**We Serve**

Hi Everyone

Well it is the start of Spring on Tuesday and while the weather has been warmer, I guess we are into the bumpy ride that spring can be. With more wind but also more sunshine and it is lovely seeing the spring flowers always reminds of new life.

One of the best parts of this job is getting to be a part of your meeting for the night and hearing about what you are doing in your communities. It is certainly inspiring to hear about what is happening out there. It is very interesting to hear about the different projects that country clubs are able to do, to what the town clubs do but both are doing a great job. I congratulate you all on the superb work you are doing.

This morning I attended the Webinar on Membership and hope that some of you also attended this Webinar there was some great information on how to gain new members and ideas on how to retain them once you have gained them. Please remember every member is precious and make them all feel useful and welcome. There were also some good ideas on branch clubs and specialty clubs. I think branch clubs could be good to welcome in some younger members who could work in a branch club alongside the experienced club of older members. Could be a great way to get some new members.

As a District we now have a Zoom Membership and this is open to all clubs to use if they want do a Zoom meeting. Allan Fleury is running this for the District and if you want to use this you need to book through him so that we are not having more than one person on a time. Contact him on [202f.gst@lionsclubs.org.nz](mailto:202f.gst@lionsclubs.org.nz) he will be happy to talk it through with you on how to use.

Kind regards and stay safe  
Sue Fleury

### Foundation Fridays! Join Our Free Webinars!

COVID-19 has disrupted the way Lions serve their communities. To stay connected, LCIF launched Foundation Fridays. Every month, LCIF leadership or content experts discuss a variety of topics about the Foundation. Past webinars include LCIF's response to COVID-19, Campaign 100, and how an LCIF grant can empower your service. You can find recordings of these seminars on [our website](#).

Our next webinar is September 4. Plan to attend to learn more about how to navigate our new normal through LCIF and Campaign 100. Join LCIF Chairperson Gudrun Yngvadottir and LCIF Program Managers KaSondra Byrd, Benjamin Futransky, and Gillian Gibbs as they discuss the future of service. Join the discussion. Register today!

# Vdg Pam from the GAT Team

Hello Everyone, and welcome to my first article in the Southern Flyer for the 2020-2021 year as your Vice District Governor.

I have already begun visiting the Clubs I'm rostered to speak to on behalf of District Governor Sue.

I thank the members of both Wanaka and Districts and Wyndham Pioneer for the warm welcome I was given, and for their hospitality.

I appreciate the opportunity to meet fellow Lions and to hear how members of each Club are supporting their communities in their own unique ways.

The projects undertaken vary considerably between each club and each area, and are shaped by the needs of that community as well as the makeup of the club members. By this I don't mean the amount of lipstick or powder they wear, but by their age, interests, and physical ability.

For example, members of the Wanaka and Districts have been planting trees in the playground of a new primary school in their area, whereas Wyndham Pioneer members have been busily knitting for babies in the neo-natal unit at Southland Hospital.

Both of these projects are extremely worthy, yet what is possible by one club isn't necessarily what the other would choose to do. However no matter what or how your Club is able to support your community, everything you do comes under the Lions' motto of 'We Serve'.

And remember, we do this because kindness matters.

As always, I remain yours in Lions

## Grants Update:

Just as we thought we had navigated through Covid-19 and returned to normal we are once again struck with closures and restrictions in our venues.

The inability to trade will mean a difficult year for us all, but The Lion Foundation will continue to distribute funds whilst we can. Please be realistic in your applications and expectations, venue closures for the initial 7 weeks and now another 2 weeks will result in a dramatic reduction in our ability to generate revenue and the return to the community.

We are extremely proud that we have been able to support many causes throughout the last few months, some examples of which you can see in this newsletter. Please keep in touch with the Grants Team and The Lion Foundation in general through our website and Facebook page.

Tom Smith – **Grants Manager**

### Please don't feel lost!

As you continue to work hard to support your organisations through these uncertain times, The Lion Foundation would like to help and provide guidance.

It can be confusing negotiating your way through the many funding applications for different grant giving organisations. **Remember you are not alone**, like the team of 5 million working together against Covid-19, we are here for each other to help complete these applications.

The Lion Foundation is launching a suite of **Funding Workshops**. These workshops will cover the main criteria to apply for funding, what we need (and don't need) with your application and sector specific FAQs.

Workshops are available online via Zoom, the following webinars are scheduled:

[Thursday 27th September 10:30am Auckland](#)  
[Thursday 3rd September 1:30pm All /General](#)  
[Tuesday 22nd September 1:30pm Sports/Health](#)  
[Tuesday 13th October 1:30pm Community / Arts](#)  
[Thursday 29th October 10:30am Education / Religious and Other](#)

Register by clicking the links above, or on our Facebook page. Participants are limited to 25 per session, so register to guarantee your space. We look forward to seeing you there.

