DG Ella's Expressions

Wayne and I have had a very enjoyable time meeting up with various clubs for their changeover celebrations since we travelled home from Hanmer Springs. First stop – Ashburton on 1st July. Next was Waimate on 6th July, when I was accompanied by Bob Melville, Charter Member from my home club, as Wayne was busy on the tools. Bob kept me awake on our travels by telling me stories of projects our club were involved and the adventures he and others got up to during the early days. Third visit was on 7th July to Mayfield & District. Fourth was Rakaia on 17th July, then on the way home we were honoured to join the Geraldine Lioness Club for their 30th Anniversary and their induction as Geraldine District Lioness Lions Club

- thanks to the ground-breaking work of PDG Kevin Bryson and the perseverance of the club to tick all the boxes. Thank you, ladies, for accepting the change and helping our District going forward. Final meeting for the month of July was our 2021 District Convention club, Waimate Whitehorse on 20th July.

Thank you for the very warm welcome we received on all of these occasions. It is lovely to make new acquaintances and reconnect with people we have met before. It is heart-warming to hear how your clubs are helping your communities. Thank you for your commitment To Serve.

Wayne and I are looking forward to future visits to clubs in the District as the weeks roll by. VDG Christine

and 2nd VDG Jules are also looking forward to doing the same.

Moving forward from here and working through the trials and tribulations of Covid-19, my focus this year will be on retaining our members and growing our membership, while keeping everyone safe and healthy. I know that with the support from the District we will work through these changing times to keep helping our local communities and this is an ideal opportunity to look at new and different ways of achieving our goals.

By the time you read this the Presidents Lunch will have been held in Oamaru to acknowledge the

commitment your Club Presidents are making, to ensure your clubs accomplish your goals for the year. This has also given them an opportunity to communicate to Cabinet any requirements they have, to ensure they are prepared for the year ahead. Following this Cabinet will have had a brief Cabinet meeting to get the ball rolling.

Remember
We Serve – Because We Can.

“WE SERVE - Because We Can”

1st VDG

Well, our Lions lives seem to be back on track albeit slowly. It could be likened to a bear coming out of hibernation – the body is working, but the joints are stiff. Some clubs have chosen to roll over their boards from last year, which has meant that not all clubs have had their annual changeovers, while some clubs have had their changeovers later than normal or in a very informal manner.

While our International President Jung-Yul Choi will lead us for another year, some new appointments have been made at International level.

Congratulations to Past International Director Ron Luxton for being appointed to the LCIF Board of Trustees. I would also like to take this opportunity to

welcome the Geraldine Lioness ladies into the Lions family.

My duties as Vice District Governor are light for most of this year, with only a few clubs to visit on behalf of DG Ella. The main emphasis is on training, and preparation for the coming year. I will be asking once again for the support of you members at our Convention at the end of March in order for my journey to continue.

Keep well, keep safe and be kind.

Focus on Media

Clubs are **VERY** slowly getting back to normal with their club projects. Winter is always a quieter time for doing our community service, but this year is a little quieter than normal.

A few clubs have been busy doing firewood and kindling. One of these is the Temuka club. Great to see Gavin Somerville out and about.

The Rakaia club has been gathering and selling swedes (if anyone is driving through Rakaia, there is a trailer at the Mobil Service Station full of bagged swedes – support the Rakaia club). The club also has their popular lily bulb project coming up soon.

Other club projects have included catering and manure.

Here are some of the Timaru Host Lions hard at work bagging fertilizer.

Well done to the Mosgiel District club members for taking up the knitting needles and knitting garments for premature babies.

Just shows the difference between male and female Lions (Ladies do the comfort, practical things, while our male counterparts do the heavy labour intensive jobs).

I know I do not get all the club bulletins, so please keep the bulletins coming my way:

202j.media@lionsclubs.org.nz.

Celebration of 30 years as a Lioness Club

Focus on Global Membership (GMT)

Another Lions year begins as clubs have held changeovers, some in a different format to previous years and showing that doing what has always been done can be done differently.

It was a pleasure to be part of the Geraldine Lioness Changeover on Sunday 19th July; they also celebrated their 30th Anniversary as a Lioness Club along with their transition to a Lions Club which they have done smoothly.

Outwardly there will be no changes I am sure to the way they work and support the local community and continue to work with Geraldine Lions; the only obvious change is the name, they are now the Geraldine District Lioness Lions Club. Welcome to District 202J and I am sure they will be a valuable asset.

Hopefully clubs can now get back to some sort of normal, look forward to an interesting and rewarding

year as they serve in the community, it may mean thinking outside the square to help and respond to needs locally as the reality of the lockdown, job losses and businesses closing starts to become apparent, particularly the elderly and children.

Membership is an ongoing issue and with no club meetings for a few months it may have curtailed membership drives, initiatives and inducting new members, therefore looking forward to positive outcomes in this area. We also need to look after the members we have and be mindful some elderly are still apprehensive about being out in larger groups.

♣ Oamaru:

Presented Mac Smith with an Honoured Recognition for his outstanding service to the club & to the community. Mac is the epic of DG Ella's theme "We Serve Because We Can"; well deserved Mac. Club has welcomed a new member Bruce Blackie & his wife Angela.

♣ North Otago:

Held their change-over on the 16th July with Shelia Paul being inducted as President by PDG Adrienne Alding. The club surprised Barbara Williams on her last official meeting, before transferring to Selwyn, with a Melvin Jones Fellowship. Another well-deserved recipient.

