Lions Clubs International District 202F

**We Serve** Hi Everyone

## DG Sue Fleury

I have just arrived home from the District Remembrance Service and Awards presentation afternoon. What a great afternoon. My congratulations to Clyde & Districts for running this event it was a wonderful afternoon with a great buzz in the room. It is sad that we had to say goodbye to 17 members but it is a truly memorable way to do this. PCC Graeme's rededication gave us all a great feeling and sent us away with a new positivity for Lions. The award presentation is always great to be a part of with clubs and members having worked hard to gain these. Congratulations to you all. It was great to catch up with everyone again after what seems like a very long time with the convention being cancelled.

Yesterday I spent in Te Anau with a convention committee meeting for the next convention to be held there. There will be more information shortly but please note that next year the convention is earlier than usual being the 27/28<sup>th</sup> February, make a note in your diaries now to keep this free. As it is early in the year, we will need to have registrations in at the end of the year as Lions don't usually meet in January.

I now treasurers are having trouble with the International dues being in US dollars. If you go to the LCI international website and search exchange rates it will take you to the page, click on New Zealand then on the month that you are paying and it will give you the rate to use to convert it to New Zealand dollars. Have any trouble contact Treasurer James or myself and we can help.

I hope to catch up with more of you next week with the 1<sup>st</sup> cabinet meeting in Invercargill and then the President's Lunch on Sunday with Melissa Vinning as our guest speaker on the Charity Hospital.

Regards  
DG Sue Fleury

#### PRESIDENT'S MESSAGE

**United in Kindness and  
Diversity  
with International President,  
Dr. Jung-Yul Choi**

**Dear Lion,**

Together we have accomplished incredible, life-changing work around the world, but that good work has always begun with you. Your kindness and service unites your community in both good times and times of great need. And at all times, in all places around the world, where there is need, there are Lions. That is our strength and the inspiration for my presidential theme, "United in Kindness and Diversity."

This year, we will continue to safely serve our communities. Though we face many new challenges, we will respond as we always have—with kindness, commitment and innovation. I believe that when we serve together, we can unite our communities, and our world, to achieve a greater good for all.

I am honored to continue to serve another year as your International President. It will be my great privilege to stand together with you in service.

Regards,

**Dr. Jung-Yul Choi  
International President**

## Attention 202F Lions Clubs

7 July 2020

Many thanks to all the 202F Lions Clubs who contributed over the past 14 years to the Dialysis Caravan project .

In March prior to the Covid-19 Lock down period the SDHB decommissioned the caravan to be used by dialysis patients. The caravan was then used by the Catlins Medical Centre as an isolation unit/room for the Covid testing of patient, but it is no longer required.

Our directors decided that now is the time to sell the caravan.

The caravan which has new vinyl flooring, been freshly painted inside and out, comes with the water pump and a large storage box at the front, has a TV and DVD player, a comfortable reclining chair and footstool and the caravan is registered and comes with a WOF ready to go. The Owaka Lions Directors have suggested a price of \$7000.

It is set up for an individual to put in their own dialysis machine and filtering system and they can then take their own holiday wherever and whenever they wish.

**The Directors wish to give “first option to purchase” the caravan to anyone from the 202F clubs. May be your Lions Club knows or has a connection to someone who would need or want this caravan.**

If you have any inquires phone **Lion Alan Burgess 03 4158259** as soon as possible as there already has been some (outside 202F) interest shown.

Thank you so much for your support over the years.

There have been some wonderful letters of appreciation from users/clients who have enjoyed time away from home.

Lion Alan Burgess

Project Convenor.

1st photo: The large storage box on the front is also included and houses the pump and hoses which are included

2nd photo: Sorry I have no photo of the caravan without the dialysis machine and the filter unit. Theses will not be included with the caravan.

However the reclining chair and foot rest, (not seen in photo) plus TV screen and DVD player and mobile drawer unit are included.

Sorry the characters in the photo are also not included!!!!

## 202F Multi- media and Promotion and Public Relations

District Governor Sue Fleury has asked me to be the District Media person.

