

Heads Up for Kids - Individual Grant Application Lions Clubs New Zealand Charitable Trust

PURPOSE

Heads Up for Kids wish to make a positive difference in the lives of New Zealand's young people. We provide grants to assist with funding for programmes, courses and activities that boost confidence, teach leadership and teamwork skills and which will ultimately help young people reach their full potential. Grants assist those young people who have an identifiable charitable need.

C) Heads Up for Kids does not normally cover travel costs and/or separate accommodation costs. The reason we ask for any additional cost information is to inform guardians and the supporting Lions Club of any additional costs that may be required.

D) Total funding is a capped amount variable from time to time and generally only part of the total cost.

E) The successful Heads up for Kids grant applicant will become a Heads up for Kids Ambassador supporting their Lions Club for the hours listed below, promoting the Heads up for Kids Programme or Lions community project. These hours are to be carried out in consultation with the Club preferably before the funded course/activity, otherwise within 3 months of the course/activity completion. Hours of support are based on the amount of the grant funding provided by Heads up for Kids and can be provided by the applicant, their friends and family.
