Lions Clubs International District 202F

We Serve

DG Sue Fleury

Hi to all my fellow Lions in 202F.

I feel privileged to be leading you this year as we work together to build the district again after the covid shock of the last year.

It was a strange year for me, I attended the VDG training in Chicago and then MD Convention and International Convention were cancelled, so I had to complete all my training by Zoom meetings and the online learning centre at LCI which both worked extremely well. My fellow DG's and myself decided we needed to be together for our induction so travelled with our partners to Hamner Springs for a fun filled weekend. We joined with Australia in a large Zoom meeting where we were all inducted by PID Barry Palmer. I think it is a lesson to us all that things can change instantly and we need to be ready to adapt to new ways.

I see by the bulletins that I receive that all clubs are up and running again and a lot seem to be making an effort to be seen in our communities. I believe that this is the key to increasing our membership, if we have a high profile in the community and are seen to be having fun while serving for good causes people will want to join us. I have appointed PDG Wendy Goodwin as the District Media person this year to help raise our profile. Wendy would be very happy to give you advice on how to raise your profile through the media.

Sunday the 26th July is our Remembrance Service and Awards Presentations that we could not do at the convention owing to it being cancelled. It is very important to remember the Lions who have passed away in the last Lions year, please make sure you contact the families of those members and bring them along with you. This will be hosted by the Clyde & Districts Lions Club in Alexandra.

I have my first cabinet meeting in Invercargill on the 1st of August and then the Presidents Lunch on the 2nd also in Invercargill. Owing to the training days being cancelled this year we are holding the training for Presidents prior to the luncheon and there will be a partner's programme. I am looking forward to catching up with a lot of Lions at these 3 events.

I also look forward to starting my visiting in August along with VDG Pam and 2nd VDG Jerry we are excited about the year ahead and seeing what we can achieve.

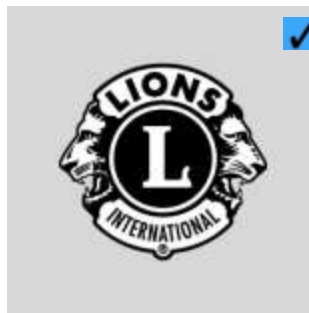

Please remember even a simple act of kindness can change a person's life forever.

Kind regards
Sue Fleury

202F District Governor

How is this for an incredible Lions Project?

In February 2020 I visited family in Northland. Royce Kokich from Mangakahia Lions showed me with pride a recent project that his Club has completed.

Maungatapere Memorial Church This church was erected to honour the men from the District who fell in WW1.

The church was restored in 2017/18 by the Lions Club of Mangakahia with help from the community as their Centennial Year Project. This interdenominational War Memorial Church is a beauty. It was opened in 1928. Well done Mangakahia Lions. What a huge project and very worthwhile. <https://nzhistory.govt.nz/media/photo/maungatapere-first-world-war-memorial-church>

"We Serve Because Kindness Matters"

Attention 202F Lions Clubs

7 July 2020

Many thanks to all the 202F Lions Clubs who contributed over the past 14 years to the Dialysis Caravan project .

In March prior to the Covid-19 Lock down period the SDHB decommissioned the caravan to be used by dialysis patients. The caravan was then used by the Catlins Medical Centre as an isolation unit/room for the Covid testing of patient, but it is no longer required.

Our directors decided that now is the time to sell the caravan.

The caravan which has new vinyl flooring, been freshly painted inside and out, comes with the water pump and a large storage box at the front, has a TV and DVD player, a comfortable reclining chair and footstool and the caravan is registered and comes with a WOF ready to go. The Owaka Lions Directors have suggested a price of \$7000.

It is set up for an individual to put in their own dialysis machine and filtering system and they can then take their own holiday wherever and whenever they wish.

The Directors wish to give “first option to purchase” the caravan to anyone from the 202F clubs. May be your Lions Club knows or has a connection to someone who would need or want this caravan.

If you have any inquires phone **Lion Alan Burgess 03 4158259** as soon as possible as there already has been some (outside 202F) interest shown.

Thank you so much for your support over the years.

There have been some wonderful letters of appreciation from users/clients who have enjoyed time away from home.

Lion Alan Burgess

1st photo: The large storage box on the front is also included and houses the pump and hoses which are included

2nd photo: Sorry I have no photo of the caravan without the dialysis machine and the filter unit. Theses will not be included with the caravan.

However the reclining chair and foot rest, (not seen in photo) plus TV screen and DVD player and mobile drawer unit are included.

Sorry the characters in the photo are also not included!!!!

LCIF Grants Accomplishments

Every year, we're able to make a positive impact in the world by providing grants to Lions clubs. These grants allow Lions to do large-scale service projects that would not be possible without financial assistance. It's an honor to do this for Lions—enhancing the service of those who already give so much.

