

# A Tokoroa City Lions Project

# BANNERS & MORE

email: [banners@tokoroalions.org](mailto:banners@tokoroalions.org)

## THE PROJECT

Making banners is one of our key fund-raising projects each year. The whole club gets involved in their creation.

By ordering with us you donate to the charities we choose; like the Hamilton Lions Cancer Lodge, LCIF, response to national disasters, and so on. As the New Zealand licensed provider we also donate banners to the International Youth Camp hosted by district 202L and subsidise some banner costs for Council Chairs and International Directors of MD202.

## THE PRODUCT

Everything we make is digitally printed at the highest resolution available and with 64million colours possible. Your photographs can easily be integrated into a design. Aside from banners, printing can be on cloth or vinyl, embroidery is done on clothing, and etching on glass. Banners are printed on wide fabric, seven banners across the width. For this reason orders must be in multiples of seven—minus two banners for new designs only—kept for our records. The minimum order is 35 (33 if new).

## THE COST

Prices depend on number:  
33+ (35) at \$16.25 each  
61+ (63) at \$15.75 each  
103+(105) at \$15.25 each  
Design setup costs: \$140

CONTACTS: any enquiries, email as above or call:
