We Serve

DG Sue Fleury

Hi Everyone

Well as I predicted Spring has started off with a very bumpy ride. Snow one day beautiful sunshine the next and the usual spring winds.

Allan and I have enjoyed several club visits over the last couple of weeks and appreciate being made so welcome. It is great to share this time with you and see how different clubs run their meetings. They are all different but the same if you can understand what I mean. They all cover the same things but may be done in a different way and this is truly covering My Club My Way. I am pleased to see this happening.

One thing that is coming through strong is that some of the projects that clubs have undertaken for years are not able to happen this year owing to Covid-19. There has never been a better time than now to reassess what your club is doing. Clubs need to think hard to come up with new projects but also think about service projects as well. There is not as much money out there as there was and service projects may be needed more. Remember that Lions was formed on Service. It may be time to change the way our clubs operate.

Please remember to report your service on My Lion. I have been at some clubs that are doing this really well and wondered if any of these people would be willing to help other clubs in their Zone get up and running.

If you are prepared to do this would you please email your details to Allan GST Coordinator at 202f.gst@lionsclubs.org.nz and he can match people up.

Please also remember if you are struggling for members please contact Jerry our membership coordinator 202f.membership@lionsclubs.org.nz and he may have some ideas to help you. We also have guiding lions in the district that can work with your club if you need help.

Kind regards and stay safe
Sue Fleury

Foundation Fridays! Join Our Free Webinars!

COVID-19 has disrupted the way Lions serve their communities. To stay connected, LCIF launched Foundation Fridays. Every month, LCIF leadership or content experts discuss a variety of topics about the Foundation. Past webinars include LCIF's response to COVID-19, Campaign 100, and how an LCIF grant can empower your service. You can find recordings of these seminars on [our website](#).

Our next webinar is September 4. Plan to attend to learn more about how to navigate our new normal through LCIF and Campaign 100. Join LCIF Chairperson Gudrun Yngvadottir and LCIF Program Managers KaSondra Byrd, Benjamin Futransky, and Gillian Gibbs as they discuss the future of service. Join the discussion. Register today!

News for all New Zealand Lions

September 2020

Hello Lions, 2020 will go down in history as a year to forget. Covid-19 has affected all of us and it is not over yet. I hope you and yours are all safe.

The CMF usually have a campaign every October to help us with publicity and fundraising. With all that has been happening we will leave any of those decisions with the individual Lions Clubs. We would appreciate any help we can get. Any activity is good for your clubs and CMF.

Due to Covid-19 our technicians from Australia have not been able to travel here to do the Auckland, Wellington, and Christchurch clinics and some children have had Hart Walker issues which have been helped from remote thanks to the internet etc. We are looking at ways to overcome the problem of our Australian friends being unable to travel and hope this will be fixed soon. Our Dunedin clinic is staffed by 2 Dunedin technicians but they are not in a position to do the other 3 clinics. The next Dunedin clinic is on Saturday 31st October.

On 23rd July we held our AGM via Zoom. Our office bearers are the same as last year with Bill McKeich as Secretary, Steve Bennett Treasurer, Genny Hanning as Coordinator, and myself as Chairman. We were pleased to be advised that 2021 DG Ella has been appointed as Council of Governors liaison to CMF.

We plan to have our next meeting of CMF in Wellington on 22nd November.

Grants Update:

Just as we thought we had navigated through Covid-19 and returned to normal we are once again struck with closures and restrictions in our venues.

The inability to trade will mean a difficult year for us all, but The Lion Foundation will continue to distribute funds whilst we can. Please be realistic in your applications and expectations, venue closures for the initial 7 weeks and now another 2 weeks will result in a dramatic reduction in our ability to generate revenue and the return to the community.

We are extremely proud that we have been able to support many causes throughout the last few months, some examples of which you can see in this newsletter. Please keep in touch with the Grants Team and The Lion Foundation in general through our website and Facebook page.

Tom Smith – **Grants Manager**

Please don't feel lost!

As you continue to work hard to support your organisations through these uncertain times, The Lion Foundation would like to help and provide guidance.

It can be confusing negotiating your way through the many funding applications for different grant giving organisations. **Remember you are not alone**, like the team of 5 million working together against Covid-19, we are here for each other to help complete these applications.

