We Serve

DG Sue Fleury

Hi Everyone

I have had a very busy month visiting 6 clubs and travelling 2,000 km's. I have enjoyed every minute of it (well maybe not all the travelling) but certainly visiting the clubs.

What has surprised me is the wonderful Service clubs are doing out there without anyone knowing. I know I am harping on about this but we do need to report our service it is very important. I went and helped a club set this up earlier in the week and it is really simple to do once you get into My Lion. We have only 25% of clubs reporting and this figure needs to increase dramatically.

Allan and myself have been blown away at some of the projects and I happy to see clubs are starting to think about new projects now that some of the projects they have been doing for years are now not able to be done.

I have inducted 1 new member but would love to do more, I think if we start promoting ourselves new members will come.

Congratulations to Alexandra and Clyde & Districts on winning the People's Choice Float yesterday at the Alexandra Blossom Festival also their Princess winning the Blossom Queen well done I know the hours that went into making this float and you should be very proud. This was a great day well supported after many events being cancelled due to covid -19, it gave people a chance to celebrate.

Keep up the good work, report your service, advertise your service and we will have an increase in membership.

Kind regards and stay safe
Sue Fleury

District Awards 2020 updates

Recently the Council of Governors accepted the updates to the Multiple District awards by a committee set up to review and update the awards. Some of which were well out of date and not relevant anymore.

All District 202F Club secretaries were recently emailed the updated awards by District Secretary PDG Liz Murray.

The information has been uploaded to www.lionsclubs.org.nz/awards on the New Zealand Lions website, or available from me.

Community Service awards

The District 202F Project award winner is sent onto the Multiple District MD202 Ron Usmar Award for Community Service. The main change is that this award is now presented in electronic form with a few changes to the points system. This award is based on service projects from 2019-2020 Lions year.

Bulletin Awards

The Ian Mathieson Award for best club bulletin and the Grass Roots IT award now at Multiple District level become the MD Ron Rowe Award Public Relations and Communication. The changes here are that Social media, webpages and local media have been included in the criteria and points are allocated for these areas. These changes were reached after consultation from Ron Rowe. This award is based on bulletins from 2019-2020 Lions year.

Environmental Photos

PDG Barbara Sharpe Environmental Photo award is a District award and remains the same so please take those amazing photos. size 8"x10 "in the sections of Animal Life, Landscape (urban or Rural) Plant life, Weather phenomenon. The photos must be taken within the District 202F district area.

All entries to me by October 30th 2020

District F and J can enter this year's Multiple District Convention award winners because of Covid cancelling our conventions.

Please continue to publicize your Lions work on your Facebook page, local media and around your community. Spreading the word of the Lions projects will increase membership. Send photos and an explanation for the District Facebook page to DG Governor Sue, PDG Lynette Batt, or myself and we will upload to the District Facebook.

"We Serve Because Kindness Matters"

Update from VDG Pam

Hello fellow Lions.

Gosh the month has rolled around quickly, and we had a few days where we were treated to some beautiful spring weather. But the weather gods have decided we shouldn't get too complacent, and back we go into winter conditions. I feel for all you farmers out there who are trying to coax new life into the world. It can't be easy!

I'm continuing with my allocated club visits. I feel very fortunate that members of my club, Gore River Valley, are happy to act as my drivers/companions. I really appreciate the help they're giving me, and am aware that they probably enjoy it as much as me. They too get to hear about the awesome projects that our clubs are doing, as well as getting to meet old and new friends.

This was never more so than when Lion Jeanette and her husband, Lion Noel, took me to the Riversdale Club meeting last week. Both of them joined Lions in Riversdale, Noel with the Riversdale Lions, and Jeanette with the Riversdale Waimea Lions Club, which has unfortunately closed. However as several of its members transferred to the Riversdale Club she was able to catch up with them on the night.

This just goes to show that no matter where you go with Lions, whether it be to visit a club within New Zealand, or if the time ever comes when we're free to travel overseas and you visit a club there, you can always count on seeing a friendly face, and being made to feel extremely welcome.

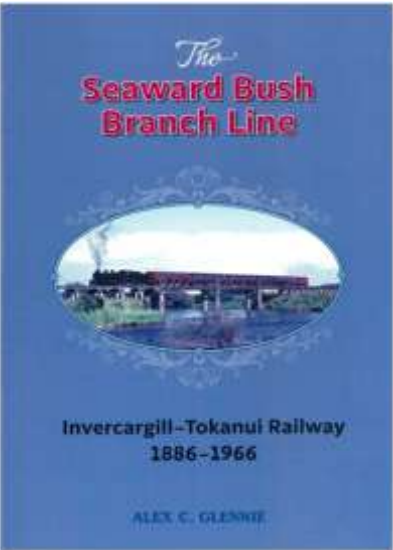

This is what we do as Lions, because our fellow Lions matter to us.