LCIF Donations and Campaign 100

Donations for our COVID-19 response are being accepted through LCIF's General Disaster Fund. Please [make a donation](#) to help us in the fight to keep our families and communities safe. All donations to this fund are eligible for Melvin Jones Fellows and Campaign 100. Please be aware

acknowledgements and recognition for LCIF donations will be delayed due to COVID-19. LCIF recognizes and thanks its Campaign 100 International Committee members, area leaders, multiple district coordinators, district coordinators and club coordinators for their dedicated efforts to empower Lions' service both locally and globally. Our campaign leadership is in the process of evaluating the impact that the COVID-19 crisis is having on Campaign 100. In the weeks to come, we will provide you with more information about how Campaign 100 is adapting to address this unprecedented situation. Campaign 100's support of Lions' service is more important now than ever. LCIF would like to take this opportunity to encourage all those who are working hard in support of Campaign 100 to prioritize health and safety, while remaining connected with your fellow Lions and the LCIF staff supporting you. Thank you for safely communicating the mission and impact of LCIF

LCIF Awards US\$3,559,090 in Grants to Lions Serving Their Communities

The 69 grants totaling US\$3,559,090 will empower Lions to serve their communities on a large scale. A few project examples include improving schools in underserved areas, providing eye care to those without access, and screening thousands of people for diabetes.

Wanaka Upper Clutha

At the July tea meeting the Women's Health Bus (called Betty) and its two professional attendants were I guest speakers for the night .

THEME: So you thought you missed out on the Lions' Conference Well No! We have copied their theme of Gold, Glitter or Glamour.

Guest Speakers at our June tea meeting were- Lee and Jamie Lamb and their boys were introduced by Lorraine. They are a Wanaka family who write, illustrate and publish children's books based on rural life/farming in New Zealand. An interesting talk followed along with a display of the books and cards.

Lilliput Library – Brenda has painted our 2nd library and it looks awesome. We are now awaiting for the Mens Lions to erect at Yvonne's home in Meadowstone Drive. Entertainment Book – Pauline has sent emails to everyone regarding the new 2020/21 book. Lorraine spoke about the great discounts offered. We receive \$12 for each book sold.

At board it was decided we donate \$1000 to Ronald McDonald House in Christchurch instead of organising the "the roast meal theme".

Gore Pakeke

The disruption of Covid 19 continued the downturn of our clubs income from recycling but we are planning our booksale for end of August. We are looking forward to our first meeting since lockdown which will be changeover night on the 2nd July at Gore Racecourse. **BOOKSALE CATERING**- roster is being compiled of names of people who are willing to help provide morning and afternoon teas during the booksale and set up days, also Friday mid-day lunch. All help would be greatly appreciated. Pakeke Lions are busy again as they can continue with their usual activities. Recycling workers have been busy for some time, Lion Trevor with the help of grandson Matt have fulfilled the orders for bulldust and organization for the booksale is underway. Many thanks to all who have helped produce the bulletin. Those who have provided reports, Dulcie Stark for most of the photos, and the deliverers – Lions Eleanor Groves, Alec Balfour, Noel Hartstone, Margaret Scott, Alex Stark and David Stark.

Gore Hokonui

If anyone has old money we can pass it on to Heads up for Kids, who had a wonderful article in the Southern Flyer on 8th June. Also old glasses, can tabs and wine bottle tops. We have Daffodil Day collection on 28th August so will start filling that board at our July meeting. Look forward to seeing you all. We made Cheese Rolls on the 11th July 2020 at St. Peters. We will be making 500 dozen (notice an increase) well done everyone. We will start at 8.30am.

We cannot stop the winter or the summer from coming.

We cannot stop the spring or the autumn or make them other than they are.

They are gifts from the universe that we cannot refuse.

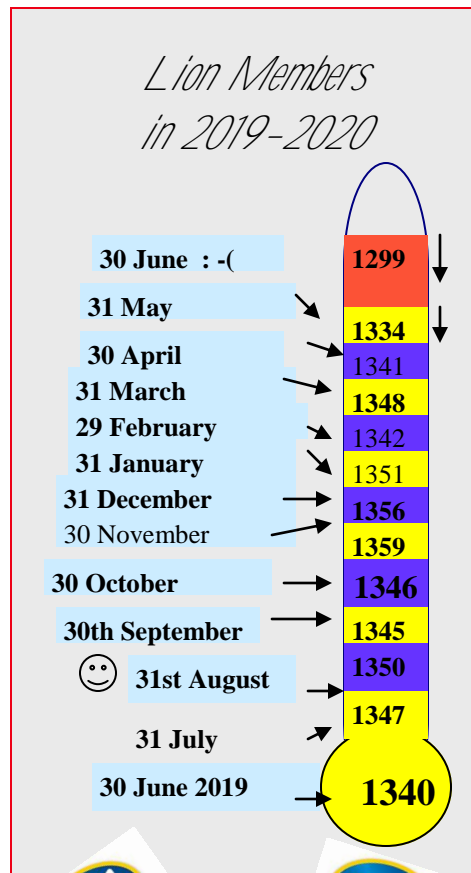

But we can choose what we will contribute to life when each arrives.