## 202F Multi- media and Promotion and Public Relations

District Governor Sue Fleury has asked me to be the District Media person.

The position is to help manage the District Facebook and media publications

I encourage Clubs to have their own Social media pages to promote service to the community and communicate with club members. Also, to continue sending to our District Southern Flyer any photos and stories for the 2 x weekly publication. We have the Lion magazine that appears at club meetings as well as online editions, Clubs can also promote their Service in these. If you need any help with promotion please contact me on [202f.media@lionsclubs.org.nz](mailto:202f.media@lionsclubs.org.nz) or 0272811803.

### **District Awards**

We have had a challenging time in the past 6 months in many ways. One impact we have had with Covid is on the District awards with many days being cancelled which would have earned club points towards District Awards.

But we will look to the future. Now the Lions year 2019-2020 is finished clubs can start to think about entering the 202F District Community Service award.

This award is for the best Community service project. It matters not, how big or small but the inclusion of as many club members involved in promoting, producing and overall impact of the service project on the community. If clubs service project is chosen as the District Winner, the entry goes onto the Multiple District Ron Usmar for Community Service award to be presented at the Multiple District Convention. The Multiple District also has a Top Service Club award which is newly introduced and GST Allan Fluery has more information on this.

**Grassroots Electronic Bulletin award-** 2 copies of 2 different months bulletins posted to me by 30<sup>th</sup> October 2020. Always good if there are links, videos and movement in this award.

**Ian Mathieson Bulletin Award-** for the hard copy bulletin . Both awards must be informative with Local, National and International news. Interesting articles and preferable some photos. Attractively set out and most of all a good read.

### **PDG Barbara Sharpe Environmental Photo contest**

Get your camera out and send those photos relating to weather, animal life, landscape, and Plant life. Must be from this District area

**Quiet Achiever award-** Do you have that Lion in your club who works away tirelessly in the background, who keeps different areas of the club working like a well-oiled clock. Then Nominate them for this award. Please send a letter addressed to the District Governor giving their name and why your club thinks they should be recognised.

Closing dates for the above awards is the 30<sup>th</sup> October 2020

I will be sending out to clubs the information on how to enter the District awards.

## LAWRENCE

A Big Thank you from Simone

Grateful thanks to anyone who can come Sunday 30th August, even for an hour or so. There was afternoon tea supplied for everyone, but could those who have them, please bring their own hot water in a flask? I have about 6 of them, but having your own will make sure you don't miss out on a nice, hot cuppa ☺

People will be divided up into small teams of 2-4 people and work in different areas on a range of tasks from some chainsawing, managing a burn pile, cutting back the box-hedging in front of the house-area, cutting back and blackberry / gorse etc from the tracks and paths, leaf blowing/raking/sweeping and marking out 'out-of-bounds' areas like the house.

We also need to mount a 'keep off' sign in front of the Malthouse – so if anyone has some nails and a hammer / screws etc and can dig a hole etc for the sign, I'd be SO grateful.

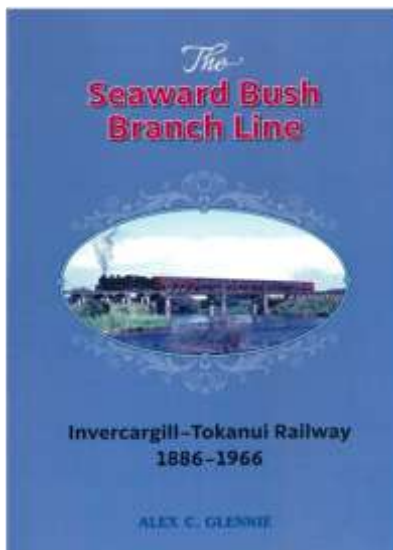

Thank you again Lions,  
Simone

CoVid19-Lions Lead! Wigram Skies Lions are available to help.

At Wigram Skies Lions Club we believe that 'Lions lead'. We have already donated all the profits from our event car parking jobs over summer to the Hallswell/Hoon Hay branch of St Vincent de Paul to help locals who may not be able to access sufficient government assistance. We have also helped locals with shopping, delivering medications and caring calls. We know that even at Alert Level 1 there will be locals who still need to isolate themselves for their safety or will be needing help and we are ready to help where-ever we can.

We look forward to welcoming our 2<sup>nd</sup> DG Jerry along to our August meeting on Thursday evening at Glenys' home. We will have some children's slippers made to bring along to give to the Dipton school children. **Don't forget** to bring a bottle/pottle wrapped for auctioning off on the night.

Dead Penguins - who knew?