The Lion Foundation is launching a suite of **Funding Workshops**. These workshops will cover the main criteria to apply for funding, what we need (and don't need) with your application and sector specific FAQs.

Workshops are available online via Zoom, the following webinars are scheduled:

[Thursday 27th September 10:30am Auckland](#)
[Thursday 3rd September 1:30pm All /General](#)
[Tuesday 22nd September 1:30pm Sports/Health](#)
[Tuesday 13th October 1:30pm Community / Arts](#)
[Thursday 29th October 10:30am Education / Religious and Other](#)

Register by clicking the links above, or on our Facebook page. Participants are limited to 25 per session, so register to guarantee your space. We look forward to seeing you there.

District Awards 2020 updates

Recently the Council of Governors accepted the updates to the Multiple District awards by a committee set up to review and update the awards. Some of which were well out of date and not relevant anymore.

All District 202F Club secretaries were recently emailed the updated awards by District Secretary PDG Liz Murray.

The information has been uploaded to www.lionsclubs.org.nz/awards on the New Zealand Lions website, or available from me.

Community Service awards

The District 202F Project award winner is sent onto the Multiple District MD202 Ron Usmar Award for Community Service. The main change is that this award is now presented in electronic form with a few changes to the points system. This award is based on service projects from 2019-2020 Lions year.

Bulletin Awards

The Ian Mathieson Award for best club bulletin and the Grass Roots IT award now at Multiple District level become the MD Ron Rowe Award Public Relations and Communication. The changes here are that Social media, webpages and local media have been included in the criteria and points are allocated for these areas. These changes were reached after consultation from Ron Rowe. This award is based on bulletins from 2019-2020 Lions year.

Environmental Photos

PDG Barbara Sharpe Environmental Photo award is a District award and remains the same so please take those amazing photos. size 8"x10 "in the sections of Animal Life, Landscape (urban or Rural) Plant life, Weather phenomenon. The photos must be taken within the District 202F district area.

All entries to me by October 30th 2020

District F and J can enter this year's Multiple District Convention award winners because of Covid cancelling our conventions.

Please continue to publicize your Lions work on your Facebook page, local media and around your community. Spreading the word of the Lions projects will increase membership. Send photos and an explanation for the District Facebook page to DG Governor Sue, PDG Lynette Batt, or myself and we will upload to the District Facebook.

Contact me if I can help with publicity for your Club or awards information.

Shiver me timbers swashbucklers! Have you seen this?
Fiordland Trails Trust and Real Journeys
Cruise-for-a-Cause to Doubtful Sound
Sat 10-Sun 11 October 2020

- Head to the briny hearties and help raise some serious pieces of eight for the second leg of Te Anau to Te Anau Downs trail, an extension of our extremely popular Lake2Lake trail from Te Anau to Manapouri.
- 100% of the booty you pay for your ticket goes to the Trails Trust. There's not a lot of time - all tickets must be sold by 14 September!
- What you will want to know:
- The cruise will leave from Manapouri at 12 noon, be at Pearl Harbour by 11.30am at the latest. Allow plenty of time to park and eat your pre-ordered pirate lunch. Cruise arrives back to Manapouri between 1.30 and 2pm. A little later than normal as Real Journeys have offered to give us some more time on the sound on Sunday morning. Manapouri has plenty of parking.
- As we are going with a pirate theme, please bring along your favourite pirate costume (not compulsory) for a night of scuttlebutt piratey adventure.
- Its going to be all fun and games with 'ahoy me hearties' entertainment and a brief trail update from Engineer David Boniface and Chairman Steve Hoskin. There be treasure with live and silent auctions, and any plunder or booty you wish to donate or suggest please let us know.
- Please go to Real Journeys website: <https://www.realjourneys.co.nz/en/experiences/cruises/doubtful-sound-overnight-cruises/more-info/> to find out more details about the Doubtful Sound Cruise. You are in for a real treat. Once you have reserved your bed more information will be forwarded to you.
- To maximise on this fantastic opportunity the charge will be \$550 per person for top deck cabins, \$499 per person for double/twin cabins, \$399 for quad share and \$998 for single cabin. Remember this is a 100% donation to the Trails Trust. Your booking will be confirmed on receipt of payment to Fiordland Trails Trust bank account 03 1749 0049791 00, Westpac.
- We have an exciting opportunity for 4 lucky people to do an optional extra Helicopter flight to West Arm, courtesy of Te Anau Helicopters, followed by a mystery tour. Enquire for more details from jocelyn@fiordlandtrails.nz
- Approximately 20 experienced cyclists will have the option to have their bikes taken to the top of the Wilmot Pass for an exhilarating cycle back down to West Arm on Sunday at an extra cost of \$25 each for cartage of bikes on boat and to the top of the Pass.
- So don't be a lily-livered scallywag – book your ticket today and get set for the time of your life with a great bunch of hearties whilst also making a solid donation to our great cause.