We have been fortunate enough to still operate fundraisers such as slinkskins over difficult times when fundraising has been difficult. Money from the maps have also helped us out. Because of such fundraising, we have given to the local pool, St Andrew's Scouts, St John Health Shuttle, and Otautau RSA. We donated \$2650 in our annual donations this financial year. This does not include the donations made throughout the year to our surrounding community. We have had to hold over one of our major fundraising ideas to 2021

Queenstown

A very active month running BBQ at Queenstown Events Centre as the Hub for immigration issues. We ran BBQ's daily 10am till 2pm. As a general rule we served approx. 60 sausages a day. This was a free sausage sizzle; we knew that we couldn't exclude visitors to the centre so simply placed a metal cup on the table as donation cup. Each day donations more than covered cost of purchases. One person even put in \$50 as a donation. Wednesday we have a BBQ at Memorial Hall catering for a QLDC staff function, again thanks for your support. On Saturday we will have a spot at Welcome Winter a family fun day on Earnslaw park. We will be running sausage sizzle along with selling non alcoholic mulled wine. A big turnout is necessary. We picked up the split wood at lake Hayes and moved to Peter Doyle's place to dry out, again thanks to those who helped and provided trailers, much appreciated. Charlie gave an update on the purchase of \$2000 worth of vouchers in \$50 and \$100 Denominations. These had been delivered to Happiness House with a Brochure There are 2 agencies that are on the front line assisting directly to helping Struggling Locals or Others in the region. They are Happiness House and The Salvation Army. A question was put, do we approach the Salvation Army with the Same offer. This is to be decided at a later meeting

Thank you for that Queenstown.

We had a beautiful sunny (but not too hot) day and awesome Lion's crew to get flax for Nathan Cleaver. Alan McKay was excellent "shaking them apart" with the tractor and Ewan Templeton is better than any machine at dividing them. We had the order completed and were enjoying baking and drinks by 3 pm.

Invercargill Central

Welcome back to Lions, after what seems a long time, we are finally able to be together. There will be lots to catch up on so with that in mind, our first tea meeting will be social with the focus on fellowship. There have been many ups and downs for our members over the past 3-4 months and it will be good to get back on track again with Lions. Some fun and fellowship at our July meeting is just what we need. See you all at our usual venue 14th July.

Winton

four new members inducted at our last meeting plus others throughout the year we are in good heart, ready to take on more projects during the coming year. At the time of writing we should have been having our first working bee on firewood, but we all knew that winter would come sometime and here it is. Mike and Juon will be in touch with a new date later. We have run out of wood ready for sale so we plan to cut rings and stack them so members can go along in twos and threes to do some splitting when they are able. I would like to acknowledge the effort of Jeff and those who helped on the BBQ last season. A job well done. This is a huge earner for our Club and we wouldn't be able to make the donations we do without that income.

Over the year we ran 10 BBQs, 43 people volunteered their time to help with 258 man hours worked, taking in \$14,423 plus another \$2268 for Raffles. There is a great deal of expense as you'll see when the books are finalized. Also we donated \$250 to the foodbank.

Wanaka & Districts

There was a good show of hands at our Board Meeting for supporting the Borland Lodge weekend away on 27th November – so as a club lets save the date & enjoy the break away.

Deputy Principal Lisa Bailey and Assistant Principal Daryl Gellatly put the finishing touches to one of the Three Elm trees planted by our Lions Club at Te Kura O Take Kārara School.

Our Club made \$1000 available for the project. The trees were sourced by Ecco Landscapes who also provided their truck, digger & their expertise. Big thank you to Arne & Lloyd

Child Playhouse made out of pallets. Malcolm has built one, & the 'team' built another. For sale or raffle. Both sale & raffle are great ideas. Needs someone to make the raffle idea their baby & run with it around Xmas. If you want to make a serious contribution for our club & have a few hours to spend, let Malcolm know,

What to do with the 'pink' caravan? Robin has offered to give it a home in one of his sheds. Thanks Robin. A sand down & a coat of paint would give it a new lease on life.

Biking Group have been active lately. A group of 10 heading to the West Coast to bike the Wilderness Trail.

MINDSETS

FIXED MINDSET

The belief that skills, intellect, and talents are set and unchangeable.

GROWTH MINDSET

The belief that skills, intellect, and talents can be developed through practice and perseverance.

I'll stick to what I know. Either I'm good at it or not.

DESIRES

I want to learn new things. I am eager to take risks.

It's fine the way it is. There is nothing to change.

SKILLS

Is this really my best work? What else can I improve?

This is a waste of time; there's a lot to figure out.

EFFORT

I know this will help me even though it is difficult.

It's easier to give up. I'm really not smart.

SETBACKS

I'll use another strategy; my mistakes help me learn.

This work is boring. No one likes to do it.

FEEDBACK

I recognize my weakness, and I know what to fix.

It's easy for him or her. They were born smart.

TALENTED PEERS

I wonder how they did it. Let me try to figure it out.