Did you ever wonder why there are no dead penguins on the ice in Antarctica? Where do they all go?

Wonder no more! It is a known fact that the penguin is a very ritualistic bird and lives an extremely ordered and complex life. Penguins are extremely committed to their family and will mate for life, as well as maintain a form of compassionate

contact with their offspring throughout the remainder of their life.

If a penguin is found dead on the ice surface, other members of the family and their social circle have been known to dig holes in the ice, using only their vestigial wings and beaks, until the hole is deep enough for the dead bird to be rolled into, and buried.

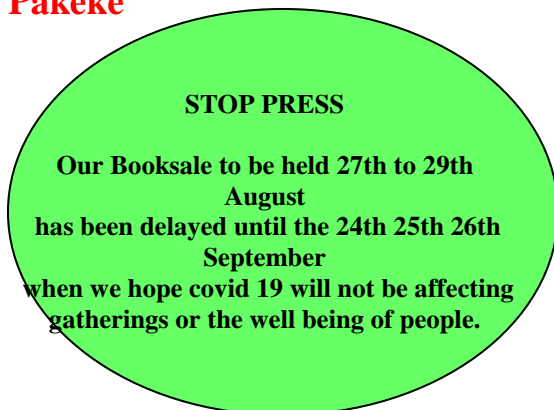

After packing the ice back in the hole, the male penguins then gather in a circle around the fresh grave and sing:

"Freeze a jolly good fellow."

"Freeze a jolly good fellow."

Well done Flora, love it.

## Gore Pakeke

At the July meeting we finalised arrangements for our 35th (coral/jade) anniversary in September. Please let any former members and wives know that they are invited to join us. ## Invercargill Host

It was a close vote at our meeting, but we have decided that the funds from this years Magic Show will be going to the Southland Charity Hospital which will be something new for Southland. It will be interesting this year to see how the Magic Show pans out and what the impact of Covid 19 is going to have on how many donations etc. that we receive

### Now for a Interesting Fact

Why.....

Do men's clothes have buttons on the right while women's clothes have buttons on the left?

When buttons were invented, they were very expensive and worn primarily by the rich. Since most people are right-handed, it is easier to push buttons on the right through holes on the left

. Because wealthy women were dressed by maids, dressmakers put the buttons on the maid's right! And that's where women's buttons have remained since.

## Cromwell

Light up Winter Evening 18 July 20 - Balloons glow in the sky above our food van The cooks - Tony S, Garry M, Trevor H & Kirk D had a steady queue waiting for their creations. 3,500 – 4,000 people attended.

12-Sept-20 Lakeside clean-up 9:00am – 12:00pm

20-Sept-20 Combined Cromwell Service Clubs BBQ.

25-Oct-20 Cromwell Fireworks & Street Party - Catering

It was a very chilly day for the annual mystery garage sale recently and thus the numbers out looking for bargains were well down on normal numbers. We had a good number of garage sales and therefore did raise some money for the Cromwell Youth Trust in conjunction with the Rotary Book sale. That same night we cranked up number 1 caravan and served hot dogs and chips at the annual Light up Winter event. This is the first time we have been invited to the event and we sold enough hotdogs and chips to encourage us back next year. We had a very productive day on Saturday 25th July with a team at Old Cromwell gardens working on the outline of the new walkway, which is taking shape due to Edgar's digger and Pete's well organised chain gang. At the same time Andy A. and his team were working through the first 16 pages of the updated constitution and at subsequent meetings have progressed through the first draft of a revised constitution

**Lochie Win** is Lion Luke's son, he is 6 years old and going to ski for 40 days over the winter at Cardrona Alpine Resort to raise money for the Cancer Society and to celebrate the skifield's 40th birthday. When Lochie was asked how much he wants to raise for the Cancer Society he said a trillion dollars. "A few years ago my mum got cancer and the Cancer Society helped my mum beat it and this is my way of saying thank you for helping my mum and other people's mum's and dad's." Day 22 of Lachie's 40 days was on 9 August 2020

## West Otago

The major event in the last month has been the Hay & Baleage Competition run in conjunction with the A&P. This was extremely successful with just over 30k being raised to go back to non profit organisations in our community. A huge thank you to all of our sponsors for their support and farmers for their donations of hay & baleage. Also to all the people from the Lions Club and A&P who helped run this competition.  
Bruce Dickinson was the overall winner this year.  
The recipients for the money this year are the Tapanui Squash Club, TWO's Promotions and the Tapanui School PTA. A representative from each of these organisations will be present at this months Tea Meeting to receive the funds.  
Fleur Barker (A & P President) is also attending our tea meeting. Please make them feel welcome.