The position is to help manage the District Facebook and media publications

I encourage Clubs to have their own Social media pages to promote service to the community and communicate with club members. Also, to continue sending to our District Southern Flyer any photos and stories for the 2 x weekly publication. We have the Lion magazine that appears at club meetings as well as online editions, Clubs can also promote their Service in these. If you need any help with promotion please contact me on [202f.media@lionsclubs.org.nz](mailto:202f.media@lionsclubs.org.nz) or 0272811803.

### **District Awards**

We have had a challenging time in the past 6 months in many ways. One impact we have had with Covid is on the District awards with many days being cancelled which would have earned club points towards District Awards.

But we will look to the future. Now the Lions year 2019-2020 is finished clubs can start to think about entering the 202F District Community Service award.

This award is for the best Community service project. It matters not, how big or small but the inclusion of as many club members involved in promoting, producing and overall impact of the service project on the community. If clubs service project is chosen as the District Winner, the entry goes onto the Multiple District Ron Usmar for Community Service award to be presented at the Multiple District Convention. The Multiple District also has a Top Service Club award which is newly introduced and GST Allan Fluery has more information on this.

**Grassroots Electronic Bulletin award-** 2 copies of 2 different months bulletins posted to me by 30<sup>th</sup> October 2020. Always good if there are links, videos and movement in this award.

**Ian Mathieson Bulletin Award-** for the hard copy bulletin . Both awards must be informative with Local, National and International news. Interesting articles and preferable some photos. Attractively set out and most of all a good read.

### **PDG Barbara Sharpe Environmental Photo contest**

Get your camera out and send those photos relating to weather, animal life, landscape, and Plant life. Must be from this District area

**Quiet Achiever award-** Do you have that Lion in your club who works away tirelessly in the background, who keeps different areas of the club working like a well-oiled clock. Then Nominate them for this award. Please send a letter addressed to the District Governor giving their name and why your club thinks they should be recognised.

Closing dates for the above awards is the 30<sup>th</sup> October 2020

I will be sending out to clubs the information on how to enter the District awards.

Lions Clubs International Foundation  
Campaign 100 eNewsletter

## Lions Clubs International Foundation Campaign 100 eNewsletter

### From Past International President and Campaign 100 Chairperson Dr. Jitsuhiro Yamada

This Lion year began like no other. The world has shifted profoundly, though one thing has remained constant: Our world in need. We are emerging to navigate a new normal and grow campaign fundraising beyond the current US\$157,622,199. To stay safe, we may not be gathering in person, but you can help encourage clubs and Lions to donate funds that may have been collected through fundraisers, conventions, and forums or set aside to pay for such activities. Thank you for ensuring these donations continue. They are vital to our fundraising progress and allow our foundation to respond quickly to a global crisis such as COVID-19.

#### Connecting to Hope

As a global pandemic ushered in the darkest of times, a light swiftly emerged. Mobilizing hundreds of grants totaling US\$5.1 million, LCIF once again empowered Lions to be beacons of hope in their communities. With a LCIF District and Club Community Impact grant (DCG), Lions in France purchased equipment to electronically reunite hospitalized patients with loved ones. Enjoy their story of hope.

#### Sharpening Our Focus on Campaign 100

Be inspired to sharpen our focus on Campaign 100 and create more promising futures for children like those attending the newly renovated and expanded Kaani Lions School in Kenya. Your ongoing commitment to our campaign is helping Lions globally **increase** our service impact in vision, youth, disaster relief, and humanitarian efforts, **fight** diabetes, and **expand** our global causes to childhood cancer, hunger, and the environment.

## OHAI – NIGHTCAPS LIONS CLUB

### 2020 COMMUNITY SERVICE AWARD

*Awarded To*

John and Carron Levett,  
Formerly of Wairio, No 1 R.D., Otautau.

*Presented At*

The monthly meeting of the Ohai Nightcaps Lions Club,  
Monday 3<sup>rd</sup> August, 2020

*Presented By*

Nick Perham, Ohai / Nightcaps Lions Club President and  
Lions 202F 2<sup>nd</sup> Vice District Governor Jerry Schuurmans.

