District Governor's Newsletter

“We Serve by Caring and Sharing”

VOLUME 37, ISSUE 11

JUNE 2020

DG Kevin's Commentary

This will be my last report for J-Times in my role as your District Governor. I find it very hard to believe that the time has passed by so quickly. Glenys and I have enjoyed our time in getting to know you better and to see the incredible projects Lions in District 202J do for their communities. Serving by Caring and Sharing is evident throughout our District. The lockdown caused by Covid-19 meant a lot of things were cancelled or postponed but as a resilient dedicated group who have that 'can do attitude' nothing can keep us from serving to whatever level we can through the good times and the bad. We have looked out for each other and have kept in touch in any way we can and adopted ways and means to continue in our quest to help and improve the plight of humanity in whatever capacity we can. When the going gets tough, the tough get going!

My thanks to our District 202J Cabinet for your support and the creative ways in promoting the prospects of the Lions of our District. Everybody has put their shoulder to the wheel in whatever capacity they were involved in and I know that the District is the better for it. I am extremely grateful for all the support and help from club presidents, club boards and all of our 202J membership.

I want to thank the District 202J Convention committee for the incredible effort in putting the Convention together and those of you who have read the Convention Booklet will see that they had a top notch event planned for you and the District to celebrate our successes and show our appreciation. But alas, world events conspired against us and it all had to be cancelled but we

DG Kevin's Commentary (cont'd)

are hoping to be able to hold a Memorial Service as soon as it is possible to do so. More information on that will be distributed when things become clearer.

I felt that a lot of progress was made at Multiple District level with this year's Council of Governors Team (COG) managing to bring in changes for the betterment of the NZ membership with my aim being the sharing of information with all the members. We all need to know what is going on and I feel reasonably satisfied that this has been achieved to varying degrees.

I am disappointed that a lot of the goals/tasks I had for the District were not realised because of the pandemic. Even though we achieved a lot throughout the year and while in lockdown it meant a lot of the things I would like to have seen completed was effectively taken away from us. But it is not about me; it is about our District.

I am sure that when this is all behind us we will be the stronger for it and ready and willing to get on with what we do best by Caring and Sharing in our Communities. Thank you to everyone for all your help, guidance, support and direction. It has been a unique year.

I would like to take this opportunity to wish DGE

Ella, VDGE Christine, 2VDGE Jules and the 2020/21 Cabinet all the very best for the future. It will be a different world than the one we knew and I know that we will be served by Ella and her team to the best of their ability.

The Remembrance/Rededication Service will be held **on June 21 and streamed live**. The maximum numbers permitted to attend gatherings is now 100. To meet compliance reasons, for catering purposes and because we are limited to 100 we need for those attending to confirm with the District Secretary at 202j.secretary@lionsclubs.org.nz

Naturally we would like those who would like to attend to do so but we have to comply with the Govt restrictions in terms of numbers.

Yours in Lionism

DG Kevin Bryson

Update From Global Leadership Team

Hello members

Due to COVID restrictions we are not able to offer members and the new Boards face to face training at present. It will not take place in time for next year start. We are wanting to know what training Boards and members think would be useful. I and the cabinet would be happy to hear from members about what they need. I am hoping to arrange training during the year, which will be similar to the

Treasurers Seminar last year. I have manuals for all the Board roles and I would be happy to share those as people wished.

Finally, I would like to say thanks to the District for the trust you have placed in me in my role as 2nd Vice District Governor; I look forward to meeting with everyone again as the restrictions are lifted.

GLT Coordinator, 2nd VDG Elect

EXECUTIVE SUMMARY

COUNCIL OF GOVERNORS MEETING

Zoom meetings, 1 – 3 May 2020

FINANCIAL RESULTS – The 2019 financial report showed a small surplus as published in the MD convention booklet. The restrictions and cancellation of last face to face Council meeting and MD convention has saved some end of year costs. However the conservative budget prepared for 2020-21 appears to be challenging and will be under close scrutiny throughout the year.

PUBLIC RELATIONS & COMMUNICATIONS COMMITTEE – is being re-established with the objective of improving communication between all levels of the organisation and increasing our reach and recognition in the public area.

MD202 CONVENTION 2021 – will be held in Whangarei, 23 – 25th April, 2021

MD202 Convention 2022 – recommended to be held in Lower Hutt, dates to be confirmed

YOUTH EXCHANGE – is suspended until COVID – 19 restrictions are lifted and international travel resumes.