"We Serve Because Kindness Matters"

Camp Quality is a camp for children with Childhood Cancer and the siblings of these children. It is held in January every year at Queenstown. It is a wonderful event for these children with each child requiring at least 1 volunteer to be with them at all times. Having had the privilege of attending last year's camp for an afternoon I was amazed at the way these volunteers give up their time to support this camp, some have been doing so for many years. This camp also gives the parents of these children a break as they do not attend so they also get a holiday knowing their children are being looked after.

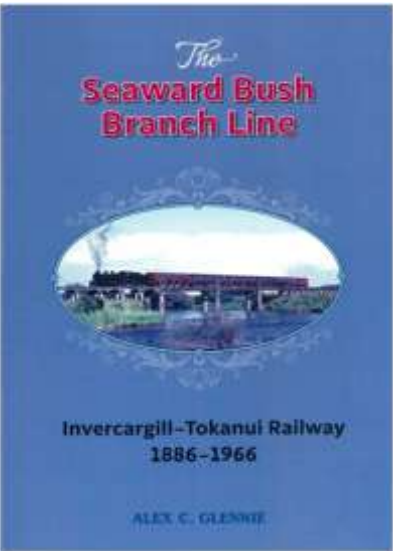

Since the Covid-19 shutdown Camp Quality have lost a lot of their sponsors and this year have had to cut their camp back to 4 days from a week. I know a lot of clubs support this worthy cause and a lot of clubs bake for the camp. If you see your way to making an extra donation to camp quality this year it would be very much appreciated and this of course supports one of our major cause's childhood cancer. If you make a donation can you please send it to District Treasurer James Whyte.

Thank you in anticipation

2nd VDG Jerry Schuurmans for GMT

■ Hello Everyone,

Here a Note from 2nd VDG and GMT Jerry Schuurmans

As you all know we share the load for visiting clubs in our District.

As a result of that I have started visiting some clubs as well

■ It is an absolute pleasure to meet you all in your club environment.

So far there has not been one visit the same. really good.

From having the meeting at someone's home, to having an informative evening about habitat for humanity, and ore just celebrating the fellowship with a bit of line dancing before dessert.

The only problem has been this covid-19 putting a sting into things again.

Some clubs are having trouble finding a venue for the Tea meeting and board meeting.

■ But we will get there by perseverance and determination.

Special because Kindness matters.

Also as being quoted by a Club President:-

***Our biggest asset in our club are our members.
We cannot insure them,
So, we have to look after them
Because we cannot afford to lose them.***

Great projects (big ore small) with good publicity makes it attractive to new members.

■ So far, I know there has been at least 10 members been added to our District 202F

Well done.

Yours 2nd VDG

Jerry Schuurmans

Cromwell Lake Dunstan

Face Masks/Coverings Ted might not be able to see very well but at least he's not spreading his bugs!

Thanks to Judy's suggestion we have been making masks and giving them to Cromwell's Community House to distribute. This has been a great opportunity for those of us wishing to clean out our fabric stash. Unfortunately elastic is in short supply nationwide. If you have any spare elastic we could use please let Judy know. As at 24 August we had made 114 masks.

