Lions have banded together to provide aid to refugees in Turkey. These communities of Lions, and many more like them, have looked beyond their borders to see how they can serve.

When we treat the world as one global community, the differences between us seem less important than what makes us the same. We are different, and we are also the same.

Sincerely, Dr. Jung-Yul Choi

District Governor's Notices

A reminder to incoming Presidents that it is time for you to be getting your Club Officers in place. So, members if you're asked please seriously consider could I serve my club in this way.

202D membership is fluctuating between 1080 and 1090. **Cabinet has the offer in place that they will fund the LCI joining fee for this month of March 2020, to help you grow your membership.** It would be nice to see if we can grow our membership beyond 1101 for the year. All we need to do is make the effort to just ask a friend, a neighbour, a workmate, or even a family member.

Remember, continue to keep asking; "What is my job in Lions? What is it that needs doing that I know something about, that probably won't happen unless I take responsibility for it?"

DG Roy Price

YOUNG LEADERS IN SERVICE AWARD:

This has been given a new look this year and in the North we have had the pleasure of presenting 4 certificates and pins. Nicole Kowaleski and Jessica Frost received theirs for 100hrs Community Service and Dana Phelan received hers for 50hrs Community Service. These 3 were supported through New Plymouth Pakeke Lions Club. Hayley Shanks was awarded hers for 50hrs of Community Service and was supported by Hawera Mt View Lions. Congratulations to these 4 Youths.

Please make contact with Schools, Clubs and encourage them to take part in this programme. It is up to us to encourage and nurture the Youth of today and give them opportunities to be acknowledged for the efforts they make by serving the community. In turn this could lead the way of starting up more Leo Clubs in the future.

The Youth of today could one day be members of our clubs. They are the future of Lions and that future starts now.

Attention All Clubs-----COVID 19

All Lions Club Presidents and Secretaries

There has been so much information in circulation by MOH and 202MD Lions that I will keep this brief.

- 1) Please ensure you and your club members are safe and adhering to MOH Ministry of Health Recommendations.
- 2) It is time to consider cancelling all Lions Club meetings, in fact, you should cancel to protect yourselves, members and the Public.
- 3) Review the method of holding Board meetings by using either email, skype or any other methods of communication to avoid gathering together.
- 4) Set up a brief weekly Newsletter by email. Updating Club happenings and members situations who may need help.
- 5) Set up a buddy system or people who will regularly make contact with members, in particular, those who are isolated or elderly.
- 6) Direct members to read the regular bulletin put out by MD 202 called BETWEEN THE LION which is emailed to Club Secretaries or can be found on the Lions NZ website.
- 7) You may have heard that Districts F & J have Cancelled their Conventions
- 8) MD 202 Convention in Whangarei has also been Cancelled.
- 9) The International Convention in Singapore is cancelled. I am sure they are working on alternative ways to have DGE Louise installed along with all DGEs throughout the world.
- 10) DGE Louise and others are looking at options on how incoming Club Officers can receive some training and assistance before the end of this Lions year I encourage you all to look after each other, your neighbours and those you can help without risk to them or yourself

Bottom line is: BETTER TO BE SAFE THAN SORRY.

Kind regards

Roy Price

Club First Vice President

To be a successful club president, you will need to empower your leadership team, which is your club's board of directors. Each board member fills a specific leadership role designed to ensure effective operations at your club.

People make the difference! Elections are usually held in April so this is the perfect opportunity to establish your team for the future.

Here are a few tools to help you develop your club leadership. They may be adopted by your club by amending its club's constitution and by-laws.

- [Standard Club Constitution & By-Laws](#) – This document outlines the election process and describes key positions within the club structure as outlined in the Standard Club Structure. Immediately after your club completes its elections (and no later than April 15), your club secretary should report the incoming officers and directors. Help us keep them in the loop by providing email addresses for future communications.
- [Standard Club Structure](#) – Help your nominating committee know the positions available in the new Standard Club Structure. The sample structure includes the officers, board of directors and standing committees. It provides guidance to the overview of a club's layout.

Finally, Lions Clubs International has designed webpages, e-Books and resources to assist your club officers in their positions. Visit the [Club Officers](#) webpage to learn more about each of these key roles.

As you prepare for your year, please contact us if you have any questions by phone at (630) 468-6890 or by email clubofficers@lionsclubs.org.

Thank you for your service and leadership!

Things You Must Build On

Well we are now into the second half of the 2019 / 20 Lions year and time for another Editorial – What this time!!

What was the REASON we joined Lions. In my case it was to have a night out with the blokes even though the only topic of conversation was farming. However I soon learned to hold my own in that field. Managed to throw a few worthy comments in, and had great delight in winding a few up but after being with children all day and nearly all my colleagues being women my outings were refreshing.