WEBSITE - We continue to investigate the best way to improve the website and make information available to our members. It is felt that policies and procedures and directory information should not be available to the public. The MD Constitution will be uploaded as soon as possible. A separate members' only area on the website is one solution being investigated.

LION MAGAZINE – LCI has reduced funding of the magazine by 50%. To stay within our budget the Lion magazine will be published in August 2020 and February 2021. Both issues will also be digitized. This is in line with how MD201 are publishing. We encourage clubs to continue sending in stories of their projects.

FORWARD ACTION PLAN – This foundation document is the MD202 long term strategic plan. It has been updated with the addition of new goals focusing on the retention of existing and new members and increasing the diversity of our membership. Future reviews should give more consideration to the service component. This document is made available to all our members through the District DGs and cabinets. DG and District goals will be added as appendices.

INCORPORATED SOCIETY AND CHARITIES SERVICES – Clubs are reminded that they have legal responsibilities under the rules of both of these entities. Information was shared during the recent MD Treasurer's roadshow. Multiple District are working to provide webinars and resources that will be readily available to clubs to help with informing club members of these requirements. Clubs should seek advice from their District Legal Counsel or the MD Treasurer and MD Legal Counsel.

MD APPOINTMENTS – the following appointments were made:

- ◆ Council Advisory Board – CC Helen Williams, 202E
- ◆ MD Fundraising Coordinator – Stephen Wood, 202K
- ◆ MD GAT GLT Coordinator – Lynda Halverson, 202K
- ◆ MD GAT GST Coordinator – PDG Wendy Goodwin, 202F
- ◆ MD Young Speechmaker/Peace Poster Coordinator – DG Jack Hayes, 202M
- ◆ CAB Chair 2020-2021 – PCC Graeme Wilson, 202F
- ◆ Webmaster role – will be separated into two distinct roles to make it more manageable – Website Administrator and Postmaster (email).

Roles to be re-advertised – MD GAT GMT Coordinator, Website Administrator, MD Quest Coordinator

The incoming District Governors have dedicated liaison roles with the MD Portfolio holders to ensure good communication at all levels.

THINK TANK – Council Chair Helen Williams seeks feedback from Districts on the way forward for MD202 post COVID-19. Request that this be discussed at Cabinet and Zone meetings as soon as possible.

MD PORTFOLIO HOLDERS REPORTS – were received and portfolio holders thanked for their work. The main points are:

- ◆ **MD Alert** – making connections before a disaster at local and regional level is best practice
- ◆ **Facebook Administrator** – exciting increase in reach of this social media. Clubs please submit good action photos with caption or adverts for events to the administrator <lionkaren202k@gmail.com>
- ◆ **Family & Women/New Voices** – role sits with MD GAT GMT
- ◆ **Funding Coordinator** – Job description approved
- ◆ **Hearing Preservation Advisor** – Ensure all clubs are aware of hearing aid recycling
- ◆ **Leos** – more involvement with other youth projects should be investigated
- ◆ **New Club Consultants** – role sits with MD GAT GMT
- ◆ **Youth Exchange** – many options in this area but in limbo currently due to COVID-19
- ◆ **MD Convention Liaison Officer** – position is due to expire 30 June 2020 but MDCLO is prepared to continue until this role is advertised and he is also eligible to reapply
- ◆ **LCIF Coordinator** – thanks for the many donations to the Australian Fires. Special mention of \$50k donated from Queenstown Club
- ◆ **CMF** – fitting a walker is life changing for the child and the family
- ◆ **LCNZCT** - successful year with total income and interest of \$61k and expenses of \$33.5k. Thanks to PCC Jo Cameron who steps down after 6 years. New chair is PCC Arvind Raman
- ◆ **HU4K** – new national coordinator is Deb Lagdon from Orewa Lions Club. Please send coins in smaller parcels regularly and NOT in the Resene Tins which should remain at the collection points
- ◆ **Quest Coordinator** – lack of a coordinator is a major concern and need to find as soon as possible. Have trained teachers in 202K, 202L and 202M
- ◆ **MD Trainer** – PDG Richard Norris thanked for his dedication to this role which requires many hours to complete the LCI curriculum as well as the MD202 content on top of this
- ◆ **NZ Lions Liver Transplant Unit** – Due to COVID-19 restrictions the Transplant House occupancy rates are low at the moment
- ◆ **PID Report** – PID Eric Carter was presented with a presidential medal which was awarded by International President Dr Jung-Yul Choi for his role as a Group Trainer for the LCI DG School 2019-20

Ist VDG Elect/Media

It was good news that we received on Monday 11th May about our movement into level 2 (albeit with some strict rules).