We're selling Christmas cakes again this year. The first order will be placed at the start of September. \$20 per cake. Raewyn has order forms if you want to collect orders from friends and family. The club catered for a Ripponburn Staff

Dinner on the 5th September, at the Lowburn Hall. It would be a 2 course meal (soup and mains) \$30.00 per person for 50 persons. Ripponburn staff will provide dessert and are happy to clean up hall. Christmas Trees: Diana has 8 businesses including us willing to decorate a Christmas tree. Father's Day Raffle: Highlands Motorsport Park has donated a wonderful prize for our raffle – museum entry for four people, go-cart ride and taxi ride. Diana distributed raffle cards to members and organised a roster on 3rd & 4th September at New World. Prize is valued at \$425.00. It was suggested that we could have coffee at the Highlands Motorsport Park Café sometime. It reported that 74 masks have been made and other masks are in the process of being sewn, that will bring the total masks to 114. The masks have been taken to the Cromwell Community House. (Well done Cromwell Lake Dunstan)

Balclutha

The July meeting was addressed by Balclutha bike park project representatives Jared McPhee and Racheal Jenkinson. Committee chairman Jared enlightened the meeting with the plans for a major redevelopment of Naish and Centennial parks. Although the plans appear ambitious, the value the project will bring to Balclutha will be significant and Lions members were left in no doubt the desired outcomes will be achieved. The August meeting was addressed by 4 representatives of Sth Otago Forrest and Bird. Members were impressed with the level of enthusiasm shown and were similarly surprised at the range of activities Forrest and Bird are involved in. And who knew that the Catlins is home to a bat species of some significance. A group of members helped out with the running of the iconic Catlins Rally. The rally had some extra significance this year as it was the first to take place in NZ since the Autumn lockdown. Services provided ranged from the Friday layout of road signs (and Saturday retrieval) to corner Marshall duties. President Mark Way and partner Karen Piercy spent a few hours on a cold Saturday afternoon in a remote part of the Catlins. Karen maintains it took two days to warm up. Firewood cutting, drying, and selling continues to be a great earner for Balclutha Lions. The club is indebted to Gary Craig of Warepa who provides raw material, and a suitable place to work. Tim Samson continues to put together the finishing touches of a "poker run" that will take place on the 7th of November. Start will be in Milton at 10am with the finish planned for the Beaumont Hotel at around 6pm. Further details are available on the Balclutha Lions Facebook page or email Tim at tim.samson53@gmail.com. (To the editor of your bulletin, what a fantastic job you have done, I look forward to next months issue.– Editor 202F)

Lawrence

Competition was kept amongst Lions members and Min thanked Davey and Andrew for their help with weighing the crops. He then asked Soni Lyders to present the Ross Lyders Memorial Cup. Jason Lyders was the winner with 16 ½ tonne per hectre. Arrangements for Stars in their eyes is progressing well. 32ish tables sold. Plenty of helpers needed for set up Fri, on Sat night, and clean up. 3 drink stations, 2 workers per station. Jim delivered load of wood to resident with ill health. Working bee at the daffodils on the 30th Aug. Discussion held about making picnic tables for daffodil trust which had been put on hold and will look into later. Blair Vining Plaque - Charity Hospital committee asked what we would like to have inscribed on our plaque and it was decided to keep it simple 'LAWRENCE LIONS CLUB 2020'

Clyde & Districts

1 tonne of citrus was kindly shipped from Lions in Whangarei via Mainfreight to Cromwell. 35 volunteer hours by members of Clyde & Districts sorting the fruit into bags and boxes and delivered to people in Clyde, Alexandra & Districts to brighten their winter with golden shots of sunshine and vitamins

All "our girls" are working hard making flowers, cutting paper, sticking them on and creating new ideas all the time. A Float evolves as we go along – the balance comes as we bounce ideas off each other. Inspiration comes at 3.00am sometimes!! I would love all 35 members to make a paper flower to go into the "garden" under the butterfly. I think there may be some hilarity at the next meeting when we all try. Wheelie Bins.... Bill and Kate you are a credit to Lions. A very excited Kate said she had sold from her place \$1,000 of them in a week. A working bee was held to wash more and prepare them for sale. Our flyer drop's are paying off big time. 42 wheelie bins sold over August plus a bird feeder. Well done Team. Flyer drops have certainly generated interest & sales.

