

# 100 YEARS OF SERVICE

Lions are changing the world one community at a time, by addressing needs at home and around the globe. We are 1.4 million men and women who believe that kindness matters. And when we work together, we can achieve bigger goals.

Whenever a Lions club gets together, problems get smaller. And communities get better. That's because we help where help is needed - in our own communities and around the world - with unmatched integrity and energy.

# WHERE THERE IS A NEED, THERE IS A LION.

Lions Members are ordinary members of your local area that do extraordinary things to help others and build stronger communities.

Our five main service areas (left) are major international focuses of Lions around the globe with the goal to make our world a better place, and are combined with numerous local service programmes that support your own community in the areas they need help with most.

As a Lions Member you'll join a local group of service-minded men and women of all ages who volunteer to support your community every day. You'll also become a member of Lions Clubs International - a respected international organization, a leader in your local community, and a friend to people in need.