This will at least mean we can have small gatherings, and we can only hope that the restrictions will be relaxed again in a few weeks (if we all play by the rules). By the time

J-Times gets published we may be back to normal – or semi normal. It has been lovely to take walks and experience the friendly attitude of others out walking.

It has been very quiet on the Media front. It has given me time to work on a feature for the Ashburton Courier which will be published this week. Hopefully making the community more aware of the good that our Lions clubs do in the community.

Well done to the Palmerston Lions Club – ***“Where there is a need there is a Lion”***.

I would like to take this opportunity to thank our District members for voting me in as their 1st Vice District Governor. The Lions year will get off to a bit of a bumpy start, but I am sure we will get things done. I am looking forward to this year as I prepare for the exciting journey ahead. Congratulations to Ella and Jules on their respective successes and I am looking forward to working with Ella and her new cabinet.

Getting the groceries done . . .

Palmerston Lions Club member Ronald Sheat, of Bushey, loads his car with boxes of food orders, assisted by Palmerston Four Square joint owner Natala Colhoun this week. Mr Sheat and fellow club member Charlie Lunam have been volunteering to help deliver groceries to customers in Palmerston, Waikouaiti, Karitane and Dunback during the lockdown. On their busiest day they had made 15 deliveries, Mr Sheat said. The Palmerston Four Square staff took orders over the phone and packed the groceries, but were stretched by the orders and were very pleased to have the help of the Lions Club, Mrs Colhoun said.

Focus on Zone 3 News

Thanks to everyone in Zone three. While the end of the year has been dominated by the COVID lockdown there is plenty to be proud of in Zone three.

All the clubs have continued to induct new members. There are people waiting for the clubs to meet again so they can join.

We are looking forward to meeting in Waimate for Ella's Convention at the end of our Lions year 2020-2021. The arrangements are moving forward.

All the clubs have stayed in contact with their members. Clubs have started to make plans for tea meetings and projects.

My best wishes to Mary Williamson as the incoming Zone Chairman and Zone three clubs next year. I look forward to continue to meet with everyone next year.

Kind regards

Jules Ellis
Zone 3 Chairman

Focus on Zone 6 News

In these unprecedented times the clubs in Zone 6 are now waiting patiently for the time when they are able to start meeting once again.

It has been nice to hear from the clubs that they have been in communication with their members, especially any member living on their own. These times have made us all aware that pastoral care within our clubs is just as important as projects and meetings.

Projects were all put on hold, other than the odd load of firewood that was delivered within their immediate district. Some clubs had social days and trips planned that have now been postponed until the coming year.

The clubs in Zone 6 have either held online elections or rolled office bearers over for the coming Lions year.

Zone 6 Chairman

2020-2021 Peace Poster Contest

Schools are back, so we can now go to the Intermediate level schools and any other youth focused service organisations and offer them the opportunity to take part. I am aware that in some Districts Leos enter this competition along with community Art Clubs. This contest is NOT limited to entries from school students only.

I attach the two page flyer (colour) that can be sent by email or if you want print it off and hand deliver to the school.

ALL we are suggesting is that Lions Clubs decide if they want to support this competition, at a cost of less than \$20 per school they can provide high quality A2 size art paper, and that will encourage a good standard of compliant sized entries. The only other cost are any prizes involved - Clubs choice.

The Council Chair needs to have the District winners at the November Council of Governors meeting, and David has the task of then selecting the National winner to go to Chicago. Districts should aim to have their District competition completed by 30 October 2020. That gives plenty of time for the schools to respond.

Please encourage your Clubs to find prizes and/or sponsors for the best entries submitted. Recognition is really important and helps Lions to have a high profile. Look for opportunities to display these artists as they are amazing in the concepts they come up with. The rules are clear and easy to follow.

Note that your District only needs ONE Peace Poster entry form - for your selected District entry. The MD202 Office has these forms available in stock now. That will save Clubs heaps and ensure that the District entries are all fully compliant. Clubs choose where they buy the art paper from - Warehouse Stationery have pads of 60 sheets available for \$19.99 - I am sure other art suppliers will have a similar priced range of art paper stock too.

Just so we are really clear on questions already raised with me - no entries that are three dimensional, i.e. have items glued to the art work, and no artwork on canvas frames please.

Cheers

Focus on Global Membership (GMT)

The last report for the Lions year; like everyone the last two months have kind of evaporated.

Clubs have been very good at setting up ringing lists and keeping in touch with members, the over 70 age group have been confined to barracks and appreciated phone calls and offers of assistance to get groceries etc.