Kate Whyte our Citrus Project Leader directing proceedings in the Mainfreight Yard in Cromwell. Go Kate! Thank you Norman for being Kate's back up.

Te Anau Kepler

The 6 members (and one brave husband - Bob) who came on our Milford trip, all had a great day. Our guide was Tara, and she did a great job. She was excellent. We left the Events Centre at 8.30 am and we had several stops on the way in. The weather was lovely so we were really lucky. We went on a two hour cruise with Mitre Peak Cruises, and there were lots of dolphins who were hanging around beside and under the boat then when the skipper put his foot down, they had fun following us in the wake. We also saw two little groups of Blue Penguins and a couple of lazy Seals. We munched our lunch on board then it was off again in the coach which we had all to ourselves. We walked across the swing bridge up to the Gantry, which was amazing. Then further down the road a little, we had a nice wander in the nature walk at Lake Gunn. We arrived back at 4.30 pm. Tired but happy. Photo : – Lions Changeover lunch at Brony's – 1 st August

Wanaka Leo Club

At the September meeting we have a Lion member from the Clyde and Districts Club coming to the Leos tea meeting to teach them how Felt is made and then the Leo's will learn how to make poppys out of the felt. These poppys will be used in the wreath for next year's Anzac Day. Last month the Leos started on their hand warmer project. The October meeting will consist of a working bee at the Pembroke Cemetery. Far Right is a photo of some of the hand warmers. The next step is to add the Lavender and stitch the end up . Leos below at the September meeting learning the process how to make the Poppy's from the wool into Felt.

Finish product, many more to made at another Leo Club night. Big thank you to Lion Anne from the Clyde & Districts Club. She has lots of patience . The Leos loved the night.

"We Serve Because Kindness Matters"

Wanaka Upper Clutha

The Bullock Bar has been booked for a Quiz night on the 7th October. More information later. This is a Fundraiser for M!NT Trust and other community projects. M!NT are our guest speakers at the October meeting. For those who do not know about the M!NT Trust .

****M!NT is a small group of local families working on a voluntary basis to support youth and young adults with intellectual disabilities in the Upper Clutha region. Established in 2017 and only recently becoming an incorporated group with charitable status in November 2019, the group's vision is to "Strengthen together to achieve a good life for our children with intellectual disability".**

Currently, local youth and young adults with intellectual disabilities have no or limited access to community events and extracurricular activities and rely on families to seek, organise and fund these opportunities. This is a significant responsibility and commitment, drawing on limited private energy and resources **

Guest Speaker - Lion Pam Kane spoke about her involvement in the production of the book "Shirt Tales #2". a story of prominent and interesting women from the Upper Clutha. Betty George thanked Pam for her very interesting and informative talk.

Do not let them take your temperature when going into the store! It's a scam! They're erasing your memory! I went in for bread and milk and came out with six bottles of wine.

Plants are needed for a stall at one of the locations of the House and Garden tour in aid of the Hub. The stall will be held on 14th to 15th of November in Donella Osborne's garden. Please start potting up any veggies, bulbs, annuals or shrubs - whatever you can spare from your garden.

Club members- Barbara, Lynette and Marianne helping with the clean up the side of the roads out Albert Town on Sunday 13th Sept.

"We Serve Because Kindness Matters"

Otautau

Our major fundraiser- Slinkskins is having a year off, hopefully this is not terminal!! So where does this leave our little club with more than half the membership 60+ with not too much enthusiasm for working bee type fundraisers (firewood etc)? All we have as prospective income is the Covid-19 delayed wine & food event. Running this will take a 100% commitment from us all to prepare & serve plus the setting up clean-up and most importantly ticket sales. I hope that that 100% commitment is forthcoming, or the project will be in jeopardy.

The Quiz nights that I am quizmaster for at The Otautau Hotel, and some club members are regulars in teams, has raised \$10895 (10 nights) for various charities/ organisations this year and our Club held the quiz one time for Borland Lodge (\$1300) as well as assisting with the daffodil day quiz and early in year got the \$1270 raised at the bushfire appeal quiz to add to our donation to the Lions water tank fund.

Our Club has also been involved in the previous two years and the Total raised at the Quiz nights for the 3 years is \$26813. Maybe that is why we have noticed less requests for funds from local Clubs.