Some people only join for a SEASON, whatever length that may be, because it is their time to share, grow and learn. They will bring you an experience of peace or make you laugh. They may teach you something you have never done before and usually give you an unbelievable amount of pleasure through sharing. Believe it, it is real even if it is only for a short or limited time. That time is valuable

For many in Lions though it is the LIFETIME RELATIONS that teach us lifetime lessons. Things you must build on in order to have a solid emotional background. For me it has also meant the building of many strong friendships in the clubs, Districts and Internationally. It has certainly reinforced the message that we are truly an International Organisation. Serving our Community may be recognising our Over 70s at a Christmas Lunch, supporting those devastated by flooding in Southland, giving assistance to those suffering from Bush fires in Australia, giving aid for the Coronavirus in China helping to cure preventable blindness throughout the world and the list goes on. WE Serve

Thank you all for being a Lion whether you had a reason, for a season or a lifetime and make sure you give other people the same opportunities offered to you, by inviting them to our club.

Rongotea Lions Club—District Tail Twister

Hello fellow Lions,

I have been asked to write this letter on behalf of the club in regards of our annual Tail Twisters competition we hold. Last year we did not run it due to lack of interest. What we are asking for is for a couple of things from clubs that are still keen on carrying it on.

- 1 Do you think we need to change the way we run the event, we are open to suggestions and any comments will be greatly received .
- 2 We would like the clubs that have come in the last 10 years or any other club for that matter, to respond to me by E Mail as to whether your club will support the event with a tailtwister competing, by 30th March 2020.

Can you please make the effort to let us know one way or the other. Any comments would be great. You can contact me if you wish to discuss something by phone or E Mail

PEACE POSTER:

Congratulations to Chante Gollop of 202L for the National Peace Poster Competition for 2019/20.

Our District winner Maria Grindlay was awarded Highly Commended at the National Competition for her effort.

The theme for 2020/21 is “Peace through Service”. Before you contact your Schools etc with this theme, I’d like to challenge you all to step back and think about what is Peace through Service means to you. Then take that

inspiration to the schools etc and sell that idea to them.

Unfortunately 2 Districts were disqualified from the National Competition this year due to their posters not being the correct size.

Therefore MD have decided in order to ensure this doesn’t happen again, each club supplies the school with a pad of A2 size acid & lignin free Art Paper of no less than 110gsm weight.

Please also ensure a brief description on the back of the poster along with Name, Age and School.

The closing date for these is Friday 25th September.

AmeriCARna

What a wonderful day we had for AmeriCARna this year. We couldn't have asked for better weather. A big thank you to those of you who helped out at our food stall. From the preparation, to helping on the day through to the clean up afterwards. Many hands make light work and

the team work was awe-some. The meat pattie sandwiches were popular as always. It was a busy day and the cue of people never stopped over the lunch time rush. \$951.00 was banked and this is basically all profit as the items were left over from the Beach Carnival. Everybody seemed to enjoy themselves, & some visitors even got their dance moves on in the afternoon. Once again thanks to all those involved.

NP Pakeke

The ongoing service project of our club sees a group of Pakeke Lions most Monday and Friday afternoons 1pm-3pm busy at the Hospice Warehouse in New Plymouth sorting the bags of clothes that have

been donated. In the winter of 2014 an arrangement was made with the Warehouse for us to help in this way. Under the watchful eye of Michelle, we go through a process of deciding which clothes are suitable for selling in the Hospice Shops in the area. Several Lions tackle trolley loads of clothes that have

come in the black bags and look for cleanliness, no holes, complete buttons, empty pockets, closed zips and make sure they are the right way out. Others sort them into boxes labelled in categories ready for the shops to pick up to take to sell to raise money for Hospice.

Welcome rainfall disrupted our plans to gather pinecones last

Saturday. Well some of us "LIONS" didn't fancy getting our FUR wet as we assembled for a „Pinecone pick-up“. So we all went back to

Bruce's and Claire's bach for a few cakes, biscuits, coffees or tea, and after a quick change of clothing by most, it stopped raining. However, it has only

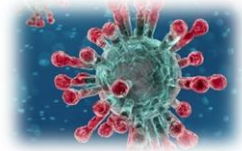

been postponed as we will try again next month. (A few members have since returned to the site and have packed up 47 bags.)

We all went to Christine Higgle's for some drinks and nibbles and then turned ourselves into Purple People Eaters, for the Convention Social. We then headed off to the Convention Centre for a great evening of dining, dancing and singing. The 13 of us looked great in our purple outfits and gold hats and our fairy wings! I tell you we were knock-outs!!