With all the technology and contact within clubs largely done by email a step back in time and ringing one another has connected members on a different level. There have been lots of comments about how good it has been to have time to have a chat. There will be lots of positives come out of all this but clearly there will be a huge impact on the lives of a lot of people with loss of jobs and businesses.

Lions need to check in with organisations and agencies that deal with the vulnerable and see where there is a need. An eye watering amount of money has been handed out and it will take a while to see who benefits and who misses out.

It may well be a time of much more community service rather than fund raising events, without forgetting your members and their welfare.

Comments from those that work with the vulnerable in the community found that a lot of mums don't know how to cook or bake and children don't have access to books/board games in the home, something that we would all take for granted. With winter coming there always seems to be a lack of warm clothes, jackets, bedding, etc in homes for families/children.

Time for community assessment to see where we can assist locally, and time in the near future for everyone being able to get back together again; with changeovers on the horizon it would nice to be able to hold these to finish the year ready to start a new one.

Proud to be Supporting 202J Lions

Lions Clubs International **FOUNDATION**

Life has been different for us recently with a shutdown of the country for COVID-19. It has probably made us all stop and think about what we were doing, and how we can continue to do those things now that we are on level 2. Firstly though, I would like to thank all those essential workers who have worked right through this, selflessly giving their time and often gone beyond their call of duty to make us safe and remain healthy.

It is in times like this that we acknowledge how fragile life is. Because your Lions club has supported and made donations to LCIF in the past, they have been able to provide support for some countries so desperately in need around the world with this deadly virus. LCIF have so far made grants of \$US3,533,000 and more will be given.

LCIF is giving priority consideration to support regions with extreme rates of confirmed COVID-19 cases. The focus will be on addressing those needs that exist within local medical and emergency management systems that are coordinating efforts with the World Health Organization (WHO) and Centers for Disease Control and Prevention (CDD) guidelines.

Donations for our COVID-19 response are being accepted through LCIF's General Disaster Fund. These donations are Melvin Jones Fellowship eligible. How often at a funeral and in listening to the eulogy that you hear just how much a person has given to their community over the years, and it was never recognized. I would like to encourage clubs to consider making a donation to LCIF by purchasing MJFs for someone in your club and/or community who stands out and deserves local recognition. In acknowledging someone, you will not only be thanking them for their commitment and dedication, but also providing extra funding for LCIF to be able to continue our work worldwide.

Special thanks to all those clubs who have supported LCIF this year, it is very much appreciated. If your club hasn't as yet supported LCIF can I ask you to please consider making a donation as we near the end of another Lions year?

Take care, stay safe and above all BE KIND.

Annual General Meeting THURSDAY 23rd JULY, 2020 at 7.30 pm

This will be a Zoom meeting and open to all Lions.

Please register your interest to take part with Chairman Rodger Millar

cmf@lionsclubs.org.nz

To make the process easier and quicker any questions would be welcomed prior to 23rd July.

The CMF's recent clinics in Auckland, Wellington and Christchurch had to be cancelled due to the Covid-19 crisis and we do not yet know when we can get going again as our two professionals that do those clinics live in Australia. They of course do not want to spend 14 days here in isolation and perhaps another 14 days in isolation when they return home so until we have an all clear we are in limbo.

Our Trust meeting and AGM that were scheduled to take place at Whangarei on 1st May were cancelled too. We have had one small Zoom meeting and now plan our AGM on Zoom (as detailed above).

The CMF team are still doing all they can while in Lockdown and the Hart Walker programme is still on track. Thanks to all the Lions who help us with our goals.

New Member Initiative

Cabinet appreciates clubs are working hard inducting new members, but knows: the New Member Fee charged by LCI can be a financial burden.

Cabinet will reimburse clubs the LCI Fee for each new member inducted.

All clubs have to do to claim a reimbursement is:

- 1) If you have inducted a new member (*must be this Lions Year*)
- 2) And you have paid their new member fee to LCI
- 3) Email 202J treasurer Graeme Hathaway the members name and the month inducted
202j.treasurer@lionsclubs.org.nz
- 4) Include your club's administration account details – *important!*
- 5) If you have inducted more than one over a period of time, all details in the one email will suffice

Reimbursements will be paid in February 2020 and May 2020 and there is -
NO LIMIT to the number of claims a club can make before 30th June 2020!

This Cabinet initiative aims to encourage clubs to continue inducting new members whilst ensuring they are not financially disadvantaged.

Let's get our member numbers growing!