Membership once again is a major focus at Cabinet and Club level. 202F District is 45 lost members away from potentially losing its District Status. Ohai/Nightcaps are planning to do a presentation to local High School, Young Farmers Club & new people to their district explaining what Lions achieve in their communities and have invited Otautau if we want to take part? Is this an opportunity to enact Herb's plan for us each to ask a prospective member along?

Ohai Nightcaps

On Monday, 3rd August we all had a great night celebrating the successes of John and Carron Levett, who it was an honour to present the 2020 Community Service Award to. It was great to see such a turnout, a testimony to the breadth and depth of Carron and John's involvement in our community. I wish them all the best and a relaxing time in their new community of Manapouri.

We raised \$1300 at the Otautau Hotel Quiz evening for the Borland Trust plus \$750 earlier brings us to over \$2000 we have given this year to help their COVID \$50k deficit. Andrew Pardoe-Burnett, the Waiiau School Principal and a Tuatapere Lion has taken over the Lions 202F Borland Youth Leadership role. Our aim this year is for every member to invite a prospective new member along as our numbers have dwindled to 13 Also, we are currently looking for new ways to help our community. Our annual donations last year were \$12,540

Alexandra

Wednesday Smoko's These social gatherings have proved to be popular with members over the last few winter months, so we have decided to extend them for a while longer. Those that attend them on a regular basis have discussed the matter and decided they will still have them each week and alternate between Alexandra one week and Clyde the next, and pick which café they will go to. So if you are free on a Wednesday morning, feel free to come along and exchange the odd lie or two. We have had a meeting regarding the signs at the entrances to Alexandra and have officially taken over the ongoing maintenance of them. We have also arranged to have some of the trees removed which are shading the solar lighting panels. Camp Quality Bowls Tournament- D Lamont -date set for March 21 2021 all club needs to do is organise raffles and prizes as the bowling club will do the organising and running. 30 people attended Dinner and Movie evening, Blossom Float progressing well and Princess has been chosen. Wednesday morning coffee gets together proving popular. Clyde Golf Tournament for Prostate cancer appeal coming up in Sept.

Waikiwi

The Lily bulbs have arrived and will be available on Tuesday night to be picked up at the Lions Meeting, just in time for spring planting. Remember the 12th October, Monday night, for Jingo Bingo at the Waikiwi Tavern. 7pm start. On Tuesday 4 August we had the pleasure of hearing our guest speaker, Janice Lee from Koha Kai, speaking to us about Koha Kai: how she came identify the need and how to meet that need; how she helped to develop the trainees from eager beginners into good workers; the challenges, pitfalls and rewards of what she was doing; meeting the current needs; and where to from here. It was an interesting and informative talk about one of our own doing the right thing for her community. Well, our 'friend??' Covid-19 has once again come along and disrupted our fundraising activities, with this Sunday Drags being cancelled due to the restrictions on numbers of people at an event. We will hear more about future events in due course. Parting Thoughts used in August:

**May you be proud of the work you do, the person you are and the difference you make

**You know you're working-class when your TV is bigger than your book-case.

Gore Hokonui

Our August guest speaker, Kendra a breath of fresh air. Life in Dubai is certainly very different from here. We enjoyed meeting her father and brother as well.

Many thanks to Alwyn who brought excess home made cards to the last meeting. We were able to purchase these at a reduced rate and they went very quickly. I