Last year Ruapehu Lions were the winners of the Best Dressed Club and it was up to them to choose who were the "Best Dressed Club" this year.

There was also some bribery that went on with this, which included singing and raising money, which we auctioned off a Purple Decorated Bra and Leo Danz was the lucky man to pay \$50 for the bra BUT in the end there could be no denying that the Heartland Ladies were the winners.

Joke/Quote of the month---Opunake What is a Homograph?

- A **homograph** is a word that is spelt the same as another word, but has a different meaning.
- In many cases, the words are distinguishable by their pronunciation – when this happens, ie. the words are spelt the same but pronounced differently, these words are also called **heteronyms**.
- If the words, however, are spelt the same way and pronounced the same way, but differ in meaning, they are called **homonyms**. Getting confused?? If you think the English language can be confusing, just spare a little thought for the poor individuals who have to learn it from the beginning!

Here are a few examples of Homographs :

- 1) The bandage was wound around the wound.
- 2) The farm was used to produce produce.
- 3) The dump was so full that it had to refuse more refuse
- 4) We must polish the Polish furniture
- 5) He could lead if he would get the lead out.
- 6) The soldier decided to desert his dessert in the desert.
- 7) Since there is no time like the present, he thought it was time to present the present.
- 8) A bass was painted on the head of the bass drum.
- 9) When shot at, the dove dove into the bushes.
- 10) I did not object to the object.
- 11) The insurance was invalid for the invalid.
- 12) There was a row among the oarsmen about how to row.
- 13) They were too close to the door to close it.
- 14) The buck does funny things when the does are present.
- 15) A seamstress and a sewer fell down into a sewer drain.
- 16) To help with planting, the farmer taught his sow to sow.
- 17) The wind was too strong to wind the sail.

Kairanga

"Where are we going Piglet?" asked Pooh.

"We need to get supplies," said Piglet.

"For the Coronavirus"

"Ahh," said Pooh, nodding in understanding. "Things like bread, milk, cough mixture, tissues and cat litter even though we don't have a cat?" Piglet did a little laugh, and a sort of leap and bit of a cough. "No," said Piglet.

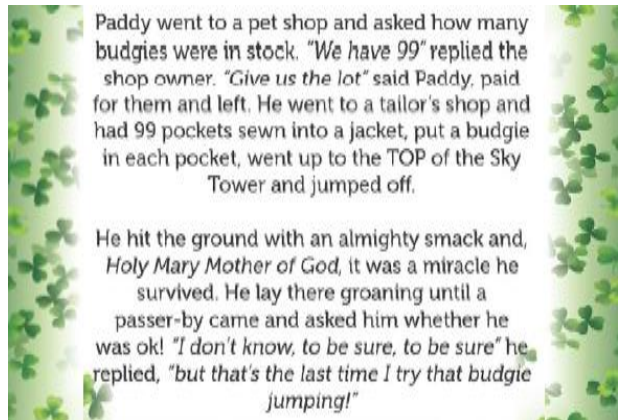

"No, those aren't the sort of supplies we need at all! What we need are family sized bags of chocolate buttons, massive toblerone, jelly babies and crunchies and a freezer full of stuffed crust pizzas, and all of the Prosecco that we can possibly carry, so that when we get quarantined we won't mind it even slightly.

THOSE are supplies."

All of a sudden, Pooh thought that the idea of coronavirus didn't seem quite so bad, and actually, getting quarantined with Piglet and their supplies really didn't sound such a terrible thing after all. "Oh Piglet," said Pooh. "I really do think you are a very wise animal."

Notes

WHAT LIONS ARE

What Lions Are Not:

- 1) Looking to build their own personal business connections through membership in a civic club.
- 2) People who simply write cheques to benefit the hard work of charities in their communities, Lions are those people working hard in those community charities.
- 3) Concerned with building personal prestige or reputation. Lions have a great reputation because of the hard work they perform. Their service speaks for itself.
- 4) A group that raises funds locally to be sent elsewhere. Although Lions charities benefit local, district and worldwide activities, the majority of each Lions Club's activities focus on local needs.
- 5) Just about work. Lions have fun and fellowship. Friendships, made in Lionism last a lifetime, because they are based on a common commitment to service. Lions work hard but have fun along the way.
- 6) A political organisation. Lions are not about political agendas, platforms or issues. In fact, most clubs not allow an active candidate for political office speak to their club, unless all other candidates are given the same opportunity.
- 7) Are religious organisation. Most Lions have their own personal commitment, which all Lions are encouraged to have. Likewise, Lions Clubs are not fraternal organisations which have rituals or special oaths.