## MATERIALS —

- main fabric - at least 8" x 12"
- lining fabric - at least 8" x 12"
- 26" elastic cord or 1/8" wide elastic band

## FABRIC NOTES —

- we have learned that sturdy woven cotton is the best fabric to use.
- jersey fabrics have too much space between knit stitches which makes them less effective in filtering germs.
- if using a fabric with any pattern, orient it horizontally.
- masks should be washed and sterilized, so laundering or drying fabric beforehand will prevent shrinkage after they are assembled.

Sewing steps can be found at [www.statethelabel.com/pages/masks](http://www.statethelabel.com/pages/masks)  
Email [sales@statethelabel.com](mailto:sales@statethelabel.com) if you have any questions! Happy sewing :)

I received this pattern from

## LOCKDOWN

Everyone PLEASE be careful because people are going crazy from being locked down at home!

I was just talking about this with the microwave and the toaster while drinking my coffee, and we all agreed that things are getting bad.

I didn't mention any of this to the washing machine, because she puts a different spin on EVERYTHING!! Certainly couldn't share with the fridge, cause he's been acting cold and distant!

In the end, the iron straightened me out! She said the situation isn't all that pressing and all the wrinkles will soon get ironed out!

The vacuum, however, was very unsympathetic...told me to just suck it up buttercup! But the fan was VERY optimistic and gave me hope that it will all blow over soon!

The toilet looked a bit flushed but didn't say anything when I asked its opinion, but the front door said I was becoming unhinged and the doorknob told me to get a grip!! You can just about guess what the curtains told me: they told me to "pull myself together!"

We will survive!!

## INVERCARGILL HOST

# LIONS CHRISTMAS CAKES

The Lions Club of Invercargill Host are yet again marketing and selling the famous NZ Lions Christmas Cakes.

Each cake, made by Ernest Adams/Goodman Fielder, is made to a unique special recipe, not repeated in any other Christmas cake.

Cake are uniced, of excellent quality, weight 1.2kg, are specially packaged in a Lions Club packaging, full of fruit, tasty, doesn't crumble. These cakes last, unopened, for at least two years and are always delicious. Cakes come in packs of six cakes.

Cakes retail at \$20 to \$25 depends on the margin you desire to make.

If your Club is interested in purchasing some of these cakes at a discounted price to enable your club to make some profit, contact Lion Kevin Wall at the Lions Club of Invercargill Host – email [invlionshost@gmail.com](mailto:invlionshost@gmail.com) or phone/text Kevin at 027 22 11 701.

We can cut a deal with you on your purchase price depending on how many you purchase.

## Wanaka & Districts

Vice District Governor Pam Fiveash will be speaking at our tea meeting this month.

We have had a good load of logs delivered to Ashley Blair's yard so will need to start cutting & splitting over the next few months.

The bike group are sharing some great shots of their adventures around the District.

Also at some stage in the next couple of months we would like to go over to Mou Waho Island for a working bee & social time.

There was a good turnout Saturday 20 August. The guys cut and split a lot of the wood that was delivered to Ashley's it is good wood and it is easy to deal to it.

Building Children's Playhouses out of Pallets. Options here are to sell them individually or raffle them. Raffling brings out people's generosity, so there is the potential to make a lot of money around Xmas time.

Holy Family School keen to attend a meeting to bring us up to date with their school wide ski program.

Everyone PLEASE be careful because people are going crazy from being locked down at home!  
 I was just talking about this with the microwave and the toaster while drinking my coffee, and we all agreed that things are getting bad. I didn't mention any of this to the washing machine, because she puts a different spin on EVERYTHING!! Certainly couldn't share with the fridge, cause he's been acting cold and distant!  
 In the end, the iron straightened me out! She said the situation isn't all that pressing and all the wrinkles will soon get ironed out!

The vacuum, however, was very unsympathetic...told me to just suck it up buttercup! But the fan was VERY optimistic and gave me hope that it will all blow over soon!

The toilet looked a bit flushed but didn't say anything when I asked its opinion, but the front door said I was becoming unhinged and the doorknob told me to get a grip!! You can just about guess what the curtains told me: they told me to "pull myself together!"  
 We will survive!!

Can you see what it says in this fantastic piece  
 Of work  
 If you can not, it says  
 202F Lions.  
 Thank you Ngaire for letting me share this.

## 202f Face book Page

<https://www.facebook.com/Lions202F/>

Cabinet have recently set up a 202F Facebook page for use by all members of the Lions family to promote projects and activities within your Clubs. The link to the page is <https://www.facebook.com/Lions202F/>, so please feel free to 'like' the page, and to post pictures and stories from the goings on in your Clubs. Special thanks to Donald Lamont who provided the disk of photos from Convention in Maniototo for inclusion on the page.