ELEVEN COMMANDMENTS FOR AN ENTHUSIASTIC TEAM

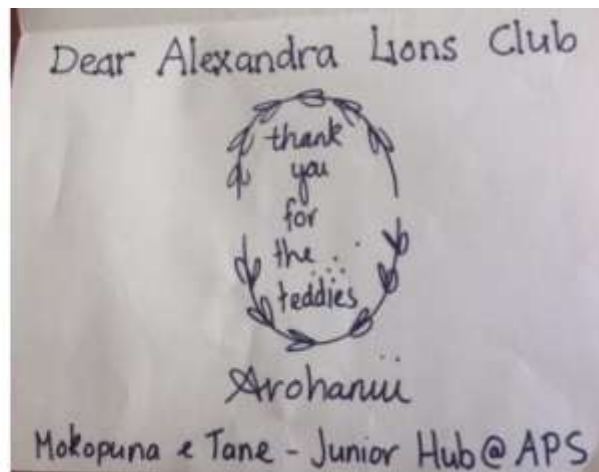

Ian Percy

1. Help each other be right – not wrong
2. Look for ways to make ideas work – not for a reason they will not
3. If in doubt, check it out. Don't make negative assumptions about each other.
4. Help each other win and take pride in each other's victories.
5. Speak positively about each other and about the organization at every opportunity.
6. Maintain a positive mental attitude no matter what the circumstances.
7. Act with initiative and courage as if it all depends on you.
8. Do everything with enthusiasm – it is contagious.
9. Whatever you want – give it away.
10. Don't lose faith – never give up.
11. Have fun.

Alexandra Dunstan

It was very sad to see Past President Glenys suddenly died this month at home. We miss you Glenys. Thanks to all the members who took the time to say farewell at her funeral last week, also to Suzette for her thoughtful eulogy .

The teddy bears we knit for children admitted to Dunstan Hospital have proved so popular that it was decided that other children should also get the benefit of them. Alexandra Primary School gives one to each of their junior students who get certificates at assembly each week.

INVERCARGILL HOST

LIONS CHRISTMAS CAKES

The Lions Club of Invercargill Host are yet again marketing and selling the famous NZ Lions Christmas Cakes.

Each cake, made by Ernest Adams/Goodman Fielder, is made to a unique special recipe, not repeated in any other Christmas cake.

Cakes are uniced, of excellent quality, weight 1.2kg, are specially packaged in a Lions Club packaging, full of fruit, tasty, doesn't crumble. These cakes last, unopened, for at least two years and are always delicious. Cakes come in packs of six cakes.

Cakes retail at \$20 to \$25 depends on the margin you desire to make.

If your Club is interested in purchasing some of these cakes at a discounted price to enable your club to make some profit, contact Lion Kevin Wall at the Lions Club of Invercargill Host – email inlionshost@gmail.com or phone/text Kevin at 027 22 11 701.

We can cut a deal with you on your purchase price depending on how many you purchase.

Clinton

Winter has finally turned up and our firewood is been put to good use. Many thanks was given on Friday by recipients of the wood and they were surprised to get a pork roast as well. Many thanks to Terry Nicholas and Benji for organising this. Still liasing with other zone clubs re extra funding for the Balclutha St John mannequin. Tim Grant came along from Young Farmers to discuss the possibility of joint projects, Young Farmers are seeing a good rise in members. It was suggested a joint community gathering be run in Clinton between Lions and You Farmers.

Popotonoa Hill Walk planning on track (no pun intended). Ben and Benji have been liasing with all parties involved. Stock Drive: \$26000 to date, money still coming in. . Big thanks to Donna for her great job doing the bulletin. A bit of entertainment coming up in the form of a black tie ball and a not so mystery, mystery bus trip. Looking forward to these , says President Ben.

We have been approached by a local lady to join the Clinton Lions Club. The committee has agreed to ask her along.

Balclutha St John – mannequin has hit a dead end. New radio telephones are needed so we are going to help them get new RT's. The pricing is to be advised.

Gore St John – have been using a borrowed Bone Marrow drill used for administering the meds.

We will purchase one for them. Price to be advised . Guest Speaker: Sarah gave talk on her trip to Uganda with her daughter Kristen 2 years ago. Volunteered in orphanage (“Fountain of Peace”) for abandoned babies.

Closing Thought: When someone asks you a question you don't want to answer, smile and ask them why they want to know.

Lumsden

Due to the country remaining in Level 2 for COVID-19 we are unable to use our usual meeting venue as FENZ have declared their premises to be for Operational Staff only so we will instead be meeting at the Senior Citizens Rooms on Diana Street at 2:30pm on Sunday 6th September. We will have as a theme "Mask Up for COVID" and there will be prizes in various categories for face coverings worn. Thank you to everyone who assisted/contributed to the successful Cake Stall that we held on Friday morning. A special thanks to Lynda and Cheryl who worked through pricing the items Thursday afternoon