#### PURPOSE OF THE AWARD:

To promote and recognise an individual's public commitment, achievement, community service and leadership to the Ohai / Nightcaps District.

#### AWARDED:

Bi-Annually, period 1st July to 30th June each twenty four months.

**John and Carron have been awarded the 2020 Community Service Award for their long and dedicated service to the Ohai and Nightcaps community.**

**Although they have recently sold their farm and have retired to Manapouri, their legacy in our community will be long recognized and remembered.**

#### SCHOOL BOARDS OF TRUSTEES

Both John and Carron were dedicated parents during their children's education with John serving on the Ohai School Board of Trustees and Carron on the Takitimu School Board at various times.

#### LIONS CLUB

John had a brief but productive period of membership in the Ohai / Nightcaps Lions Club during the mid 1990's. He was involved with Door to Door Collections and served in the role of 3<sup>rd</sup> and 2<sup>nd</sup> Vice President before resigning in April 1998.

#### RUGBY CLUB

John has had a long membership of the Ohai Nightcaps Rugby Club, taking a period at most jobs with the club. This culminated in him and Carron both receiving Life Memberships recently.

John had been the sideline reporter for the live broadcasting reports for the local Radio Station.

John and Carron were usually involved each weekend with clubroom activities including the food and catering for each home game. John and Carron organised the Slink Skin Collection for the club over many years. This was a major fundraising activity for the Rugby Club.

The Rugby club records only go back as far as 2008, however their involvement goes back a lot further than that date.

#### NIGHTCAPS COMMUNITY MEDICAL TRUST

Carron joined the local Medical Trust in Nightcaps in 2003 and served as Treasurer between 2004 and 2013 and Secretary from 2013 until her resignation in early 2018.

#### OHAI VOLUNTEER FIRE BRIGADE

(now known as Fire and Emergency N.Z.)

Carron joined the local Brigade in 2012 and gave 8 years of committed service. She is trained as a Medic and fire fighter and she has won the Ohai Fire Fighter of the Year Trophy, as voted by her fellow brigade members.

She was the Treasurer of the Equipment Account.

John Hogg, Chief Fire Officer commented that Carron is a person that gives her 100% effort every time at the station and at call outs with the highest of care. She was a great help with the recent Covid-19 Lock Down looking after the community.

#### SUMMARY

These two people have probably done many other community activities over the years that only they would know about. They are willing, able and happy to help anyone at the drop of a hat; they do a lot of things behind the scenes without being asked and without asking for anything in return

Cromwell

## **Lions Tales**

What a surreal time we are living in with an uncertain future ahead of us all. We survived the Covid-19 enforced lockdown and are now back waiting to see how the transition into post lockdown activities progresses. Like everyone else our activities were curtailed for the past three months and we are now commencing projects that were put on hold.

The Cromwell Lions annual Queen's Birthday Mystery Garage Sale event has been rescheduled to Saturday 18<sup>th</sup> July. Maps will be available from 8:30am, at the Lions caravan, which will be located on Alpha Street, near the Cromwell Bowling Club. We will be next to the Rotary Clubs annual book sale and so you will also be able to see what they have on offer. The garage sale is in support of Rotary to help raise funds for the Cromwell Youth Trust. Members from The Hangout Youth Centre will be onsite with a popup kitchen, with fresh baking and a hot drink. Should you wish to hold a Garage Sale, all it will cost is \$20 and we will get as many people looking at your treasures as possible (refer the advertisement in this paper). Please phone Syd on 445 3644 or Russ on 0274 510 737 to register your garage sale.

Another project that has been on hold is the upgrading of the Lions garden at Old Cromwell. We were recently able to remove flax bushes & other unhealthy plants from the steep bank that Cromwell Lions maintain at Old Cromwell, refer photos.

A big thank you to Weka Landscaping, Heavy Trax Hire and Fulton Hogan for their invaluable assistance to remove the unwanted vegetation.