♣ Waiaireka Valley:

Due to Covid-19 they had their change-over with partner/wives only. The club will be presided over for the 2020-2021 year by President Bruce McNab & is gearing up for a busy time ahead.

♣ Waianakarua:

President Ian Caldwell has continued as President with the proviso that club members take turns at chairing some meetings. They have been busy with repairs & sprucing up at McKerrow's Pond in anticipation of a busy summer ahead.

♣ Palmerston:

LMLCCT District Trustee Graham Edge had a busy night at their change-over, he inducted Kayla Sutherland into the club & also presented outgoing President Ron Sheat with an Honoured Recognition for services given. Ron you have done your club proud this last year. Graham then inducted new President Sandy Sandford and the 2020-2021 board.

♣ Waimate Whitehorse:

I was privileged to attend their change-over night; this effervescent club was fizzing & made the night special not just for the incoming board lead by Rita Stewart, who were inducted by DG Ella, but also for the out-going board, many of whom have been recycled onto the new board. Watch this space this club will take DG Ella's theme "We Serve Because We Can" to the next level. We were shown a very professional video for the Waimate Convention.

Waimate:

Held its change-over at their last meeting & I'm looking forward to getting to know my brother Lions from Waimate. Service is a big part for the club & the Waimate area is very lucky to have this club & its members in their town.

2020-2021 Peace Poster Contest

Schools are back, so we can now go to the Intermediate level schools and any other youth focused service organisations and offer them the opportunity to take part. I am aware that in some Districts Leos enter this competition along with community Art Clubs. This contest is NOT limited to entries from school students only.

I attach the two page flyer (colour) that can be sent by email or if you want print it off and hand deliver to the school.

ALL we are suggesting is that Lions Clubs decide if they want to support this competition, at a cost of less than \$20 per school they can provide high quality A2 size art paper, and that will encourage a good standard of compliant sized entries. The only other cost are any prizes involved - Clubs choice.

The Council Chair needs to have the District winners at the November Council of Governors meeting, and David has the task of then selecting the National winner to go to Chicago. Districts should aim to have their District competition completed by 30 October 2020. That gives plenty of time for the schools to respond.

Please encourage your Clubs to find prizes and/or sponsors for the best entries submitted. Recognition is really important and helps Lions to have a high profile. Look for opportunities to display these artists as they are amazing in the concepts they come up with. The rules are clear and easy to follow.

Note that your District only needs ONE Peace Poster entry form - for your selected District entry. The MD202 Office has these forms available in stock now. That will save Clubs heaps and ensure that the District entries are all fully compliant. Clubs choose where they buy the art paper from - Warehouse Stationery have pads of 60 sheets available for \$19.99 - I am sure other art suppliers will have a similar priced range of art paper stock too.

Just so we are really clear on questions already raised with me - no entries that are three dimensional, i.e. have items glued to the art work, and no artwork on canvas frames please.

Cheers

Childhood Cancer:

In May 2019, LCIF approved a two-year formal partnership with Global HOPE (Hematology-Oncology Pediatric Excellence), a program of Texas Children’s Hospital and Baylor College of Medicine. Launched in 2017, Global HOPE is a transformational initiative that is improving the standard of care for children with cancer in sub-Saharan Africa. Sadly nearly 80% of children with cancer live in low- or middle-income countries where tragically only 10% of children survive. Of note, children in higher income countries such as USA, Canada and Japan have an 80% survival rate. This partnership’s objective is to build long term capacity in Africa to treat and dramatically improve the prognosis for children with cancer and blood disorders in Botswana, Malawi and Uganda. LCIF will provide funding of \$US2 million over the next two years to support development of infrastructure with the local Lions in the countries concerned working alongside Global HOPE.

COVID-19

Whilst the effects of COVID-19 affected LCIF by way of closing the office down, work is still going on with all staff operating from home in the interim. At the onset of the COVID-19 outbreak, LCIF established a

Disaster Relief Grant. As at 15 July 2020, 333 grants totalling \$US5,128,692 has been made with \$US40,000 coming to our Constitutional Area. One such recipient was Lions in Lebanon who responded as follows:

“Thanks to a US\$10,000 Lions Clubs International Foundation Emergency grant Lions in Lebanon purchased personal protection equipment (PPE). The PPE was donated to a hospital near the capital Beirut in Lebanon where the coronavirus has spread and transmitted rapidly. Your donations to LCIF help support COVID-19 frontline relief.”

Because of COVID-19, **Campaign 100** has now been extended until June 2022. With 100% of your donation empowering the service of Lions, those who need our help most have more promising futures. Although those benefitting from your support may never know of your generosity, Lions Clubs International Foundation and our beneficiaries appreciate your support.

Twenty-six clubs [74%] from our District have so far donated a total \$16,690 with Timaru Suburban having applied and been awarded a grant of \$20,000 towards a Bike Skills Park in Caroline Bay, Timaru, plus one other club has just started an application. Please consider making your club's donation; I know that most of our clubs have had no project money coming in due to Covid-19, but every donation helps the Trust help you.

REMEMBER IT IS YOUR TRUST THE LIONS OF NEW ZEALAND

It is there to assist New Zealand Lions Clubs to fulfil Humanitarian needs.

The latest figures I have for the Capital Fund stands at \$5,898,683; the income account \$214,412; Special Trusts \$ 901,565; and funds managed on behalf of others \$515,521 giving a total of all funds of **\$7,530,182**

Cash available for grants and Loans \$183,749

Covid-19 has made the later part of the Lions year a difficult time for the Trust's returns but the fund is bouncing back well, and with our clubs now back online I'm sure that we will be back to normal very quickly.