So until next time, I remain yours in Lions

Tuatapere

As with many other clubs Tuatapere have had disruptions to major projects. The Annual Hay Day usually held the first Friday in June could not take place until late July. The format was also changed with only genuine purchasers invited. We are most grateful to our many sponsors for their continued support with prizes and vouchers and the faithful volunteers who enabled the Hay to be accessed at Rabco/Crackles premises.

Despite the circumstances local farmers and local suppliers again donated generously with close to previous profits achieved \$10,000 to be given to Hospice Southland and also \$10,000 to the Blair Vining Charity Hospital \$5,000 has been given to Borland Lodge and an amount retained for local distribution as the need arises.

Hay Day Sponsors and volunteers were guests in August as well as Dr Murray Feifer who received our donation and spoke on the progress of the Blair Vining Charitable Hospital

The ambulance Committee advised that the Building Permit for the new Shed has at long last been issued. Last month there were 10 Ambulance trips 1130 Kms.

We have been advised that the Lions playground has had to be closed as the NZ.TA now considers its proximity to the Highway a Safety Issue.

At a recent Zone meeting we were pleased to hear that our donation to the Orepuki Cemetery Trust is now in its rightful place.

Donation has been made to the Tuatapere Pipe Band Hall also towards uniforms for the Highland Dancing girls.

We have been advised that the Tuatapere Saleyards Shed is still there as long as the Lions need it.

The constitution of Tuatapere Lions Club is being revised and brought into the modern era..

A new home for Tuatapere's emergency services will be one of the beneficiaries of today's annual Tuatapere and Districts Lions Club hay, baleage and silage competition.

Lions Club Hay Drive convenor Quinton Donald said the merger of the rural fire service with the New Zealand Fire Service had created an opportunity to renew the town's emergency services facilities.

"As the current emergency services are outdated plans are afoot and options are being looked at to consider building new facilities in the district," he said.

Entries for the competition were on par with last year and more than \$20,000 worth of sponsorship and prizes had been received from throughout Southland.

Other beneficiaries from the fundraising event would include Hospice Southland and the Lions Club education fund.

"In the 25 years, since the Hay Drive has started, we have raised more than \$400,000, with \$103,080 being donated to Hospice Southland - we have donated funds to them every year since 2001," Donald said.

WORLD FESTIVAL OF MAGIC
A LIONS CLUB OF INVERCARGILL HOST PROJEC
An Article by Lion Kevin Wall

In 1989 our Lions Club of Invercargill Host commenced our internationally acclaimed World Festival of Magic project. We have not missed a year since 1989, promoting our World Festival of Magic children orientated magic shows to our community.

In the 31 years of our World Festival of Magic, we have, via the generosity of our Lions District 202F Business Community, made available over 50,000 free tickets to our disadvantaged children and youth of our Lions District. Here is how this project works · our business community are individually contacted, one by one. ·

The businesses manager/owner purchase a number of theatre seats for that years Magic Shows (two shows held each year) – could be one ticket or as many tickets as they wish to sponsor. · They then donate the show tickets back to our Lion's Club and we distribute these tickets to disadvantaged children and their families/support people. ·

800 to 1,000 free tickets are available for each show meaning 1,600 to 2,000 free tickets each year. · Each year a troupe of world-class magicians come to Invercargill's Civic Theatre and perform their magic.

For many years, our lead magician has been Chuck Jones who before retiring as a Magician in Las Vegas, was ranked #3 best magician in the world!

After all show costs including troupe, theatre costs etc., are met, the nett funds are donated to charity .

Over \$350,000 dollars has been donated over our 31 years of Magic Shows.

Among the organisations to benefit are:

Hospice Southland, Borland Lodge, Koru Care, Riding for the Disabled groups, Camp Quality, Southland Amateur Radio, Southland Hospital, Special Olympics Southland, CCS Southland, Conductive Education Southland, Ronald McDonald House, Cancer Society, Alzheimer's Society, Heart Foundation, Chemo Crazies, Womens' Refuge's, Number 10 Youth Centre (Southland Youth Onst Stop Shop), Multiple Sclerosis Society, Age Concern groups, numerous items of equipment for Southland Hospital, plus many others have benefitted from our World Festival of Magic annual shows.

Our allocated area from Butcher Drive to The Junction has us collecting rubbish, pruning trees, leaf raking, picking up branches/logs, returning rocks to the river and preparing the lakeside for mowing. We also weed-eat areas of restricted mower access. A tremendous turnout and effort from all. Cromwell Lions and Cromwell Lake Dunstan Lions combined for this project. Thank you everyone. There will be more working bees in the near future to install the car ports at the Den and Lion Garry M. will be in touch once everything is signed off and we can commence this project. Please have your shovel ready and help out where you can. Pete M. will also be looking for assistance with the completion of the alterations to the garden in Old Cromwell.

BBQ and its trailer have been repaired and repainted and is ready for use. Planning for the 2022 Lions District Convention ongoing, Pam Fiveash will be down for a meeting later this month. The seats in Edendale were discussed. Liz and her husband George have volunteered to repair and repaint both seats once the weather improves. They will be painted in “Lion” blue. Judy has seen a “Lions” donated seat in Kaikoura that appears to be a concrete mould with wooden slabs. It was extremely comfortable to sit on. Something that needs to be kept in mind for future seat projects. No one from Matura Lions was at the Zone Meeting so there has been no progress on their request for support with the House and Garden Tour. Our next activity is Tulip Day. There are some issues to be worked through especially in relation to toilets and seating. The request for a variety of hot food was discussed. It was decided to do pies, savouries and perhaps soup. The pie warmer will need to be transported to the venue along with the food cabinet. Margie suggested getting Menzies pupils in to help which will lighten the load for aging legs. This suggestion was greeted warmly. Jenny and Judy will both be unable to help out on the day. The following week is Pet Day so any left overs will transfer there.

Our fundraiser “Meal for 10” is close to being finalised. Funds raised will go to the Charity Hospital and Ronald MacDonald House. Tickets will be ready to be sold by September’s Floor Meeting and all sales completed by November Floor Meeting. Hopefully the draw will occur on December 1st. Jan has arranged a meat voucher from Alliance for a 2nd prize and Wendy will write to MLT for a voucher for 3rd prize.

Interesting Article from Alan Gray , member of Blockhouse Bay-Lynfield Lions Club

Have you been looking for an alternative Covid-19 mask?

One where everyone one can see your facial expression, see your lips and share a smile while still breath filtered air and stop your droplets also.

Well here is an easy design I have worked out, cheap, and uses re-cycled 1.5 litre PET soft drink bottles. I am putting this our there for everyone to access and hopefully help all to keep safe.

Also inviting donations to our club as appreciation, to raise our project account funds. (Via PayPal and Credit Cards)

This is ideal where communities cannot afford expensive PPE cover and there are waste bottles to re-cycle rather than land-fill.

This will be mounted on our Facebook page, web site and anywhere else possible - so please share and we might just make a difference.

Click on image below or this to take you to <https://www.bhbl-lions.org/covid-clear-mask.html> to read and download as required.

We removed potential kindling wood from a house at Wrights Bush to keep our supplies up in early August and the same week we had kindling cut filling 140 bag. This was to meet the increased demand of kindling related to increased publicity from facebook. Our supper meeting on 18 August included an invitation to partners to attend as we were fortunate to have Dr Amanda Sommerfield, Medical Director, Hospice Southland who outlined the key issues around the upcoming euthanasia referendum. On the 24th of August John and I went to Tuatapere for our Lions zone meeting run by chairman Juon Schoen who is coming to visit us for our October meeting. To finish off August we had a flax cut on the last Tuesday, where 500 plants were obtained. • 5th Tuesday September 29th, will hold a games night at Senior Citizens rooms. • Xmas Parade collection from businesses discussed, could do a fund raiser to cover costs.

Gore Pakeke

Because the Book Sale has been postponed, the selling tickets for the lovely quilt has had to be adapted. Please help out with promoting this and maybe bring your \$2 (or lots of \$2s) along to the meeting to get the ball rolling.

Wanaka & Districts

We have 3 new members joining our club. They will be introduced at this month's tea meeting. Welcome to Colin Donald, Dennis Harvey & Robbie Anderson. It is great to have these gentlemen joining our club. On Friday 28th August, a delegation of Cavalcade men checked out the walking route & Woolsheds in the Twizel area. Club members have secured our plaque at the new Primary school – Te Kura O Take Karara - to show we had donated 3 trees for shade in the playground. We got a truck and trailer load of wood delivered and in two working bees it was all split. We will get a good return on the wood. We have the possibility of getting more wood. This project takes a lot of effort but the end result is we will have funds in our account. Our annual spud in a bucket competition is here again. Bring along \$10 to the September meeting and you can go home with a spud and a bucket. Weigh in will be the 3rd Wed in January. I got a positive response from the Cromwell Lions about a sports day between us.

HAVE YOU ANY OLD MONEY AROUND ... Or FOREIGN MONEY FROM OVERSEAS TRIPS?

This is a very worthwhile project which involves the collection of old New Zealand coins, also all (old and current foreign notes and coins) ... which are then sorted by Lion members before being returned to the Reserve Bank of New Zealand.

These proceeds help young people, whether it is groups or as individuals, ... to engage in an experience that will enable them to live their dream, also to establish life goals and reach their full potential Going to Outward Bound, Spirit of Adventure, Sir Edmund Hilary Outdoor pursuits, and other.

In 2019, from 33 individual Lion clubs out of 338 clubs, - only 10% of clubs actively participated. This project has been running for about 10 years, but appears to have somewhat "FORGOTTEN" over the last 3- 4 years!!

A GREAT OPPORTUNITY TO RUMMAGE THROUGH YOUR METAL SAFES, WALLETS, HAND-BAGS, OR DRAWERS, FOR OLD MONEY ... to support this project!

(thanks Heather)