The club apologises to anyone who intended to use the barbeque we recently installed in Old Cromwell as we have had issues with the gas certification. This necessitated the disconnection of the gas and replacement fittings. As you can imagine this was not achievable during the lockdown and we are now able to get the necessary parts to ensure the barbeque will be operational this spring season.

We recently held our changeover night and now a new board and president will get the opportunity to identify the ways in which "We Serve" this wonderful community of ours will continue. Past president Graham Sim was all smiles as he handed the reins to new president Russ Fowler.

Finally, please do not forget the Lions recycling schemes in place.

Cromwell Pharmacy collect used eye glasses on our behalf, to assist those in the Pacific Islands with poor sight.

Old engine/solar batteries can be dropped off at the Transfer Station and at Great Southern on Hughes Crescent.

Can tabs and the aluminium tops/necks from wine bottles, can also be dropped off at Cromwell Pharmacy. This collection is able to support the families of children that need to visit Starship hospital for kidney disease treatment and are unable to access government assistance.

We are rearing to go for our first post Covid-19 outing of the food caravans at Light up

Winter on July 18<sup>th</sup> and look forward to seeing you there.

*Should you be interested in joining Cromwell Lions please contact Russ Fowler (President) on 0274 510 737 or Trevor Shaw (Membership Chairperson) on 445 4409*

## Invercargill I Host

Our major fundraiser each year is the Magic Show and this year that is going to look quite different from what it has been in the past particularly in how it is presented this year as it will not be a stage show like in other years. It will be interesting to see what sort of impact this and the current financial situation is going to have on the final amount that we will be able to present to the community this time next year.

## Wyndham Pioneer

Wyndham Pioneer Lions celebrated its 40th anniversary of its club on Saturday 18th July after being delayed from March because of Covid 19.

35 people enjoyed a lovely meal & Chair person Barbara William's read out what has been achieved over the past 40 years. Barbara was the Chartering President at that time. They still have 5 members that Chartered in 1980 in the club. Jennifer Clearwater, Glennis McKenzie, Joan Young, Barbara Williams, Beatrice Johnston.

Incoming President Lion Jenny Scobie outlined the work that each of the members had done over the years & then presented them with a 40yr pin & a glass plate engraved with their names on it. They then cut the anniversary cake which everyone enjoyed with tea & coffee .

## Winton central southland

The Zone meeting was very nice, nice meal and good company. We are not doing very much at the moment, we do have meals on wheels to do next week. The meal out last month was another enjoyable meal. The parking was almost full when we got there and a member came home with a scratch on the car.

**I love this story:- We had to have the garage door repaired. The repairman told us that one of our problems was that we did not have a 'large' enough motor on the opener. I thought for a minute, and said that we had the largest one made at that time, a 1/2 horsepower. He shook his head and said, 'You need a 1/4 horsepower.' I responded that 1/2 was larger than 1/4 and he said, 'NOOO, it's not. Four is larger than two.' We haven't used that repairman since...**

## Riversdale

SPEAKER at July meeting: Mike Crymble Basically, a RAF pilot for 28 years, 14 years as a Royal pilot... - Then a pilot for the rich and famous for a further 16 years. People like - Elton John, Jude Law, Gwyneth Paltrow, etc. Very successful Haydrive resulted in approximately \$19,000 being raised. It was good to see a good turnout of members to help him.

Threads of Friendship never break

Thank you for the laughter, for the good times that we share. Thanks for always listening, for trying to be fair. Thank you for the comfort, when things are going bad, Thank you for the shoulder to cry on when I'm sad. This verse is a reminder that all my lifetime through, I'll be thanking Heaven for a special friend like you.

A working bee in the next month installing the chain in Berwick Street. Riversdale Information boards updated and tidied up and this will be bought up at our tea meeting for the project committee to take a look at. The information on it is barely readable and very out of date.

On a sunny cold July afternoon on Friday, 3 July, another successful annual hay and baleage competition was held at Andrews Transport yards in Riversdale, commencing with the judging at 1.30pm of 184 entries received from local farmers, which were down from last year's entries of about 14 entries, The Riversdale Lions started this competition 44years ago.
